

Acadia Realty Trust Closes Fourth Fund with \$541 Million

August 16, 2012

WHITE PLAINS, N.Y.--(BUSINESS WIRE)--Aug. 16, 2012-- Acadia Realty Trust (NYSE: AKR) today announced the final closing of Acadia Strategic Opportunity Fund IV LLC ("Fund IV"), which has received total capital commitments of approximately \$541 million since its initial closing on May 16, 2012. This is the fourth in a series of institutional funds dedicated to making opportunistic and value-add investments in retail real estate. With leverage, Fund IV has approximately \$1.5 billion of buying power.

Acadia received commitments from a diverse investor base including endowments, foundations, pension funds, investment management firms, and family offices. Acadia has committed \$125 million (23%) of Fund IV's total capital commitments. The capital raised exceeded Acadia's original \$500 million goal.

"We are extremely appreciative of the strong support demonstrated by both our existing fund investors and those with whom we have recently established new relationships," stated Kenneth F. Bernstein, President and CEO of Acadia. "The successful completion of our fund raise enables us to continue to create value for all of our stakeholders through the disciplined application of our location-driven investment strategy."

Similar to its predecessor funds, Fund IV will target both single property and portfolio transactions in markets generally characterized by high barriers to entry, dense populations, and a constrained retail supply. Acadia is a vertically-integrated organization whose investment experience includes debt restructuring, recapitalization, value-add re-leasing, and asset repositioning and redevelopment.

Paul Hastings LLP acted as legal advisor to Fund IV together with Seyfarth Shaw LLP who provided tax advice. Acadia did not utilize a placement agent.
