GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees (the "Board of Trustees" or the "Board") of Acadia Realty Trust, a Maryland real estate investment trust (the "Company"), for use at the annual meeting of shareholders scheduled to be held on Thursday, May 5, 2022, at 1:00 p.m., EDT time, via live webcast at www.virtualshareholdermeeting.com/AKR22, or any postponement or adjournment thereof (the "Annual Meeting"). This Proxy Statement and accompanying form of proxy were first sent to shareholders on or about March 25, 2022.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be held on May 5, 2022. This Proxy Statement and the Company's 2021 Annual Report to shareholders are available at www.acadiarealty.com/proxy.

The Company will bear the costs of the solicitation of its proxies in connection with the Annual Meeting, including the costs of retaining a third party that will assist the Company in preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In addition to solicitation of proxies by mail, the Board of Trustees, officers and employees of the Company may solicit proxies in connection with the Annual Meeting by e-mail, telephone, personal interviews or otherwise. Trustees, officers and employees will not be paid any additional compensation for soliciting proxies. Arrangements have been made with brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares of beneficial interest of the Company, (the "Common Shares") held of record by such persons or firms with their nominees, and in connection therewith, such intermediaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding the materials.

All properly executed and unrevoked proxies in the accompanying form that are received in time for the Annual Meeting will be voted at the Annual Meeting in accordance with the specification thereon. If no specification is made, signed proxies will be voted "FOR" each of proposals 1 through 3 set forth in the Notice of Annual Meeting.

You may revoke your proxy and reclaim your right to vote:

- by submitting a later-dated proxy either on the Internet or by telephone by following the instructions on your proxy or voting card;
- electronically during the Annual Meeting at www.virtualshareholdermeeting.com/AKR22 when you enter your 16-Digit Control Number, which is available on your proxy card;
- by submitting a later-dated written proxy to the address shown on your proxy or voting card; or
- if you are a holder of record, by (i) delivering by mail to the Company's Corporate Secretary at or prior to the Annual Meeting an instrument revoking your proxy or (ii) delivering a subsequently dated proxy with respect to the same Common Shares to the Company's Corporate Secretary at or prior to the Annual Meeting.

Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to the attention of the Corporate Secretary, Acadia Realty Trust, 411 Theodore Fremd Avenue, Suite 300, Rye, NY 10580.

The Board of Trustees recommends a vote "FOR" each of the nominees for election as a Trustee and "FOR" each of proposals 2 through 3.

OUTSTANDING SHARES AND VOTING RIGHTS

As of the close of business on March 8, 2022, the record date for the Annual Meeting, there were 93,618,738 Common Shares outstanding. Holders of Common Shares are entitled to one vote for each Common Share registered in their names on the record date. The Board of Trustees has fixed the close of business on March 8, 2022 as the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. The presence, in person or by proxy, of the holders of Common Shares entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum at the Annual Meeting.

The affirmative vote of a majority of all the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting at which a quorum is present is required for (i) the election of each Trustee, (ii) the ratification of the appointment of BDO USA, LLP as the independent registered public accounting firm for the year ending December 31, 2022, and (iii) the approval, on an advisory (non-binding) basis of a resolution approving the compensation of the Company's Named Executive Officers. With respect to any of the foregoing, an "affirmative vote of a majority of all the votes cast" means that the number of votes cast "for" such Trustee-nominee or proposal must exceed the number of votes cast "against" such Trustee-nominee or proposal. There is no cumulative voting in the election of Trustees.

With respect to a particular Trustee-nominee or proposal, holders of Common Shares may vote for or against such Trustee-nominee or proposal by marking "FOR" or "AGAINST," respectively, on their proxy. Alternatively, holders of Common Shares may abstain from voting on a particular Trustee-nominee or proposal by marking "ABSTAIN" on their proxy. Proxies marked "ABSTAIN" (or for which no vote is indicated) are included in determining the presence of a quorum for the Annual Meeting. Except with respect to broker non-votes, properly authorized proxies for which no vote is indicated are treated as votes cast and are voted in accordance with the recommendation of the Board of Trustees as set forth in this Proxy Statement. Proxies marked "ABSTAIN," on the other hand, are not treated as votes cast with respect to proposals 1-3 and thus are not the equivalent of votes for or against a Trustee-nominee or any of the other proposals, as the case may be, and will not affect the vote with respect to these matters.

A "broker non-vote" occurs when a nominee holding Common Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions). Broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. Of the proposals to be voted upon at the Annual Meeting, the only vote that a nominee may cast without receiving instructions from the beneficial owner is the vote to ratify the appointment of the independent registered public accounting firm of the Company for the year ending December 31, 2022. Signed proxies returned without specific voting instructions will be voted "FOR" each of the nominees for election as a Trustee and "FOR" each of proposals 2-3.

PROPOSAL 1 - ELECTION OF TRUSTEES

There are nine nominees for election as Trustees, each to serve for a one-year term, expiring at the 2023 annual meeting of shareholders and until their respective successors are duly elected and qualify. Election of each Trustee requires the affirmative vote of a majority of all the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting.

The Company's Declaration of Trust provides that the Board of Trustees may be composed of up to a maximum of 15 members. The Board of Trustees currently consists of nine Trustees, each of whom serves until the next annual meeting of shareholders and until his or her successor is duly elected and qualifies. As stated elsewhere herein, the enclosed proxy will be voted "FOR" the election as a Trustee of each nominee whose name is set forth below unless a contrary instruction is given. All of the nominees currently serve as Trustees of the Company. Management believes that all of the nominees are willing and able to serve the Company as Trustees. If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election, and as a consequence thereof, other nominees are designated, the persons named in the enclosed proxy or their substitutes will have the discretion and authority to vote or refrain from voting for other nominees in accordance with their discretion.

Trustee Independence

With eight independent Trustees out of nine, the Board has satisfied its objective that a majority of the Board should consist of independent Trustees. The Board of Trustees has affirmatively determined that each of Messrs. Crocker, Kellar, McIntyre, Spitz, Wielansky and Zoba, and Mss. Luscombe and Thurber is independent under the listing standards of the New York Stock Exchange. In determining this, the Board of Trustees considered, among others, transactions and relationships between each Trustee or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board of Trustees has determined that each member of the Audit, Compensation and Nominating and Corporate Governance Committees is independent under the criteria for independence set forth in the listing standards of the New York Stock Exchange. Upon the election of all nominees, the Company will continue to meet the New York Stock Exchange requirement for a majority of independent Trustees serving on the Board of Trustees.

- experience as a chief transaction attorney;
- experience in growing retail brands in both North America and globally;

Vote Required; Recommendation

The election to the Board of Trustees of each of the nine nominees will require the affirmative vote of a majority of all the votes cast by the holders of Common Shares in person or by proxy at the Annual Meeting.

The Board of Trustees unanimously recommends that the shareholders vote "FOR" the election of each of the nine nominees to the Board of Trustees.

Unless otherwise indicated by a shareholder on a proxy and except with respect to broker non-votes, shares will be voted "FOR" the election of each nominee.

Because the election of nominees to the Board of Trustees is a non-routine matter under the listing standards of the New York Stock Exchange, brokerage firms, banks and other nominees who hold Common Shares on behalf of clients in "street name" are not permitted to vote such Common Shares if the client does not provide instructions.

For additional information regarding voting requirements, see "Outstanding Shares and Voting Rights" above.

PROPOSAL 2 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Trustees has appointed BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022 and has directed that the appointment of the independent registered public accounting firm be submitted for ratification by the shareholders at the Annual Meeting.

Shareholder ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm is not required by the Company's Declaration of Trust, Bylaws or otherwise. However, the Audit Committee is submitting the appointment of BDO USA, LLP to the shareholders for ratification as a matter of what it considers to be good corporate practice. Notwithstanding the ratification of, or failure to, ratify the appointment, the Audit Committee of the Board of Trustees in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company.

Representatives of BDO USA, LLP, the Company's auditors for the fiscal year ended December 31, 2021, are expected to be present at the Annual Meeting and will have the opportunity to make a statement if such representatives desire to do so and will be available to respond to appropriate questions.

Vote Required; Recommendation

The affirmative vote of a majority of all the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting is required to ratify the appointment of BDO USA, LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2022.

The Board of Trustees unanimously recommends that the shareholders vote "FOR" the ratification of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Unless otherwise indicated by a shareholder on a proxy, shares will be voted "FOR" such ratification. Because the ratification of BDO USA, LLP as our independent registered public accounting firm is a routine matter under the listing standards of the New York Stock Exchange, brokerage firms, banks, and other nominees who hold Common Shares on behalf of clients in "street name" may vote such Common Shares if the client does not provide instructions.

For additional information regarding voting requirements, see "Outstanding Shares and Voting Rights" above.

PROPOSAL 3 – NON-BINDING ADVISORY APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION

As required under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Company is seeking a non-binding, advisory shareholder vote approving the compensation of Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules and as discussed in "*Compensation Discussion and Analysis*," the compensation tables and any related material. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the policies and practices described in this Proxy Statement.

The Board and management have thoughtfully designed the Company's executive compensation philosophy, policies and programs tailored with the understanding of the Company's business and the strategic mission of the Company.

The Compensation Committee's executive compensation objectives are as follows:

1. Motivating the Company's Named Executive Officers to create maximum shareholder value.
2. Providing incentives to the Company's Named Executive Officers that reward dedication, hard work and success.
3. Providing a compensation program that ensures "pay for performance."
4. Aligning the interests of the Company's Named Executive Officers and shareholders as closely as possible.
5. Aligning the interests of the Company's Named Executive Officers and the Company's external fund investors as closely as possible.
6. Creating the right mix of long-term incentives to motivate and to retain the Company's Named Executive Officers.
7. Creating an incentive compensation program that can go beyond the Company's Named Executive Officers and be utilized throughout the organization.

Vote Required; Recommendation

The affirmative vote of a majority of all the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting is required to approve the non-binding advisory resolution approving the Company's executive compensation program for Named Executive Officers as set forth in this Proxy Statement. Because the shareholder vote is advisory, the results will not be binding upon the Board. However, the Compensation Committee will take the outcome of the vote expressed by the shareholders into consideration for future executive compensation arrangements.

The Board of Trustees unanimously recommends that the shareholders vote "FOR" the approval, on a non-binding advisory basis, of the Company's compensation program for Named Executive Officers as set forth in this Proxy Statement.

Unless otherwise indicated by a shareholder on a proxy and except with respect to broker non-votes, shares will be voted "FOR" the approval of the executive compensation.

Because this proposal is a non-routine matter under the rules of the New York Stock Exchange, brokerage firms, banks and other nominees who hold Common Shares on behalf of clients in "street name" are not permitted to vote such Common Shares if the client does not provide instructions.

For additional information regarding voting requirements, see "Outstanding Shares and Voting Rights" above.

BOARD OF TRUSTEES

Trustee Meetings and Attendance

During 2021, the Board of Trustees held six telephonic meetings, the Audit Committee held five telephonic meetings, the Compensation Committee held six telephonic meetings, the Nominating and Corporate Governance Committee held four telephonic meetings and the Investment/Capital Markets Committee held numerous telephonic discussions to discuss potential transactions. The Board of Trustees believes consistent attendance with a minimum of missed meetings is important in carrying out the responsibilities of being a Trustee. Trustee attendance for Board and committee meetings was 99%.

The Company does not have a formal policy requiring Trustees to be present at the Annual Meeting, although the Company does encourage their attendance. All of the Trustees virtually attended the 2021 Annual Meeting of Shareholders.

Board Leadership Structure

The Board's Lead Trustee and the Company's Chief Executive Officer generally provide leadership of the Board. The Company does not have a chairperson of the Board. Mr. Wielansky, an independent Trustee who serves as a member of the Investment/Capital Markets Committee, has been selected by the Board to serve as the Lead Trustee. The duties of the Lead Trustee include, without limitation, the following:

- to chair and facilitate discussions among the independent Trustees;
- to facilitate communication between the independent Trustees, the Chief Executive Officer and management;
- to facilitate proper flow of information to the Board by reviewing the adequacy and timing of materials in support of management's proposals;
- to assist in the planning and preparation of meetings of the independent Trustees and meetings of the Board, including the preparation of the agendas for such meetings;
- to ensure that members of the Board are contributing to Board discussions as needed;
- to discuss committee structure, including assignments of members and committee chairpersons, with the Nominating and Corporate Governance Committee, as needed;
- to be available to participate in any and all committee meetings, as needed;
- to act, individually or in addition to other Trustees, as the spokesperson of the independent Trustees in matters dealing with external groups: shareholders, creditors, consumer groups, local communities, federal, state and local governments and the press, as appropriate; and
- to carry out other duties as requested by the Chief Executive Officer and Board as a whole, depending on need and circumstances.

The Lead Trustee has final say on the agenda for all Board meetings.

The Chief Executive Officer presides over the regular meetings of the Board of Trustees, calling each meeting to order and leading the Trustees through the agenda items. The Lead Trustee presides over all meetings of non-management Trustees held in executive session. "Non-management" Trustees are all those who are not Company officers and include Trustees, if any, who are not "independent" by virtue of the existence of a material relationship with the Company (although all of the current non-management trustees are also independent). An executive session is held in conjunction with each regularly scheduled Board meeting and other executive sessions may be called by the Lead Trustee in his own discretion or at the request of the Board. The Lead Trustee's responsibilities are more fully described in the Company's Corporate Governance Guidelines, which are available on the Company's website at www.acadiarealty.com in the "Investors - Corporate Governance" section. Please note that the information on, or accessible through, the Company's website is not incorporated by reference in this Proxy Statement.

Because the Chief Executive Officer is the Trustee most familiar with the Company's business and industry and best equipped to effectively identify strategic priorities and lead the discussion regarding the execution of the Company's strategy, he usually leads discussion at Board meetings. Independent Trustees and management have different perspectives and roles in strategy development. The Company's independent Trustees bring experience, oversight and expertise from outside the Company, while the Chief Executive Officer brings company-specific experience and expertise. The Board believes that its leadership structure is appropriate because it results in an appropriate balance between independent leadership through the use of a Lead Trustee and strategic considerations, which result from the Chief Executive Officer leading the discussions on most Board topics.

Committees of the Board of Trustees

The Board of Trustees has standing Audit, Compensation, Nominating and Corporate Governance and Investment/Capital Markets Committees. Each committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as deemed appropriate to perform its duties and responsibilities.

The functions of each committee, are detailed in its respective committee charter, which may be found, in addition to the Company's Corporate Governance Guidelines, Code of Business Conduct and Ethics and Whistleblower Policy, on the Company's website at www.acadiarealty.com in the "Investors - Corporate Governance" section. Please note that the information on, or available through, the Company's website is not incorporated by reference in this Proxy Statement. Copies of these materials are also available to shareholders upon written request to the Company's Corporate Secretary, Acadia Realty Trust 411 Theodore Fremd Avenue, Suite 300, Rye, New York 10580.

Audit Committee

The Audit Committee has authority to engage the Company's independent registered public accounting firm and review the scope and results of the audit. The Audit Committee examines the accounting practices and methods of control and the manner of reporting financial results. These reviews and examinations include meetings with independent auditors, staff accountants and representatives of management. The results of the Audit Committee's examinations and the choice of the Company's independent registered public accounting firm are reported to the full Board of Trustees. The Audit Committee includes no officers or employees of the Company or any of its subsidiaries.

The Audit Committee Charter requires that the Audit Committee be comprised of at least three members, each of whom is "independent," as defined by the listing standards of the New York Stock Exchange and at least one of whom is an "audit committee financial expert," as that term is defined by the SEC.

The following Trustees are members of the Audit Committee: Ms. Thurber (Chair), Ms. Luscombe, Mr. Spitz and Mr. Kellar. Mr. Kellar and Ms. Luscombe have served as members of the Audit Committee since 2004, Mr. Spitz was appointed a member in 2010 and Ms. Thurber has been on the Audit Committee since 2016. The Board has determined that each of these members meets the independence requirements for members of audit committees prescribed by the listing standards of the New York Stock Exchange. The Board has determined that Mr. Kellar, Ms. Luscombe and Ms. Thurber are each an "audit committee financial expert," as that term is defined by the SEC. See the biographical information in "PROPOSAL 1 - ELECTION OF TRUSTEES" for their relevant experience.

Compensation Committee

The Compensation Committee is responsible for administering the Company's incentive plan and recommending to the full Board the compensation of the executive officers of the Company. The Compensation Committee, either as a Committee or together with the other independent Trustees (as directed by the Board), is responsible for determining and approving the Chief Executive Officer's compensation level. In addition, the Compensation Committee evaluates the Chief Executive Officer's performance, coordinates and reviews the Company's succession plans related to the Chief Executive Officer and other executive officers and reports the status of such plans to the Board annually.

The Compensation Committee Charter requires that the Compensation Committee be comprised of at least two members, with all committee members being "independent" as defined by the listing standards of the New York Stock Exchange.

The members of the Compensation Committee during the last fiscal year were Messrs. Spitz (Chair), Kellar and Crocker and Ms. Thurber. Mr. Spitz and Mr. Crocker have served as members since 2007, Mr. Kellar has served as a member since 2004 and Ms. Thurber has served as a member since 2016. The Board of Trustees has determined that each of these members is independent within the meaning of the listing standards of the New York Stock Exchange. See "Acadia Realty Trust Compensation Committee Report" below.

For information relating to the compensation consultant hired by the Compensation Committee, see "Role of the Independent Compensation Consultant and Use of Peer Group Data" in "Compensation Discussion and Analysis" below.

Compensation Committee Interlocks and Insider Participation

During 2021, none of the Compensation Committee members (i) were officers or employees of the Company or any of its subsidiaries; (ii) were former officers of the Company or any of the Company's subsidiaries or (iii) had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. In addition, during the last completed fiscal year, none of the executive officers of the Company served as:

- a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, in an instance where one of such entities' executive officers served on the Compensation Committee;
- a director of another entity, in an instance where one of such entities' executive officers served on the Compensation Committee; or
- a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, in an instance where one of such entities' executive officers served as a Trustee of the Company.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for reviewing the qualifications and performance of the Board of Trustees and recommending nominees for Trustees and Board committee membership to the Board. The Nominating and Corporate Governance Committee is also responsible for recommending to the Board changes in the Company's Corporate Governance Guidelines and overseeing the Company's ESG efforts. The Nominating and Corporate Governance Committee Charter requires the Nominating and Corporate Governance Committee to be comprised of at least two members, each of whom is "independent" as defined by the listing standards of the New York Stock Exchange.

Members of the Nominating and Corporate Governance Committee during the last fiscal year were Ms. Luscombe (Chair), who has served since 2005, Mr. Crocker, who has served since 2005, Mr. Zoba who has served since 2015, and Mr. McIntyre, who has served since 2021. The Board of Trustees has determined that these members are independent within the meaning of the listing standards of the New York Stock Exchange.

The Nominating and Corporate Governance Committee will consider all shareholder recommendations for candidates for the Board of Trustees. All shareholder recommendations should be sent to the Company's Corporate Secretary at Acadia Realty Trust, 411 Theodore Fremd Avenue, Suite 300, Rye, New York 10580, and should include all information relating to such person that is required to be disclosed in a proxy statement for the election of Trustees or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Shareholders must also include the nominee's written consent to being named in the proxy statement as a nominee and to serving as a Trustee if elected. Furthermore, the shareholder giving the notice and the beneficial owner, if any, on whose behalf the recommendation is made must include their names and addresses as they appear on the Company's books, as well as the class and number of Common Shares of the Company that they beneficially own. The Nominating and Corporate Governance Committee may identify other candidates, if necessary, through recommendations from Trustees, management, employees or outside consultants. The Nominating and Corporate Governance Committee will review candidates in the same manner regardless of the source of the recommendation. The Committee received no shareholder recommendations for candidates for the Board of Trustees for this Annual Meeting. Under the Company's current Bylaws, if a shareholder wishes to put forward a nominee for Trustee, it must deliver notice of such nominee to the Company's Corporate Secretary not less than 120 days and no more than 150 days prior to the first anniversary date of the proxy statement for the preceding year's annual meeting, provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the anniversary date of the preceding year's annual meeting, notice by the shareholder must be so delivered not earlier than the 150th day prior to such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such annual meeting is first made. See "Submission of Shareholder Proposals" below.

Trustee Qualifications and Review of Trustee Nominees

The Nominating and Corporate Governance Committee makes recommendations to the Board of Trustees regarding the size and composition of the Board. The Nominating and Corporate Governance Committee annually reviews the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity of backgrounds and contains at least the required minimum number of independent Trustees. The Nominating and Corporate Governance Committee is responsible for ensuring that the composition of the Board accurately reflects the needs of the Company to execute its strategic plan and achieve its objectives. In the event the Nominating and Corporate Governance Committee determines that additional expertise is needed on the Board, or if there is a vacancy, the Nominating and Corporate Governance Committee expects to use its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm.

The Company's strategic plan can be summarized in the following broad categories:

- Maintain a strong balance sheet;
- Maintain a strong core portfolio;
- Enhance the Company's external growth platform; and
- Utilize its experienced management team.

In evaluating a Trustee candidate, the Nominating and Corporate Governance Committee considers factors that are in the best interests of the Company, including the knowledge, experience, integrity and judgment of the candidate; the potential contribution of the candidate to the diversity of experience, competencies, and backgrounds, including diversity with respect to race, gender, and geography, required by the Board; the candidate's ability to devote sufficient time and effort to his or her duties as a Trustee; independence and willingness to consider all strategic proposals and oversee the strategic direction of the Company; and any other criteria established by the Board, as well as other core competencies or technical expertise necessary to fill all of the committees of the Board. The Nominating

and Corporate Governance Committee formally committed in its charter to seek to include candidates with a diversity of race, ethnicity, and gender in the pool from which it selects Trustee candidates.

The Nominating and Corporate Governance Committee will seek to ensure that each nominee meets the foregoing criteria and also brings a strong and unique background and set of skills to the Board, giving the Board, as a whole, competence and experience in a wide variety of areas:

- General real estate experience;
- Real estate investment experience;
- Asset management experience;
- REIT experience;
- Financial expertise;
- Real estate development experience;
- Retail real estate expertise;
- Public company board service;
- Information systems security and cyber risk oversight;
- Corporate governance expertise;
- CEO experience;
- Experience in risk management;
- Experience in mergers and acquisitions; and
- Experience in supporting strategy and growth of the retail leasing business.

Investment/Capital Markets Committee

The Investment/Capital Markets Committee (the "Investment Committee") has been established for the primary purpose of (i) screening all transactions that are within certain defined pre-approval limits to ensure such transactions are within such limits, (ii) acting as the pricing committee for all equity offerings and (iii) for other investments and capital market transactions, exercising such authority as is given to it from time to time by the Board of Trustees.

The Investment Committee Charter requires that it be comprised of at least three members, each of whom is "independent" as defined by the listing standards of the New York Stock Exchange. The Investment Committee Charter also provides that Company's Chief Executive Officer is a member of the Investment Committee by virtue of his executive position. Messrs. Crocker (Chair) and Wielansky have served as the members of the Investment Committee since the 2004 Annual Meeting, Mr. Spitz has served since 2007 and Mr. Zoba has served since November 2015. The Board of Trustees has determined that Messrs. Crocker, Wielansky, Spitz and Zoba are "independent" within the meaning of the listing standards of the New York Stock Exchange.

CORPORATE GOVERNANCE HIGHLIGHTS WHAT WE DO

The Company regularly monitors developments in the area of corporate governance and seeks to enhance the Company's corporate governance structure based upon a review of new developments and recommended best practices, taking into account investor feedback. We believe that sound corporate governance strengthens the accountability of our Board and management, and promotes the long-term interests of our shareholders. Below are the highlights of our independent Board and leadership practices:

- **Opt-out of Board Self-classification Provisions of Subtitle 8.** We have opted out of the provisions of Subtitle 8 of the Maryland General Corporation Law (often referred to as the Maryland Unsolicited Takeovers Act, or MUTA), the effect of which is that the Company is prohibited, without the approval of shareholders, from classifying the Board, and the Company may only opt back into such provisions with the affirmative vote of a majority of votes cast by shareholders.
- **No Poison Pill.** No Shareholder Rights Plan in effect.
- **Annual Election of Trustees.** Our Board consists of a single class of Trustees who stand for election at each annual meeting.
- **Majority Voting Standard for Trustees with Trustee Resignation Policy.** Our Bylaws include a majority voting standard for the election of Trustees in uncontested elections. Any incumbent Trustee who fails to receive the required vote for re-election must offer to resign from our Board of Trustees.
- **Independent and Diverse Board.** We seek to maintain a diverse Board primarily comprised of independent Trustees who represent a mix of varied experience, tenure, skills and backgrounds, including diversity with respect to race, gender and

geography, to ensure a broad range of perspectives is represented. We appreciate the value of Board diversity because Trustees with varying perspectives and cultural backgrounds improve the quality of dialogue and strengthen decision-making by the Board. In 2021, our Nominating and Corporate Governance Committee formally committed in its charter to seek to include candidates with a diversity of race, ethnicity and gender in the pool from which it selects Trustee candidates. Currently eight of our nine Trustees are independent, including two gender diverse Trustees and one racially and ethnically diverse Trustee, reflecting our continued commitment to creating a balanced Board. All members serving on our Audit, Compensation and Nominating and Corporate Governance Committees are independent.

- **Executive Sessions of our Board.** An executive session of independent Trustees is held at each regularly-scheduled Board meeting.
- **Lead Trustee.** Our Lead Trustee ensures strong, independent leadership and oversight of our Board of Trustees by, among other things, presiding at executive sessions of the non-management Trustees.
- **Board Evaluations.** Our Nominating and Corporate Governance Committee oversees annual evaluations of our Board as a whole, the committees of the Board and each Trustee individually.
- **Regular Succession Planning.** A high priority is placed on regular and thoughtful succession planning for our senior management.
- **Risk Oversight by Full Board and Committees.** A principal function of our Board is to oversee risk assessment and risk management related to our business. Oversight for specific areas of risk exposure is delegated to our Board committees.
- **Code of Ethics.** A robust Code of Business Conduct and Ethics is in place for our Trustees, officers and employees.
- **Clawback Policy.** Our Board has voluntarily adopted a formal clawback policy that applies to cash and equity incentive compensation.
- **Anti-Hedging and Anti-Pledging.** Our Trustees, officers and employees are subject to anti-hedging and anti-pledging policies.
- **Annual Say-on-Pay.** We annually submit “say-on-pay” advisory votes for shareholder consideration and vote.
- **Environmental, Social and Governance (“ESG”).** We strive to conduct our business in a socially responsible manner that balances consideration of environmental and social issues with creating long-term value for our Company and our shareholders.
- **ESG Oversight.** Our Nominating and Corporate Governance Committee oversees our ESG efforts. As tasked in its charter, our Nominating and Corporate Governance is responsible for periodically reviewing our Company’s ESG strategy, practices and policies, and receives updates from management regarding our ESG activities. The Nominating and Corporate Governance Committee reports to our Board on our ESG strategy, practices and policies for further discussion and evaluation by the Board, as needed and appropriate.
- **No Over-boarding.** Our Corporate Governance Guidelines limit Trustee membership on other public company boards subject to discretion of our Board.
- **Shareholder-requested Meetings.** Our Bylaws permit shareholders to call a special meeting.
- **Whistleblower Policy.** Our Board of Trustees has adopted a “whistleblower” policy.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE (“ESG”) ACHIEVEMENTS AND INITIATIVES

We believe that responsible environmental and social stewardship and ethical corporate governance are an essential part of our mission to build a successful business and create long-term value for our Company and our stakeholders. We have established both ESG and human rights policies. We have a multi-disciplinary ESG Committee, including several senior executives, steering our ESG Program, which is overseen by our Nominating and Corporate Governance Committee. Below are select achievements and initiatives of our ESG Program that illustrate our commitment to ESG principles.

REPORTING

We are committed to providing transparency and quantitative reporting around our ESG performance. Our ESG strategy, qualitative and quantitative goals, and performance are described in more detail in our annual Corporate Responsibility Report which can be found on our website at <https://www.acadiarealty.com/sustainability/environmental>. In 2021, we expanded the alignment of our Corporate Responsibility Report with the TCFD and SASB reporting frameworks. Please note that the information on, or accessible through, the Company’s website is not incorporated by reference in this Proxy Statement.

ENVIRONMENTAL SUSTAINABILITY

We are committed to understanding the environmental impact of our operations and promoting environmental sustainability while maintaining high standards for our Company and our stakeholders. We have undertaken numerous green initiatives, including the following:

- **LED Lighting and Smart Lighting Controls.** Since 2014, we have been upgrading lighting within the parking lots and common areas of our properties to high efficiency LED lighting and installing smart lighting controls to ensure lights are on only when necessary. All existing properties and newly purchased assets are evaluated to determine their suitability for such upgrades. LED lighting and smart lighting controls upgrades are expected to reduce the energy consumption and operational costs of our properties.
- **Sustainable Transportation/Electric Vehicle Charging Stations.** Many of our properties are in mixed-use, urban centers that are highly walkable or bikeable and provide access to public transit and bike racks on site. In locations where personal vehicles are utilized, we seek to provide charging stations for electric vehicles (“EVs”) and priority parking for fuel-efficient vehicles and/or carpools. We recognize the shift in personal vehicle transportation towards EVs and its positive impact on reducing greenhouse gas emissions. We expect EV charging stations to be an important amenity for our tenants and their employees and customers in the years to come.
- **Green & Renewable Energy.** While we prioritize minimizing our energy consumption, for the consumption we cannot reduce, we are expanding the procurement of green energy throughout our portfolio. In addition, we are actively evaluating the installation of solar projects and battery storage at select locations within our portfolio, which would promote renewable energy while providing our properties with an additional income stream from project leases.
- **Climate Change.** We are aware of the risk climate change presents to real estate investments generally and of the importance of developing a resilient portfolio in this regard. For standing investments, we analyze climate-related risks and we consider any identified risks as part of our Enterprise Risk Management and budgeting and capital improvements processes. We also assess climate-related risks alongside other risks as part of the due diligence process for acquisitions. Understanding the climate change risk in our portfolio enables us to implement mitigation measures, such as increased insurance and physical measures such as flood barriers and waterproofing systems, as necessary. We are disclosing climate risks in line with the Task Force on Climate-Related Financial Disclosures (TCFD).
- **Water Conservation.** We recognize the importance of reducing water consumption to mitigate burdens on the water supply and municipal wastewater systems, as well as to reduce the costs of operating our properties. Our water management program focuses on monitoring and reducing common area water consumption, while encouraging best water management practices by our tenants. A majority of our properties benefit from the use of a landscape design focused on drought-resistant, native, pollinator-friendly plants that save water. For locations with irrigation, we aim to use smart irrigation systems and utilize apps to remotely control the systems with features like rain sensors and real-time controls. Through the use of submeters at our properties, we provide our tenants with visibility into their water consumption and financial incentives to decrease such consumption, thereby guiding our tenants towards sustainable practices and operational cost savings.
- **Green Leases.** Our standard form of retail lease includes “green” language to align tenant and landlord interests in promoting the sustainability of our properties.
- **Data Collection, Management & Goal Setting.** We managed our energy and water data through U.S. EPA Energy Star Portfolio Manager to make strategic decisions around reduction in consumption at our assets, to set targets and meet our goals.
- **Corporate Office Initiatives.** Our sustainable practices extend to our corporate offices where we have adopted energy reduction, waste management and water conservation initiatives. These initiatives include, for example, installing LED lighting and automatic occupancy sensors for lighting and equipment, recycling programs, implementing electronic communication systems for tenant billing, and using low-flow faucets. Our corporate headquarters are easily accessible by public transit due to their close proximity to two train stations, helping to reduce air pollution and greenhouse gas emissions from employee travel. As a result of sustainability efforts made at our corporate headquarters, we were awarded the Outstanding Achievement in Land Use Award by the Green Business Partnership in 2019.

SOCIAL

- **Diversity, Equity and Inclusion (DEI).** DEI are fundamental values of our business. We believe that our potential for success is maximized by having a diverse workforce that is reflective of our society and the communities we serve. As of December 31, 2021, gender diverse employees represent 55% of our employees and 30% of our management-level positions, and racially and ethnically diverse employees represent 24% of our employees and 22% of our management-level positions. As of the date of this proxy statement, 33% of our Board of Trustees represents gender, racial and/or ethnic diversity. Led by our DEI Steering Committee, our DEI Program is focused on fostering a professional environment that fully embraces individuals with varied backgrounds, cultures, races, identities, ages, perspectives, beliefs, and values. The four pillars of our DEI Program are awareness, acknowledgment, acceptance and advancement, and a key part of our mission is to raise awareness of systemic inequities and promote initiatives to dismantle any such inequities. Through education and awareness – including compulsory unconscious bias training for all employees – we are working to establish a corporate culture that is characterized by respect and acceptance. In 2021, our DEI Steering Committee hosted regular awareness and education forums on DEI topics related to inclusion, women in the workplace and diversity initiatives. We believe that we have an individual and institutional responsibility to observe, promote and protect DEI principles. As part of our commitment to promoting DEI principles, we signed the CEO Action for Diversity & Inclusion pledge in 2020.

Our Distinctive Business Model

We are an equity REIT focused on delivering long-term, profitable growth via our dual – core and opportunity fund – platforms. We accomplish this goal by building a best-in-class, location-driven core real estate portfolio with meaningful concentrations of assets in the nation's most dynamic urban and street-retail corridors, including those in New York, Chicago, Los Angeles, San Francisco, Washington DC, and Boston. We also manage opportunistic and value-add investments through our series of discretionary, institutional funds.

The Company attributes its success to its distinctive business model and to its uncompromising commitment to three core attributes:

1. **Stay focused.** The Company executes its strategy by focusing on four key business strengths: enhancing its core portfolio, maintaining a strong balance sheet, launching profitable external growth initiatives and energizing the Acadia team.
2. **Maintain discipline.** The very nature of the Company's business is long-term, with horizons measured in years, not quarters. The Company waits patiently for the right opportunities to present themselves and makes strategic decisions that are driven by its commitment to sustain growth over the long term.
3. **Provide value.** The Company believes that the value it consistently creates and delivers is one of the attributes most admired by its varied constituency, consumers who shop in its centers, retailers who lease its properties, loyal shareholders who rely on its expertise, its business partners and the talented employees who are the face of Acadia.

2021 Performance Highlights

Refer to pages 50 and 51 of the Company's Form 10-K as filed with the SEC for the fiscal year ended December 31, 2021 for reconciliations of net income to Same-Store NOI Growth and FFO per Share, respectively.

- Paid quarterly dividends of \$0.15 per share (which was increased by 20% to \$0.18 in February 2022)

2021 Compensation Highlights

The Company's success depends on developing, motivating and retaining executives who have the skills and expertise to lead a REIT that uses both a traditional core portfolio and a fund platform. Our executive compensation program supports this business model and aligns management's interests with its shareholders and fund investors. We believe our compensation program demonstrates a strong pay-for-performance alignment that is consistent with value being created for shareholders given that:

- ***Pay-for-Performance Alignment*** – Our incentive programs are based on challenging goals and are subject to meaningful changes in payout levels depending on our annual and long-term performance results. Over the past three years, our CEO's annual cash incentives have paid out between 85% to 142% of target and our performance-based long-term incentives for our NEOs have been earned between 0% and 100% of units granted.
- ***2021 Annual Incentive Highlights*** – For 2021, we used a formulaic cash bonus that was based 60% on corporate financial metrics, 20% on the achievement of other strategic corporate objectives and 20% on individual performance that resulted in above target payouts following our strong 2021 financial results that exceeded expectations.
- ***Performance-Based LTI Awards Highlights*** – Our 2021 operations improved significantly from 2020, but nonetheless the retail sector continues to face headwinds. While in 2021, we generated a positive return of +58.4% for our shareholders, our stock price has not yet fully recovered from the impact of the pandemic. In accordance with our pay for performance philosophy, our NEOs compensation is materially impacted by our long-term TSR performance and as a result, our executives forfeited significant value and no replacement awards were granted. The 2019 performance-based LTI programs concluded with \$0 earned.
- ***Significant Alignment with Stakeholders*** – Most of the compensation paid to our executives is in the form of equity awards subject to five-year vesting periods (including approximately 85% of our CEO's compensation) tying the majority of executive pay to the Company's long-term Total Shareholder Return ("TSR") performance.
 - 50% of total award granted is in time-based LTIP Units that vest ratably over a five-year period based on continued service, which is significantly longer than the average 3-year period used in the REIT industry. Additionally, our CEO is

subject to an additional 2-year post-vesting holding period on all time-based and performance-based LTIP Units (both grants made in 2020 and 2021).

- 50% of total award granted is in performance-based LTIP Units that only vests if relative TSR goals are achieved. Any earned performance-based LTIP Units are not fully vested until two years following the end of the performance period to further promote retention.
- We also maintain the long-term incentive alignment program to ensure alignment with our fund investors, which is based on the fundamental principle that participants should only realize value if a particular fund has achieved significant success by generating more than a 6% per annum preferred rate of return on its portfolio of investments and typically involves value creation over a seven- to ten-year period.
- **Commitment to Strong Governance** – We are committed to maintaining strong governance features that effectively provide risk oversight of our compensation structure including:
 - Clawback policy for executive officers
 - Share ownership requirements, including 10x base salary for our CEO
 - Anti-hedging and anti-pledging policies
 - Long-term vesting requirements on equity awards
 - Post-vesting holdings requirements for CEO equity awards
 - Caps on annual cash awards and equity award payouts
 - Multiple performance factors tied to our overall business strategy
 - Range of payouts (not all-or-nothing)

Shareholder Say-on-Pay Vote

At the 2021 Annual Meeting, the Company's shareholders approved, on a non-binding advisory basis, the Company's executive compensation plan with an affirmative vote of approximately 91.6% of the votes cast on the matter, which the Company believes affirms strong shareholder support of its executive compensation program. The Compensation Committee is committed to reviewing the results of the advisory say-on-pay vote, market practices and governance standards on an annual basis and making changes as appropriate.

Compensation Program Objectives

Our executive compensation program is designed to help the Company achieve the objectives that are reflected in the Compensation Committee's Charter that is available on the Company's website at www.acadiarealty.com in the "Investors - Corporate Governance" section. Please note that the information on, or available through, the Company's website is not incorporated by reference in this Proxy Statement. The Compensation Committee's executive compensation objectives for NEOs are as follows:

- Motivating the Company's NEOs to create maximum shareholder value.
- Providing incentives to the Company's NEOs that reward dedication, hard work and success.
- Providing a compensation program that ensures "pay for performance".
- Aligning the interests of the Company's NEOs and shareholders as closely as possible.
- Aligning the interests of the Company's NEOs and the Company's external fund investors as closely as possible.
- Creating the right mix of long-term incentives to motivate and retain the Company's NEOs.
- Creating an incentive compensation program that can go beyond the Company's NEOs and be utilized throughout the organization.

How We Determine Compensation

The following sections describe the components of the Company's executive compensation program and the process for determining the compensation of the NEOs. The process includes input from the CEO (except with respect to his own compensation), the Compensation Committee and the Board of Trustees and an objective review of the Company's performance, the individual NEOs performance and the performance of the business unit that reports to each individual NEO. For a discussion of compensation for the members of the Board of Trustees, see "Board of Trustees Compensation" below.

<ul style="list-style-type: none">• Exercises independent discretion with respect to executive compensation matters• Administers our equity incentive programs, including reviewing and approving equity grants to our NEOs• Recommends individual targets and actual compensation for the executive officers• Evaluates performance, determines, and approves compensation levels for the CEO	<ul style="list-style-type: none">• CEO provides input on individual performance and results against key business goals• Provides additional information as requested by the Compensation Committee	<ul style="list-style-type: none">• Advises the Compensation Committee on competitive benchmarking on pay levels, practices, and governance trends• Assists with peer group selection and analysis• Reviews and advises on recommendations, plan design and establishing incentive plan goals

Role of the Compensation Committee

The Compensation Committee recommends compensation for our NEOs to the full Board and consists of four independent Trustees. The purposes and responsibilities of the Compensation Committee include the following:

- Determine and approve (on its own or together with other independent Trustees) the CEO's compensation level, as well as evaluate the CEO's performance;
- Make recommendations to the Board with respect to the compensation of the executive officers other than the CEO; and

- Coordinate and review the Company’s succession plans related to the CEO and other executive officers.

Role of Management and the Chief Executive Officer in Setting Executive Compensation

On an annual basis, the Compensation Committee considers market competitiveness, business results, experience and individual performance when evaluating executive compensation. The process includes input from the CEO (except with respect to his own compensation), including recommending for Compensation Committee approval the financial performance goals for annual incentives. Targets are set in order to drive both annual performance and long-term value creation for shareholders. The CEO is subject to the same financial performance goals as other executives, all of which are approved by the Compensation Committee. Upon the recommendation of the Compensation Committee, all final decisions affecting executive compensation are made by the entire Board of Trustees.

Role of the Independent Compensation Consultant

In 2021, the Compensation Committee engaged the services of an outside independent compensation consultant, Ferguson Partners Consulting (“FPC”), to assist it in evaluating the compensation program and determining the appropriate amounts, types and mix of compensation for executive officers in order to achieve the overall objectives as described above. FPC assisted the Compensation Committee in formulating plans for 2022 as well as making decisions with respect to year-end 2021 compensation. The Compensation Committee has the sole authority to retain and terminate the independent compensation consultant and approve fees and other engagement terms. The Compensation Committee has determined FPC is independent from management based upon the consideration of the final rules adopted by the SEC to implement Section 952 of the Dodd-Frank Act.

Use of Peer Group Data

Each year, we review the peer group to determine the appropriateness of each peer company, as well as the peer group in totality. In assessing our peer group, FPC prepared for the Compensation Committee a peer group using the following selection criteria:

- Retail property focus (shopping centers and regional malls); and
- Companies that are approximately no less than one-third (1/3) and no more than 3x the size of the Company in terms of implied market capitalization or total capitalization, and (to a lesser extent) evaluated companies’ number of properties and number of employees in evaluating the size and scope of operations.

Based on this assessment, we revised our peer group to remove National Retail Properties, Inc., Urstadt Biddle Properties, Inc., Washington Prime Group Inc., and Weingarten Realty Investors, whose relative size was no longer an appropriate comparisons, and added Agree realty Corporation, Macerich Company, and Phillips Edison & Company whose portfolios include shopping center assets within an appropriate relative size range on an implied equity market capitalization, total capitalization, and on own properties with comparable tenants. For 2021, our executive compensation peer group consisted of the following 14 companies (which peer group the Company carefully selected to include the most similar competitors based on size and asset holdings, so that comparisons of our compensation structure to such peers would be meaningful):

2021 Peer Group	
Agree Realty Corporation	Retail Properties of America
Brixmor Property Group Inc.	RPT Realty
Kite Realty Group Trust	Seritage Growth Properties
Macerich Company	SITE Centers Corp.
Pennsylvania Real Estate Investment Trust	Spirit Realty Capital, Inc.
Phillips Edison & Co., Inc.	Tanger Factory Outlet Centers, Inc.
Retail Opportunity Investments Corp.	Urban Edge Properties

Source: As reported by S&P Global Market Intelligence on May 28, 2021

The Compensation Committee, with the help of our independent compensation consultant, reviews the compensation practices of the Peer Group in order to evaluate market trends and compare the Company's compensation program with its competitors. Based in part on this data and analysis, the Compensation Committee develops a compensation plan that is intended to maintain the link between corporate performance and shareholder returns while being generally competitive within the REIT industry. FPC also reviewed the proposed recommendations made to the Compensation Committee by management and provided commentary regarding the reasonableness of such pay programs and pay level adjustments. While the Compensation Committee does not aim to target any particular peer group percentile, it does review market data for the Peer Group to assess the competitiveness of the pay opportunities. 2021 target compensation for our CEO was slightly below the median of the executive compensation peer group.

Elements of Compensation

The Company's primary components of compensation for its executive officers are base salary, annual incentives, and annual long-term incentive compensation. The Company seeks to maintain a competitive total compensation package that aligns the economic interest of the executives with that of shareholders while maintaining sensitivity to multiple factors including the Company's fiscal year budget, annual accounting cost and the impact to share dilution.

Base Salary

The Compensation Committee reviewed the base salaries of the NEOs and consistent with the Company's philosophy to offer competitive salaries to key executives relative to peers while providing most compensation in the form of variable, at-risk incentives noted the following:

- Base salary represents approximately 25% of total compensation on average (and less than 15% of our CEO's total compensation);
- Our CEO's 2021 salary was below the 25th percentile of the Peer Group; and
- Other NEO's base salaries are generally closer to the median of our Peer Group and are also calibrated based on internal equity factors.

The Compensation Committee recommended, and the Board of Trustees (in Mr. Bernstein’s case, solely the independent Trustees) approved base salaries in early 2021, as follows:

Named Executive Officer	2021 Base Salaries	2020 Base Salaries	% Change
Ken Bernstein, President & CEO	\$700,000	\$700,000	0%
John Gottfried, EVP & CFO	463,000	463,000	0%
Jason Blacksberg, SVP & CLO	445,000	445,000	0%
Christopher Conlon, Former EVP & COO	457,000	457,000	0%
Joseph Napolitano, SVP & CAO	365,000	365,000	0%

Annual Incentives

Each executive’s annual incentive opportunity is based upon threshold, target and maximum percentages of base salary and were set at a level that would provide NEOs with varying total cash compensation contingent on Company and individual performance. The threshold, target and maximum percentages of base salary for our NEO’s in 2021 remained unchanged follows:

Executive	Threshold	Target	Maximum
Ken Bernstein, President & CEO	100%	175%	250%
John Gottfried, EVP & CFO	25%	75%	125%
Jason Blacksberg, SVP & CLO	37.5%	75%	125%
Christopher Conlon, EVP & COO	50%	125%	200%
Joseph Napolitano, SVP & CAO	25%	75%	125%

2021 Annual Incentive Measures

In early 2021, the Compensation Committee recommended, and the Board of Trustees (in Mr. Bernstein’s case, solely the independent Trustees) approved an annual incentive program that was based on the following goals, with actual results achieved in 2021 shown for each measure:

Performance Criteria ⁽¹⁾	Weighting	Threshold	Target	Maximum	Actual Results
FFO/share	20%	\$0.92	\$0.97	\$1.01	\$1.05
Leased Rate – Core Portfolio	20%	87.0%	89.0%	91.0%	93.2%
Leverage – Net Core Debt/EBITDA	15%	7.75x	7.25x	6.75x	6.40x
Acquisition Activity (in \$mm)	5%	\$50.0	\$150.0	\$250.0	\$247.9
Executing the Strategic Plan					
Maintain a high-quality core portfolio of retail assets	20%	1.00	3.00	5.00	3.00 (see below)
Maintain a disciplined growth strategy that enables opportunistic investing					
Individual	20%	1.00	3.00	5.00	See Below
Total	100%				

- (1) The annual incentive plan is predominantly based on the achievement of objective Company financial performance goals. The objective financial measures are set based on our annual budgets and are consistent with market expectations. For 2021, the target ranges for FFO/share, Core Portfolio leased rate, and acquisition activity were consistent with the Company’s internal budgets with targets set at the midpoint of the ranges. Core Debt to EBITDA was consistent with our investment strategy and within acceptable leverage expectations in the retail REIT industry, which

is subject to change on an annual basis.

Executing the Strategic Plan Measure

In early 2021, the Compensation Committee recommended, and the Board of Trustees (in Mr. Bernstein’s case, solely the independent Trustees) approved the company’s strategic goals for 2021. The strategic goals are structured to provide our management with the flexibility to assess and best execute the strategic plan given the unpredictable nature of the retail sector. However, the assessment of their success in maintaining the strategic goals is based on measurable achievements and tangible results. The Company’s achievement of the 2021 strategic performance goals is outlined below and resulted in a 3.0 out of 5 rating:

2021 Strategic Goal	Related Accomplishments
Maintain a high-quality core portfolio of retail assets	<ul style="list-style-type: none"> Executed several key leases in 2021 in our urban markets including expansion of YSL on Rush St. in Chicago (June 2021) and new leases with Watches of Switzerland on Spring St. in Soho (March 2021), The Real Real on Greenwich Ave in Greenwich, CT (January 2021) and J. Crew on W Diversey Pkwy in Chicago (April 2021) Core Portfolio occupancy remains strong with 93.2% leased as of December 31, 2021 Suburban leases being executed at net effective rates that generally exceed our pre-COVID expectations
Maintain a disciplined growth strategy that enables opportunistic investing	<ul style="list-style-type: none"> Closed on \$84.1 million in acquisition in our Core Portfolio Closed on \$165.4 million in Fund V acquisitions following no acquisitions in 2020 Opportunistically sold a freestanding property in Bloomfield NJ at a cap rate of 4.5% Closed on \$60.1 million of Fund dispositions

Individual Performance Measures

In early 2021, the Compensation Committee recommended, and the Board of Trustees (in Mr. Bernstein’s case, solely the independent Trustees) approved individual performance measures for the 2021 annual incentive program. The individual performance component comprised 20% of the CEO’s total cash bonus award. The Compensation Committee concluded that the CEO merited an individual performance ranking of 3.5 based on its assessment of performance against his pre-established individual goals set in early 2021 as follows:

- Ensuring the Company’s long-term financial stability by raising new sources of capital, and by preserving & expanding the Company’s liquidity position
- Developing short & long-term incentives consistent with the current economic environment and forecasts
- Success in interfacing with Board of Trustees to develop Company strategy to ensure shareholder value is maximized over the long-term
- Stewardship at the top of the organization, and success in interfacing with major institutional investors and JV partners

The individual performance component of the 2021 annual incentive program comprised 20% of the other NEOs’ total annual incentive opportunity. These goals were established at the beginning of the year and vary for each NEO based on the different Company disciplines for which each NEO was responsible. The CEO evaluated each of the other NEOs relative to their individual goals and determined that Messrs. Gottfried, Blacksborg, Conlon and Napolitano earned an overall score of 3.4, 3.2, 3.2 and 3.3, respectively.

2021 Annual Incentives Payouts

On February 18, 2022, the Board of Trustees approved annual cash incentives payable at or above each NEO's target discussed above as follows:

Named Executive Officer	2021 Target Cash Bonus	2021 Amount Earned
Ken Bernstein, President & CEO	\$ 1,225,000	\$ 1,565,699
John Gottfried, EVP & CFO	347,250	494,588
Jason Blacksberg, SVP & CLO	333,750	470,910
Christopher Conlon, Former EVP & COO	571,250	782,967
Joseph Napolitano, SVP & CAO	273,750	388,077

Bonus Exchange Program

Consistent with the Company's long-standing policy adopted by the Board of Trustees and the Company's focus on creating long-term shareholder value, the Company's NEOs have the option of exchanging all or a portion of their cash bonus for restricted share units or LTIP Units. The LTIP Units granted in lieu of the cash bonus are subject to a long-term five-year ratable vesting period and are granted based on a 20% discounted share price. The Compensation Committee believes that this deferral feature reinforces a long-term focus and promotes the retention of our management team and is appropriate relative to other REITs that utilize similar bonus deferral programs (the median discount used by other REITs is 20% based on an average three-year vesting period as compared to our program that provides for the same 20% discount but uses a longer five-year vesting period).

Furthermore, the 20% discounted value is factored into each NEO's pay opportunity to ensure that the deferral feature would not result in compensation in excess relative to our peers.

Based on the election of each of the NEOs, the 2021 annual incentives were paid as follows:

Named Executive Officer	Cash ⁽¹⁾	Elective LTIP Units ⁽²⁾
Ken Bernstein, President & CEO	\$ —	\$ 1,957,124
John Gottfried, EVP & CFO	—	618,235

(1) Amount reflects the amount elected in cash.

(2) Amount reflects the amount elected in LTIP Units on February 18, 2022, inclusive of the additional value in connection with the 20% discounted share price. These awards are reported in the Summary Compensation Table for 2022.

Long-Term Incentives

The Compensation Committee and the Board of Trustees continue to emphasize long-term performance in the form of:

- Time-Based Restricted Share Units or LTIP Units;

- Performance-Based Restricted Share Units or LTIP Units; and
- The Long-Term Investment Alignment Program.

In keeping with the long-term, highly technical and cyclical nature of the Company’s business, the Compensation Committee places significant emphasis on a long-term approach to executive compensation while balancing the short-term needs of its executives. The Company's long-term incentives are intended to (i) retain its management team through the inclusion of vesting provisions, (ii) emphasize share ownership, (iii) create direct alignment with shareholder interests, and (iv) motivate management to focus on sustained Company performance.

Annual Equity Compensation Awards

Equity compensation is a critical component of our executive compensation program that directly aligns our NEOs’ long-term interests with our shareholders and provides additional retention for our executives. Our 2021 annual equity awards were determined based on the following considerations: (i) long-term incentives are designed to provide long-term alignment with our shareholders over a five-year period (or seven years for our CEO, inclusive of the mandatory post-vest holding period) and (ii) half of the value is at-risk based on our total shareholder return performance over a three-year period (plus an additional two-year vesting period). The Compensation Committee determined that the program was achieving our objectives to create direct alignment with shareholder interests and emphasize share ownership with the value of historical equity awards being meaningfully impacted by the Company’s share price performance on both an absolute and relative basis.

Accordingly, in February 2022, the Compensation Committee determined that maintaining the current long-term incentive program was appropriate and the Board of Trustees, in consultation with FPC, awarded equity grants for each NEO with 50% of the value granted in the form of time-based Restricted Share Units or LTIP Units and the remaining 50% of the value granted in the form of three-year performance-based Restricted Share Units or LTIP Units.

In determining the value of the 2021 awards (granted in February 2022), the Compensation Committee considered the following key factors:

- The Company’s financial and operational performance, including the Company-performance factors set forth above in “2021 Performance Highlights”;
- The role and responsibilities of the individual;
- Individual performance; and
- Prevailing market practices based on market data provided by FPC with respect to our Executive Compensation Peer Group.

Based on this assessment, the Compensation Committee approved the following amounts:

Executive	Approved 2021 LTIP Unit Grant ⁽¹⁾
Ken Bernstein	\$ 3,200,000
John Gottfried	775,200
Jason Blacksberg	400,000
Christopher Conlon	—
Joseph Napolitano	350,000

Notes:

(1) Represents the approved value of 2021 equity awards (which were granted on February 18, 2022 for the previous year’s performance).

The total annual equity compensation awards are comprised of two components as follows:

Time-Based Long-Term Incentives

The time-based long-term incentives represent 50% of the annual equity award granted to each NEO and were issued in the form of Restricted Share Units or LTIP Units. These shares vest ratably over five years for each of the NEOs.

Restricted LTIP Units are similar to Restricted Share Units but unlike Restricted Share Units, provide for a quarterly partnership distribution in a like amount as paid to holders of common partnership units in Acadia Realty Limited Partnership, the Company's operating partnership. The Restricted LTIP Units are convertible into common partnership units and, ultimately, Common Shares upon vesting.

To promote further retention and emphasis on long-term performance, our CEO's time-based equity awards are also subject to an additional two-year post-vest holding period.

Performance-Based Long-Term Incentives

The remaining 50% of the annual equity award is granted in performance-based Restricted Share Units or LTIP Units that may be earned based on the Company's attainment of specified relative TSR hurdles.

The performance hurdles and levels of opportunity for performance-based LTIP Units granted in 2022 (for 2021 performance) earned over a cumulative three-year performance period are as follows:

Three-Year Relative TSR⁽¹⁾		
Level	Relative TSR Hurdles (Percentile)	Payout Percentage
Threshold	25 th Percentile	50%
Target	50 th Percentile	100%
Maximum	75 th Percentile	200%

Notes:

- (1) In the event the Relative TSR percentile falls between the 25th percentile and the 50th percentile, Relative TSR vesting percentage is determined using a straight-line linear interpolation between 50% and 100% and in the event that the Relative TSR percentile falls between the 50th percentile and 75th percentile, the Relative TSR vesting percentage is determined using a straight-line linear interpolation between 100% and 200%.

Two-thirds (2/3) of the performance-based LTIP Units will vest based on the Company's TSR for the three-year forward-looking performance period ending December 31, 2024 relative to the constituents of the NAREIT Retail Shopping Center Index and one-third (1/3) on the Company's TSR for the three-year forward-looking performance period as compared to the constituents of the NAREIT Retail Index (both on a non-weighted basis). If the Company's performance fails to achieve the aforementioned hurdles at the culmination of the three-year performance period, all performance-based shares will be forfeited.

Consistent with our Company's focus on long-term value creation, any earned performance-based shares vest 60% at the end of the three-year performance period, with the remaining 40% of shares vesting ratably over the next two years. Beginning with awards granted in 2021 for 2020 performance, our CEO's performance-based equity awards, if earned, will be subject to an additional 2-year post-vest holding period.

Status of Performance-Based Long-Term Incentives

Below is a snapshot of the status of our recently completed and outstanding performance-based awards as of December 31, 2021, which demonstrates the alignment of our NEOs' compensation with our TSR performance:

Award	Performance Period	Status as of December 31, 2021
2018 Award	1/1/2018 - 12/31/2020	18% of Target Earned
2019 Award	1/1/2019 - 12/31/2021	0% Earned
2020 Award	1/1/2020 - 12/31/2022	Tracking Below Threshold
2021 Award	1/1/2021 - 12/31/2023	Tracking Above Target

Long-Term Incentive Alignment Program

In 2009, the Compensation Committee and Board of Trustees approved the Company's Long-Term Incentive Alignment Program (the "Program"), a multi-year performance-based compensation program designed to provide an incentive for high, long-term performance by motivating management to create shareholder value by increasing earnings through the profitable management of investment funds and joint ventures. The Program is designed to accomplish the following:

- Reward management for true, long-term performance and not simply for making investment decisions without consideration of actual value realized;
- Motivate management to deliver superior returns to opportunity fund investors, as well as to the Company through its direct investment, strategic investments and successful liquidation of Acadia Strategic Opportunity Fund III LLC ("Fund III"), Acadia Strategic Opportunity Fund IV LLC ("Fund IV") and Acadia Strategic Opportunity Fund V LLC ("Fund V", and together with Fund III and Fund IV, the "Funds"), thereby increasing shareholder value;
- Provide a retention tool for years to come; and
- Further align the interests of management, shareholders and external investors.

The Program is directly tied to the actual performance of the Funds and is designed as follows: The Company is entitled to a profit participation (the "Promote") of 20% of all cash distributed from the Funds in excess of (i) the return of all invested capital and (ii) the 6% per annum preferred rate of return. Under the Program, after the payment of the preferred return and return of all invested capital, the Company may award up to 25% of its Promote to senior executives, or 5% of each dollar distributed by the Funds after the preferred return has been paid to investors. Each individual's allocation of the 25% of the Promote is subject to time-based, annual vesting over a five-year period from the grant date with 10% in years one and two, 20% in years three and four and 40% in year five for Funds III and IV. For Fund V, each individual's allocation of the Promote is subject to time-based, annual vesting over a five-year period from the grant date with 20% each year.

If the investors of the Funds do not receive a return of all their invested capital and the 6% preferred return, no Promote will be paid to the Company and senior executives will receive no compensation under the Program. There is no interim profit participation on an individual transaction basis and thus a greater emphasis is placed on all investments being carefully selected and managed for the long term. The Program increases the alignment between senior executives and the investors of the Funds. Additionally, it should be noted that the Company is a significant investor in the Funds, with a 25% investment in Fund III, a 23% investment in Fund IV and a 20% investment in Fund V. The long-term success of the Funds benefits the Company, and thus shareholders, through both its capital investment and the Promote. For 2021, no compensation was paid under the Program to any NEO.

Since 2009, the awards listed below, as a percentage of the potential Promote, were made as a result of the recommendation of the Compensation Committee and approval by the Board of Trustees. In the future, the Compensation Committee and the Board of Trustees may or may not recommend or approve awards to executive officers of additional allocations up to the permitted 25%.

Fund III Awards listed in the table below are reflective of each NEO's role in connection with investments made in Fund III. As of December 31, 2013, the Company had allocated the entire 25% of the Fund III Promote, including an aggregate amount of 7.7794% that was allocated to officers other than the NEOs.

Governance and Other Policies Relating to Compensation

Share Ownership Guidelines

In order to further foster the strong ownership culture among the Company's senior executive management team and ensure the continued direct alignment of management and shareholder interests, and consistent with emerging corporate governance trends, the Company has adopted a share ownership policy. The policy contains guidelines for NEOs and Trustees to own at all times a certain level of the Company's Common Shares (including Restricted Share Units, LTIP Units, Restricted LTIP Units and OP units). The share ownership

guidelines are not mandatory but rather are recommended targets as follows:

Title	Multiple	Ownership Requirement Met as of December 31, 2021
CEO	10 x Base Salary + Cash Bonus	Yes
All other NEOs	3 x Base Salary + Cash Bonus	Yes
Non-Employee Trustees	3x total annual fees	Yes (1)

Notes:

(1) All non-employee Trustees have met the recommended targets with the exception of Mr. McIntyre who was elected to the Board during 2021.

Clawback Policy

In the event of an accounting restatement due to material noncompliance with financial reporting requirement under the U.S. federal securities laws (a "Restatement"), the Compensation Committee has the right, in its sole discretion, to use reasonable efforts to recover from any current or former officer that has been designated an "officer" pursuant to Section 16, who received incentive based compensation (including annual cash incentives, non-qualified share options, restricted shares, or LTIPs) during the three-year period preceding the date on which the Company is required to prepare a Restatement, any excess incentive based compensation awarded in excess of the amount that would have been awarded if such incentive based compensation had been calculated based on the financial results reported in the Restatement.

Anti-Hedging and Anti-Pledging Policies

In addition, the Company has a corporate governance policy that prohibits Trustees and employees of the Company (including executive officers) from engaging in the following activities with respect to the Company securities: (i) short sales, (ii) purchases or sales of derivative securities of the Company or any derivative securities that provide the economic equivalent, (iii) maintaining a margin account secured by shares of the Company and (iv) pledges as collateral for a loan. All Trustee and executive officers subject to this policy were in compliance as of the date hereof.

Standard Employment Benefits

The Company provides a variety of health and welfare benefits, including medical, dental, life, disability and accidental death and dismemberment insurance policies that are generally available to all of its full-time employees. The Company also provides a 401(k) savings plan for employees of the Company (the "401(k) Plan"), which provides for Company matching contributions of 50% up to the first 6% of the participant's base salary contributed to the 401(k) Plan. The All Other Compensation column of the Summary Compensation Table summarizes the matching contributions that the Company made to its NEOs for fiscal 2021, 2020 and 2019.

The Company's Employee Share Purchase Plan (the "Share Purchase Plan", and collectively with the Company's Second Amended and Restated 2006 Incentive Plan and, the 2020 Share Incentive Plan "Share Incentive Plans"). The Share Purchase Plan allows eligible employees of the Company to purchase, through payroll deductions, Common Shares in the Company at a 15% discount to the closing price of the Company's Common Shares on either the first day or the last day of the quarter, whichever is lower. The Share Purchase Plan is designed to retain and motivate employees of the Company and its designated affiliates by encouraging them to acquire ownership in the Company. The Company has reserved 200,000 Common Shares for issuance under the Share Purchase Plan. The Share Purchase Plan is not intended to be an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code of 1986 (the "Code"), as amended. During 2021, 2020 and 2019, 7,721, 5,266 and 2,320 Common Shares were purchased under the Share Purchase Plan, respectively. As of the date hereof, no NEOs participate in the Share Purchase Plan.

Impact of Accounting and Tax Treatment

Cash-based compensation, including salary and bonus, are generally charged as an expense in the period in which the amounts are earned by the NEO. The Company expenses the cost of share-based compensation, including Restricted Share Units and Restricted LTIP Units, in its financial statements in accordance with Statement of Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 718, "Compensation - Stock Compensation" ("ASC Topic 718"). In accordance with ASC Topic 718, the grant date fair value of equity awards is recognized into expense on a straight-line or graded-vesting basis, as appropriate, over the vesting period.

Section 162(m) of the U.S. Internal Revenue Code of 1986 (the "Code") limits to \$1 million the deduction that publicly traded corporations may take for compensation paid to "covered employees" of the corporation. Treasury regulations under Section 162(m) (the "Regulations") apply Section 162(m)'s \$1 million deduction limit to a REIT's distributive share of any compensation paid by the REIT's operating partnership to certain current and former executive officers of the REIT. The guidance under the Regulations applies to all compensation deductible in tax years ending on or after December 20, 2019 other than compensation paid pursuant to a written binding contract in effect on December 20, 2019 that is not subsequently materially modified. To the extent that compensation paid to our executive officers does not qualify for deduction under Section 162(m), a larger portion of shareholder distributions may be subject to U.S. federal income taxation as dividend income rather than return of capital.

Timing of Equity Grants

The Company does not in any way time its share awards to the release of material non-public information. The CEO meets with the Compensation Committee in January, February or March of each year and recommends the share awards for the NEOs, other than himself to be granted for the prior year. The Compensation Committee reviews the recommendations and then recommends the awards to the full Board of Trustees for approval. The awards are granted in the first quarter of the current year. There is no consequence for selling vested Common Shares but the Company does encourage NEOs and Trustees to hold such Common Shares in accordance with the guidelines for share ownership for NEOs and Trustees.

Relationship of Compensation Policies and Practices to Risk Management

The Compensation Committee has considered the risks arising from the Company's compensation policies and practices for its employees, and does not believe those risks are reasonably likely to have a material adverse effect on the Company.

- (1) Pursuant to SEC rules, the amounts disclosed in this column reflects the grant date fair value of each Restricted Share Unit and Restricted LTIP Unit award calculated in accordance with ASC Topic 718. The grant date fair values of performance-based awards included in this table were calculated based on the outcome of performance measured at maximum levels. For further information as to the Company's Restricted Share Unit and Restricted LTIP Unit awards issued to employees, see Note 14 (Share Incentive and Other Compensation) to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021 filed with the SEC on March 1, 2022.
- (2) Cash bonus was received in the form of Restricted LTIP Units. The number of Restricted LTIP Units granted in connection with this portion of the LTIP Unit award were at a 20% discount as discussed above for 2020 performance but granted in 2021. In the case of Mr. Conlon, the 2020 amounts include a \$194,131 cash bonus earned during 2020 but paid during 2021 and the 2019 amounts include a \$400,000 cash bonus earned during 2019 but paid during 2020. In the case of Mr. Gottfried, the 2019 amounts include a \$204,912 cash bonus earned during 2019 but paid during 2020.

GRANTS OF PLAN-BASED AWARDS

Pursuant to the Company's Share Incentive Plans, the Company granted annual bonus unit awards and long-term incentive awards to the NEOs on February 18, 2021 (with respect to services rendered in the fiscal year ended 2020). The annual bonus unit awards consisted of time-based unvested Restricted LTIP Units. The total long-term incentive awards consisted of unvested Restricted LTIP Units which were allocated 50% as time-based awards and 50% as performance-based awards. For the 50% performance-based award, the number of Restricted LTIP Units will be calculated over a three-year period as described above.

The following table provides a summary of all grants awarded to the NEOs during 2021:

EMPLOYMENT AND SEVERANCE AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

The Company has entered into an employment agreement with Mr. Bernstein and severance agreements with each of the other NEOs.

Kenneth F. Bernstein Amended and Restated Employment Agreement

On March 31, 2014, the Company and Kenneth F. Bernstein entered into an amended and restated employment agreement, which extended his position as President and Chief Executive Officer for three years, renewable for successive yearly periods thereafter. Under the agreement, Mr. Bernstein is subject to a 15-month post-termination non-compete and non-poaching provision if his employment terminates under certain circumstances. Mr. Bernstein's base salary is subject to an annual review and adjustment by the Board of Trustees, based on recommendations of the Compensation Committee.

Each year during the term of Mr. Bernstein's employment, the full Board of Trustees (excluding Mr. Bernstein), at the Compensation Committee's recommendation, considers Mr. Bernstein for an incentive bonus (to be determined by the Compensation Committee and recommended for approval to the full Board of Trustees) and discretionary bonuses payable in cash, Restricted Share Units, options, Restricted LTIP Units, or any combination thereof, as the Board of Trustees and the Compensation Committee may approve. Mr. Bernstein is also entitled to participate in all benefit plans, health insurance, disability, retirement and incentive compensation plans generally available to the Company's executives.

Severance Agreements for Named Executive Officers Other than Mr. Bernstein

The Company has entered into severance agreements with each of the NEOs other than Mr. Bernstein. These agreements provide for certain termination or severance payments to be made by the Company to a NEO in the event of his/her termination of employment as the result of his/her Death, Disability, discharge for Cause or Without Cause, resignation or a termination by the NEO for Good Reason or upon a Change of Control (the terms, "Death," "Disability," "Cause," "Without Cause," "Good Reason" and "Change of Control" each as defined below). If the NEO's employment is terminated either because he/she is discharged without Cause or due to a termination by the NEO for Good Reason, the Company will be required to make a lump sum payment equal to among other things, unpaid salary and bonus, severance and pro rata bonus, each paid in accordance with the terms and conditions of such agreements. These payments will be reduced to the extent that they would otherwise be considered parachute payments within the meaning of Section 280G of the Code.

Cause

The Company has the right to terminate a NEO's employment for "Cause", which is defined to mean the NEO has: (A) deliberately made a misrepresentation in connection with, or willfully failed to cooperate with, a bona fide internal investigation or an investigation by regulatory or law enforcement authorities, after being instructed by the Company to cooperate, or willfully destroyed or failed to preserve documents or other materials known to be relevant to such investigation, or willfully induced others to fail to cooperate or to produce documents or other materials; (B) materially breached (other than as a result of the NEO's incapacity due to physical or mental illness or death) his/her material duties hereunder, which breach is demonstrably willful and deliberate on NEO's part, is committed in bad faith or without reasonable belief that such breach is in the best interests of the Company and such breach is not cured within a reasonable period of time after written notice from the Company specifying such breach (but in any event, no less than 90 days thereafter) in which NEO is diligently pursuing cure; (C) engaged in conduct constituting a material act of willful misconduct in connection with the performance of his/her duties, including, without limitation, misappropriation of funds or property of the Company other than the occasional customary and de minimis use of Company property for personal purposes; (D) materially violated a material Company policy, including but not limited to a policy set forth in the Company's employee handbook; (E) disparaged the Company, its officers, trustees, employees or partners; or (F) committed a felony or misdemeanor involving moral turpitude, deceit, dishonesty or fraud.

Death

A NEO's employment will terminate upon his/her death ("Death").

Disability

The Company has the right to terminate a NEO's employment due to "Disability" in the event that there is a reasonable determination by the Company that the NEO has become physically or mentally incapable of performing his/her duties under the agreement and such Disability has disabled the NEO for a cumulative period of 180 days within a twelve-month period.

Good Reason

A NEO has the right to terminate his employment for "Good Reason," which is defined to mean: (A) upon the occurrence of any material breach of this Agreement by the Company; (B) without NEO's consent, a material, adverse alteration in the nature of the NEO's duties, responsibilities or authority, or in the 18-month period following a Change of Control only, upon the determination by the NEO (which determination will be conclusive and binding upon the parties hereto provided it has been made in good faith and in all events will be presumed to have been made in good faith unless otherwise shown clear and convincing evidence) that a material negative change in circumstances has occurred following a Change of Control; (C) without NEO's consent, upon a reduction in the NEO's base salary or a reduction of 10% or greater in NEO's other compensation and employee benefits (which includes a 10% or greater reduction in target cash and equity bonus, or a 10% or greater reduction in total bonus opportunity, but in all cases excludes any grants made under the Long-Term Incentive Alignment Program); or (D) if the Company relocates the NEO's office requiring the NEO to increase his/her commuting time by more than one hour, or in the 18-month period following a Change of Control only, upon the Company requiring the NEO to travel away from the NEO's office in the course of discharging the NEO's responsibilities or duties under the agreement at least 20% more than was required of the NEO in any of the three full years immediately prior to the Change of Control, without, in either case, the NEO's prior written consent. Any notice under the agreement by the NEO must be made within 90 days after the NEO first knows or has reason to know about the occurrence of the event alleged to be Good Reason.

Without Cause

The Company has the right to terminate a NEO's employment without Cause.

Upon a Change of Control and Termination

The NEOs may be entitled to benefits upon a Change of Control and termination of their employment as discussed below.

"Change of Control" has the meaning as set forth in the employment agreement or severance agreements, as applicable.

SPECIFIC CIRCUMSTANCES THAT WOULD TRIGGER PAYMENTS UNDER THE EMPLOYMENT AND SEVERANCE AGREEMENTS AND POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

The specific circumstances that would trigger payments and amount of compensation that would be paid by the Company under Mr. Bernstein's employment agreement and the other NEOs' severance agreements are as follows:

Compensation upon Termination of Employment by the Company for Cause or Voluntarily By the NEO

In the event the Company terminates a NEO's employment for Cause, or a NEO voluntarily terminates his employment without Good Reason, the Company will pay that NEO any unpaid annual base salary at the rate then in effect accrued through and including the date of termination and any accrued vacation pay. In addition, in such event, the NEO will be entitled to exercise any options which, as of the date of termination, have vested and are exercisable in accordance with the terms of the applicable option grant agreement or plan. All options, long-term incentive partnership interests ("LTIP Units"), other share-based or other incentive awards, and any grants under the Long-Term Incentive Alignment Program ("FIAP") which have not vested on the date of termination will automatically terminate and be forfeited.

Compensation under Mr. Bernstein's Employment Agreement upon Termination of Employment upon Death, Disability, Without Cause or for Good Reason or Change of Control and Termination of Employment

In the event of termination by the Company of Mr. Bernstein's employment as a result of his Death, Disability, Without Cause or by Mr. Bernstein for Good Reason, subject to the execution of a release of claims by Mr. Bernstein (other than in the case of Death), the Company is obligated to pay or provide to Mr. Bernstein, his estate or personal representative, the following: (i) any unpaid accrued salary through and including the date of termination; plus (ii) an amount equal to three times his current salary; (iii) an additional amount equal to three times the average of the cash value of the bonuses (whether awarded as cash incentive bonuses or in Restricted Share Units or Restricted LTIP Units, the value of the latter to be calculated as of the date of the award) awarded to Mr. Bernstein for each of the last two years immediately preceding the year in which Mr. Bernstein's employment is terminated; (iv) a further amount computed

at an annualized rate equal to the average of the cash incentive bonuses awarded to Mr. Bernstein for each of the last two years, pro-rated for the year of termination; (v) reimbursement of expenses incurred prior to date of termination; (vi) all incentive compensation payments whether share based or otherwise that are subject to a vesting schedule including Restricted Share Units, Restricted LTIP Units and options shall immediately vest as of the date of the termination; and (vii) continuation of health coverage for two years with the exception of termination upon Death. Following a Change of Control together with either a termination Without Cause or by Mr. Bernstein for Good Reason within 12 months thereafter, the Company will be obligated to make the same payments described above. Mr. Bernstein is not entitled to any additional Change of Control benefit.

Compensation under the Severance Agreements upon Termination of Employment upon Death, Disability, Without Cause or By Other Named Executive Officers for Good Reason or Change of Control and Termination of Employment

In the event of termination by the Company of the employment of a NEO as a result of the NEO's Death or Disability, the Company is obligated to pay or provide such NEO, the following: (i) any unpaid accrued salary through and including the date of termination, (ii) an amount equal to one times the current annual base salary; (iii) an additional amount equal to one times the average cash bonus (whether electively taken as cash or equity) awarded for each of the last two years immediately preceding the year in which the NEO's employment is terminated; (iv) a pro-rata portion of such NEO's bonus (based upon the average of the last two years' bonuses); (v) reimbursement of expenses incurred prior to date of termination; and (vi) COBRA health continuation for one year. All share options and other share, LTIP, FIAP or incentive-based awards that are scheduled to vest solely on the NEO's continued employment through each applicable vesting date will immediately vest as of the date of the termination; and all awards subject to performance-based vesting will remain outstanding until the conclusion of the applicable performance period as set forth in the respective award grant agreement.

In the event of termination by the Company of the employment of a NEO without Cause or by the NEO for Good Reason not in connection with a Change of Control, the Company is obligated to pay or provide to the NEO the full benefits described above. In addition, a NEO will be entitled to receive an amount equal to one times the current annual base salary and the average cash bonus (whether electively taken as cash or equity) awarded for each of the last two years immediately preceding the year in which the NEO's employment is terminated. All share options and other share, LTIP, FIAP or incentive-based awards that are scheduled to vest solely on the NEO's continued employment through each applicable vesting date will immediately vest as of the date of the termination; and all awards subject to performance-based vesting will continue to be governed by the applicable award agreement.

Following a Change of Control together with either Termination Without Cause or for Good Reason, the Company is obligated to pay or provide to the NEO the full benefits described above under Termination without Cause or for Good Reason not in connection with a Change of Control. In addition, the NEO will be entitled to receive an amount equal to 0.75 times the current annual base salary and the average of the cash value of the bonuses (whether electively taken as cash or equity) awarded for each of the last two years immediately preceding the year in which the NEO's employment is terminated; and continued medical benefits of said NEO for an additional six months. All share options and other share, LTIP, FIAP or incentive-based awards that are scheduled to vest solely on the NEO's continued employment through each applicable vesting date will immediately vest as of the date of the consummation of a Change of Control; and all awards subject to performance-based vesting will continue to be governed by the applicable award agreement.

Acceleration of Vesting and Forfeiture of Awards under Share Incentive Plans

In addition to the termination payments discussed above, the Share Incentive Plans provide for accelerated vesting of awards in certain circumstances involving a Change of Control of the Company. These plans also provide for forfeiture of awards in certain circumstances, such as in the event of a termination for cause.

POTENTIAL PAYMENTS TO NAMED EXECUTIVE OFFICERS UPON TERMINATION

The following table estimates the potential payments and benefits to the NEOs upon termination of employment and Change of Control, assuming the event occurred on December 31, 2021. These estimates do not reflect the actual amounts that would be paid to such persons, which would only be known at the time they become eligible for payment and would only be payable if the specified event occurs.

For the purposes of this table, those Restricted Share Units and Restricted LTIP Units have been valued at their threshold amount.

- (6) Represents health coverage.

CEO Compensation Pay Ratio

For 2021, the Company estimated the ratio between the CEO's total compensation and the median annual total compensation of all employees (except the CEO). In searching for the median employee, base compensation totals in 2021 were considered. The "Median Employee" was identified using the base compensation of all full-time, part-time, and temporary employees employed by the Company on December 31, 2021, then the Median Employee's compensation was calculated under the Summary Compensation Table rules. The CEO had annual total compensation of \$5,645,279 and the Median Employee had annual total compensation of \$111,000. Therefore, the CEO's annual total compensation is estimated as 51 times that of the median of the annual total compensation of all employees. Given the different methodologies that various public companies will use to determine an estimate of their pay ratio, the estimated ratio reported above should not be used as a basis for comparison between companies.

BOARD OF TRUSTEES COMPENSATION

Each Trustee who is not also an officer and full-time employee of the Company or the Operating Partnership receives the following trustee compensation:

Annual cash fee	\$ 75,000
Annual equity fee (payable in Restricted Share Units or Restricted LTIP Units)	100,000
Additional Annual Cash Fees:	
Lead Trustee	100,000
Audit Committee Chair	25,000
Other Committee Chair	15,000

The Restricted Share Units or Restricted LTIP Units issued to Trustees in the above table vest over three years with 33% vesting on each of the next three anniversaries of the grant date. Trustees have the option to convert all or part of any cash payment due to them to Common Shares or LTIP Units with a vesting period of one year at a 10% discount to the preceding 20-day average share price from the date of the 2021 Annual Meeting. No dividends are paid currently on Restricted Share Units but instead cumulate and are paid when they vest.

Trustees who are officers and full-time employees of the Company or its subsidiaries receive no separate compensation for service as a Trustee or Committee member. Additionally, members of the Board of Trustees are reimbursed for travel and lodging expenses associated with attending meetings of the Board and committees of the Board.

Pursuant to the Company's 2006 Deferred Compensation Plan, as amended (the "Deferred Compensation Plan"), Trustees may elect to defer receipt of their annual trustee fees. Each Trustee participating in the Deferred Compensation Plan has an account, which the administrator credits with a number of Common Shares having a fair market value (as of the date of the credit) equal to the amount of the participant's compensation that the Trustee has elected to defer and would otherwise have been paid in cash or other property to the Trustee during the preceding month. The Deferred Compensation Plan generally allows the Trustees to defer receipt of their compensation and, therefore, defer paying tax on that compensation. To defer eligible compensation for any given calendar year, a Trustee must make a written election at least 30 days before the calendar year begins. The Company will credit each Trustee's deferred compensation account with additional Common Shares that (i) have a fair market value, when credited, equal to the product of any per Common Share cash dividend paid during the prior quarter and the number of Common Shares credited to the Trustee's account and (ii) equitably adjust the Trustee's account for any share dividends that would have been paid during the prior month with respect to the Common Shares credited to the Trustee's account on the last day of the prior quarter. A Trustee's account will be paid to the Trustee upon the occurrence of one or more permissible payment triggers elected by the Trustee, which may include a date certain, a change of control of the Company, or his or her separation of service from the Company and will be paid to his or her beneficiaries in the event of his or her death, in each case based on the timeframe for distributions specified in the Trustee's deferral election form. Under certain circumstances, the Board may permit a Trustee to withdraw a limited number of Common Shares from his or her account if the Trustee suffers a Hardship (as defined in the Deferred Compensation Plan).

For 2021, Ms. Luscombe elected to defer payment of her Trustee fees that are payable in Common Shares and Mr. Crocker elected to defer a portion of his Trustee fees that are payable in Cash. No other Trustee elected to defer compensation for 2021.

See the Board of Trustees Compensation Table below for a summary of the compensation paid to the members of the Board of Trustees during 2021.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS SHARING AN ADDRESS

The Company has adopted a procedure called "householding," which has been approved by the SEC. Under this procedure, the Company is delivering only one copy of its Annual Report and Proxy Statement to multiple shareholders who share the same mailing address and have the same last name, unless the Company has received contrary instructions from an affected shareholder. This procedure reduces the Company's printing costs, mailing costs and fees. Shareholders who participate in householding will continue to receive separate proxy cards.

The Company will deliver promptly, upon written or oral request, a separate copy of the Annual Report and Proxy Statement to any shareholder at a shared address to which a single copy of the Annual Report or the Proxy Statement was delivered. A shareholder who wishes to receive a separate copy of the Proxy Statement and Annual Report, now or in the future, should submit a request in writing to Acadia Realty Trust, 411 Theodore Fremd Avenue, Suite 300, Rye, NY 10580, Attention: Corporate Secretary. You may also call (914) 288-8100 to request a copy of the Proxy Statement and Annual Report. You may also access the Company's Annual Report and Proxy statement at www.acadiarealty.com/proxy. Please note that the information on, or available through, the Company's website is not incorporated by reference in this Proxy Statement.

If you are a shareholder of record and would like to revoke your householding consent and receive multiple copies of the Annual Report or Proxy Statement in the future, or if you currently receive multiple copies of these documents and would like only to receive a single copy, please contact the Company at the address listed in the preceding paragraph.

A number of brokerage firms have instituted householding. If you hold your shares in "street name," please contact your bank, broker or other holder of record to request information about householding.
