(i) (A) Property damage insurance, and (B) during any period of construction, reconstruction or substantial renovation of the Facility (to the extent not otherwise covered by property damage insurance), Builders' All Risk Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include (when necessary) coverage for removal of debris, insuring the buildings, structures, facilities, fixtures and other property constituting a part of the Facility against loss or damage to the Facility by all risk of physical loss at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the Issuer, the Company or the Trustee from becoming a co-insurer of any loss under the insurance policies but in any event in amounts equal to the greater of (A) 110% of the actual replacement value of the Facility as determined by a qualified insurance appraiser or insurer (selected by the Company) not less often than once every three years, at the expense of the Company, and (B) the principal amount of the Outstanding Bonds; any such insurance may provide that the insurer is not liable to the extent of the first \$25,000 with the result that the Company is its own insurer to the extent of \$25,000 of such risks;

(ii) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus located on the Facility from risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar business enterprises;

(iii) To the extent the Facility may be located in a flood zone, or if otherwise required by federal law, flood certification or flood insurance, to the extent not covered by property damage insurance, in an amount equal to the greater of the full replacement cost or the maximum amount then available under the National Flood Insurance Program; and

(iv) Such other insurance, including revision of the insurance requirements set forth above, in such amounts and against such insurable hazards as the Trustee (at the specific written direction of the Majority Holders) from time to time may reasonably require; provided, however, that any such other insurance coverage shall be consistent with prevailing practices of other retail projects of like size, nature and location, and such insurance coverage is available for the Facility at commercially reasonable rates.

(b) All Specific Coverage required by Section 3.12(a) shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State and having an A.M. Best rating of "A" or better. At least once every two Fiscal Years, the Company agrees to deliver a certificate of an independent insurance consultant to the Trustee which indicates that the insurance then maintained by the Company meets the requirements of this Section 3.12 and Section 7.1 of the Loan Agreement.

(c) Each of the policies evidencing the Specific Coverage required above to be obtained shall:

(i) designate the Company and the Trustee as additional insureds as their respective interests may appear;

(ii) provide that all insurance proceeds with respect to loss or damage to the property of the Facility be endorsed and made payable to the Trustee and shall name the Trustee as a loss payee under the standard loss payee clause and as a mortgagee under the terms of a standard mortgagee clause, which insurance proceeds shall, subject to the Ground Lease, be paid over to the Trustee and deposited in the Renewal Fund;

(iii) provide that there shall be no recourse against the Trustee for the payment of premiums or commissions or (if such policies or binders provide for the payment thereof) additional premiums or assessments;

(iv) provide that in respect of the interest of the Trustee in such policies, the insurance shall not be invalidated by any action or inaction of the Company or any other Person and shall insure the Trustee regardless of, and any losses shall be payable notwithstanding, any such action or inaction;

(v) provide that such insurance shall be primary insurance without any right of contribution from any other insurance carried by the Trustee to the extent that such other insurance provides the Trustee with contingent and/or excess liability insurance with respect to its interest in the Facility;

(vi) provide that if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Trustee until at least thirty (30) days, or ten (10) days due to nonpayment of premium, after receipt by the Trustee of written notice by such insurers of such cancellation, lapse, expiration, reduction or change;

(vii) waive any right of subrogation of the insurers thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any Person insured under such policy; and

(viii) contain such other terms and provisions as any owner or operator of facilities similar to the Facility would, in the prudent management of its properties, require to be contained in policies or interim insurance contracts with respect to facilities similar to the Facility owned or operated by it.

(d) Subject to the Ground Lease, the Net Proceeds of any insurance received with respect to any loss or damage to the property of the Facility (except if such Net Proceeds so received for any Loss Event shall be less than \$50,000 in which event such Net Proceeds shall be paid directly to the Company and applied by the Company to the rebuilding, replacement, repair and restoration of the Facility with any excess to be retained by the Company) shall be deposited in the Renewal Fund and applied in accordance with Section 5.2 of the Loan Agreement and the Indenture.

(e) The Company shall deliver or cause to be delivered to the Trustee the following documents evidencing compliance with the Specific Coverage requirements of this Section 3.12: (i) on or prior to the Commencement Date: (A) a broker's certificate of coverage, upon which the Trustee may conclusively rely in order to confirm compliance with the requirements of this Section 3.12, confirming that the Company, as of the Closing Date, has obtained Specific Coverage in accordance with the requirements of this Section 3.12, and (B) evidence of property insurance and certificates or other evidence of other required insurance and, (ii) as soon as practicable thereafter, duplicate copies of insurance policies and/or binders. At least seven (7) Business Days prior to the expiration of any such policy, the Company shall furnish the Trustee with evidence that such policy has been renewed or replaced or is no longer required by this Bond Guaranty Agreement.

(f) The Company shall, at its own cost and expense, make all proofs of loss and take all other steps necessary or reasonably requested by the Trustee (upon the specific written direction of the Majority Holders) to collect from insurers for any loss covered by any insurance required to be obtained by this Section 3.12. The Company shall not do any act, or suffer or permit any act to be done, whereby any Specific Coverage required by this Section 3.12 would or might be suspended or impaired.

(g) THE GUARANTORS EACH ACKNOWLEDGE THAT THE INSURANCE SPECIFIED HEREIN AND IN THE LOAN AGREEMENT IS NOT IN ANY WAY A REPRESENTATION BY THE ISSUER OR THE TRUSTEE THAT SUCH INSURANCE, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE BUSINESS OR INTEREST OF THE COMPANY.

ARTICLE IV

SERVICE OF PROCESS, NOTICE, JURISDICTION,
WAIVER OF JURY TRIAL

Section 4.1. Service of Process. Each Guarantor represents that it is subject to service of process in the State and covenants that it will remain so subject so long as any of the Guaranteed Obligations remain unpaid or unsatisfied. If for any reason any Guarantor should cease to be so subject to service of process in the State, each such Guarantor hereby irrevocably consents to the service of all process, pleadings, notices or other papers in any judicial proceeding or action by designating and appointing General Counsel, at Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605, as its agent upon whom may be served all process, pleadings, notices or other papers which may be served upon any Guarantor as a result of any of its obligations under this Bond Guaranty Agreement. If such appointed agent shall cease to act or otherwise cease to be subject to service of process in the State, each Guarantor hereby irrevocably designates and appoints the Secretary of State of the State of New York as its agent upon whom may be served all process, pleadings, notices or other papers which may be served upon such Guarantor as a result of any of its obligations under this Bond Guaranty Agreement; provided, however, that the service of such process, pleadings, notices or other papers shall not constitute a condition to any Guarantor's obligations hereunder.

For such time as any of the Guaranteed Obligations shall be unpaid in whole or in part, the Guarantors' agents designated in this Section 4.1 shall accept and acknowledge on the Guarantors' behalf each service of process in any such suit, action or proceeding brought in any such court. The Guarantors agree and consent that each such service of process upon such agents and written notice of such service to the Guarantors in the manner set forth in Section 4.2 shall be taken and held to be valid personal service upon the Guarantors whether or not the Guarantors shall then be doing, or at any time shall have done, business within the State, and that each such service of process shall be of the same force and validity as if service were made upon the Guarantors according to the laws governing the validity and requirements of such service in the State, and waive all claim of error by reason of any such service.

Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Guarantors or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Guarantors.

Section 4.2. Notices. All notices, certificates or other communications hereunder shall be sufficient if sent (i) by registered or certified United States mail, return receipt requested and postage prepaid, (ii) by a nationally recognized overnight delivery service for overnight delivery, charges prepaid or (iii) by hand delivery, addressed, as follows:

(a) if to the Issuer, to New York City Capital Resource Corporation, 110 William Street, New York, New York 10038, Attention: General Counsel, with a copy to the Executive Director of the Issuer at the same address, and

(b) if to any or all of the Guarantors, c/o Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605, Attention: General Counsel, with a copy to (y) Washington Square Partners, 675 Third Avenue, 25th Floor, New York, New York 10017, Attention: Paul Travis, and (z) Akerman Senterfitt LLP, 335 Madison Avenue, 26th Floor, New York, New York 10017, Attention: Steven Polivy, Esq.; and

(c) if to the Trustee, to The Bank of New York Mellon, 101 Barclay Street, Floor 7W, New York, New York 10286, Attention: Corporate Trust Administration.

The Issuer, the Trustee and any Guarantor may, by like notice, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. Any notice, certificate or other communication hereunder shall, except as may expressly be provided herein, be deemed to have been delivered or given (i) three (3) Business Days following posting if transmitted by mail, (ii) one (1) Business Day following sending if transmitted for overnight delivery by a nationally recognized overnight delivery service, or (iii) upon delivery if given by hand delivery, with refusal by an Authorized Representative of the intended recipient party to accept delivery of a notice given as prescribed above to constitute delivery hereunder.

Section 4.3. Consent to Jurisdiction. Each Guarantor irrevocably and unconditionally (i) agrees that any suit, action or other legal proceeding arising out of this Bond Guaranty Agreement may be brought in the courts of record of the State in New York County or the United States District Court for the Southern District of New York; (ii) consents to the jurisdiction of each such court in any such suit, action or proceeding; (iii) waives any objection which it may have to the venue of any such suit, action or proceeding in such courts; and (iv) waives and relinquishes any rights it might otherwise have (w) to move to dismiss on grounds of forum non conveniens, (x) to remove to any federal court other than the United States District Court for the Southern District of New York, and (y) to move for a change of venue to a New York State Court outside New York County.

If a Guarantor commences any action against the Trustee in a court located other than the courts of record of the State in New York County or the United States District Court for the Southern District of New York, such Guarantor shall, upon request from the Trustee, either consent to a transfer of the action or proceeding to a court of record of the State in New York County or the United States District Court for the Southern District of New York, or, if the court where the action or proceeding is initially brought will not or cannot transfer the action, such Guarantor shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of record of the State in New York County or the United States District Court for the Southern District of New York.

Section 4.4. Waiver of Trial by Jury. The Guarantors do hereby expressly waive all rights to a trial by jury on any cause of action directly or indirectly involving the terms, covenants or conditions of this Bond Guaranty Agreement or any matters whatsoever arising out of or in any way connected with this Bond Guaranty Agreement or the Guaranteed Obligations.

ARTICLE V

MISCELLANEOUS

Section 5.1. No Alteration Without Consent. No amendment, change, modification, alteration or termination of the Indenture, the Loan Agreement, the Promissory Note or the Bonds shall be made which would in any way increase any or all of the Guarantors' obligations under this Bond Guaranty Agreement without obtaining the prior written consent thereto of the Guarantors. Neither the acts or omissions recited in Section 3.2 hereof, nor any partial redemption of the Bonds, shall constitute any such amendment, change, modification, alteration or termination within the meaning of this Section 5.1.

Section 5.2. Bond Guaranty Agreement to Become Effective. The date of this Bond Guaranty Agreement shall be for reference purposes only and shall not be construed to imply that this Bond Guaranty Agreement was executed on the date first above written. This Bond Guaranty Agreement was executed and delivered on the Commencement Date. The obligations of the Guarantors hereunder shall arise absolutely and unconditionally on the Closing Date.

Section 5.3. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Bond Guaranty Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Event of Default, default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 5.4. No Implied Waiver. In the event any provision contained in this Bond Guaranty Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver, amendment, release or modification of this Bond Guaranty Agreement shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the parties thereunto duly authorized by this Bond Guaranty Agreement.

Section 5.5. Entire Agreement; Counterparts. This Bond Guaranty Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, other than the Loan Agreement, the Promissory Note and any other Security Document or Project Document, between the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

Section 5.6. Severability. If any one or more of the provisions of this Bond Guaranty Agreement shall be ruled illegal or invalid by any court of competent jurisdiction, the illegality or invalidity of such provision(s) shall not affect any of the remaining provisions of this Bond Guaranty Agreement, but this Bond Guaranty Agreement shall be construed and enforced as if such illegal or invalid provision had not been contained herein.

Section 5.7. Release. Upon the payment and satisfaction of all Guaranteed Obligations and, if applicable, upon payment of the costs, fees and expenses required by Section 3.5, the Trustee shall release in writing the Guarantors from their obligations hereunder, except as provided in Section 3.1(c) or 3.8 and except to the extent that any of the Guaranteed Obligations are stated to survive the termination of the Loan Agreement.

Section 5.8. Applicable Law. This Bond Guaranty Agreement shall be governed by and construed in accordance with the laws of the State, without regard or giving effect to the principles of conflicts of laws thereof.

Section 5.9. Successors and Assigns. This Bond Guaranty Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

Section 5.10. Incorporation of Certain Indenture Provisions. All provisions of Article IX of the Indenture shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Trustee under this Bond Guaranty Agreement as fully and for all purposes as if said Article IX were contained in this Bond Guaranty Agreement.

[Intentionally Left Blank]

IN WITNESS WHEREOF, each Guarantor has duly authorized the execution of this Bond Guaranty Agreement as of the date first above written.

Section 1. Payment Schedule and Maturity Date. Prior to maturity, accrued and unpaid interest shall be due and payable in arrears on the first day of each month commencing on September 1, 2010. The entire principal balance of this Note, as reduced, then unpaid, together with all accrued and unpaid interest and all other amounts payable hereunder and under the other Loan Documents (as hereinafter defined), shall be due and payable in full on August 12, 2013 (the "Maturity Date"), the final maturity of this Note.

Section 1A. Extension Options. Borrower may elect to extend the Maturity Date for two (2) periods of one year each (the end of each such period, the "Extended Maturity Date"), upon and subject to the following terms and conditions:

(a) Basic Conditions for the First One Year Extension. Unless otherwise agreed by Lender in writing:

- (i) Borrower shall request the extension, if at all, by written notice to Lender not more than ninety (90) days, and not less than thirty (30) days, prior to the Maturity Date.
- (ii) Borrower shall have made payments in reduction of the principal amount of this Note so that the outstanding principal balance of this Note is \$8,260,000 or less.
- (iii) At the time of the request, and at the time of the extension, there shall not exist any Event of Default, nor any condition or state of facts which after notice and/or lapse of time would constitute an Event of Default.
- (iv) Current financial statements regarding Borrower and all other financial statements and other information as may be required under the Loan Documents regarding Borrower and Acadia Strategic Opportunity Fund II LLC ("Guarantor") and the Property, shall have been submitted to Lender as and when required under the Loan Documents, and there shall not have occurred, in the reasonable opinion of Lender, any material adverse change in the business or financial condition of Borrower or Guarantor, or in the Property or in any other state of facts submitted to Lender in connection with the Loan Documents, from that which existed on the date of this Note.
- (v) Whether or not the extension becomes effective, Borrower shall pay all out-of-pocket costs and expenses incurred by Lender in connection with the proposed extension (pre- and post-closing), including appraisal fees, environmental audit and reasonable attorneys' fees actually incurred by Lender; all such costs and expenses incurred up to the time of Lender's written agreement to the extension shall be due and payable prior to Lender's execution of that agreement (or if the proposed extension does not become effective, then upon demand by Lender), and any future failure to pay such amounts shall constitute a default under the Loan Documents.
- (vi) All applicable regulatory requirements, including appraisal requirements, shall have been satisfied with respect to the extension.
- (vii) Not later than the Maturity Date, (A) the extension shall have been consented to and documented to Lender's satisfaction by Borrower, Guarantor, Lender, and all other parties deemed necessary by Lender (such as any permitted subordinate lienholders); (B) Lender shall have been provided with an updated title report and judgment and lien searches, and appropriate title insurance endorsements shall have been issued as required by Lender; and (C) Borrower shall have paid to Lender a non-refundable extension fee in the amount of an amount equal to 0.35% of the then outstanding principal balance hereunder.
- (viii) At the time of such extension, the Property shall have a loan-to-value ratio ("Loan-to-Value Ratio") of not greater than 25%, which Loan-to-Value Ratio shall be calculated as the Net Commitment Amount (as hereinafter defined) of the Loan divided by the Market Value (as hereinafter defined) of the Property. As used herein, "Net Commitment Amount" means, as of any date, the outstanding principal amount of the loan evidenced by this Note (the "Loan"). As used herein, "Market Value" means the as-is market value of the Property based on an appraisal meeting all applicable regulatory requirements, taking into account current market conditions, including vacancy factors, discount rates, and rental rates and concessions, as accepted by Lender in its sole and absolute discretion. Lender may determine the Market Value based on a current appraisal or the original appraisal obtained in connection with the amendment and restatement of this Note, as Lender in its reasonable discretion may elect. Any appraisal used to determine the Market Value shall be satisfactory to Lender in all respects and shall be obtained at the sole cost and expense of Borrower. In the event this Loan-to-Value Ratio is not met, Borrower may satisfy this Loan-to-Value Ratio prior to the Maturity Date by either (A) making a voluntary paydown of the Loan, subject to the satisfaction of any conditions to prepayment, including the payment of any prepayment fee or premium, together with a mutually agreed-upon reduction in the committed amount of the Loan, and/or (B) providing additional collateral acceptable to Lender, which shall have value (as determined by Lender) which when added to the Property value is sufficient to satisfy this Loan-to-Value Ratio.

(ix) At the time of such extension, the Property shall have a loan-to-cost ratio ("Loan-to-Cost Ratio") of not greater than 20%, which Loan-to-Cost Ratio shall be calculated as the Net Commitment Amount of the Loan divided by the Acquisition and Development Costs Amount of the Property. As used herein, "Acquisition and Development Costs Amount" means the aggregate out-of-pocket costs incurred by Borrower for the acquisition of the Property and the development thereof, including demolition costs (but expressly excluding acquisition and development costs related to any real property which is no longer encumbered by the Mortgage at the time of such extension), all subject to the reasonable approval and verification of Lender. Borrower and Lender stipulate that, as of the date hereof, the Acquisition and Development Costs Amount is \$168,767,904. In the event this Loan-to-Cost Ratio is not met, Borrower may satisfy this Loan-to-Cost Ratio prior to the extension date by either (A) making a voluntary paydown of the Loan, subject to the satisfaction of any conditions to applicable prepayment, including the payment of any prepayment fee or premium and/or (B) providing additional collateral acceptable to Lender, which shall have value (as determined by Lender) which when added to the Property value is sufficient to satisfy this Loan-to-Cost Ratio.

If all of the foregoing conditions are not satisfied strictly in accordance with their terms, the extension shall not be or become effective.

(b) Basic Conditions for the Second One-Year Extension. Unless otherwise agreed by Lender in writing:

- (i) Borrower shall request the extension, if at all, by written notice to Lender not more than ninety (90) days, and not less than thirty (30) days, prior to the first Extended Maturity Date.
- (ii) Borrower shall have made payments in reduction of the principal amount of this Note so that the outstanding principal balance of this Note is \$6,608,000 or less.

(iii) At the time of the request, and at the time of the extension, there shall not exist any Event of Default, nor any condition or state of facts which after notice and/or lapse of time would constitute an Event of Default.

(iv) Current financial statements regarding Borrower and all other financial statements and other information as may be required under the Loan Documents regarding Borrower and Acadia Strategic Opportunity Fund II LLC ("Guarantor") and the Property, shall have been submitted to Lender as and when required under the Loan Documents, and there shall not have occurred, in the opinion of Lender, any material adverse change in the business or financial condition of Borrower or Guarantor or any tenant of the Property, or in the Property or in any other state of facts submitted to Lender in connection with the Loan Documents, from that which existed on the date of this Note.

(v) Whether or not the extension becomes effective, Borrower shall pay all out-of-pocket costs and expenses incurred by Lender in connection with the proposed extension (pre- and post-closing), including appraisal fees, environmental audit and reasonable attorneys' fees actually incurred by Lender; all such costs and expenses incurred up to the time of Lender's written agreement to the extension shall be due and payable prior to Lender's execution of that agreement (or if the proposed extension does not become effective, then upon demand by Lender), and any future failure to pay such amounts shall constitute a default under the Loan Documents.

(vi) All applicable regulatory requirements, including appraisal requirements, shall have been satisfied with respect to the extension.

(vii) Not later than the then Maturity Date (as extended pursuant to Section 1A(a) above), (A) the extension shall have been consented to and documented to Lender's satisfaction by Borrower, Guarantor, Lender, and all other parties deemed necessary by Lender (such as any permitted subordinate lienholders); (B) Lender shall have been provided with an updated title report and judgment and lien searches, and appropriate title insurance endorsements shall have been issued as required by Lender; and (C) Borrower shall have paid to Lender a non-refundable extension fee in the amount of an amount equal to 0.35% of the then outstanding principal balance hereunder.

(viii) At the time of such extension, the Property shall have a Loan-to-Value Ratio of not greater than 25%. Any appraisal used to determine the Market Value shall be satisfactory to Lender in all respects and shall be obtained at the sole cost and expense of Borrower. In the event this Loan-to-Value Ratio is not met, Borrower may satisfy this Loan-to-Value Ratio prior to the Maturity Date by either (A) making a voluntary paydown of the Loan, subject to the satisfaction of any conditions to prepayment, including the payment of any prepayment fee or premium, together with a mutually agreed-upon reduction in the committed amount of the Loan, and/or (B) providing additional collateral acceptable to Lender, which shall have value (as determined by Lender) which when added to the Property value is sufficient to satisfy this Loan-to-Value Ratio.

(ix) At the time of such extension, the Property shall have a Loan-to-Cost Ratio of not greater than twenty percent (20%). In the event this Loan-to-Cost Ratio is not met, Borrower may satisfy this Loan-to-Cost Ratio prior to the extension date by either (A) making a voluntary paydown of the Loan, subject to the satisfaction of any conditions to applicable prepayment, including the payment of any prepayment fee or premium and/or (B) providing additional collateral acceptable to Lender, which shall have value (as determined by Lender) which when added to the Property value is sufficient to satisfy this Loan-to-Cost Ratio.

(x) The first of the two extension options set forth in this Section shall be for the period (the "First Extension Term") commencing on August 13, 2013 and ending on August 12, 2014 and the second and final extension option shall be for the period (the "Second Extension Term") commencing on August 13, 2014 and ending on August 12, 2015. It shall be a condition to Borrower's option to extend the Maturity Date for the Second Extension Term that Borrower shall have previously validly exercised Borrower's option with respect to the First Extension Term and satisfied the conditions with respect thereto. Borrower shall have no option or other right to extend the Maturity Date past the Second Extension Term.

If all of the foregoing conditions are not satisfied strictly in accordance with their terms, the extension shall not be or become effective.

(c) Changes in Loan Terms. All terms and conditions of the Loan Documents shall continue to apply to the extended term except to the extent changed as indicated below (such changes to be effective on and after the original Maturity Date, if the extension becomes effective as provided herein):

(i) Definition of Maturity Date. The Maturity Date shall mean the Extended Maturity Date.

Section 2. Security; Loan Documents. The security for this Note includes the Mortgage conveying and encumbering certain real and personal property more particularly described therein (the "Property"). This Note, the Mortgage and all other documents now or hereafter securing, guaranteeing or executed in connection with the Loan, as the same may from time to time be amended, restated, modified or supplemented, are herein sometimes called individually a "Loan Document" and together the "Loan Documents".

Section 3. Interest Rate.

(a) BBA LIBOR Daily Floating Rate. The unpaid principal balance of this Note from day to day outstanding which is not past due, shall bear interest at a fluctuating rate of interest per annum (the "Floating Rate") equal to the BBA LIBOR Daily Floating Rate for that day plus two hundred fifty (250) basis points per annum. The "BBA LIBOR Daily Floating Rate" shall mean a fluctuating rate of interest per annum equal to the British Bankers Association LIBOR Rate ("BBA LIBOR"), as published by Reuters (or other commercially available source providing quotations of BBA LIBOR as selected by Lender from time to time) as determined for each Business Day at approximately 11:00 a.m. London time two (2) London Banking Days prior to the date in question, for U.S. Dollar deposits (for delivery on the first day of such interest period) with a one month term, as adjusted from time to time in Lender's sole discretion for reserve requirements, deposit insurance assessment rates and other regulatory costs. A "London Banking Day" is a day on which banks in London are open for business and dealing in offshore dollars. Interest shall be computed for the actual number of days which have elapsed, on the basis of a 360-day year.

(b) **Alternative Rates.** Lender may notify Borrower if the BBA LIBOR Daily Floating Rate is not available for any reason, or if Lender determines that no adequate basis exists for determining the BBA LIBOR Daily Floating Rate or that the BBA LIBOR Daily Floating Rate will not adequately and fairly reflect the cost to Lender of funding the Loan, or that any applicable Laws (as hereinafter defined) or regulation or compliance therewith by Lender prohibits or restricts or makes impossible the charging of interest based on the BBA LIBOR Daily Floating Rate. If Lender so notifies Borrower, then interest shall accrue and be payable on the unpaid principal of this Note at a fluctuating rate of interest equal to the Prime Rate (as hereinafter defined) of Lender plus two hundred fifty (250) basis points per annum from the date of such notification by Lender until Lender notifies Borrower that the circumstances giving rise to such suspension no longer exist, or until the Maturity Date of this Note (whether by acceleration, declaration, extension or otherwise, whichever is earlier to occur). The term "Laws" means all constitutions, treaties, statutes, laws, ordinances, regulations, rules, orders, writs, injunctions, or decrees of the United States of America, any state or commonwealth, any municipality, any foreign country, any territory or possession, or any tribunal. The term "Prime Rate" means, on any day, the rate of interest per annum then most recently established by Lender as its "prime rate". Any such rate is a general reference rate of interest, may not be related to any other rate, and may not be the lowest or best rate actually charged by Lender to any customer or a favored rate and may not correspond with future increases or decreases in interest rates charged by other lenders or market rates in general, and that Lender may make various business or other loans at rates of interest having no relationship to such rate. Any change in the Prime Rate shall take effect at the opening of business on the day specified in the public announcement of a change in Lender's Prime Rate. If Lender (including any subsequent holder of this Note) ceases to exist or to establish or publish a prime rate from which the Prime Rate is then determined, the applicable variable rate from which the Prime Rate is determined thereafter shall be instead the prime rate reported in The Wall Street Journal (or the average prime rate if a high and a low prime rate are therein reported), and the Prime Rate shall change without notice with each change in such prime rate as of the date such change is reported.

(c) **Default Rate.** Notwithstanding anything to the contrary contained herein, if any amount payable by Borrower under any Loan Document is not paid when due and such failure continues beyond the cure or grace period, if any, set forth in Section 8 hereof or in the Mortgage, such amount shall bear interest from the date due at the Default Rate (as defined below) to the fullest extent permitted by applicable Law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable on demand, at a fluctuating rate per annum (the "Default Rate") equal to the sum of (x) the interest rate otherwise applicable under clauses (a) and (b) of this Section 3 plus (y) five hundred (500) basis points.

Section 4. **Prepayment.** Borrower may prepay the principal balance of this Note, in full at any time or in part from time to time, without fee, premium or penalty, provided that: (a) no prepayment may be made which in Lender's judgment would contravene or prejudice funding under any applicable permanent loan commitment or tri-party agreement or the like; (b) Lender shall have actually received from Borrower prior written notice of (i) Borrower's intent to prepay, (ii) the amount of principal which will be prepaid (the "Prepaid Principal"), and (iii) the date on which the prepayment will be made; (c) each prepayment shall be in the amount of \$1,000 or a larger integral multiple of \$1,000 (unless the prepayment retires the outstanding balance of this Note in full); and (d) each prepayment shall be in the amount of 100% of the Prepaid Principal, plus accrued unpaid interest thereon to the date of prepayment, plus any other sums which have become due to Lender under the Loan Documents on or before the date of prepayment but have not been paid. If this Note is prepaid in full, any commitment of Lender for further advances shall automatically terminate. No Prepaid Principal may be reborrowed.

Section 5. Late Charges. If Borrower shall fail to make any payment under the terms of this Note (other than the payment due at maturity) within fifteen (15) days after the date such payment is due, Borrower shall pay to Lender on demand a late charge equal to 4% of the amount of such payment. Such fifteen (15) day period shall not be construed as in any way extending the due date of any payment. The late charge is imposed for the purpose of defraying the expenses of Lender incident to handling such delinquent payment. This charge shall be in addition to, and not in lieu of, any other amount that Lender may be entitled to receive or action that Lender may be authorized to take as a result of such late payment.

Section 6. Certain Provisions Regarding Payments. All payments made under this Note shall be applied, to the extent thereof, to late charges, to accrued but unpaid interest, to unpaid principal, and to any other sums due and unpaid to Lender under the Loan Documents, in such manner and order as Lender may elect in its sole discretion, any instructions from Borrower or anyone else to the contrary notwithstanding. Remittances shall be made without offset, demand, counterclaim, deduction, or recoupment (each of which is hereby waived) and shall be accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due on any indebtedness shall be deemed an acceptance on account only, notwithstanding any notation on or accompanying such partial payment to the contrary, and shall not in any way (a) waive or excuse the existence of an Event of Default (as hereinafter defined), (b) waive, impair or extinguish any right or remedy available to Lender hereunder or under the other Loan Documents, or (c) waive the requirement of punctual payment and performance or constitute a novation in any respect. Payments received after 2:00 p.m. shall be deemed to be received on, and shall be posted as of, the following Business Day. Whenever any payment under this Note or any other Loan Document falls due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day.

Section 7. Loan-to-Value Covenant. At all times the Property shall have a Loan-to-Value Ratio of not greater than 25%. Any appraisal used to determine the Market Value shall be satisfactory to Lender in all respects and shall be obtained at the sole cost and expense of Borrower, provided, however, that unless an Event of Default shall have occurred, Borrower shall not be required to pay the cost of more than one such appraisal per calendar year. In the event this Loan-to-Value Ratio is not met, Borrower may satisfy this Loan-to-Value Ratio prior to the Maturity Date by doing the following within thirty (30) days of Notice from Lender to Borrower of any failure to meet the required Loan-to-Value Ratio: either (A) making a voluntary paydown of the Loan, subject to the satisfaction of any conditions to prepayment, including the payment of any prepayment fee or premium, together with a mutually agreed-upon reduction in the committed amount of the Loan, and/or (B) providing additional collateral acceptable to Lender (which may include an acceptable stand-by letter of credit in favor of Lender), which shall have value (as determined by Lender) which when added to the Property value is sufficient to satisfy this Loan-to-Value Ratio. If the required Loan-to-Value Ratio is not met and Borrower fails to satisfy this covenant as aforesaid within such thirty (30) day period, such occurrence shall constitute an Event of Default.

Section 8. Events of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Note:

- otherwise.
- (a) Borrower fails to pay the final principal balance of this Note when due, together with accrued and unpaid interest thereon, whether upon the Maturity Date, upon acceleration or otherwise.
 - (b) Borrower fails to pay when and as due and payable any installment of interest or interest and principal when due under this Note or any other amounts payable by Borrower to Lender under the terms of this Note or any of the other Loan Documents and such failure continues for ten (10) days.
 - (c) Any covenant, agreement or condition in this Note is not fully and timely performed, observed or kept, subject to any applicable grace or cure period.
 - (d) An Event of Default (as therein defined) occurs under any of the Loan Documents other than this Note (subject to any applicable grace or cure period).

Section 9. Remedies. Upon the occurrence of an Event of Default, Lender may at any time thereafter exercise any one or more of the following rights, powers and remedies:

- (a) Lender may accelerate the Maturity Date and declare the unpaid principal balance and accrued but unpaid interest on this Note, and all other amounts payable hereunder and under the other Loan Documents, at once due and payable, and upon such declaration the same shall at once be due and payable.
- (b) Lender may set off the amount owed by Borrower to Lender, whether or not matured and regardless of the adequacy of any other collateral securing this Note, against any and all accounts, credits, money, securities or other property now or hereafter on deposit with, held by or in the possession of Lender to the credit or for the account of Borrower, without notice to or the consent of Borrower.
- (c) Lender may exercise any of its other rights, powers and remedies under the Loan Documents or at law or in equity.

Section 10. Remedies Cumulative. All of the rights and remedies of Lender under this Note and the other Loan Documents are cumulative of each other and of any and all other rights at law or in equity, and the exercise by Lender of any one or more of such rights and remedies shall not preclude the simultaneous or later exercise by Lender of any or all such other rights and remedies. No single or partial exercise of any right or remedy shall exhaust it or preclude any other or further exercise thereof, and every right and remedy may be exercised at any time and from time to time. No failure by Lender to exercise, nor delay in exercising, any right or remedy shall operate as a waiver of such right or remedy or as a waiver of any Event of Default.

Section 11. Costs and Expenses of Enforcement. Borrower agrees to pay to Lender on demand all costs and expenses incurred by Lender in seeking to collect this Note or to enforce any of Lender's rights and remedies under the Loan Documents, including court costs and reasonable attorneys' fees and expenses, whether or not suit is filed hereon, or whether in connection with bankruptcy, insolvency or appeal.

Section 12. Service of Process. Borrower hereby consents to process being served in any suit, action, or proceeding instituted in connection with this Note by (a) the mailing of a copy thereof by certified mail, postage prepaid, return receipt requested, to Borrower and (b) serving a copy thereof upon Robert Masters, Esq., Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605, Robert Masters, individually, being the agent hereby designated and appointed by Borrower as Borrower's agent for service of process. Borrower irrevocably agrees that such service shall be deemed to be service of process upon Borrower in a ny such suit, action, or proceeding. Nothing in this Note shall affect the right of Lender to serve process in any manner otherwise permitted by law and nothing in this Note will limit the right of Lender otherwise to bring proceedings against Borrower in the courts of any jurisdiction or jurisdictions.

Section 13. Heirs, Successors and Assigns. The terms of this Note and of the other Loan Documents shall bind and inure to the benefit of the heirs, devisees, representatives, successors and assigns of the parties. The foregoing sentence shall not be construed to permit Borrower to assign the Loan except as otherwise permitted under the Loan Documents.

Section 14. General Provisions. Time is of the essence with respect to Borrower's obligations under this Note. If more than one person or entity executes this Note as Borrower, all of said parties shall be jointly and severally liable for payment of the indebtedness evidenced hereby. Borrower and each party executing this Note as Borrower hereby severally (a) waive demand, presentment for payment, notice of dishonor and of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices (except any notices which are specifically required by this Note or any other Loan Document), filing of suit and diligence in collecting this Note or enforcing any of the security herefor; (b) agree to any substitution, subordination, exchange or release of any such security or the release of any party primarily or secondarily liable hereon; (c) agree that Lender shall not be required first to institute suit or exhaust its remedies hereon against Borrower or others liable or to become liable hereon or to perfect or enforce its rights against them or any security herefor; (d) consent to any extensions or postponements of time of payment of this Note for any period or periods of time and to any partial payments, before or after maturity, and to any other indulgences with respect hereto, without notice thereof to any of them; and (e) submit (and waive all rights to object) to non-exclusive personal jurisdiction of any state or federal court sitting in the State of New York, the state and county in which payment of this Note is to be made for the enforcement of any and all obligations under this Note and the other Loan Documents; (f) waive the benefit of all homestead and similar exemptions as to this Note; (g) agree that their liability under this Note shall not be affected or impaired by any determination that any title, security interest or lien taken by Lender to secure this Note is invalid or unperfected; and (h) hereby subordinate to the Loan and the Loan Documents any and all rights against Borrower and any security for the payment of this Note, whether by subrogation, agreement or otherwise, until this Note is paid in full. A determination that any provision of this Note is unenforceable or invalid shall not affect the enforceability or validity of any other provision and the determination that the application of any provision of this Note to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to other persons or circumstances. This Note may not be amended except in a writing specifically intended for such purpose and executed by the party against whom enforcement of the amendment is sought. Captions and headings in this Note are for convenience only and shall be disregarded in construing it. This Note and its validity, enforcement and interpretation shall be governed by the laws of the State of New York (without regard to any principles of conflicts of laws) and applicable United States federal law. Whenever a time of day is referred to herein, unless otherwise specified such time shall be the local time of the place where payment of this Note is to be made. The term "Business Day" shall mean a day on which Lender is open for the conduct of substantially all of its banking business at its office in the city in which this Note is payable (excluding Saturdays and Sundays). Capitalized terms used herein without definition shall have the meanings ascribed to such terms in the Mortgage. The words "include" and "including" shall be interpreted as if followed by the words "without limitation".

Section 15. Notices. Any notice, request, or demand to or upon Borrower or Lender shall be deemed to have been properly given or made when delivered in accordance with the terms of the Mortgage regarding notices.

Section 16. No Usury. It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply with applicable state law or applicable United States federal law (to the extent that it permits Lender to contract for, charge, take, reserve, or receive a greater amount of interest than under state law) and that this Section shall control every other covenant and agreement in this Note and the other Loan Documents. If applicable state or federal law should at any time be judicially interpreted so as to render usurious any amount called for under this Note or under any of the other Loan Documents, or contracted for, charged, taken, reserved, or received with respect to the Loan, or if Lender's exercise of the option to accelerate the Maturity Date, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by applicable law, then it is Lender's express intent that all excess amounts theretofore collected by Lender shall be credited on the principal balance of this Note and all other indebtedness secured by the Mortgage, and the provisions of this Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new documents, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid or agreed to be paid to Lender for the use or forbearance of the Loan shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread through out the full stated term of the Loan.

Section 17. Lost Note. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of this Note or any other security document which is not of public record, and, in the case of any such loss, theft, destruction or mutilation, upon cancellation of this Note or other security document, Borrower will issue, in lieu thereof, a replacement note or other security document in the same principal amount thereof and otherwise of like tenor.

Section 18. Method of Payment. All payments due under this Note shall be made by Borrower to Lender at One Bryant Park, 35th Floor, New York, New York 10036 or such other place as Lender may from time to time specify in writing in lawful currency of the United States of America in immediately available funds, without counterclaim or setoff and free and clear of, and without any deduction or withholding for, any taxes or other payments.

Section 19. Pledge to the Federal Reserve. Lender may at any time pledge or assign all or any portion of its rights under the Loan Documents, which evidence and/or secure the Loan, including any portion of this Note, to any of the twelve (12) Federal Reserve Banks organized under Section 4 of the Federal Reserve Act, 12 U.S.C. Section 341. No such pledge or assignment or enforcement thereof shall release Lender from its obligations under any of the Loan Documents, which evidence and/or secure the Loan.

Section 20. Right of Setoff. Borrower hereby grants to Lender, a continuing lien, security interest and right of setoff as security for all liabilities and obligations to Lender whether now existing or hereafter arising, upon and against all deposits, credits, collateral and property, now or hereafter in the possession, custody, safekeeping or control of Lender or any entity under the control of Bank of America Corporation and its successors and/or assigns or in transit to any of them. At any time, without demand or notice (any such notice being expressly waived by Borrower), Lender may setoff the same or any part thereof and apply the same to any liability or obligation of Borrower even though unmatured and regardless of the adequacy of any other collateral security for the Loan which is evidenced by this Note. **ANY AND ALL RIGHTS TO REQUIRE LENDER TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES THE LOAN WHICH IS EVIDENCED BY THIS NOTE PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS OR OTHER PROPERTY OF THE BORROWER OR ANY GUARANTOR, ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.**

Section 21. Waiver of Jury Trial. BORROWER AND LENDER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY CLAIM BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS NOTE OR ANY OTHER LOAN DOCUMENTS CONTEMPLATED TO BE EXECUTED IN CONNECTION HERewith OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY, INCLUDING, WITHOUT LIMITATION, ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS OR ACTIONS OF LENDER RELATING TO THE ADMINISTRATION OF THE LOAN EVIDENCED BY THIS NOTE OR ENFORCEMENT OF THE LOAN DOCUMENTS EVIDENCING AND/OR SECURING THE LOAN, AND AGREE THAT NEITHER PARTY WILL SEEK TO CONSOLIDATE ANY SUCH ACTION WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. EXCEPT AS PROHIBITED BY LAW, BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES. BORROWER CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT LENDER WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER. THIS WAIVER CONSTITUTES A MATERIAL INDUCEMENT FOR LENDER TO ACCEPT THIS NOTE AND MAKE THE LOAN.

Section 22. Choice of Law. BORROWER AGREES THAT ANY SUIT FOR THE ENFORCEMENT OF THIS NOTE OR ANY OF THE OTHER LOAN DOCUMENTS MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO THE NONEXCLUSIVE JURISDICTION OF SUCH COURT. BORROWER HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT FORUM.

Section 23. Counterparts. This Note may be executed in any number of counterparts, each of which when executed and delivered shall be deemed an original and all of which taken together shall constitute but one agreement.

Section 24. Exculpation. The exculpation provisions set forth in Section 3.17 of the Mortgage are herein incorporated in this Note by reference all with the same force and effect as if fully set forth herein.

Subject to the satisfaction of all conditions set forth in this Agreement as determined by Lender in its sole and absolute discretion, the Loan is hereby modified as follows:

1. Subject to Borrower's satisfaction of all terms and conditions contained in this Agreement, Lender and Borrower agree that the Maturity Date shall be extended to April 1, 2013 (the "**Third Extended Maturity Date**").

13. The outstanding principal balance of the Loan, after giving effect to the Principal Paydown set forth in Section B.1 of this Agreement, shall be reduced to \$28,900,000.00.

B. Conditions to this Agreement.

On or prior to the date hereof (or at such other time as may be specified below), as a condition to the Lender’s agreement to the Third Extension, Borrower shall satisfy the following conditions:

1. 5. Borrower shall have paid to Lender an application fee in an amount equal to \$170,500.00.

C. Representations, Warranties and Covenants.

1. Borrower covenants to continue to make monthly payments as provided under the Existing Notes on each Payment Date up to and including the Third Extended Maturity Date in the same manner set forth in the Loan Documents

2. Borrower and Guarantor each certifies to Lender that no Default or Event of Default has occurred and is continuing on the date of this Agreement.

4. Borrower and Guarantor hereby (i) ratify and confirm to Lender that all of the terms, covenants, indemnifications and provisions of the Existing Notes, the Loan Agreement, the Existing Mortgages, the Guaranty, the First Extension Agreement, the Second Extension Agreement and the other Loan Documents are and shall remain in full force and effect without change, except as otherwise expressly and specifically modified by this Agreement, (ii) represent and warrant to Lender that Borrower and Guarantor are in compliance with all of the terms applicable to Borrower and Guarantor, as applicable, under the Loan Documents and no Default or Event of Default has occurred and is continuing, and (iii) re new and confirm as of the date hereof each of the representations and warranties made by Borrower and Guarantor under the Loan Documents.

5. Borrower and Guarantor represent, warrant and covenant that Borrower and Guarantor each have full power, authority and legal right to execute this Agreement and to keep and observe all of the terms of this Agreement on its part to be observed or performed.

In the event of any conflict or ambiguity between the terms, covenants and provisions of this Agreement and those of the Existing Notes, the Loan Agreement, the Existing Mortgages, the Guaranty, the First Extension Agreement, the Second Extension Agreement and the other Loan Documents, the terms, covenants and provisions of this Agreement shall control.

7. Borrower and Guarantor shall each indemnify, defend and hold Lender harmless against any and all liability, obligations, losses, damages, penalties, claims, actions suits, costs and expenses (including Lender's reasonable attorneys' fees) of whatever kind or nature which may be asserted against, imposed on or incurred by Lender in connection with the Debt, this Agreement, the Existing Mortgages, the Property, or any part thereof, or the exercise by Lender of any rights or remedies granted to it under this Agreement or the Existing Mortgages. Each of Borrower and Guarantor acknowledges that the obligations set forth in this paragraph obligate Borrower and Guarantor even if the liabilities, obligations, losses, penalty, fines, claims, suits or other proceedings and costs and expenses arose out of a claim, cause of action, or suit that is based on or alleged to be based on Lender's negligence or strict liability of Lender. Borrower's and Guarantor's obligation to indemnify Lender in accordance with this Agreement is in addition to, and not in derogation or in lieu of, any other indemnity obligations contained in the Loan Documents.

8. Borrower and Guarantor each hereby represents and warrants to, and covenants with, Lender that as of the date hereof (a) none of Borrower or Guarantor has any defense, offset, counterclaim, abatement or right of rescission of any kind or nature whatsoever against Lender with respect to this Agreement or the other Loan Documents or the transactions contemplated therein, or any action previously taken or not taken by Lender with respect thereto or with respect to any security interest, encumbrance, lien or collateral in connection therewith to secure the liabilities of Borrower and Guarantor thereunder and (b) Lender has fully performed all obligations to Borrower and Guarantor which they may have had or have on and as of the date hereof. Without limiting the generality of the foregoing, Borrower and Guarantor, on each of its own behalf and on the behalf of its past, present and future representatives, partners, and managers, members, shareholders, officers, directors, agents, employees, servants, successors and assigns (hereinafter referred to as the "**Borrowing Group**") hereby waives, releases and forever discharges Lender, and each of its past, present and future officers, directors, subsidiary and affiliated entities or companies, agents, servants, employees, shareholders, partners, members, managers, representatives, successors, assigns, attorneys, accountants, assets and properties, as the case may be (hereinafter referred to as the "**Lender Group**") from and against all manner of actions, cause and causes of action, suits, debts, sums of money, accounts, reckonings, bonds, bills specialties, covenants, contracts, controversies, agreements, promises, obligations, liabilities, costs, expenses, losses, damages, judgments, executions, claims and demands, of whatever kind and nature, in law or in equity, whether known or unknown, whether or not concealed or hidden, arising out of or relating to any matter, cause or thing, whatsoever, that any of the Borrowing Group, jointly or severally, may have had, or now have or that may subsequently accrue against the Lender Group by reason of any matter or thing whatsoever through the date hereof arising out of or in any way connected to the Loan. Borrower and Guarantor acknowledge and agree that Lender is specifically relying upon the representations, warranties, covenants and agreements contained herein and that such representations, warranties, covenants, and agreements constitute a material inducement to enter into the transactions contemplated in this Agreement. Nothing set forth above shall be construed as releasing Lender from its obligations hereunder.

9. This Agreement may not be modified, amended, waived, changed or terminated orally, but only by an agreement in writing signed by the party against whom the enforcement of the modification, amendment, waiver, change or termination is sought.

10. This Agreement shall be binding upon and inure to the benefit of Borrower, Guarantor and Lender and their respective successors and assigns.

11. This Agreement may be executed in any number of duplicate originals and each such duplicate original shall be deemed to constitute but one and the same instrument.

13. This Agreement shall be governed by and construed in accordance with the laws of the State of New York and the applicable laws of the United States of America.

14. It is the intention and understanding of the parties hereto that this Agreement shall act as an extension of the Loan and that this Agreement shall not act as a novation of such Loan.

D. State of New York Provisions.

1. In the event of any inconsistencies between the terms and conditions of this Section D and the other terms and conditions of this Agreement, the terms and conditions of this Section D shall control and be binding.
 2. The terms, covenants and conditions contained herein shall be construed as affording to Lender rights additional to, and not exclusive of, the rights conferred under the provisions of Section 254 of the Real Property Law of the State of New York (other than paragraph 4 thereof).
 3. 5. [Intentionally omitted].

With respect to Guarantor's annual financial statements, such statements shall be audited in accordance with GAAP by BDO Seidman (so long as they are licensed certified public accountants) and shall include a complete copy of Guarantor's federal and New York state income tax returns for the immediately preceding tax year within thirty (30) days after timely filing of same given all allowable extensions of time to file.

7. Ratification.

(a) Borrower hereby ratifies and confirms to Lender that all of the terms, representations, warranties, covenants, indemnifications and provisions of the Loan Documents are and shall remain in full force and effect, and are true and correct with respect to Borrower without change except as otherwise expressly and specifically modified by this Amendment. Borrower hereby agrees to continue to be bound by terms, representations, warranties, covenants, indemnifications and provisions of the Loan Documents.

(b) Guarantor hereby ratifies and confirms to Lender that all of the terms, representations, warranties, covenants, indemnifications and provisions of the Loan Documents, including without limitation, the Guaranty of Completion (as defined in the Building Loan Agreement), the Guaranty of Recourse Carve Outs (as defined in the Building Loan Agreement) and the Environmental Indemnity (as defined in the Building Loan Agreement), are and shall remain in full force and effect, and are true and correct with respect to Guarantor without change except as otherwise expressly and specifically modified by this Amendment. Guarantor hereby agrees to continue to be bound by the terms, representations, warranties, covenants, indemnifications and provisions of the Loan Documents, including, without limitation, the Guaranty of Completion, the Guaranty of Recourse Carve Outs and the Environmental Indemnity.

8. Release and Waiver of Claims, Defenses and Rights of Set Off.

(a) Each of Borrower and Guarantor acknowledge that Lender has performed all obligations and duties owed to Borrower and Guarantor under the Loan Documents through the date hereof.

(b) As additional consideration for entering into this Amendment, each of Borrower and Guarantor hereby unconditionally and irrevocably forever releases, waives and forever discharges Lender, BlackRock Financial Management Inc., the Federal Reserve Bank of New York, Maiden Lane LLC and any Servicer of the Loan (together with each of their respective predecessors, successors and assigns, each of their respective Affiliates and each of their respective officers, directors, employees, agents and representatives) (each, a "Releasee" and, collectively, the "Releasees") from any action, cause of action, suit, debt, defense, right of set off or other claim arising on or prior to the date hereof, whatsoever, in law or in equity, arising out of or in connection with this Amendment and/or the other Loan Documents, known or unknown against the Releasees.

(c) Each of Borrower and Guarantor, on behalf of itself and its successors, assigns, Affiliates and other legal representatives, hereby absolutely, unconditionally and irrevocably, covenants and agrees with and in favor of each Releasee that neither Borrower (nor any of its successors, assigns, Affiliates or other legal representatives) nor Guarantor (nor any of its successors, assigns, Affiliates or other legal representatives) will sue (at law, in equity, in any regulatory proceeding or otherwise) any Releasee on the basis of any claim released, remised and discharged by such Borrower pursuant to Section 8(a) above. If either of Borrower (or any of its successors, assigns, Affiliates or other legal representatives) or Guarantor (or any of its successors, assigns, Affiliates or other legal representatives) violates the foregoing covenant, such party agrees to pay, in addition to such other damages as any Releasee may sustain as a result of such violation, all reasonable attorneys' fees and costs incurred by any Releasee as a result of such violation.

(d) Lender hereby waives the Events of Defaults specifically alleged in (i) that certain letter to Borrower, dated as of June 4, 2009, from Lender, (ii) that certain letter to Borrower, dated as of July 2, 2009, from Stites & Harbison PLLC, (iii) that certain letter to Borrower and Guarantor, dated as of December 4, 2009, from Alston & Bird LLP, and (iv) that certain letter to Otterbourg, Steindler, Houston & Rosen, P.C., dated as of March 25, 2010, from Alston & Bird LLP.

9. No Novation.

The parties do not intend this Amendment nor the transactions contemplated hereby to be, and this Amendment and the transactions contemplated hereby shall not be construed to be, a novation of any of the obligations owing by the Borrower under or in connection with the Loan Documents. Further, the parties do not intend this Amendment nor the transactions contemplated hereby to affect the priority of Lender's first priority lien in any of the collateral securing the Note in any way, including, without limitation, the liens, security interests and encumbrances created by the Mortgage and the other Loan Documents

10. Representations, Warranties, and Covenants.

(a) Borrower and Guarantor agree that all of the representations, warranties, and covenants contained in the Loan Documents, including, without limitation, Sections 4.1.22, 5.1.44 and 5.1.46 of the Building Loan Agreement (as incorporated into the Project Loan Agreement by reference pursuant to Sections 4.1 and 5.1 of the Project Loan Agreement) continue to be true and correct as of the date hereof, and Borrower and Guarantor hereby agree to continue to be bound by the representations, warranties, and covenants on and after the date hereof. Borrower and Guarantor agree that any default under this Amendment shall constitute an Event of Default under the Loan Documents.

(b) Lender represents and warrants to Borrower and Guarantor that Lender has advised the Servicer and any agents acting on behalf of Lender of the terms and provisions of the Loan Documents as amended by this Amendment.

11. [Intentionally omitted].

12. Miscellaneous.

(a) The Recitals set forth above are true and correct and are hereby incorporated into the body of this Amendment by reference.

(b) Capitalized terms used herein and not specifically defined herein shall have the respective meanings ascribed to such terms in the Project Loan Agreement. The definition of "Agreement" set forth in the Project Loan Agreement shall be deemed to include this Amendment. Additionally, the definition of "Loan Agreement" and "Loan Documents" as set forth in the Loan Documents shall be deemed to include this Amendment and the other documents entered into in connection with this Amendment.

(c) All exhibits and schedules attached hereto are incorporated in this Amendment and are expressly made a part hereof.

(d) This Amendment has been duly executed and delivered by Borrower and Guarantor and is the legal, valid and binding obligation of Borrower and Guarantor, enforceable in accordance with its terms, except as enforceability may be affected by applicable bankruptcy, insolvency, and similar proceedings affecting the rights of creditors generally, and general principles of equity.

(e) This Amendment may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document. All such counterparts shall be construed together and shall constitute one and the same instrument, but in making proof hereof it shall be necessary to produce only one such counterpart. Any counterpart delivered by facsimile, pdf or other electronic means shall have the same import and effect as original counterparts and shall be valid, enforceable and binding for the purposes of this Amendment. This Amendment shall not be binding, however, until all parties hereto have signed and delivered a counterpart of this Amendment.

(f) The parties hereto agree that, except as specifically set forth herein, this Amendment (i) does not amend, waive, satisfy, terminate, diminish or otherwise modify any of the terms, conditions, provisions and/or agreements contained in the Loan Documents and (ii) does not constitute a waiver, release or limitation upon Lender's exercise of any of its rights and remedies under the Loan Documents, all of which are hereby expressly reserved. This Amendment shall not relieve or release the Borrower or Guarantor in any way from any of their respective duties, obligations, covenants or agreements under the Loan Documents or from the consequences of any Event of Default thereunder. This Amendment shall not obligate Lender, or be construed to require Lender, to waive any Event of Default or defaults, whether now existing or which may occur after the date hereof.

(g) This Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and permitted assigns, except the terms and provisions of Section 2.4.6 of the Project Loan Agreement shall specifically not be binding on any successor or assign of U.S. Bank National Association, not individually but solely as trustee for the Maiden Lane Commercial Mortgage-Backed Securities Trust 2008-1.

(h) Except as expressly modified pursuant to this Amendment, all of the terms, covenants and provisions of the Loan Agreement and the other Loan Documents shall continue in full force and effect. In the event of any conflict or ambiguity between the terms, covenants, and provisions of this Amendment and those of the Loan Agreement or the other Loan Documents, the terms, covenants, and provisions of this Amendment shall control.

(i) This Amendment, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of any party hereto, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

(j) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflict of laws and any applicable law of the United States of America.

(k) Borrower shall pay, on demand, all reasonable costs and expenses of Lender (including reasonable fees, costs and expenses of counsel to Lender) incurred in connection with the negotiation, preparation, execution and delivery of this Amendment, and the modification and amendment of the other Loan Documents, the closing of the restructure of the Loan and the transactions contemplated thereby.

(1) Each party hereto acknowledges that it has participated in the negotiation of this Amendment, and agrees that no provision of this Amendment shall be construed against or interpreted to the disadvantage of any party by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Each of the parties hereto at all times have had access to an attorney in the negotiation of the terms and in the preparation and execution of this Amendment, and the parties hereto each have had the opportunity to review and analyze this Amendment for a sufficient period of time prior to execution and delivery. All of the terms of this Amendment were negotiated at arm's length, and were prepared and executed without fraud, duress, undue influence or coercion of any kind exerted by either party upon the other. The execution and delivery of this Amendment is the free and voluntary act of each of the parties hereto.

8. Release and Waiver of Claims, Defenses and Rights of Set Off.

(a) Each of Borrower and Guarantor acknowledge that Lender has performed all obligations and duties owed to Borrower and Guarantor under the Loan Documents through the date hereof.

(b) As additional consideration for entering into this Amendment, each of Borrower and Guarantor hereby unconditionally and irrevocably forever releases, waives and forever discharges Lender, BlackRock Financial Management Inc., the Federal Reserve Bank of New York, Maiden Lane LLC and any Servicer of the Loan (together with each of their respective predecessors, successors and assigns, each of their respective Affiliates and each of their respective officers, directors, employees, agents and representatives) (each, a “**Releasee**” and, collectively, the “**Releasees**”) from any action, cause of action, suit, debt, defense, right of set off or other claim arising on or prior to the date hereof, whatsoever, in law or in equity, arising out of or in connection with this Amendment and/or the other Loan Documents, known or unknown against the Releasees.

Further, the parties do not intend this Amendment nor the transactions contemplated hereby to affect the priority of Lender's first priority lien in any of the collateral securing the Note in any way, including, without limitation, the liens, security interests and encumbrances created by the Mortgage and the other Loan Documents

10. Representations, Warranties, and Covenants.

(a) Borrower and Guarantor agree that all of the representations, warranties, and covenants contained in the Loan Documents, including, without limitation, Sections 4.1.22, 5.1.44 and 5.1.46 of the Building Loan Agreement continue to be true and correct as of the date hereof, and Borrower and Guarantor hereby agree to continue to be bound by the representations, warranties, and covenants on and after the date hereof. (d) This Amendment has been duly executed and delivered by Borrower and Guarantor and is the legal, valid and binding obligation of Borrower and Guarantor, enforceable in accordance with its terms, except as enforceability may be affected by applicable bankruptcy, insolvency, and similar proceedings affecting the rights of creditors generally, and general principles of equity.

(e) This Amendment may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document. All such counterparts shall be construed together and shall constitute one and the same instrument, but in making proof hereof it shall be necessary to produce only one such counterpart. Any counterpart delivered by facsimile, pdf or other electronic means shall have the same import and effect as original counterparts and shall be valid, enforceable and binding for the purposes of this Amendment. This Amendment shall not be binding, however, until all parties hereto have signed and delivered a counterpart of this Amendment.

This Amendment shall not relieve or release the Borrower or Guarantor in any way from any of their respective duties, obligations, covenants or agreements under the Loan Documents or from the consequences of any Event of Default thereunder. This Amendment shall not obligate Lender, or be construed to require Lender, to waive any Event of Default or defaults, whether now existing or which may occur after the date hereof.

(g) This Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and permitted assigns, except the terms and provisions of Section 2.4.6 of the Building Loan Agreement shall specifically not be binding on any successor or assign of U.S. Bank National Association, not individually but solely as trustee for the Maiden Lane Commercial Mortgage-Backed Securities Trust 2008-1.

(h) Except as expressly modified pursuant to this Amendment, all of the terms, covenants and provisions of the Loan Agreement and the other Loan Documents shall continue in full force and effect. In the event of any conflict or ambiguity between the terms, covenants, and provisions of this Amendment and those of the Loan Agreement or the other Loan Documents, the terms, covenants, and provisions of this Amendment shall control.

(i) This Amendment, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of any party hereto, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

(j) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflict of laws and any applicable law of the United States of America.

(k) Borrower shall pay, on demand, all reasonable costs and expenses of Lender (including reasonable fees, costs and expenses of counsel to Lender) incurred in connection with the negotiation, preparation, execution and delivery of this Amendment, and the modification and amendment of the other Loan Documents, the closing of the restructure of the Loan and the transactions contemplated thereby.

(l) Each party hereto acknowledges that it has participated in the negotiation of this Amendment, and agrees that no provision of this Amendment shall be construed against or interpreted to the disadvantage of any party by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Each of the parties hereto at all times have had access to an attorney in the negotiation of the terms and in the preparation and execution of this Amendment, and the parties hereto each have had the opportunity to review and analyze this Amendment for a sufficient period of time prior to execution and delivery. All of the terms of this Amendment were negotiated at arm's length, and were prepared and executed without fraud, duress, undue influence or coercion of any kind exerted by either party upon the other. The execution and delivery of this Amendment is the free and voluntary act of each of the parties hereto.

(m) Borrower shall deliver to Title Company an original executed counterpart of this Amendment and all related documentation necessary for the recording of this Amendment in the Clerk's Office and Borrower shall pay all fees and expenses in order to file this Amendment in the Clerk's Office. Borrower shall cause this Amendment to be filed within five (5) days with the Office of the Clerk of the County of Westchester.

(n) Attached hereto as Exhibit B is the Amended and Restated N.Y. Lien Law Statement which amends and restates that certain N.Y. Lien Law Statement filed in connection with the Building Loan Agreement on December 19, 2007 as File No. 38662, which evidences that the remaining net sums available to Borrower from the Loan to pay contractors, subcontractors, laborers and materialmen for the cost of the Improvements has been reduced in accordance with the terms hereof.

THIS WAIVER CONSTITUTES A MATERIAL INDUCEMENT FOR MORTGAGEE TO ACCEPT THIS MODIFICATION AGREEMENT AND MODIFY THE LOAN.

16. CORRECTIONS.

The Mortgagor will, at the request of the Mortgagee and at the cost and expense of the Mortgagor (A) promptly correct any defect, error or omission which may be discovered in the contents of this Agreement or in any of the Loan Documents, or in the execution, acknowledgment or recordation thereof, and (B) promptly do, execute, acknowledge and deliver any and all such further acts and instruments as the Mortgagee reasonably require from time to time in order to effectuate the purposes and intent of this Modification Agreement.

19. USURY LAWS.

All agreements between Mortgagor and Mortgagee are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration of maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to Mortgagee for the use or the forbearance of the indebtedness evidenced hereby exceed the maximum permissible under applicable law. As used herein, the term "applicable law" shall mean the law in effect as of the date hereof; provided, however, that in the event there is a change in the law which results in a higher permissible rate of interest, then this Modification Agreement shall be governed by such new law as of its effective date. In this regard, it is expressly agreed that it is the intent of Mortgagor and Mortgagee in the execution, delivery and acceptance of this Modification Agreement to contract in strict compliance with the laws of the State of New Jersey from time to time in effect. If, under or from any circumstances whatsoever, fulfillment of any provision hereof or of any of the Loan Documents or the security documents at the time of performance of such provision shall be due, shall involve transcending the limit of such validity prescribed by applicable law, then the obligation to be fulfilled shall automatically be reduced to the limits of such validity, and if under or from circumstances whatsoever Mortgagee should ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal balance evidenced hereby and not to the payment of interest. This provision shall control every other provision of all agreements between Mortgagor and Mortgagee.

IN WITNESS WHEREOF the parties have executed this Modification Agreement as of the day and year first above written.

The Borrower confirms that the Obligations remain outstanding without defense, set off, counterclaim, discount or charge of any kind as of the date of this Amendment.

3. The Borrower and the Guarantor hereby confirm that any collateral for the Obligations, including liens, security interests, mortgages, and pledges granted by the Borrower or third parties (if applicable), shall continue unimpaired and in full force and effect, and shall cover and secure all of the Borrower’s existing and future Obligations to the Bank, as modified by this Amendment.

4. As a condition precedent to the effectiveness of this Amendment, the Borrower and the Guarantor shall comply with the terms and conditions (if any) specified in Exhibit A.
5. The Borrower and the Guarantor further agree to indemnify and hold the Bank and its officers, directors, attorneys, agents and employees harmless from any loss, damage, judgment, liability or expense (including attorneys' fees) suffered by or rendered against the Bank or any of them on account of any claims arising out of or relating to the Obligations. &# 160;The Borrower and the Guarantor further state that he or it has carefully read the foregoing release and indemnity, knows the contents thereof and grants the same as its own free act and deed.

Any party so executing this Amendment by facsimile transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile transmission.
7. This Amendment will be binding upon and inure to the benefit of the Borrower and the Bank and their respective heirs, executors, administrators, successors and assigns.
8. This Amendment has been delivered to and accepted by the Bank and will be deemed to be made in the State where the Bank's office indicated in the Loan Documents is located. This Amendment will be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the State where the Bank's office indicated in the Loan Documents is located, excluding its conflict of laws rules.
9. The Borrower and Guarantor covenant and agree that there is currently due and owing on the Loan the principal sum of \$10,450,000.00, together with interest thereon and other charges evidenced thereby, without offset, defense or counterclaim of any kind or nature whatsoever.
10. Except as amended hereby, the terms and provisions of the Loan Documents remain unchanged, are and shall remain in full force and effect, and are hereby ratified and confirmed, unless and until modified or amended in writing in accordance with their terms. Except as expressly provided herein, this Amendment shall not constitute an amendment, waiver, consent or release with respect to any provision of any Loan Document, a waiver of any default or Event of Default under any Loan Document, or a waiver or release of any of the Bank's rights and remedies (all of which are hereby reserved). **The Borrower and the Guarantor expressly ratify and confirm the confession of judgment (if applicable) and waiver of jury trial provisions contained in the Loan Documents.**

Amended and Restated Mortgage Note
(LIBOR Swap Transaction)

\$10,000,000.00

September 17, 2010 (effective as of
September 17, 2010)

FOR VALUE RECEIVED, ACADIA – P/A LIBERTY LLC, a Delaware limited liability company (the “**Borrower**”), with an address at c/o Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605, promises to pay to the order of **PNC BANK, NATIONAL ASSOCIATION** (the “**Bank**”), in lawful money of the United States of America in immediately available funds at its offices located at Two Tower Center Boulevard, 18th Floor, East Brunswick, New Jersey 08816, or at such other location as the Bank may designate from time to time, the principal sum of **TEN MILLION AND 00/100 (\$10,000,000.00) DOLLARS** (the “**Loan**” or the “**Facility**”), together with interest accruing from the date of initial advance on the outstanding principal balance hereof, as provided below:

1. Maturity Date and Extension Option.

(a) The “**Maturity Date**” shall mean September 1, 2011; provided, however, in the event that the Borrower exercises the Extension Option (as such term is defined in Paragraph 1(b) below), the “**Maturity Date**” shall mean September 1, 2012. The Borrower acknowledges and agrees that in no event will the Bank be under any obligation to extend or renew the Facility or this Note beyond the Maturity Date, except as expressly set forth herein. No further advances shall be made hereunder.

(b) Anything to the contrary notwithstanding, the Borrower shall have the option (the “**Extension Option**”) to extend the Maturity Date from September 1, 2011 for a period of one (1) year (the “**Extension Period**”) ending on September 1, 2012, provided that the following conditions shall have been met:

(i) No Event of Default (as such term is defined in Paragraph 9 below or in the Mortgage, as hereinafter defined), shall have occurred and be continuing;

(ii) Prior to the commencement of the Extension Period, the Borrower shall have provided the Bank with at least sixty (60) days prior written notice (the “**Extension Period Notice**”) of the Borrower’s intention to extend the Maturity Date;

(iii) CVS O.P., LLC is in occupancy and 85% of the in-line retail space of the Improvements is leased and occupied;

(iv) Guarantor financial covenant compliance is evidenced;

(v) The Facility does not exceed 65% of the “as-stabilized” value of the Property (as defined in the Mortgage);

(vi) DSCR (as hereinafter defined) is not less than 1.20 to 1.00; and

(vii) With the Extension Period Notice, the Borrower shall have paid to the Bank a non-refundable fee of three tenths of one percent (0.30%) of the outstanding principal balance of the Loan on the first day of the Extension Period. In connection with the Borrower’s request for the Extension Option, the Bank, at its option, may order a new appraisal of the Property, at the cost of the Borrower.

"DSCR" will be defined as NOI divided by Debt Service. "NOI" will be calculated on an annualized pro forma basis based on the prior three months of operating history, including rents from self storage tenants not more than 45 days in arrears and expected effective minimum rent from certain executed leases with tenants in occupancy or who are not yet in occupancy but are scheduled to take occupancy within ninety (90) days of the test date, but excluding to-be-determined reasonable, customary tenant improvements/capital expenditure reserves and income from tenants in default, bankruptcy and more than sixty days in arrears in the payment of base rent. "Debt Service" will be calculated on an annualized basis assuming the higher of (i) actual interest expense and scheduled principal amortization of the commitment under the Facility, (ii) mortgage-style amortization of the commitment under the Facility over 25 years at a rate of 1.50% over the yield to maturity of the 10-year Treasury Note, or (iii) a 8.29% mortgage constant, each calculated immediately prior to each extension.

If a reduction in the Facility is necessary to meet the loan-to-value requirement or the DSCR requirements set forth above, the Borrower may elect to (A) make a permanent principal reduction payment, or (B) deliver a letter of credit in form and issued by an issuer acceptable to the Bank, in either case in an amount which will satisfy the loan to value or DSCR requirement and thereby obtain the applicable extension, so long as the other conditions for extension are met. In the event Borrower elects to post a letter of credit in order to satisfy the above DSCR requirement, the letter of credit shall be released when the DSCR requirement is met and maintained for a period of sixty (60) consecutive days, provided no default or Event of Default exists.

2. **Rate of Interest.** Amounts outstanding under this Note will bear interest at a rate per annum equal to the sum of (A) LIBOR in effect on each Reset Date plus (B) three hundred twenty five (325) basis points (3.25%). Interest hereunder will be calculated based on the actual number of days that principal is outstanding over a year of 360 days. Notwithstanding the foregoing, in the event that the Master Agreement (as defined in Paragraph 13 herein), amendment or successor t hereto or other interest or currency swap, future, option or other interest rate protection is not in effect, amounts outstanding under this Note will bear interest at a rate per annum equal to, as determined at the option of the Borrower (each, an "**Option**"), at (1) the sum of (a) LIBOR in effect on each Reset Date plus (b) three hundred twenty five (325) basis points (3.25%) or (2) the sum of (a) the Base Rate plus (b) two hundred twenty five (225) basis points (2.25%). In no event will the rate of interest hereunder exceed the maximum rate allowed by law.

For purposes hereof, the following terms shall have the following meanings:

"Base Rate" shall mean, for any day, a fluctuating per annum rate of interest equal to the highest of (i) the Prime Rate, which rate may not be the lowest rate then being charged commercial borrowers by the Bank, (ii) the Federal Funds Open Rate plus 50 basis points (0.5%), and (iii) the Daily LIBOR Rate plus 100 basis points (1.0%), so long as a Daily LIBOR Rate is offered, ascertainable and not unlawful. If and when the Base Rate (or any component thereof) changes, the rate of interest with respect to any advance bearing interest at the floating rate will change automatically without notice to the Borrower, effective on the date of any such change. Interest on borrowings at the Base Rate is calculated on an actual/actual day basis and is payable monthly.< /font>

"Federal Funds Open Rate" for any day shall mean the rate per annum (based on a year of 360 days and actual days elapsed) determined by the Bank in accordance with its usual procedures (which determination shall be conclusive absent manifest error) to be the Open Rate for federal funds transactions as of the opening of business for federal funds transactions among members of the Federal Reserve System arranged by federal funds brokers on such day, as quoted by Garvin Guybutler (or any successor) or any other broker selected by the Bank, as set forth on the applicable Telerate display page; provided however, that if such day is not a Business Day, the ; Federal Funds Open Rate for such day shall be the Open Rate on the immediately preceding Business Day or if no such rate shall be quoted by a federal funds broker at such time, such other rate as determined by the Bank in accordance with its usual procedures (which determination shall be conclusive absent manifest error). If and when the Federal Funds Open Rate changes, the rate of interest hereunder will change automatically without notice to the Borrower, effective on the date of any such change.

“**Daily LIBOR Rate**” shall mean, for any day, the rate per annum determined by the Bank by dividing (x) the Published Rate by (y) a number equal to 1.00 *minus* the percentage prescribed by the Federal Reserve for determining the maximum reserve requirements with respect to any Eurocurrency funding by banks on such day.

“**Published Rate**” shall mean the rate of interest published each Business Day in The Wall Street Journal “Money Rate” listing under the caption “London Interbank Offered Rate” for a one month period (or, if no such rate is published therein for any reason, then the Published Rate shall be the eurodollar rate for a one month period as published in another publication determined by the Bank).

“**Business Day**” shall mean any day other than a Saturday or Sunday or a legal holiday on which commercial banks are authorized or required by law to be closed for business in New York, New York.

“**LIBOR**” shall mean, for each Reset Date, the interest rate per annum determined by the Bank by dividing (i) the rate which appears on the Bloomberg Page BBAM1 (or on such other substitute Bloomberg page that displays rates at which US dollar deposits are offered by leading banks in the London interbank deposit market), or the rate which is quoted by another source selected by the Bank which has been approved by the British Bankers’ Association as an authorized information vendor for the purpose of displaying rates at which US dollar deposits are offered by leading banks in the London interbank deposit market (an “Alternate Source”), at approximately 11:00 a.m., London time, two (2) Business Days prior to such Reset Date, as the one (1) month London interbank offered rate for U.S. Dollars commencing on such Reset Date (or if there shall at any time, for any reason, no longer exist a Bloomberg Page BBAM1 (or any substitute page) or any Alternate Source, a comparable replacement rate determined by the Bank at such time (which determination shall be conclusive absent manifest error)), by (ii) a number equal to 1.00 minus the LIBOR Reserve Percentage.

“**LIBOR Reserve Percentage**” shall mean the maximum effective percentage in effect on such day as prescribed by the Board of Governors of the Federal Reserve System (or any successor) for determining the reserve requirements (including, without limitation, supplemental, marginal and emergency reserve requirements) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities”).

“**Prime Rate**” shall mean the rate publicly announced by the Bank from time to time as its prime rate. The Prime Rate is determined from time to time by the Bank as a means of pricing some loans to its borrowers. The Prime Rate is not tied to any external rate of interest or index, and does not necessarily reflect the lowest rate of interest actually charged by the Bank to any particular class or category of customers. If and when the Prime Rate changes, the rate of interest with respect to any amounts hereunder to which the Base Rate applies will change automatically without notice to the Borrower, effective on the date of any such change.

“**Reset Date**” shall mean, subject to the proviso below, the first (1st) day of every month hereafter, provided that: (a) if any such day is not a Business Day, then the first succeeding day that is a Business Day shall instead apply, unless that day falls in the next succeeding calendar month, in which case the next preceding day that is a Business Day shall instead apply, and (b) if any such day is a day of a calendar month for which there is no numerically corresponding day in certain other months (each, a “**Non- Conforming Month**”), then any Reset Date that falls within a Non-Conforming Month shall be the last day of such Non-Conforming Month.

LIBOR shall be adjusted on and as of (a) each Reset Date, and (b) the effective date of any change in the LIBOR Reserve Percentage. The Bank shall give prompt notice to the Borrower of LIBOR as determined or adjusted in accordance herewith, which determination shall be conclusive absent manifest error.

If the Bank determines (which determination shall be final and conclusive) that, by reason of circumstances affecting the eurodollar market generally, deposits in dollars (in the applicable amounts) are not being offered to banks in the eurodollar market for the selected term, or adequate means do not exist for ascertaining LIBOR, then the Bank shall give notice thereof to the Borrower. Thereafter, until the Bank notifies the Borrower that the circumstances giving rise to such suspension no longer exist, (a) the availability of LIBOR shall be suspended, and (b) the interest rate for all amounts outstanding under this Note shall be converted on the next succeeding Reset Date to a rate of interest per annum equal to (A) the Base Rate plus two hundred twenty five (225) basis points (2.25%).

In the event that the Master Agreement, amendment or successor thereto or other interest or currency swap, future, option or other interest rate protection or similar agreement is not in effect, the Borrower may select different Options to apply simultaneously to different portions of the advances and may select up to five (5) different interest periods (or four (4) different interest periods if the Base Rate Option is also in use) to apply simultaneously to different portions of the advances bearing interest under the LIBOR Option. Interest hereunder will be calculated on the basis of a year of 360 days for the actual number of days elapsed. In no event will the rate of interest hereunder exceed the maximum rate allowed by law.

In addition, if, after the date of this Note, the Bank shall determine (which determination shall be final and conclusive) that any enactment, promulgation or adoption of or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by a governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Bank with any guideline, request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Bank to make or maintain or fund loans based on LIBOR, the Bank shall notify the Borrower. Upon receipt of such notice, until the Bank notifies the Borrower that the circumstances giving rise to such determination no longer apply, (a) the availability of LIBOR shall be suspended, and (b) the interest rate on all amounts outstanding under this Note shall be converted to the Base Rate either (i) on the next succeeding Reset Date if the Bank may lawfully continue to maintain or fund loans based on LIBOR to such day, or (ii) immediately if the Bank may not lawfully continue to maintain or fund loans based on LIBOR.

3. Interest Rate Election. In the event that the Master Agreement, amendment or successor thereto or other interest or currency swap, future, option or other interest rate protection or similar agreement is not in effect, subject to the terms and conditions of this Note, at the end of each interest period applicable to any advance, the Borrower may renew the Option applicable to such advance or convert such advance to a different Option; provided that, during any period in which any Event of Default has occurred and is continuing, any advances bearing interest under the LIBOR Option shall, at the Bank's sole discretion, be converted at the end of the applicable LIBOR Interest Period to the Base Rate Option and the LIBOR Option will not be available to Borrower with respect to any new advances until such Event of Default has been cured by the Borrower or waived by the Bank. The Borrower shall notify the Bank in writing of each election of an Option, each conversion from one Option to another, the amount of the advances then outstanding to be allocated to each Option and where relevant the interest periods therefore. In the case of electing or converting to the LIBOR Option, such notice shall be given at least three (3) Business Days prior to the commencement of any LIBOR Interest Period. In the case of electing or converting to the Base Rate Option, such notice shall be given at least two (2) Business Days prior to the commencement of any Base Rate Period. If no notice of conversion or renewal is timely received by the Bank, the Borrower shall be deemed to have converted such advance to the Base Rate Option. Any such election shall be provided in writing by such method as the Bank may require.

4. Payment Terms. Interest only shall be due and payable commencing on the first day of the first month after the date hereof, and continuing on the first day of each month thereafter until the Maturity Date, on which date all outstanding principal and accrued interest shall be due and payable in full. In addition to the foregoing, commencing on March 1, 2011 (the "Principal Commencement Date"), and continuing on the first day of each month thereafter, in addition to the interest payment the Borrower shall make monthly principal payments computed as follows: a fixed principal sum based on the Facility amortizing on a 25 year mortgage-style basis at an assumed interest rate of seven (7%) percent per annum.

If any payment under this Note shall become due on a Saturday, Sunday or public holiday under the laws of the State where the Bank's office indicated above is located, such payment shall be made on the next succeeding business day and such extension of time shall be included in computing interest in connection with such payment. Payments received will be applied to charges, fees and expenses (including attorneys' fees), accrued interest and principal in any order the Bank may choose, in its sole discretion.

5. **Late Payments; Default Rate.** If the Borrower fails to make any payment of principal, interest or other amount coming due pursuant to the provisions of this Note within ten (10) calendar days of the date due and payable, the Borrower also shall pay to the Bank a late charge equal to the greater of five percent (5%) of the amount of such payment or \$100.00 (the "**Late Charge**"). Such ten (10) day period shall not be construed in any way to extend the due date of any such payment. Upon maturity, whether by acceleration, demand or otherwise, and at the Bank's option upon the occurrence of any Event of Default (as hereinafter defined) and during the continuance thereof, amounts outstanding under this Note shall bear interest at a rate per annum (based on the actual number of days that principal is outstanding over a year of 360 days) which shall be four percentage points (4%) in excess of the interest rate then in effect until the next succeeding Reset Date, and four percentage points (4%) in excess of the Base Rate at all times thereafter (or in the case of an Event of Default, until such time that such Event of Default has been cured by the Borrower or waived by the Bank), but in any such event not more than the maximum rate allowed by law (the "**Default Rate**"). The Default Rate shall continue to apply whether or not judgment shall be entered on this Note. Both the Late Charge and the Default Rate are imposed as liquidated damages for the purpose of defraying the Bank's expenses incident to the handling of delinquent payments, but are in addition to, and not in lieu of, the Bank's exercise of any rights and remedies hereunder, under the other Loan Documents or under applicable law, and any fees and expenses of any agents or attorneys which the Bank may employ. In addition, the Default Rate reflects the increased credit risk to the Bank of carrying a loan that is in default. The Borrower agrees that the Late Charge and Default Rate are reasonable forecasts of just compensation for anticipated and actual harm incurred by the Bank, and that the actual harm incurred by the Bank cannot be estimated with certainty and without difficulty.

6. **Prepayment.** The Borrower shall have the right to prepay at any time and from time to time, in whole or in part, without penalty, any advance hereunder which is accruing interest under the Base Rate Option. If the Borrower prepays (whether voluntary, on default or otherwise) all or any part of any advance which is accruing interest under the LIBOR Option on a day other than the last day of the applicable LIBOR Interest Period, the Borrower shall pay to the Bank, within 10 days after written demand therefor, all amounts due pursuant to paragraph 7 below, including the Cost of Prepayment, if any.

7. **Yield Protection.** The Borrower shall pay to the Bank, on written demand therefor, together with the written evidence of the justification therefor, all direct costs incurred, losses suffered or payments made by Bank by reason of any change in law or regulation or its interpretation imposing any reserve, deposit, allocation of capital, or similar requirement (including without limitation, Regulation D of the Board of Governors of the Federal Reserve System) on the Bank, its holding company or any of their respective assets. In addition, the Borrower agrees to indemnify the Bank against any liabilities, losses or expenses (including loss of margin, any loss or expense sustained or incurred in liquidating or employing deposits from third parties, and any loss or expense incurred in connection with funds acquired to effect, fund or maintain any advance (or any part thereof) bearing interest under the LIBOR Option) which the Bank sustains or incurs as a consequence of either (i) the Borrower's failure to make a payment on the due date thereof, (ii) the Borrower's revocation (expressly, by later inconsistent notices or otherwise) in whole or in part of any notice given to Bank to request, convert, renew or prepay any advance, or (iii) the Borrower's payment, prepayment or conversion of any advance bearing interest under the LIBOR Option on a day other than the last day of the applicable LIBOR Interest Period, including but not limited to the Cost of Prepayment. "**Cost of Prepayment**" means an amount equal to the present value, if positive, of the product of (a) the difference between (i) the yield, on the beginning date of the applicable interest period, of a U.S. Treasury obligation with a maturity similar to the applicable interest period minus (ii) the yield, on the prepayment date, of a U.S. Treasury obligation with a maturity similar to the remaining maturity of the applicable interest period, and (b) the principal amount to be prepaid, and (c) the number of years, including fractional years from the prepayment date to the end of the applicable interest period. The yield on any U.S. Treasury obligation shall be determined by reference to Federal Reserve Statistical Release H.15(519) "**Selected Interest Rates**". For purposes of making present value calculations, the yield to maturity of a similar maturity U.S. Treasury obligation on the prepayment date shall be deemed the discount rate. The Cost of Prepayment shall also apply to any payments made after acceleration of the maturity of this Note. The Bank's determination of an amount payable under this paragraph shall, in the absence of manifest error, be conclusive and shall be payable within 10 days after written demand.

8. Other Loan Documents. This Note is the note referred to in a certain building loan leasehold mortgage and security agreement dated May 18, 2006, as modified by mortgage modification agreement dated the date hereof (collectively, the "Mortgage"), and the other agreements and documents executed in connection therewith or referred to therein, the terms of which are incorporated herein by reference (as amended, modified or renewed from time to time, collectively the "Loan Documents"), and is secured by the Mortgage and by such other collateral as previously may have been or may in the future be granted to the Bank to secure this Note.

9. Events of Default. The occurrence of any of the following events will be deemed to be an "Event of Default" under this Note: (i) the nonpayment of any principal, interest or other indebtedness under this Note within five (5) days of when due; (ii) the default under any other covenant or other agreement, under or contained in any Loan Document or any other document now or in the future evidencing or securing any debt, liability or obligation to the Bank of any Obligor not specifically defined as an "Event of Default", unless such default is cured within thirty (30) days of written notice from the Bank; provided, however, if the default is curable but of a nature that it cannot be cured within such initial thirty (30) day period, the Borrower and/or Obligor shall have an additional period to cure the default, not to exceed sixty (60) days, so long as the Borrower and/or Obligor is diligently prosecuting the cure of such default to completion; (iii) the filing by or against any Obligor of any proceeding in bankruptcy, receivership, insolvency, reorganization, liquidation, conservatorship or similar proceeding (and, in the case of any such proceeding instituted against any Obligor, such proceeding is not dismissed or stayed within sixty (60) days of the commencement thereof, provided that the Bank shall not be obligated to advance additional funds during such period); (iv) any assignment by any Obligor for the benefit of creditors, or any levy, garnishment, attachment or similar proceeding is instituted against any property of any Obligor held by or deposited with the Bank; (v) a default with respect to any other indebtedness of any Obligor for borrowed money of \$250,000.00 or more, if the effect of such default is to cause or permit the acceleration of such debt; (vi) the commencement of any foreclosure or forfeiture proceeding, execution or attachment against any collateral securing the obligations of any Obligor to the Bank; (vii) the entry of a final judgment of \$250,000.00 or more against any Obligor and the failure of such Obligor to bond or discharge the judgment within forty (45) days of the entry thereof; (viii) any material adverse change in any Obligor's business, assets, operations, financial condition or results of operations; (ix) any Obligor ceases doing business as a going concern; (x) any representation or warranty made by any Obligor to the Bank in any Loan Document, or any other documents now or in the future evidencing or securing the obligations of any Obligor to the Bank, is false, erroneous or misleading in any material respect; (xi) the revocation or attempted revocation, in whole or in part, of any guarantee by any Obligor; (xii) the death, incarceration, indictment or legal incompetency of any individual Obligor or, if any Obligor is a partnership or limited liability company, the death, incarceration, indictment or legal incompetency of any individual general partner or member, (xiii) a default or early termination of the Master Agreement (as hereinafter defined) or (xiv) in the event that Borrower defaults in the payment of Fixed Annual Rent, Pre-Development Reimbursement Payment, Real Estate Taxes Impositions or Additional Rent or a Major Non-Monetary Default shall occur under the Ground Lease (as such capitalized terms are defined in the Ground Lease). As used herein, the term "Obligor" means any Borrower and any guarantor of or pledgor, mortgagor or other person or entity providing collateral support for the Borrower's obligations to the Bank existing on the date of this Note or arising in the future. As used herein, the term "Ground Lease" shall have the meaning as defined in the Mortgage.

Upon the occurrence of an Event of Default: (a) the Bank shall be under no further obligation to make advances hereunder; (b) if an Event of Default specified in clause (iii) or (iv) above shall occur, the outstanding principal balance and accrued interest hereunder together with any additional amounts payable hereunder shall be immediately due and payable without demand or notice of any kind; (c) if any other Event of Default shall occur, the outstanding principal balance and accrued interest hereunder together with any additional amounts payable hereunder, at the Bank's option and without demand or notice of any kind, may be accelerated and become immediately due and payable; (d) at the Bank's option, this Note will bear interest at the Default Rate from the date of the occurrence of the Event of Default; and (e) the Bank may exercise from time to time any of the rights and remedies available under the Loan Documents or under applicable law.

10. Right of Setoff. In addition to all liens upon and rights of setoff against the Borrower's money, securities or other property given to the Bank by law, the Bank shall have, with respect to the Borrower's obligations to the Bank under this Note and to the extent permitted by law, a contractual possessory security interest in and a contractual right of setoff against, and the Borrower hereby assigns, conveys, delivers, pledges and transfers to the Bank all of the Borrower's right, title and interest in and to, all of the Borrower's deposits, moneys, securities and other property now or hereafter in the possession of or on deposit with, or in transit to, the Bank or any other direct or indirect subsidiary of The PNC Financial Services Group, Inc., whether held in a general or special account or deposit, whether held jointly with someone else, or whether held for safekeeping or otherwise, excluding, however, all IRA, Keogh, and trust accounts. Every such security interest and right of setoff may be exercised without demand upon or notice to the Borrower. Every such right of setoff shall be deemed to have been exercised immediately upon the occurrence of an Event of Default hereunder without any action of the Bank, although the Bank may enter such setoff on its books and records at a later time.

11. Miscellaneous. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("**Notices**") must be in writing (except as may be agreed otherwise above with respect to borrowing requests) and will be effective upon receipt. Notices may be given in any manner to which the parties may separately agree, including electronic mail. Without limiting the foregoing, first class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices. Regardless of the manner in which provided, Notices may be sent to a party's address as set forth above or to such other address as any party may give to the other for such purpose in accordance with this section. No delay or omission on the Bank's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Bank's action or inaction impair any such right or power. No modification, amendment or waiver of, or consent to any departure by the Borrower from, any provision of this Note will be effective unless made in a writing signed by the Bank, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. The Borrower agrees to pay on demand, to the extent permitted by law, all costs and expenses incurred by the Bank in the enforcement of its rights in this Note and in any security therefor, including without limitation reasonable fees and expenses of the Bank's counsel. If any provision of this Note is found to be invalid by a court, all the other provisions of this Note will remain in full force and effect. The Borrower and all other makers and indorsers of this Note hereby forever waive presentment, protest, notice of dishonor and notice of non-payment. The Borrower also waives all defenses based on suretyship or impairment of collateral. If this Note is executed by more than one Borrower, the obligations of such persons or entities hereunder will be joint and several. This Note shall bind the Borrower and its heirs, executors, administrators, successors and assigns, and the benefits hereof shall inure to the benefit of the Bank and its successors and assigns; provided, however, that the Borrower may not as sign this Note in whole or in part without the Bank's written consent and the Bank at any time may assign this Note in whole or in part.

This Note has been delivered to and accepted by the Bank and will be deemed to be made in the State where the Bank's office indicated above is located. **THIS NOTE WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE BANK AND THE BORROWER DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE WHERE THE BANK'S OFFICE INDICATED ABOVE IS LOCATED, EXCLUDING ITS CONFLICT OF LAWS RULES.** The Borrower hereby irrevocably consents to the exclusive jurisdiction of any state or federal court in the county or judicial district where the Bank's office indicated above is located; provided that nothing contained in this Note will prevent the Bank from bringing any action, enforcing any award or judgment or exercising any rights against the Borrower individually, against any security or against any property of the Borrower within any other county, state or other foreign or domestic jurisdiction. The Borrower acknowledges and agrees that the venue provided above is the most convenient forum for both the Bank and the Borrower. The Borrower waives any objection to venue and any objection based on a more convenient forum in any action instituted under this Note.

12. WAIVER OF JURY TRIAL. THE BORROWER IRREVOCABLY WAIVES ANY AND ALL RIGHTS THE BORROWER MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR CLAIM OF ANY NATURE RELATING TO THIS NOTE, ANY DOCUMENTS EXECUTED IN CONNECTION WITH THIS NOTE OR ANY TRANSACTION CONTEMPLATED IN ANY OF SUCH DOCUMENTS. THE BORROWER ACKNOWLEDGES THAT THE FOREGOING WAIVER IS KNOWING AND VOLUNTARY.

13. Swap Transaction; Additional Interest. On or about the date hereof, the Borrower and the Bank are entering into a "Transaction" pursuant to and as defined in that certain ISDA Master Agreement dated as of July 22, 2009 (the "Master Agreement"). All the liabilities and obligations of the Borrower under the Master Agreement, as supplemented by the Transaction and from time to time existing after the date hereof shall be referred to as the "Additional Interest". The Borrower covenants and agrees to pay to the Bank all Additional Interest payable to the Bank pursuant to the Master Agreement when due thereunder.

14. Amended and Restated Note. This Note is being executed and delivered as a restatement of the outstanding indebtedness evidenced by that certain \$10,450,000 amended and restated mortgage note dated May 18, 2006 from the Borrower to the Bank (as extended or modified to date, the "Prior Note") and secured by the Mortgage. The indebtedness evidenced by this Note constitutes the same indebtedness evidenced by the Prior Note in the reduced current outstanding principal amount due thereunder of \$10,000,000.00. This Note shall not constitute a cancellation or novation with respect to the indebtedness evidenced by the Prior Note. Such indebtedness (as heretofore evidenced by the Prior Note and as hereafter evidenced by this Note) shall continue to be secured by, *inter alia*, the Mortgage without interruption in the lien or priority thereof. Subject to the foregoing provisions, this Note amends, restates and supersedes the Prior Note.

15. Financial Reporting. The Borrower's and Guarantor's submission of financial and related information as set forth in the second mortgage modification agreement between the Bank and the Borrower dated the date hereof shall comply with the requirements of Exhibit A attached hereto and made a part hereof.

16. Interim Debt Service Coverage Requirement. The Borrower covenants and agrees to achieve a DSCR (as previously defined) of not less than 1.00 to 1.00 by December 31, 2010 (the "Interim DSCR"). The Borrower shall provide a compliance certificate for the Interim Debt Service Coverage Requirement no later than 30 days after the test date of December 31, 2010 (the "Test Date"). If a reduction in the Loan is necessary to meet the Interim DSCR requirement, the Borrower shall either, within sixty (60) days of the Test Date (i) make a permanent principal payment, or (ii) post a letter of credit acceptable to the Bank in an amount which will satisfy the Interim DSCR requirement. In the event Borrower elects to post a letter of credit in order to satisfy the above Interim DSCR requirement, the letter of credit shall be released when the Interim DSCR requirement is met and maintained for a period of sixty (60) consecutive days provided no default or Event of Default exists.

17. Closing Fee. The Borrower shall pay to the Bank on the date hereof a closing fee of \$25,000.00.

The Borrower acknowledges that it has read and understood all the provisions of this Note, including the waiver of jury trial, and has been advised by counsel as necessary or appropriate.

Second Amended and Restated Guaranty and Suretyship Agreement

THIS SECOND AMENDED AND RESTATED GUARANTY AND SURETYSHIP AGREEMENT (this “**Guaranty**”) is made and entered into as of this 17 day of September, 2010 (effective as of September 17, 2010), by ACADIA STRATEGIC OPPORTUNITY FUND II, LLC, a Delaware limited liability company with an address at 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605 (hereinafter referred to as the “**Guarantor**”), in consideration of the extension of credit by PNC BANK, NATIONAL ASSOCIATION (the “**Bank**”), with an address at Two Tower Center Boulevard, 18th Floor, East Brunswick, New Jersey 08816, to ACADIA – P/A LIBERTY LLC, a Delaware limited liability company (the “**Borrower**”), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

1. **Guaranty of Obligations.** The Guarantor hereby unconditionally guarantees, as a primary obligor, and become surety for, the prompt payment and performance of all loans, advances, debts, liabilities, obligations, covenants and duties owing by the Borrower to the Bank or to any other direct or indirect subsidiary of The PNC Financial Services Group, Inc. in connection with a certain second amended and restated mortgage loan made by the Bank to the Borrower in the principal amount of \$10,000,000.00 (the “**Loan**”), which Loan is described in or evidenced by loan documents (the “**Loan Documents**”) including, without limitation, the amended and restated mortgage loan note of the Borrower of even date herewith which evidences the Loan made pursuant to the Loan Agreement (as same may be amended, renewed or replaced from time to time, the “**Note**”), the building loan leasehold mortgage and security agreement dated May 18, 2006 securing the Note (as same may be amended, renewed and replaced from time to time, the “**Mortgage**”) and all costs and expenses associated with the completion of the Improvements (as defined in the Loan Agreement), as more fully set forth herein, the obligations and liabilities arising under or by reason of the Master Agreement (as defined in the Note”) and the payment of Additional Interest (as defined in the Note), or under any other interest or currency swap, future, option or other interest rate protection or similar agreement, foreign currency transaction, forward, option or other similar transaction providing for the purchase of one currency in exchange for the sale of another currency, or in any other manner, whether now existing or hereinafter entered into (including any interest accruing thereon after maturity, or after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding), or arising out of overdrafts on deposit or other accounts or out of electronic funds transfers by the Borrower (whether by wire transfer or through automated clearing houses or otherwise) or out of the return unpaid of, or other failure of the Bank to receive final payment for, any check, item, instrument, payment order or other deposit or credit to a deposit or other account of the Borrower, or out of the Bank’s non-receipt of or inability to collect funds or otherwise not being made whole in connection with depository or other similar arrangements of the Borrower; and any amendments, extensions, renewals or increases and all costs and expenses of the Bank (including reasonable attorneys’ fees and expenses) incurred in the documentation, negotiation, modification, enforcement, collection or otherwise in connection with any of the foregoing (collectively, the “**Obligations**”). If the Borrower defaults under any such Obligations and such default continues beyond applicable grace, notice and cure periods, the Guarantor will pay the amount due to the Bank.

2. **Intentionally Omitted.**

3. **Nature of Guaranty; Waivers.** This is a guaranty of payment and not of collection and the Bank shall not be required, as a condition of the Guarantor’s liability, to make any demand upon or to pursue any of its rights against the Borrower, or to pursue any rights which may be available to it with respect to any other person who may be liable for the payment of the Obligations.

This is an absolute, unconditional, irrevocable and continuing guaranty and will remain in full force and effect until all of the Obligations have been indefeasibly paid in full. This Guaranty will remain in full force and effect even if there is no principal balance outstanding under the Obligations at a particular time or from time to time. This Guaranty will not be affected by any surrender, exchange, acceptance, compromise or release by the Bank of any other party, or any other guaranty or any security held by it for any of the Obligations, by any failure of the Bank to take any steps to perfect or maintain its lien or security interest in or to preserve its rights to any security or other collateral for any of the Obligations or any guaranty, or by any irregularity, unenforceability or invalidity of any of the Obligations or any part thereof or any security or other guaranty thereof. The Guarantor’s obligations hereunder shall not be affected, modified or impaired by any counterclaim, set-off, deduction or defense based upon any claim the Guarantor may have against the Borrower or the Bank, except payment or performance of the Obligations.

Notice of acceptance of this Guaranty, notice of extensions of credit to the Borrower from time to time, notice of default, diligence, presentment, notice of dishonor, protest, demand for payment, and any defense based upon the Bank's failure to comply with the notice requirements under Parts 5 and 6 of the applicable version of the Uniform Commercial Code are hereby waived. The Guarantor waives all defenses based on suretyship or impairment of collateral.

The Bank at any time and from time to time, without notice to or the consent of the Guarantor, and without impairing or releasing, discharging or modifying the Guarantor's liabilities hereunder, may (a) change the manner, place, time or terms of payment or performance of or interest rates on, or other terms relating to, any of the Obligations; (b) renew, substitute, modify, amend or alter, or grant consents or waivers relating to any of the Obligations, any other guaranties, or any security for any Obligations or guaranties; (c) apply any and all payments by whomever paid or however realized including any proceeds of any collateral, to any Obligations of the Borrower in such order, manner and amount as the Bank may determine in its sole discretion; (d) settle, compromise or deal with any other person, including the Borrower or the Guarantor, with respect to any Obligations in such manner as the Bank deems appropriate in its sole discretion; (e) substitute, exchange or release any security or guaranty; or (f) take such actions and exercise such remedies hereunder as provided herein.

4. Repayments or Recovery from the Bank. If any demand is made at any time upon the Bank for the repayment or recovery of any amount received by it in payment or on account of any of the Obligations and if the Bank repays all or any part of such amount by reason of any judgment, decree or order of any court or administrative body or by reason of any settlement or compromise of any such demand, the Guarantor will be and remain liable hereunder for the amount so repaid or recovered to the same extent as if such amount had never been received originally by the Bank. The provisions of this section will be and remain effective notwithstanding any contrary action which may have been taken by the Guarantor in reliance upon such payment, and any such contrary action so taken will be without prejudice to the Bank's rights hereunder and will be deemed to have been conditioned upon such payment having become final and irrevocable.

5. Financial Statements. The Guarantor covenants and agrees to provide the Bank with financial statements and information relating to the Guarantor in accordance with the requirements set forth in the second mortgage modification agreement between the Bank and the Borrower dated the date hereof. Such financial statements and information (and all requirements relating thereto) are hereby incorporated by reference as if fully set forth at length herein.

In the event that any such information submitted to the Bank has been prepared by an outside accountant, the same shall be accompanied by a statement in writing signed by the accountant disclosing that the accountant is aware that the information prepared by the accountant would be submitted to and relied upon by the Bank in connection with the Bank's determination to grant or continue credit.

6. Enforceability of Obligations. No modification, limitation or discharge of the Obligations arising out of or by virtue of any bankruptcy, reorganization or similar proceeding for relief of debtors under federal or state law will affect, modify, limit or discharge the Guarantor's liability in any manner whatsoever and this Guaranty will remain and continue in full force and effect and will be enforceable against the Guarantor to the same extent and with the same force and effect as if any such proceeding had not been instituted. The Guarantor waives all rights and benefits which might accrue to it by reason of any such proceeding and will be liable to the full extent hereunder, irrespective of any modification, limitation or discharge of the liability of the Borrower that may result from any such proceeding.

The Guarantor expressly waives the effect of any statute of limitations or other limitations on any actions under this Guaranty.

7. Events of Default. The occurrence of any of the following shall be an “Event of Default”: (i) any Event of Default (as defined in any of the Obligations); (ii) any default under any of the Obligations that does not have a defined set of “Events of Default” and the lapse of any notice or cure period provided in such Obligations with respect to such default; (iii) demand by the Bank under any of the Obligations that have a demand feature; (iv) the Guarantor’s failure to perform any of its obligations hereunder after notice and the passage of any applicable cure period; (v) the falsity, inaccuracy or material breach by the Guarantor of any written warranty, representation or statement made or furnished to the Bank by or on behalf of the Guarantor; or (vi) the termination or attempted termination of this Guaranty. Upon the occurrence of any Event of Default, (a) the Guarantor shall pay to the Bank the amount of the Obligations; or (b) on demand of the Bank, the Guarantor shall immediately deposit with the Bank, in U.S. dollars, all amounts due or to become due under the Obligations, and the Bank may at any time use such funds to repay the Obligations; or (c) the Bank in its discretion may exercise with respect to any collateral any one or more of the rights and remedies provided a secured party under the applicable version of the Uniform Commercial Code; or (d) the Bank in its discretion may exercise from time to time any other rights and remedies available to it at law, in equity or otherwise.

8. Right of Setoff. In addition to all liens upon and rights of setoff against the Guarantor’s money, securities or other property given to the Bank by law, the Bank shall have, with respect to the Guarantor’s obligations to the Bank under this Guaranty and to the extent permitted by law, a contractual possessory security interest in and a contractual right of setoff against, and the Guarantor hereby assigns, conveys, delivers, pledges and transfers to the Bank all of the Guarantor’s right, title and interest in and to, all of the Guarantor’s deposits, moneys, securities and other property now or hereafter in the possession of or on deposit with, or in transit to, the Bank or any other direct or indirect subsidiary of The PNC Financial Services Group, Inc., whether held in a general or special account or deposit, whether held jointly with someone else, or whether held for safekeeping or otherwise, excluding, however, all IRA, Keogh, and trust accounts. Every such security interest and right of setoff may be exercised without demand upon or notice to the Guarantor. Every such right of setoff shall be deemed to have been exercised immediately upon the occurrence of an Event of Default hereunder without any action of the Bank, although the Bank may enter such setoff on its books and records at a later time.

9. Collateral. This Guaranty is secured by the property described in any collateral security documents, if any, which the Guarantor executes and delivers to the Bank in connection with the Loan and by such other collateral, if any, as previously may have been or may in the future be granted to the Bank to secure any obligations of the Guarantor to the Bank in connection with the Loan.

10. Costs. To the extent that the Bank incurs any costs or expenses in protecting or enforcing its rights under the Obligations or this Guaranty, including reasonable attorneys’ fees and the costs and expenses of litigation, such costs and expenses will be due on demand, will be included in the Obligations and will bear interest from the incurring or payment thereof at the Default Rate (as defined in any of the Obligations).

11. Postponement of Subrogation. Until the Obligations are indefeasibly paid in full, expire, are terminated and are not subject to any right of revocation or rescission, the Guarantor postpones and subordinates in favor of the Bank or its designee (and any assignee or potential assignee of the foregoing), any and all rights which the Guarantor may have to (a) assert any claim against the Borrower based on subrogation, exoneration, reimbursement, or indemnity whatsoever nor any right of recourse to security for the Obligations with respect to payments made hereunder, and (b) any realization on any property of the Borrower, including participation in any marshalling of the Borrower’s assets; provided, however, the Guarantor shall be entitled to distributions from the sale of Units so long as no Event of Default has occurred and is continuing.

12. Notices. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder (“Notices”) must be in writing and will be effective upon receipt. Notices may be given in any manner to which the parties may separately agree, including electronic mail. Without limiting the foregoing, first-class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices. Regardless of the manner in which provided, Notices may be sent to a party’s address as set forth above or to such other address as any party may give to the other for such purpose in accordance with this section.

13. Preservation of Rights. No delay or omission on the Bank's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Bank's action or inaction impair any such right or power. The Bank's rights and remedies hereunder are cumulative and not exclusive of any other rights or remedies which the Bank may have under other agreements, at law or in equity.

14. Illegality. If any provision contained in this Guaranty should be invalid, illegal or unenforceable in any respect, it shall not affect or impair the validity, legality and enforceability of the remaining provisions of this Guaranty.

15. Changes in Writing. No modification, amendment or waiver of, or consent to any departure by the Guarantor from any provision of this Guaranty will be effective unless made in a writing signed by the Bank, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Guarantor in any case will entitle the Guarantor to any other or further notice or demand in the same, similar or other circumstance.

16. Entire Agreement. This Guaranty (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the Guarantor and the Bank with respect to the subject matter hereof; provided, however, that this Guaranty is in addition to, and not in substitution for, any other guarantees from the Guarantor to the Bank.

17. Successors and Assigns. This Guaranty will be binding upon and inure to the benefit of the Guarantor and the Bank and their respective heirs, executors, administrators, successors and assigns; provided, however, that the Guarantor may not assign this Guaranty in whole or in part without the Bank's prior written consent and the Bank at any time may assign this Guaranty in whole or in part.

18. Interpretation. In this Guaranty, unless the Bank and the Guarantor otherwise agree in writing, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute referred to; the word "or" shall be deemed to include "and/or", the words "including", "includes" and "include" shall be deemed to be followed by the words "without limitation"; references to articles, sections (or subdivisions of sections) or exhibits are to those of this Guaranty; and references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments, but only to the extent such amendments and other modifications are not prohibited by the terms of this Guaranty. Section headings in this Guaranty are included for convenience of reference only and shall not constitute a part of this Guaranty for any other purpose. Unless otherwise specified in this Guaranty, all accounting terms shall be interpreted and all accounting determinations shall be made in accordance with GAAP. If this Guaranty is executed by more than one party as Guarantor, the obligations of such persons or entities will be joint and several.

19. Indemnity. The Guarantor agrees to indemnify each of the Bank, each legal entity, if any, who controls the Bank and each of their respective directors, officers and employees (the "**Indemnified Parties**"), and to hold each Indemnified Party harmless from and against, any and all claims, damages, losses, liabilities and expenses (including all fees and charges of internal or external counsel with whom any Indemnified Party may consult and all expenses of litigation and preparation therefor) which any Indemnified Party may incur, or which may be asserted against any Indemnified Party by any person, entity or governmental authority (including any person or entity claiming derivatively on behalf of the Guarantor), in connection with or arising out of or relating to the matters referred to in this Guaranty or in the other Loan Documents or the use of the proceeds of the Obligations, whether (a) arising from or incurred in connection with any breach of a representation, warranty or covenant by the Guarantor, or (b) arising out of or resulting from any suit, action, claim, proceeding or governmental investigation, pending or threatened, whether based on statute, regulation or order, or tort, or contract or otherwise, before any court or governmental authority; provided, however, that the foregoing indemnity agreement shall not apply to any claims, damages, losses, liabilities and expenses solely attributable to an Indemnified Party's gross negligence or willful misconduct. The indemnity agreement contained in this section shall survive the termination of this Guaranty, payment of any Obligation and assignment of any rights hereunder. The Guarantor may participate at its expense in the defense of any such action or claim.

20. Governing Law and Jurisdiction. This Guaranty has been delivered to and accepted by the Bank and will be deemed to be made in the State where the Bank's office indicated above is located. **THIS GUARANTY WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE BANK AND THE GUARANTOR DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE WHERE THE BANK'S OFFICE INDICATED ABOVE IS LOCATED, EXCLUDING ITS CONFLICT OF LAWS RULES.** The Guarantor hereby irrevocably consents to the exclusive jurisdiction of any state or federal court in the county or judicial district where the Bank's office indicated above is located; provided that nothing contained in this Guaranty will prevent the Bank from bringing any action, enforcing any award or judgment or exercising any rights against the Guarantor individually, against any security or against any property of the Guarantor within any other county, state or other foreign or domestic jurisdiction. The Guarantor acknowledges and agrees that the venue provided above is the most convenient forum for both the Bank and the Guarantor. The Guarantor waives any objection to venue and any objection based on a more convenient forum in any action instituted under this Guaranty.

21. Equal Credit Opportunity Act. II. **GENERAL TERMS**

Section 2.1 **Loan Commitment; Disbursement to Borrower.**

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Single Disbursement to Borrower. Borrower may request and receive only one (1) borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.3 The Note, Mortgage and Loan Documents. The Loan shall be evidenced by the Note and secured by the Mortgage, the Assignment of Leases and the other Loan Documents.

2.1.4 Use of Proceeds. Borrower shall use the proceeds of the Loan to (a) acquire the Property or repay and discharge any existing loans relating to the Property, (b) pay all past-due Basic Carrying Costs, if any, with respect to the Property, (c) make deposits into the Reserve Funds on the Closing Date in the amounts provided herein, (d) pay costs and expenses incurred in connection with the closing of the Loan, as approved by Lender, (e) fund any working capital requirements of the Property and (f) distribute the balance, if any, to Borrower.

Section 2.2 **Interest Rate.**

2.2.1 Interest Rate. Interest on the outstanding principal balance of the Loan shall accrue from (and include) the Closing Date to but excluding the Maturity Date at the Interest Rate.

2.2.2 Interest Calculation. Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year by (c) the outstanding principal balance.

2.2.3 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.4 Usury Savings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Loan Payment.

2.3.1 Monthly Debt Service Payments. Borrower shall pay to Lender (a) on the Closing Date, an amount equal to interest only on the outstanding principal balance of the Loan from the Closing Date up to and including December 31, 2005 and (b) on each Payment Date thereafter up to and including the Maturity Date, Borrower shall make a payment to Lender of principal and interest in an amount equal to the Monthly Debt Service Payment Amount, which payments shall be applied first to accrued and unpaid interest and the balance to principal.

2.3.2 Payments Generally. The first (1st) interest accrual period hereunder shall commence on and include the Closing Date and shall end on and include December 31, 2005. Each interest accrual period thereafter shall commence on the first (1st) day of each calendar month during the term of this Agreement and shall end on and include the final calendar date of such calendar month. For purposes of making payments hereunder, but not for purposes of calculating interest accrual periods, if the day on which such payment is due is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day and with respect to payments of principal due on the Maturity Date, interest shall be payable at the Interest Rate or the Default Rate, as the case may be, through and including the day immediately preceding such Maturity Date. All amounts due under this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever.

2.3.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage and the other Loan Documents.

2.3.4 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents (including the amounts due on the Maturity Date) are not paid by Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the Maximum Legal Rate in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgage and the other Loan Documents to the extent permitted by applicable law.

2.3.5 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 11:00 A.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4 Prepayments.

2.4.1 Voluntary Prepayments. Except as otherwise provided in this Section 2.4.1 and Section 2.4.2, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Maturity Date. If for any reason Borrower prepays the Loan on a date other than a Payment Date, Borrower shall pay Lender, in addition to the Debt, all interest which would have accrued on the amount of the Loan through and including the Payment Date next occurring following the date of such prepayment. Notwithstanding anything to the contrary contained herein, commencing on the Payment Date two (2) months prior to the Maturity Date, or on any Payment Date thereafter (or on after date thereafter, provided that interest is paid through the next Payment Date), Borrower may, at its option, prepay the Debt in whole or in part without payment of the Yield Maintenance Premium.

2.4.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of the Property or otherwise remit such Net Proceeds to Borrower pursuant to Section 6.4 hereof, Borrower shall prepay or authorize Lender to apply Net Proceeds as a prepayment of all or a portion of the outstanding principal balance of the Loan together with accrued interest and any other sums due hereunder in an amount equal to one hundred percent (100%) of such Net Proceeds; provided, however, if an Event of Default has occurred and is continuing, Lender may apply such Net Proceeds to the Debt (until paid in full) in any order or priority in its sole discretion. Other than following an Event of Default, no Yield Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2.

2.4.3 Prepayments After Default. If following an Event of Default, payment of all or any part of the Debt is tendered by Borrower or otherwise recovered by Lender, such tender or recovery shall be (a) made on the next occurring Payment Date together with the Monthly Debt Service Payment and (b) deemed a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in Section 2.4.1 hereof and Borrower shall pay, in addition to the Debt, an amount equal to the Yield Maintenance Default Premium.

2.4.4 Prepayment Prior to Defeasance Expiration Date. If the Permitted Release Date has occurred but the Defeasance Expiration Date has not occurred, the Debt may be prepaid in whole (but not in part) prior to the date permitted under Section 2.4.1 hereof upon not less than thirty (30) days prior written notice to Lender specifying the Payment Date on which prepayment is to be made (a "**Prepayment Date**") provided no Event of Default exists and upon payment of an amount equal to the greater of (a) 0; the Yield Maintenance Premium and (b) one percent (1%) of the outstanding principal balance of the Loan as of the Prepayment Date. Lender shall notify Borrower of the amount and the basis of determination of the required prepayment consideration. If any notice of prepayment is given, the Debt shall be due and payable on the Prepayment Date. Lender shall not be obligated to accept any prepayment of the Debt unless it is accompanied by the prepayment consideration due in connection therewith. If for any reason Borrower prepays the Loan on a date other than a Payment Date, Borrower shall pay Lender, in addition to the Debt, all interest which would have accrued on the amount of the Loan through and including the Payment Date next occurring following the date of such prepayment.

Section 2.5 Defeasance.

2.5.1 Voluntary Defeasance. (a) Provided no Event of Default shall then exist, Borrower shall have the right at any time after the Defeasance Expiration Date and prior to the date voluntarily prepayments are permitted under Section 2.4.1 hereof to voluntarily defease all, but not part, of the Loan by and upon satisfaction of the following conditions (such event being a "**Defeasance Event**"):

(i) Borrower shall provide not less than thirty (30) days prior written notice to Lender specifying the Payment Date (the "**Defeasance Date**") on which the Defeasance Event is to occur;

(ii) Borrower shall pay to Lender all accrued and unpaid interest on the principal balance of the Loan to and including the Defeasance Date. If for any reason the Defeasance Date is not a Payment Date, the Borrower shall also pay interest that would have accrued on the Note through and including the Payment Date immediately preceding the next Payment Date, provided, however, if the Defeasance Deposit shall include short-term interest computed from the date of such prepayment through to the next succeeding Payment Date, Borrower shall not be required to pay such short term interest pursuant to this sentence;

- (iii) Borrower shall pay to Lender all other sums, not including scheduled interest or principal payments, then due under the Note, this Agreement, the Mortgage and the other Loan Documents;
- (iv) Borrower shall pay to Lender the required Defeasance Deposit for the Defeasance Event;
- (v) Borrower shall execute and deliver a pledge and security agreement, in form and substance that would be reasonably satisfactory to a prudent lender creating a first priority lien on the Defeasance Deposit and the U.S. Obligations purchased with the Defeasance Deposit in accordance with the provisions of this Section 2.5 (the "Security Agreement");
- (vi) Borrower shall deliver an opinion of counsel for Borrower that is standard in commercial lending transactions and subject only to customary qualifications, assumptions and exceptions opining, among other things, that Borrower has legally and validly transferred and assigned the U.S. Obligations and all obligations, rights and duties under and to the Note to the Successor Borrower, that Lender has a perfected first priority security interest in the Defeasance Deposit and the U.S. Obligations delivered by Borrower and that any REMIC Trust formed pursuant to a Securitization will not fail to maintain its status as a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code as a result of such Defeasance Event;
- (vii) Borrower shall deliver confirmation in writing from each of the applicable Rating Agencies to the effect that such release will not result in a downgrade, withdrawal or qualification of the respective ratings in effect immediately prior to such Defeasance Event for the Securities issued in connection with the Securitization which are then outstanding. If required by the applicable Rating Agencies, Borrower shall also deliver or cause to be delivered an Additional Insolvency Opinion with respect to the Successor Borrower in form and substance satisfactory to Lender and the applicable Rating Agencies;
- (viii) Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.5.1(a) have been satisfied;
- (ix) Borrower shall deliver a certificate of Borrower's independent certified public accountant certifying that the U.S. Obligations purchased with the Defeasance Deposit generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;
- (x) Borrower shall deliver such other certificates, documents or instruments as Lender may reasonably request; and

(xi) Borrower shall pay all costs and expenses of Lender incurred in connection with the Defeasance Event, including (A) any costs and expenses associated with a release of the Lien of the Mortgage as provided in Section 2.6 hereof, (B) reasonable attorneys' fees and expenses incurred in connection with the Defeasance Event, (C) the costs and expenses of the Rating Agencies, (D) any revenue, documentary stamp or intangible taxes or any other tax or charge due in connection with the transfer of the Note, or otherwise required to accomplish the defeasance and (E) the costs and expenses of Servicer and any trustee, including reasonable attorneys' fees.

(b) In connection with the Defeasance Event, Borrower shall use the Defeasance Deposit to purchase U.S. Obligations which provide payments on or prior to, but as close as possible to, all successive scheduled Payment Dates after the Defeasance Date upon which interest and principal payments are required under this Agreement and the Note, and in amounts equal to the scheduled payments due on such Payment Dates under this Agreement and the Note (including, without limitation, scheduled payments of principal, interest, servicing fees (if any), and any other amounts due under the Loan Documents on such Payment Dates) and assuming the Note is prepaid in full on the Anticipated Repayment Date (the "Scheduled Defeasance Payments"). Borrower, pursuant to the Security Agreement or other appropriate document, shall authorize and direct that the payments received from the U.S. Obligations may be made directly to the Lockbox Account (unless otherwise directed by Lender) and applied to satisfy the Debt Service obligations of Borrower under this Agreement and the Note. Any portion of the Defeasance Deposit in excess of the amount necessary to purchase the U.S. Obligations required by this Section 2.5 and satisfy Borrower's other obligations under this Section 2.5 and Section 2.6 shall be remitted to Borrower.

2.5.2 Collateral. Each of the U.S. Obligations that are part of the defeasance collateral shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance that would be satisfactory to a prudent lender (including, without limitation, such instruments as may be required by the depository institution holding such securities or by the issuer thereof, as the case may be, to effectuate book-entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the defeasance collateral a first priority security interest therein in favor of Lender in conformity with all applicable state and federal laws governing the granting of such security interests.

2.5.3 Successor Borrower. In connection with any Defeasance Event, Borrower shall establish a successor entity (the "**Successor Borrower**") designated by Lender in its sole discretion, which shall be a Special Purpose Entity, which shall not own any other assets or have any other liabilities or operate other property (except in connection with other defeased loans held in the same securitized loan pool with the Loan). Borrower shall transfer and assign all obligations, rights and duties under and to the Note, together with the pledged U.S. Obligations to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note and the Security Agreement and Borrower shall be relieved of its obligations under such documents. Borrower shall pay One Thousand and 00/100 Dollars (\$1,000) to any such Successor Borrower as consideration for assuming the obligations under the Note and the Security Agreement. Notwithstanding anything in this Agreement to the contrary, no other assumption fee shall be payable upon a transfer of the Note in accordance with this Section 2.5.3, but Borrower shall pay all costs and expenses incurred by Lender, including Lender's attorneys' fees and expenses and any fees and expenses of any Rating Agencies, incurred in connection therewith.

Section 2.6 **Release of Property.** Except as set forth in this Section 2.6, no repayment, prepayment or defeasance of all or any portion of the Loan shall cause, give rise to a right to require, or otherwise result in, the release of the Lien of the Mortgage on the Property.

2.6.1 **Release of Property.**

(a) If Borrower has elected to defease the entire Loan and the requirements of Section 2.5 and this Section 2.6 have been satisfied, all of the Property shall be released from the Lien of the Mortgage and the U.S. Obligations, pledged pursuant to the Security Agreement, shall be the sole source of collateral securing the Note.

(b) In connection with the release of the Mortgage, Borrower shall submit to Lender, not less than thirty (30) days prior to the Defeasance Date, a release of Lien (and related Loan Documents) for the Property for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Property is located and that would be satisfactory to a prudent lender and contains standard provisions, if any, protecting the rights of the releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such releases in accordance with the terms of this Agreement.

2.6.2 **Release on Payment in Full.** Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Mortgage on the Property.

Section 2.7 **Lockbox Account/Cash Management.**

2.7.1 **Lockbox Account/Cash Management.** (1) During the term of the Loan, Borrower shall establish and maintain an account (the "**Lockbox Account**") with Lockbox Bank in trust for the benefit of Lender, which Lockbox Account shall be under the sole dominion and control of Lender. The Lockbox Account shall be entitled "RP Elmwood Associates, L.P., as Borrower and Bear Stearns Commercial Mortgage, Inc., as Lender, pursuant to Loan Agreement dated as of December 9, 2005 – Lockbox Account". Borrower hereby grants to Lender a first-priority security interest in the Lockbox Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Lockbox Account, including, without limitation, executing and filing UCC-1 Financing Statements and continuations thereof. Lender and Servicer shall have the sole right to make withdrawals from the Lockbox Account and all costs and expenses for establishing and maintaining the Lockbox Account shall be paid by Borrower. All monies now or hereafter deposited into the Lockbox Account shall be deemed additional security for the Debt.

- (b) Borrower shall, or shall cause Manager, if any, to, deliver irrevocable written instructions to all tenants under Leases to deliver all Rents payable thereunder directly to the Lockbox Account. Borrower shall, and shall cause Manager, if any, to, deposit all amounts received by Borrower or Manager, if any, constituting Rents into the Lockbox Account within one (1) Business Day after receipt thereof.
- (c) Borrower shall obtain from Lockbox Bank its agreement to transfer to the Cash Management Account in immediately available funds by federal wire transfer all amounts on deposit in the Lockbox Account once every Business Day throughout the term of the Loan.
- (d) Upon the occurrence of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in the Lockbox Account to the payment of the Debt in any order in its sole discretion.
- (e) The Lockbox Account shall be an Eligible Account and shall not be commingled with other monies held by Borrower or Lockbox Bank.
- (f) Borrower shall not further pledge, assign or grant any security interest in the Lockbox Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.
- (g) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Lockbox Account and/or the Lockbox Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Lockbox Account was established.

2.7.2 Cash Management Account. (2) During the term of the Loan, Borrower shall establish and maintain a segregated Eligible Account (the "**Cash Management Account**") to be held by Agent in trust and for the benefit of Lender, which Cash Management Account shall be under the sole dominion and control of Lender. The Cash Management Account shall be entitled "RP Elmwood Associates, L.P., as Borrower and Bear Stearns Commercial Mortgage, Inc., as Lender, pursuant to Loan Agreement dated as of December 9, 2005 - Cash Management Account." Borrower hereby grants to Lender a first priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Cash Management Account, including, without limitation, executing and filing UCC-1 Financing Statements and continuations thereof. Borrower will not in any way alter or modify the Cash Management Account and will notify Lender of the account number thereof. Lender and Servicer shall have the sole right to make withdrawals from the Cash Management Account and all costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Borrower.

(b) The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(c) All funds on deposit in the Cash Management Account following the occurrence of an Event of Default may be applied by Lender in such order and priority as Lender shall determine.

(d) Borrower hereby agrees that Lender may modify the Cash Management Agreement for the purpose of establishing additional sub-accounts in connection with any payments otherwise required under this Agreement and the other Loan Documents and Lender shall provide notice thereof to Borrower.

2.7.3 Payments Received Under the Cash Management Agreement. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, and provided no Event of Default has occurred and is continuing, Borrower's obligations with respect to the payment of the Monthly Debt Service Payment Amount and amounts required to be deposited into the Reserve Funds, if any, shall be deemed satisfied to the extent sufficient amounts are deposited in the Cash Management Account to satisfy such obligations pursuant to the Cash Management Agreement on the dates each such payment is required, regardless of whether any of such amounts are so applied by Lender.

IV. **REPRESENTATIONS AND WARRANTIES**

Section 4.1 **Borrower Representations.** Borrower represents and warrants as of the date hereof and as of the Closing Date that:

4.1.1 Organization. Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, and the sole business of Borrower is the ownership, management and operation of the Property. The ownership interests in Borrower are as set forth on the organizational chart attached hereto as Schedule III.

4.1.2 Proceedings. Borrower has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and constitute legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement or other agreement or instrument to which Borrower is a party or by which any of Borrower's property or assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or any of Borrower's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any court or any such Governmental Authority required for the execution, delivery and performance by Borrower of this Agreement or any other Loan Documents has been obtained and is in full force and effect.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or threatened against or affecting Borrower, Guarantor, Principal or the Property, which actions, suits or proceedings, if determined against Borrower, Guarantor, Principal or the Property, might materially adversely affect the condition (financial or otherwise) or business of Borrower, Guarantor, Principal or the condition or ownership of the Property.

4.1.5 Agreements. Borrower is not a party to any agreement or instrument or subject to any restriction which might materially and adversely affect Borrower or the Property, or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower or the Property is bound. Borrower has no material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Property is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Property as permitted pursuant to clause (xxiii) of the definition of "Special Purpose Entity" set forth in Section 1.1 hereof and (b) obligations under the Loan Documents.

4.1.6 Title. Borrower has good, marketable and insurable fee simple title to the real property comprising part of the Property and good title to the balance of the Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of the Property (as currently used) or Borrower's ability to repay the Loan. The Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the Property, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower or any constituent Person in the last seven (7) years, and neither Borrower nor any constituent Person in the last seven (7) years has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. Neither Borrower nor any of its constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which adversely affects, nor as far as Borrower can foresee, might adversely affect, the Property or the business, operations or condition (financial or otherwise) of Borrower.

Section 2510.3-101. In addition, (a) Borrower is not a “governmental plan” within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state or other statute, regulation or other restriction regulating investments of, or fiduciary obligations with respect to, governmental plans within the meaning of Section 3(32) of ERISA which is similar to the provisions of Section 406 of ERISA or Section 4975 of the Code and which prohibit or otherwise restrict the transactions contemplated by this Agreement, including but not limited to the exercise by Lender of any of its rights under the Loan Documents.

4.1.10 Compliance. Borrower and the Property and the use thereof comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes. Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority. There has not been committed by Borrower or any other Person in occupancy of or involved with the operation or use of the Property any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower’s obligations under any of the Loan Documents.

Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Property or the operation thereof as a shopping center, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of Borrower from that set forth in said financial statements.

4.1.12 Condemnation. No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of the Property or for the relocation of roadways providing access to the Property.

4.1.13 Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

All roads necessary for the use of the Property for its current purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15 Not a Foreign Person. Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

4.1.16 Separate Lots. The Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of the Property.

4.1.17 Assessments. There are no pending or proposed special or other assessments for public improvements or otherwise affecting the Property, nor are there any contemplated improvements to the Property that may result in such special or other assessments.

4.1.18 Enforceability. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and neither Borrower nor Guarantor have asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

4.1.19 No Prior Assignment. There are no prior assignments of the Leases or any portion of the Rents due and payable or to become due and payable which are presently outstanding.

V. BORROWER COVENANTS

Section 5.1 **Affirmative Covenants.** From the date hereof and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Lien of the Mortgage encumbering the Property (and all related obligations) in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that:

5.1.1 Existence; Compliance with Legal Requirements. Borrower shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence, rights, licenses, permits and franchises and comply with all Legal Requirements applicable to it and the Property. There shall never be committed by Borrower, and Borrower shall never permit any other Person in occupancy of or involved with the operation or use of the Property to commit any act or omission affording the federal government or any state or local government the right of forfeiture against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property used or useful in the conduct of its business and shall keep the Property in good working order and repair, and from time to time make, or cause to be made, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto, all as more fully provided in the Mortgage. Borrower shall keep the Property insured at all times by financially sound and reputable insurers, to such extent and against such risks, and maintain liability and such other insurance, as is more fully provided in this Agreement. Borrower shall operate the Property in accordance with the terms and provisions of the O&M Agreement in all material respects. After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding promptly initiated and conducted in good faith and with due diligence, the validity of any Legal Requirement, the applicability of any Legal Requirement to Borrower or the Property or any alleged violation of any Legal Requirement, provided that (i) no Default or Event of Default has occurred and remains uncured; (ii) Borrower is permitted to do so under the provisions of any mortgage or deed of trust superior in lien to the Mortgage; (iii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances; (iv) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; (v) Borrower shall promptly upon final determination thereof comply with any such Legal Requirement determined to be valid or applicable or cure any violation of any Legal Requirement; (vi) such proceeding shall suspend the enforcement of the contested Legal Requirement against Borrower or the Property; and (vii) Borrower shall furnish such security as may be required in the proceeding, or as may be requested by Lender, to insure compliance with such Legal Requirement, together with all interest and penalties payable in connection therewith. Lender may apply any such security, as necessary to cause compliance with such Legal Requirement at any time when, in the reasonable judgment of Lender, the validity, applicability or violation of such Legal Requirement is finally established or the Property (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost.

5.1.2 Taxes and Other Charges. Borrower shall pay all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Property or any part thereof as the same become due and payable; provided, however, Borrower's obligation to directly pay Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 7.2 hereof. Borrower will deliver to Lender receipts for payment or other evidence satisfactory to Lender that the Taxes and Other Charges have been so paid or are not then delinquent no later than ten (10) days prior to the date on which the Taxes and/or Other Charges would otherwise be delinquent if not paid. Borrower shall furnish to Lender receipts for the payment of the Taxes and the Other Charges prior to the date the same shall become delinquent (provided, however, Borrower is not required to furnish such receipts for payment of Taxes in the event that such Taxes have been paid by Lender pursuant to Section 7.2 hereof). Borrower shall not suffer and shall promptly cause to be paid and discharged any Lien or charge whatsoever which may be or become a Lien or charge against the Property, and shall promptly pay for all utility services provided to the Property. After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (i) no Default or Event of Default has occurred and remains uncured; (ii) Borrower is permitted to do so under the provisions of any mortgage or deed of trust superior in lien to the Mortgage; (iii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances; (iv) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; (v) Borrower shall promptly upon final determination thereof pay the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (vi) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the Property; and (vii) Borrower shall furnish such security as may be required in the proceeding, or as may be requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or the Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of the Mortgage being primed by any related Lien.

5.1.3 Litigation. Borrower shall give prompt written notice to Lender of any litigation or governmental proceedings pending or threatened against Borrower and/or Guarantor which might materially adversely affect Borrower's or Guarantor's condition (financial or otherwise) or business or the Property.

5.1.7 Perform Loan Documents. Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.8 Award and Insurance Benefits. Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with the Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including attorneys' fees and disbursements, and the payment by Borrower of the expense of an appraisal on behalf of Lender in case of Casualty or Condemnation affecting the Property or any part thereof) out of such Insurance Proceeds.

Borrower will not cause or permit any change to be made in its name, identity (including its trade name or names), place of organization or formation (as set forth in Section 4.1.36 hereof) or Borrower's corporate or partnership structure unless Borrower shall have first notified Lender in writing of such change at least thirty (30) days prior to the effective date of such change, and shall have first taken all action required by Lender for the purpose of perfecting or protecting the lien and security interests of Lender pursuant to this Agreement, the Cash Management Agreement and the other Loan Documents and, in the case of a change in Borrower's structure, without first obtaining the prior consent of Lender. Upon Lender's request, Borrower shall execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in the Property as a result of such change of principal place of business or place of organization. Borrower's organizational identification number, if any, assigned by the state of incorporation or organization is correctly set forth in the introductory paragraph of this Agreement. Borrower shall promptly notify Lender of any change in its organizational identification number. If Borrower does not now have an organizational identification number and later obtains one, Borrower promptly shall notify Lender of such organizational identification number.

Upon Lender's reasonable request, Borrower shall deliver to Lender such other information necessary and sufficient to fairly represent the financial condition of Borrower and the Property.

(b) Borrower will furnish to Lender annually, within one hundred twenty (120) days following the end of each Fiscal Year of Borrower, a complete internal copy of Borrower's annual (unaudited) financial statements covering the Property for such Fiscal Year and containing statements of profit and loss for Borrower and the Property and a balance sheet for Borrower. 5.2.4 Change In Business. Borrower shall not enter into any line of business other than the ownership and operation of the Property, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business. Nothing contained in this Section 5.2.4 is intended to expand the rights of Borrower contained in Section 5.2.10(d) hereof.

5.2.5 Debt Cancellation. Borrower shall not cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

5.2.6 Zoning. Borrower shall not initiate or consent to any zoning reclassification of any portion of the Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of the Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

5.2.7 Intentionally Omitted.

5.2.8 Intentionally Omitted.

5.2.9 ERISA. (4) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (A) Borrower is not and does not maintain an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (B) Borrower is not subject to any state statute regulating investment of, or fiduciary obligations with respect to governmental plans and (C) one or more of the following circumstances is true:

(5) Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its stockholders, general partners, members, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

(b) Without the prior written consent of Lender, and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any Restricted Party do any of the following (collectively, a "Transfer"): (i) sell, convey, mortgage, grant, bargain, encumber, pledge, assign, grant options with respect to, or otherwise transfer or dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, and whether or not for consideration or of record) the Property or any part thereof or any legal or beneficial interest therein or (ii) permit a Sale or Pledge of an interest in any Restricted Party, other than (A) pursuant to Leases of space in the Improvements to tenants in accordance with the provisions of Section 5.1.20 and (B) Permitted Transfers.

(c) A Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock; (iv) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general partner or any profits or proceeds relating to such partnership interest, or the Sale or Pledge of limited partnership interests or any profits or proceeds relating to such limited partnership interest or the creation or issuance of new limited partnership interests; (v) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of a managing member (or if no managing member, any member) or any profits or proceeds relating to such membership interest, or the Sale or Pledge of non-managing membership interests or the creation or issuance of new non-managing membership interests; (vi) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (vii) the removal or the resignation of the managing agent (including, without limitation, an Affiliated Manager) other than in accordance with Section 5.1.22 hereof.

(d) Notwithstanding the provisions of this Section 5.2.10, Lender's consent shall not be required in connection with one or a series of Transfers, of not more than forty-nine percent (49%) of the stock, the limited partnership interests or non-managing membership interests (as the case may be) in a Restricted Party; provided, however, no such Transfer shall result in the change of Control in a Restricted Party, and as a condition to each such Transfer, Lender shall receive not less than thirty (30) days prior notice of such proposed Transfer. If after giving effect to any such Transfer, more than forty-nine percent (49%) in the aggregate of direct or indirect interests in a Restricted Party are owned by any Person and its Affiliates that owned less than forty-nine percent (49%) direct or indirect interest in such Restricted Party as of the Closing Date, Borrower shall, no less than thirty (30) days prior to the effective date of any such Transfer, deliver to Lender an Additional Insolvency Opinion acceptable to Lender and the Rating Agencies. In addition, at all times, Acadia Realty Trust must continue to Control Borrower, Guarantor and Manager, if any, and own, directly or indirectly, at least a 51% legal and beneficial interest in Borrower, Guarantor and Manager. Notwithstanding anything to the contrary contained herein, provided the conditions set forth in this subsection (d) are satisfied, Lender's consent shall not be required in connection the Transfer publicly traded shares in Acadia Realty Trust.

(e) No consent to any assumption of the Loan shall occur on or before the first (1st) anniversary of the first (1st) Payment Date. Thereafter, Lender's consent to a one (1) time Transfer of the Property and assumption of the Loan shall not be unreasonably withheld provided that Lender receives sixty (60) days prior written notice of such Transfer and no Event of Default has occurred and is continuing, and further provided that the following additional requirements are satisfied:

- (i) Borrower shall pay Lender a transfer fee equal to one percent (1%) of the outstanding principal balance of the Loan at the time of such transfer;
- (ii) Borrower shall pay any and all reasonable out-of-pocket costs incurred in connection with such Transfer (including, without limitation, Lender's counsel fees and disbursements and all recording fees, title insurance premiums and mortgage and intangible taxes and the fees and expenses of the Rating Agencies pursuant to clause (x) below);
- (iii) The proposed transferee (the "Transferee") or Transferee's Principals must have demonstrated expertise in owning and operating properties similar in location, size, class and operation to the Property, which expertise shall be reasonably determined by Lender;
- (iv) Transferee and Transferee's Principals shall, as of the date of such transfer, have an aggregate net worth and liquidity reasonably acceptable to Lender;
- (v) Transferee, Transferee's Principals and all other entities which may be owned or Controlled directly or indirectly by Transferee's Principals ("Related Entities") must not have been party to any bankruptcy proceedings, voluntary or involuntary, made an assignment for the benefit of creditors or taken advantage of any insolvency act, or any act for the benefit of debtors within seven (7) years prior to the date of the proposed Transfer;
- (vi) Transferee shall assume all of the obligations of Borrower under the Loan Documents in a manner satisfactory to Lender in all respects, including, without limitation, by entering into an assumption agreement in form and substance satisfactory to Lender;
- (vii) There shall be no material litigation or regulatory action pending or threatened against Transferee, Transferee's Principals or Related Entities which is not reasonably acceptable to Lender;
- (viii) Transferee, Transferee's Principals and Related Entities shall not have defaulted under its or their obligations with respect to any other Indebtedness in a manner which is not reasonably acceptable to Lender;
- (ix) Transferee and Transferee's Principals must be able to satisfy all the representations and covenants set forth in Sections 4.1.30, 4.1.35, 5.1.23 and 5.2.9 of this Agreement, no Default or Event of Default shall otherwise occur as a result of such Transfer, and Transferee and Transferee's Principals shall deliver (A) all organizational documentation reasonably requested by Lender, which shall be reasonably satisfactory to Lender and (B) all certificates, agreements and covenants reasonably required by Lender;

(x) Transferee shall be approved by the Rating Agencies selected by Lender, which approval, if required by Lender, shall take the form of a confirmation in writing from such Rating Agencies to the effect that such Transfer will not result in a requalification, reduction, downgrade or withdrawal of the ratings in effect immediately prior to such assumption or transfer for the Securities or any class thereof issued in connection with a Securitization which are then outstanding;

(xi) Borrower or Transferee, at its sole cost and expense, shall deliver to Lender an Additional Insolvency Opinion reflecting such Transfer satisfactory in form and substance to Lender;

(xii) Prior to any release of Guarantor, one (1) or more substitute guarantors reasonably acceptable to Lender shall have assumed all of the liabilities and obligations of Guarantor under the Guaranty and Environmental Indemnity executed by Guarantor or execute a replacement guaranty and environmental indemnity reasonably satisfactory to Lender;

(xiii) Borrower shall deliver, at its sole cost and expense, an endorsement to the Title Insurance Policy, as modified by the assumption agreement, as a valid first lien on the Property and naming the Transferee as owner of the Property, which endorsement shall insure that, as of the date of the recording of the assumption agreement, the Property shall not be subject to any additional exceptions or liens other than those contained in the Title Policy issued on the date hereof and the Permitted Encumbrances; and

(xiv) The Property shall be managed by a Qualified Manager pursuant to a Replacement Management Agreement.

Immediately upon a Transfer to such Transferee and the satisfaction of all of the above requirements, the named Borrower and Guarantor herein shall be released from all liability under this Agreement, the Note, the Mortgage and the other Loan Documents accruing after such Transfer. The foregoing release shall be effective upon the date of such Transfer, but Lender agrees to provide written evidence thereof reasonably requested by Borrower.

(f) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon Borrower's Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

VI. INSURANCE; CASUALTY; CONDEMNATION; REQUIRED REPAIRS

Section 6.1

Insurance. (6) Borrower shall obtain and maintain, or cause to be maintained, insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("Special Form") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Ten Thousand and 00/100 Dollars (\$10,000.00) for all such insurance coverage excluding windstorm and earthquake and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (x) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such greater amount as Lender shall require and (y) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity;

(ii) business income insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) in an amount equal to one hundred percent (100%) of the projected gross revenues from the operation of the Property (as reduced to reflect expenses not incurred during a period of Restoration) for a period of at least twenty-four (24) months after the date of the Casualty; and (D) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and Personal Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of six (6) months from the date that the Property is repaired or replaced and operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross revenues from the Property for the succeeding twenty-four (24) month period. Notwithstanding the provisions of Section 2.7.1 hereof, all proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in this Agreement and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property and (4) with an agreed amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and 00/100 Dollars (\$2,000,000.00) in the aggregate and One Million and 00/100 Dollars (\$1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all written contracts and (5) contractual liability covering the indemnities contained in Article 9 of the Mortgage to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence of One Million Dollars and 00/100 Dollars (\$1,000,000.00);

(vii) worker's compensation and employee's liability subject to the worker's compensation laws of the applicable state;

(viii) umbrella and excess liability insurance in an amount not less than Fifty Million and 00/100 Dollars (\$50,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (v) above, including, but not limited to, supplemental coverage for employer liability and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(ix) the insurance required under this Section 6.1(a) above shall cover perils of terrorism and acts of terrorism and Borrower shall maintain insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Sections 6.1(a) above at all times during the term of the Loan; and

(x) upon sixty (60) days written notice, such other reasonable insurance, including, but not limited to, sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 6.1(a) hereof, shall be obtained under valid and enforceable policies (collectively, the "Policies" or in the singular, the "Policy"), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the State and having a claims paying ability rating of "AA" or better (and the equivalent thereof) by at least two (2) of the Rating Agencies rating the Securities (one (1) of which shall be S&P if they are rating the Securities and one (1) of which will be Moody's if they are rating the Securities), or if only one (1) Rating Agency is rating the Securities, then only by such Rating Agency. The Policies described in Section 6.1 hereof (other than those strictly limited to liability protection) shall designate Lender as loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "Insurance Premiums"), shall be delivered by Borrower to Lender.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 6.1(a) hereof.

(d) All Policies provided for or contemplated by Section 6.1(a) hereof, except for the Policy referenced in Section 6.1(a)(vii) of this Agreement, shall name Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies shall contain clauses or endorsements to the effect that:

- (i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;
- (ii) the Policy shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days written notice to Lender and any other party named therein as an additional insured;
- (iii) the issuers thereof shall give written notice to Lender if the Policy has not been renewed thirty (30) days prior to its expiration; and
- (iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate after three (3) Business Days notice to Borrower if prior to the date upon which any such coverage will lapse or at any time Lender deems necessary (regardless of prior notice to Borrower) to avoid the lapse of any such coverage. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgage and shall bear interest at the Default Rate.

Section 6.2 Casualty. If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "Casualty"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the Restoration of the Property pursuant to Section 6.4 hereof as nearly as possible to the condition the Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 hereof. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve the final settlement, which approval shall not be unreasonably withheld or delayed) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3 Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of the Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any portion of the Property is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the Property pursuant to Section 6.4 hereof and otherwise comply with the provisions of Section 6.4 hereof. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4 **Restoration.** The following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds shall be less than One Million and 00/100 Dollars (\$1,000,000.00) and the costs of completing the Restoration shall be less than One Million and 00/100 Dollars (\$1,000,000.00), the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) hereof are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) or the costs of completing the Restoration is equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term "Net Proceeds" for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1 (a)(i), (iv), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("Insurance Proceeds"), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("Condemnation Proceeds"), whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration provided that each of the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than twenty-five percent (25%) of the total floor area of the Improvements on the Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than ten percent (10%) of the land constituting the Property is taken, and such land is located along the perimeter or periphery of the Property, and no portion of the Improvements is located on such land;

(C) Leases demising in the aggregate a percentage amount equal to or greater than the Rentable Space Percentage of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such Casualty or Condemnation, whichever the case may be, shall remain in full force and effect during and after the completion of the Restoration, notwithstanding the occurrence of any such Casualty or Condemnation, whichever the case may be, and Borrower and/or Tenant, as applicable under the respective Lease, will make all necessary repairs and restorations thereto at their sole cost and expense. The term "Rentable Space Percentage" shall mean (1) in the event the Net Proceeds are Insurance Proceeds, a percentage amount equal to ninety percent (90%) and (2) in the event the Net Proceeds are Condemnation Proceeds, a percentage amount equal to ninety percent (90%);

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(ii) hereof, if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Leases, (3) such time as may be required under all applicable Legal Requirements in order to repair and restore the Property to the condition it was in immediately prior to such Casualty or to as nearly as possible the condition it was in immediately prior to such Condemnation, as applicable, or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(ii) hereof;

- (G) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;
- (H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;
- (I) such Casualty or Condemnation, as applicable, does not result in the loss of access to the Property or the Improvements;
- (J) the Debt Service Coverage Ratio for the Property, after giving effect to the Restoration, shall be equal to or greater than 1.05 to 1.0;
- (K) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be acceptable to Lender; and
- (L) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and Other Obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Casualty Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "Casualty Retainage" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and Other Obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds (and the remaining balance, if any, of the Net Proceeds Deficiency) deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be deposited in the Cash Management Account to be disbursed in accordance with the Cash Management Agreement, provided no Event of Default shall have occurred and shall be continuing under the Note, this Agreement or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) hereof may be retained and applied by Lender toward the payment of the Debt in accordance with Section 2.4.2 hereof, whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) In the event of foreclosure of the Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

VII. RESERVE FUNDS

Section 7.1 Required Repairs.

7.1.1 Deposits. Borrower shall perform the repairs at the Property, as more particularly set forth on Schedule II hereto (such repairs hereinafter referred to as "Required Repairs"). Borrower shall complete the Required Repairs on or before the required deadline for each repair as set forth on Schedule II. It shall be an Event of Default under this Agreement if (a) Borrower does not complete the Required Repairs at the Property by the required deadline for each repair as set forth on Schedule II, or (b) Borrower does not satisfy each condition contained in Section 7.1.2 hereof. Upon the occurrence of such an Event of Default, Lender, at its option, may withdraw all Required Repair Funds from the Required Repair Account and Lender may apply such funds either to completion of the Required Repairs at the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply Required Repair Funds shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents. On the Closing Date, Borrower shall deposit with Lender the amount for the Property set forth on such Schedule II hereto to perform the Required Repairs for the Property. Amounts so deposited with Lender shall be held by Lender in accordance with Section 7.5 hereof. Amounts so deposited shall hereinafter be referred to as Borrower's "Required Repair Fund" and the account in which such amounts are held shall hereinafter be referred to as Borrower's "Required Repair Account".

7.1.2 Release of Required Repair Funds. Lender shall disburse to Borrower the Required Repair Funds from the Required Repair Account from time to time upon satisfaction by Borrower of each of the following conditions: (a) Borrower shall submit a written request for payment to Lender at least thirty (30) days prior to the date on which Borrower requests such payment be made and specifies the Required Repairs to be paid, (b) on the date such request is received by Lender and on the date such payment is to be made, no Default or Event of Default shall exist and remain uncured, (c) Lender shall have received an Officers' Certificate (i) stating that all Required Repairs to be funded by the requested disbursement have been completed in good and workmanlike manner and in accordance with all applicable federal, state and local laws, rules and regulations, such certificate to be accompanied by a copy of any license, permit or other approval by any Governmental Authority required to commence and/or complete the Required Repairs, (ii) identifying each Person that supplied materials or labor in connection with the Required Repairs to be funded by the requested disbursement, and (iii) stating that each such Person has been paid in full or will be paid in full upon such disbursement, such Officers' Certificate to be accompanied by lien waivers or other evidence of payment satisfactory to Lender, (d) at Lender's option, a title search for the Property indicating that the Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (e) Lender shall have received such other evidence as Lender shall reasonably request that the Required Repairs to be funded by the requested disbursement have been completed and are paid for or will be paid upon such disbursement to Borrower. Lender shall not be required to make disbursements from the Required Repair Account with respect to the Property unless such requested disbursement is in an amount greater than Twenty-five Thousand and 00/100 Dollars (\$25,000.00) (or a lesser amount if the total amount in the Required Repair Account is less than Twenty-five Thousand and 00/100 Dollars (\$25,000.00), in which case only one disbursement of the amount remaining in the account shall be made) and such disbursement shall be made only upon satisfaction of each condition contained in this Section 7.1.2.

Section 7.2 Tax and Insurance Escrow Fund. Borrower shall pay to Lender on each Payment Date (a) one-twelfth (1/12) of the Taxes and Other Charges that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes and Other Charges at least thirty (30) days prior to their respective due dates, and (b) one-twelfth (1/12) of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (a) and (b) above hereinafter called the "Tax and Insurance Escrow Fund"). The Tax and Insurance Escrow Fund and the Monthly Debt Service Payment Amount, shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes, Other Charges and Insurance Premiums pursuant to Section 5.1.2 hereof, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Escrow Fund. Any amount remaining in the Tax and Insurance Escrow Fund after the Debt has been paid in full shall be returned to Borrower. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes, Other Charges and Insurance Premiums by the dates set forth in (a) and (b) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and Other Charges and/or thirty (30) days prior to expiration of the Policies, as the case may be. Notwithstanding anything contained in this Section 7.2 to the contrary, Borrower shall not be required to make monthly escrow payments to Tax and Insurance Escrow Fund for Insurance Premiums so long as (i) no Event of Default exists hereunder (or under any of the other Loan Documents), (ii) Borrower maintains a blanket insurance policy including the Property and (iii) Borrower provides evidence reasonably acceptable to Lender that such Insurance Premiums due under said blanket policy have been paid on or before the due date therefore.

7.3.1 Replacement Reserve Fund. Borrower shall pay to Lender on each Payment Date one-twelfth (1/12) of \$22,576.00 [\$0.15 psf] (the "Replacement Reserve Monthly Deposit") reasonably estimated by Lender in its sole discretion to be due for replacements and repairs required to be made to the Property during the calendar year (collectively, the "Replacements"). Amounts so deposited shall hereinafter be referred to as Borrower's "Replacement Reserve Fund" and the account in which such amounts are held shall hereinafter be referred to as Borrower's "Replacement Reserve Account". Lender may reassess its estimate of the amount necessary for the Replacement Reserve Fund from time to time, and may increase the monthly amounts required to be deposited into the Replacement Reserve Fund upon thirty (30) days notice to Borrower if Lender determines in its reasonable discretion that an increase is necessary to maintain the proper maintenance and operation of the Property.

7.3.2 Disbursements from Replacement Reserve Account. (7) Lender shall make disbursements from the Replacement Reserve Account to pay Borrower only for the costs of the Replacements. Lender shall not be obligated to make disbursements from the Replacement Reserve Account to reimburse Borrower for the costs of routine maintenance to the Property, replacements of inventory or for costs which are to be reimbursed from the Required Repair Fund or Rollover Reserve Fund.

(b) Lender shall, upon written request from Borrower and satisfaction of the requirements set forth in this Section 7.3.2, disburse to Borrower amounts from the Replacement Reserve Account necessary to pay for the actual approved costs of Replacements or to reimburse Borrower therefor, upon completion of such Replacements (or, upon partial completion in the case of Replacements made pursuant to Section 7.3.2(e) hereof) as determined by Lender. In no event shall Lender be obligated to disburse funds from the Replacement Reserve Account if a Default or an Event of Default exists.

(c) Each request for disbursement from the Replacement Reserve Account shall be in a form specified or approved by Lender and shall specify (i) the specific Replacements for which the disbursement is requested, (ii) the quantity and price of each item purchased, if the Replacement includes the purchase or replacement of specific items, (iii) the price of all materials (grouped by type or category) used in any Replacement other than the purchase or replacement of specific items, and (iv) the cost of all contracted labor or other services applicable to each Replacement for which such request for disbursement is made. With each request Borrower shall certify that all Replacements have been made in accordance with all applicable Legal Requirements of any Governmental Authority having jurisdiction over the Property. Each request for disbursement shall include copies of invoices for all items or materials purchased and all contracted labor or services provided and, unless Lender has agreed to issue joint checks as described below in connection with a particular Replacement, each request shall include evidence satisfactory to Lender of payment of all such amounts. Except as provided in Section 7.3.2(e) hereof, each request for disbursement from the Replacement Reserve Account shall be made only after completion of the Replacement for which disbursement is requested. Borrower shall provide Lender evidence of completion of the subject Replacement satisfactory to Lender in its reasonable judgment.

(d) Borrower shall pay all invoices in connection with the Replacements with respect to which a disbursement is requested prior to submitting such request for disbursement from the Replacement Reserve Account or, at the request of Borrower, Lender will issue joint checks, payable to Borrower and the contractor, supplier, materialman, mechanic, subcontractor or other party to whom payment is due in connection with a Replacement. In the case of payments made by joint check, Lender may require a waiver of lien from each Person receiving payment prior to Lender's disbursement from the Replacement Reserve Account. In addition, as a condition to any disbursement, Lender may require Borrower to obtain lien waivers from each contractor, supplier, materialman, mechanic or subcontractor who receives payment in an amount equal to or greater than Twenty-five Thousand and 00/100 Dollars (\$25,000.00) for completion of its work or delivery of its materials. Any lien waiver delivered hereunder shall conform to the requirements of applicable law and shall cover all work performed and materials supplied (including equipment and fixtures) for the Property by that contractor, supplier, subcontractor, mechanic or materialman through the date covered by the current reimbursement request (or, in the event that payment to such contractor, supplier, subcontractor, mechanic or materialman is to be made by a joint check, the release of lien shall be effective through the date covered by the previous release of funds request).

(e) If (i) the cost of a Replacement exceeds Twenty-five Thousand and 00/100 Dollars (\$25,000.00), (ii) the contractor performing such Replacement requires periodic payments pursuant to terms of a written contract, and (iii) Lender has approved in writing in advance such periodic payments, a request for reimbursement from the Replacement Reserve Account may be made after completion of a portion of the work under such contract, provided (A) such contract requires payment upon completion of such portion of the work, (B) the materials for which the request is made are on site at the Property and are properly secured or have been installed in the Property, (C) all other conditions in this Agreement for disbursement have been satisfied, (D) funds remaining in the Replacement Reserve Account are, in Lender's judgment, sufficient to complete such Replacement and other Replacements when required, and (E) if required by Lender, each contractor or subcontractor receiving payments under such contract shall provide a waiver of lien with respect to amounts which have been paid to that contractor or subcontractor.

(f) Borrower shall not make a request for disbursement from the Replacement Reserve Account more frequently than once in any calendar month and (except in connection with the final disbursement) the total cost of all Replacements in any request shall not be less than Twenty-five Thousand and 00/100 Dollars (\$25,000.00).

7.3.3 Performance of Replacements. (8) Borrower shall make Replacements when required in order to keep the Property in condition and repair consistent with other first class, full service shopping centers in the same market segment in the metropolitan area in which the Property is located, and to keep the Property or any portion thereof from deteriorating. Borrower shall complete all Replacements in a good and workmanlike manner as soon as practicable following the commencement of making each such Replacement.

(b) Lender reserves the right, at its option, to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Replacements. Upon Lender's request, Borrower shall assign any contract or subcontract to Lender.

(c) In the event Lender determines in its reasonable discretion that any Replacement is not being performed in a workmanlike or timely manner or that any Replacement has not been completed in a workmanlike or timely manner, Lender shall have the option to withhold disbursement for such unsatisfactory Replacement and to proceed under existing contracts or to contract with third parties to complete such Replacement and to apply the Replacement Reserve Fund toward the labor and materials necessary to complete such Replacement, without providing any prior notice to Borrower and to exercise any and all other remedies available to Lender upon an Event of Default hereunder.

(d) In order to facilitate Lender's completion or making of such Replacements pursuant to Section 7.3.3(c) above, Borrower grants Lender the right to enter onto the Property and perform any and all work and labor necessary to complete or make such Replacements and/or employ watchmen to protect the Property from damage. All sums so expended by Lender, to the extent not from the Replacement Reserve Fund, shall be deemed to have been advanced under the Loan to Borrower and secured by the Mortgage. For this purpose Borrower constitutes and appoints Lender its true and lawful attorney-in-fact with full power of substitution to complete or undertake such Replacements in the name of Borrower. Such power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. Borrower empowers said attorney-in-fact as follows: (i) to use any funds in the Replacement Reserve Account for the purpose of making or completing such Replacements; (ii) to make such additions, changes and corrections to such Replacements as shall be necessary or desirable to complete such Replacements; (iii) to employ such contractors, subcontractors, agents, architects and inspectors as shall be required for such purposes; (iv) to pay, settle or compromise all existing bills and claims which are or may become Liens against the Property, or as may be necessary or desirable for the completion of such Replacements, or for clearance of title; (v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; (vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and (vii) to do any and every act which Borrower might do in its own behalf to fulfill the terms of this Agreement.

(e) Nothing in this Section 7.3.3 shall: (i) make Lender responsible for making or completing any Replacements; (ii) require Lender to expend funds in addition to the Replacement Reserve Fund to make or complete any Replacement; (iii) obligate Lender to proceed with any Replacements; or (iv) obligate Lender to demand from Borrower additional sums to make or complete any Replacement.

(f) Borrower shall permit Lender and Lender's agents and representatives (including, without limitation, Lender's engineer, architect, or inspector) or third parties making Replacements pursuant to this Section 7.3.3 to enter onto the Property during normal business hours (subject to the rights of tenants under their Leases) to inspect the progress of any Replacements and all materials being used in connection therewith, to examine all plans and shop drawings relating to such Replacements which are or may be kept at the Property, and to complete any Replacements made pursuant to this Section 7.3.3. Borrower shall cause all contractors and subcontractors to cooperate with Lender or Lender's representatives or such other persons described above in connection with inspections described in this Section 7.3.3(f) or the completion of Replacements pursuant to this Section 7.3.3.

(g) Lender may require an inspection of the Property at Borrower's expense prior to making a monthly disbursement from the Replacement Reserve Account in order to verify completion of the Replacements for which reimbursement is sought. Lender may require that such inspection be conducted by an appropriate independent qualified professional selected by Lender and/or may require a copy of a certificate of completion by an independent qualified professional acceptable to Lender prior to the disbursement of any amounts from the Replacement Reserve Account. Borrower shall pay the expense of the inspection as required hereunder, whether such inspection is conducted by Lender or by an independent qualified professional.

(h) The Replacements and all materials, equipment, fixtures, or any other item comprising a part of any Replacement shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialmen's or other liens (except for those Liens existing on the date of this Agreement which have been approved in writing by Lender).

(i) Before each disbursement from the Replacement Reserve Account, Lender may require Borrower to provide Lender with a search of title to the Property effective to the date of the disbursement, which search shows that no mechanic's or materialmen's liens or other liens of any nature have been placed against the Property since the date of recordation of the related Mortgage and that title to the Property is free and clear of all Liens (other than the lien of the related Mortgage and any other Liens previously approved in writing by Lender, if any).

(j) All Replacements shall comply with all applicable Legal Requirements of all Governmental Authorities having jurisdiction over the Property and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters.

(k) In addition to any insurance required under the Loan Documents, Borrower shall provide or cause to be provided workmen's compensation insurance, builder's risk, and public liability insurance and other insurance to the extent required under applicable law in connection with a particular Replacement. All such policies shall be in form and amount reasonably satisfactory to Lender. All such policies which can be endorsed with standard mortgagee clauses making loss payable to Lender or its assigns shall be so endorsed. Certified copies of such policies shall be delivered to Lender.

7.3.4 Failure to Make Replacements. (9) It shall be an Event of Default under this Agreement if Borrower fails to comply with any provision of this Section 7.3 and such failure is not cured within thirty (30) days after notice from Lender. Upon the occurrence of such an Event of Default, Lender may use the Replacement Reserve Fund (or any portion thereof) for any purpose, including but not limited to completion of the Replacements as provided in Section 7.3.3, or for any other repair or replacement to the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply the Replacement Reserve Fund shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents.

(b) Nothing in this Agreement shall obligate Lender to apply all or any portion of the Replacement Reserve Fund on account of an Event of Default to payment of the Debt or in any specific order or priority.

7.3.5 Balance in the Replacement Reserve Account. The insufficiency of any balance in the Replacement Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

Section 7.4 Rollover Reserve.

7.4.1 Deposits to Rollover Reserve Fund. Borrower shall pay to Lender on each Payment Date the sum of \$3,583.33, which amounts shall be deposited with and held by Lender for tenant improvement and leasing commission obligations incurred following the date hereof. Amounts so deposited shall hereinafter be referred to as the "Rollover Reserve Fund" and the account to which such amounts are held shall hereinafter be referred to as the "Rollover Reserve Account".

7.4.2 Withdrawal of Rollover Reserve Funds. Lender shall make disbursements from the Rollover Escrow Fund for tenant improvement and leasing commission obligations incurred by Borrower. All such expenses shall be approved by Lender in its sole discretion. Lender shall make disbursements as requested by Borrower on a quarterly basis in increments of no less than \$5,000.00 upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of paid invoices for the amounts requested and, if required by Lender, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the Property at Borrower's expense prior to making a quarterly disbursement in order to verify completion of improvements for which reimbursement is sought. All earnings or interest on the Rollover Escrow Fund shall be and become part of such Rollover Escrow Fund and shall be disbursed as provided in this Section 7.4.

Section 7.5 **Reserve Funds, Generally.** Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender. The Reserve Funds shall be held in an Eligible Account in Permitted Investments in accordance with the terms and provisions of the Cash Management Agreement. All interest on a Reserve Fund shall not be added to or become a part thereof and shall be the sole property of and shall be paid to Lender, except the Rollover Escrow Fund. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest earned on the Reserve Funds credited or paid to Borrower. Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto. Lender shall not be liable for any loss sustained on the investment of any funds constituting the Reserve Funds. Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all persons or entities supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

VIII. DEFAULTS

Section 8.1 **Event of Default.** (10) Each of the following events shall constitute an event of default hereunder (an "Event of Default"):

- (i) if any portion of the Debt is not paid within five (5) days of the date when due (except that Borrower shall not be afforded such 5-day cure period for the portion of the Debt due and payable on the Maturity Date);
- (ii) if any of the Taxes (other than Taxes being contested pursuant to Section 5.1.2 of this Agreement) are not paid when the same are due and payable or Other Charges are not paid within five (5) days after the date that the same are due and payable;

- (iii) if the Policies are not kept in full force and effect, or if certified copies of the Policies are not delivered to Lender upon request;
- (iv) if Borrower Transfers or otherwise encumbers any portion of the Property without Lender's prior written consent in violation of the provisions of this Agreement and Article 6 of the Mortgage;
- (v) if any material representation or warranty made by Borrower herein or in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made;
- (vi) if Borrower, Principal, Guarantor or any other guarantor under any guaranty issued in connection with the Loan shall make an assignment for the benefit of creditors;
- (vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Principal, Guarantor or any other guarantor under any guarantee issued in connection with the Loan or if Borrower, Principal, Guarantor or such other guarantor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Principal, Guarantor or such other guarantor, or if any proceeding for the dissolution or liquidation of Borrower, Principal, Guarantor or such other guarantor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Principal, Guarantor or such other guarantor, upon the same not being discharged, stayed or dismissed within ninety (90) days;
- (viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;
- (ix) if Borrower breaches any covenant contained in Section 4.1.30 hereof;
- (x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;
- (xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in any Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if a material default has occurred and continues beyond any applicable cure period under the Management Agreement (or any Replacement Management Agreement) and if such default permits the Manager thereunder to terminate or cancel the Management Agreement (or any Replacement Management Agreement);

(xiii) if Borrower shall continue to be in Default under any of the terms, covenants or conditions of Section 9.1 hereof, or fails to cooperate with Lender in connection with a Securitization pursuant to the provisions of Section 9.1 hereof, for three (3) days after notice to Borrower from Lender;

(xiv) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xii) above, for twenty (20) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed sixty (60) days; or

(xv) if there shall be default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower or the Property, or if any other such event shall occur or condition shall exist, if the effect of such default, event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi), (vii) or (viii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and the Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi), (vii) or (viii) above, the Debt and Other Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2

Remedies. (11) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any part of the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Mortgage has been for closed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Debt in any preference or priority, and Lender may seek satisfaction out of the Property, or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgage in any manner and for any amounts secured by the Mortgage then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the Mortgage to recover such delinquent payments or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose the Mortgage to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgage as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to the Mortgage to secure payment of sums secured by the Mortgage and not previously recovered.

(c) Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the "Severed Loan Documents") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents and the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

Section 8.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

IX. SPECIAL PROVISIONS

Section 9.1 Securitization.

9.1.1 Sale of Notes and Securitization. Borrower acknowledges and agrees that Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "Securitization"). At the request of Lender, and to the extent not already required to be provided by or on behalf of Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender or take other actions reasonably required by Lender, in each case in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender, prospective investors and/or the Rating Agencies;

(b) assist in preparing descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower and approved by Lender, Principal and their respective affiliates to obtain, collect, and deliver information requested or required by Lender, prospective investors and/or the Rating Agencies;

(c) deliver (i) an Additional Insolvency Opinion and an opinion with respect to, due execution and enforceability with respect to the Property, Borrower, Principal, Guarantor and their respective Affiliates and the Loan Documents, including, without limitation, a so called "10b-5" opinion, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender, prospective investors and/or the Rating Agencies;

(d) if required by any prospective investor and/or any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect the Property, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender, prospective investors and/or the Rating Agencies;

(e) make such representations and warranties as of the closing date of the Securitization with respect to the Property, Borrower, Principal, Guarantor and the Loan Documents as may be reasonably requested by Lender, prospective investors and/or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;

(f) execute such amendments to the Loan Documents as may be requested by Lender, prospective investors and/or the Rating Agencies to effect the Securitization;

(g) if requested by Lender, review any information regarding the Property, Borrower, Principal, Guarantor, Manager and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(h) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws.

9.1.2 Loan Components. Borrower covenants and agrees that in connection with any Securitization of the Loan, upon Lender's request Borrower shall deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan or create one or more mezzanine loans (including amending Borrower's organizational structure to provide for one or more mezzanine borrowers) [or re-size the Components of the Loan] (each a "**Resizing Event**"). Lender agrees that such new notes or modified note or mezzanine notes [or re-sized Components] shall immediately after the Resizing Event have the same initial weighted average coupon as the original note prior to such Resizing Event, notwithstanding that such new notes or modified note or mezzanine notes [or re-sized Component] may, in connection with the application of principal to such new notes or modified note or mezzanine notes [or re-sized Components], subsequently cause the weighted average spread of such new notes or modified note or mezzanine notes [or re-sized Components] to change (but not increase, except that the weighted average spread may subsequently increase due to involuntary prepayments or if an Event of Default shall occur) and apply principal, interest rates and amortization of the Loan between such new components and/or mezzanine loans in a manner specified by Lender in its sole discretion such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum bond execution for the Loan. In connection with any Resizing Event, Borrower covenants and agrees to modify the Cash Management Agreement with respect to the newly created components and/or mezzanine loans.

9.1.3 Securitization Costs. All reasonable third party costs and expenses incurred by Borrower and Guarantor in connection with Borrower's complying with requests made under this Section 9.1 (including, without limitation, the fees and expenses of the Rating Agencies) shall be paid by Lender.

Section 9.2 Securitization Indemnification. (12) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Securities Act"), or the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) The Indemnifying Persons agree to provide, in connection with the Securitization, an indemnification agreement (A) certifying that (i) the Indemnifying Persons have carefully examined the Disclosure Documents, including without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Mortgages," "Description of the Mortgage Loans and Mortgaged Property," "The Manager," "The Borrower" and "Certain Legal Aspects of the Mortgage Loan," and (ii) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Manager and/or the Loan) (collectively with the Provided Information, the "Covered Disclosure Information") do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) jointly and severally indemnifying Lender, BSCMI (whether or not it is the Lender), any Affiliate of BSCMI that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of BSCMI that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who Controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Indemnified Persons"), for any losses, claims, damages, liabilities, costs or expenses (including without limitation legal fees and expenses for enforcement of these obligations (collectively, the "Liabilities") to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities. This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification and reimbursement obligations provided for in clauses (B) and (C) above shall be effective, valid and binding obligations of the Indemnifying Persons whether or not an indemnification agreement described in clause (A) above is provided.

(c) In connection with Exchange Act Filings, the Indemnifying Persons jointly and severally agree to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against any Indemnifying Person, notify such Indemnifying Person in writing of the claim or the commencement of that action; provided, however, that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify any Indemnifying Person thereof, such Indemnifying Person shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Indemnifying Person to the Indemnified Person of its election to assume the defense of such claim or action, such Indemnifying Person shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both an Indemnifying Person, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to the Indemnifying Person, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which the Indemnifying Person is required hereunder to indemnify such Indemnified Person. No Indemnifying Person shall be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior written consent of BSCMI (which consent shall not be unreasonably withheld or delayed), no Indemnifying Person shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless the Indemnifying Person shall have given BSCMI reasonable prior written notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as an Indemnifying Person has complied with its obligations to defend and indemnify hereunder, such Indemnifying Person shall not be liable for any settlement made by any Indemnified Person without the consent of such Indemnifying Person (which consent shall not be unreasonably withheld or delayed).

(f) The Indemnifying Persons agree that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of the Indemnifying Persons, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) the Indemnifying Persons agree that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees actually received by the Indemnified Persons in connection with the closing of the Loan.

(g) The Indemnifying Persons agree that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. The Indemnifying Persons further agree that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and the Indemnifying Persons under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3 **Exculpation.** Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Mortgage or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon its interest under the Note, this Agreement, the Mortgage and the other Loan Documents, or in the Property, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Property, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgage and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under or by reason of or under or in connection with the Note, this Agreement, the Mortgage or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Mortgage; (c) affect the validity or enforceability of or any guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of any of the Assignment of Leases; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Mortgage or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against the Property; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) fraud or intentional misrepresentation by Borrower or Principal or Guarantor in connection with the Loan;

(ii) the gross negligence or willful misconduct of Borrower;

(iii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement or in the Mortgage concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;

- (iv) the removal or disposal of any portion of the Property after an Event of Default;
- (v) the misapplication or conversion by Borrower of (A) any Insurance Proceeds paid by reason of any loss, damage or destruction to the Property, (B) any Awards received in connection with a Condemnation of all or a portion of the Property, (C) any Rents following an Event of Default, or (D) any Rents paid more than one month in advance;
- (vi) failure to pay charges for labor or materials or other charges that can create Liens on any portion of the Property; and
- (vii) any security deposits, advance deposits or any other deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof.

Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, (A) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Debt secured by the Mortgage or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with the Loan Documents, and (B) the Debt shall be fully recourse to Borrower (i) in the event of: (a) Borrower filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (b) the filing of an involuntary petition against Borrower under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law, in which Borrower colludes with, or otherwise assists such Person, or solicits or causes to be solicited petitioning creditors for any involuntary petition against Borrower from any Person; (c) Borrower filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (d) Borrower consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower or any portion of the Property; (e) Borrower making an assignment for the benefit of creditors, or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due; (ii) if the first full monthly payment of principal and interest on the Note is not paid when due; (iii) if Borrower fails to permit on-site inspections of the Property, fails to provide financial information, fails to maintain its status as a Single Purpose Entity or fails to appoint a new property manager upon the request of Lender as permitted under this Agreement, each as required by, and in accordance with, the terms and provisions of this Agreement or the Mortgage; (iv) if Borrower fails to obtain Lender's prior written consent to any Indebtedness or voluntary Lien encumbering the Property; or (v) if Borrower fails to obtain Lender's prior written consent to any Transfer as required by this Agreement or the Mortgage.

Section 9.4 **Matters Concerning Manager.** If (a) an Event of Default occurs, (b) Manager shall become bankrupt or insolvent or (c) a default occurs under the Management Agreement, Borrower shall, at the request of Lender, terminate the Management Agreement and replace the Manager with a Qualified Manager pursuant to a Replacement Management Agreement, it being understood and agreed that the management fee for such Qualified Manager shall not exceed then prevailing market rates.

Section 9.5 Service. At the option of Lender, the Loan may be serviced by a servicer/trustee (any such servicer/trustee, together with its agents, nominees or designees, are collectively referred to as "Servicer") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to Servicer pursuant to a servicing agreement (the "Servicing Agreement") between Lender and Servicer. Borrower shall be responsible for any reasonable set-up fees or any other initial costs relating to or arising under the Servicing Agreement; provided, however, that Borrower shall not be responsible for payment of the monthly servicing fee due to Servicer under the Servicing Agreement.

X. MISCELLANEOUS

Section 10.1 Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

Section 10.2 Lender's Discretion. Whenever pursuant to this Agreement, Lender exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive.

Section 10.9 **Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10 **Preferences.** Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11 **Waiver of Notice.** Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 10.12 **Remedies of Borrower.** In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13 **Expenses; Indemnity.** (13) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Property); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Lender; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property (including any fees incurred by Servicer in connection with the transfer of the Loan to a special servicer prior to a Default or Event of Default) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Lockbox Account or Cash Management Account, as applicable.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (i i) the use or intended use of the proceeds of the Loan (collectively, the "Indemnified Liabilities"); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any Rating Agency review of the Loan, the Loan Documents or any transaction contemplated thereby or any consent, approval, waiver or confirmation obtained from such Rating Agency pursuant to the terms and conditions of this Agreement or any other Loan Document and Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation.

Section 10.14 Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16 No Joint Venture or Partnership; No Third Party Beneficiaries. (14) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17 Publicity. All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, BSCMI, or any of their Affiliates shall be subject to the prior written approval of Lender.

Section 10.18 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 10.19 Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21 Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower hereby agrees to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Application Letter dated October 28, 2005 (as amended) between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23 Joint and Several Liability. If Borrower consists of more than one (1) Person the obligations and liabilities of each Person shall be joint and several.

Section 10.24 Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances. Consultation meetings should occur on a regular basis (no less frequently than quarterly) with Lender having the right to call special meetings at any reasonable times and upon reasonable advance notice;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to approve any acquisition by Borrower of any other significant property (other than personal property required for the day to day operation of the Property).

The rights described above in this Section 10.24 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

Section 10.25 MERS. Mortgage Electronic Registration Systems, Inc., a Delaware corporation ("MERS"), serves as mortgagee of record and secured party solely as nominee, in an administrative capacity, for Lender and only holds legal title to the interests granted, assigned, and transferred in the Security Instruments and the Assignments of Leases. MERS shall at all times comply with the instructions of Lender. If necessary to comply with law or custom, MERS (for the benefit of Lender) may be directed by Lender to exercise any or all of those interests, including without limitation, the right to foreclose and sell the Property, and take any action required of Lender, including without limitation, a release, discharge or reconveyance of the Mortgage. Subject to the foregoing, all references in the Loan Documents to "Mortgagee" shall include Lender and its successors and assigns. The relationship of Mortgagor and Lender under the Mortgage and the other Loan Documents is, and shall at all times remain, solely that of borrower and lender (the role of MERS thereunder being solely that of nominee as set forth above and not that of a lender); and Mortgagee neither undertakes nor assumes any responsibility or duty to Borrower or to any other Person with respect to the Property.

JOINDER

By executing this Joinder (the "Joinder"), the undersigned ("Joinder Parties") hereby covenant, warrant and agree to comply with all of the terms and conditions set forth in Section 9.2 hereof.

1. **Waivers.** With respect to the obligations of the Joinder Parties pursuant to Section 9.2 hereof, to the fullest extent permitted by applicable law, each Joinder Party waives all rights and defenses of sureties, guarantors, accommodation parties and/or co-makers and agrees that its obligations under this Joinder shall be primary, absolute and unconditional, and that its obligations under this Joinder shall be unaffected by any of such rights or defenses, including:

(a) the unenforceability of any Loan Document against Borrower and/or any guarantor or other Joinder Party;

(b) any release or other action or inaction taken by Lender with respect to the collateral, the Loan, Borrower, any guarantor and/or other Joinder Party, whether or not the same may impair or destroy any subrogation rights of any Joinder Party, or constitute a legal or equitable discharge of any surety or indemnitor;

(c) the existence of any collateral or other security for the Loan, and any requirement that Lender pursue any of such collateral or other security, or pursue any remedies it may have against Borrower, any guarantor and/or any other Joinder Party;

(d) any requirement that Lender provide notice to or obtain a Joinder Party's consent to any modification, increase, extension or other amendment of the Loan, including the guaranteed obligations;

(e) any right of subrogation (until payment in full of the Loan, including the guaranteed obligations, and the expiration of any applicable preference period and statute of limitations for fraudulent conveyance claims);

(f) any defense based on any statute of limitations;

(g) any payment by Borrower to Lender if such payment is held to be a preference or fraudulent conveyance under bankruptcy laws or Lender is otherwise required to refund such payment to Borrower or any other party; and

(h) any voluntary or involuntary bankruptcy, receivership, insolvency, reorganization or similar proceeding affecting Borrower or any of its assets.

2. **Agreements.** With respect to the obligations of the Joinder Parties pursuant to Section 9.2 hereof, each Joinder Party further represents, warrants and agrees that:

(a) The obligations under this Joinder are enforceable against each such party and are not subject to any defenses, offsets or counterclaims;

(b) The provisions of this Joinder are for the benefit of Lender and its successors and assigns;

(c) Lender shall have the right to (i) renew, modify, extend or accelerate the Loan, (ii) pursue some or all of its remedies against Borrower, any guarantor or any Joinder Party, (iii) add, release or substitute any collateral for the Loan or party obligated thereunder, and (iv) release Borrower, any guarantor or any Joinder Party from liability, all without notice to or consent of any Joinder Party (or other Joinder Party) and without affecting the obligations of any Joinder Party (or other Joinder Party) hereunder;

(d) To the maximum extent permitted by law, each Joinder Party hereby knowingly, voluntarily and intentionally waives the right to a trial by jury in respect of any litigation based hereon. This waiver is a material inducement to Lender to enter into this Agreement.

This Joinder shall be governed by the laws of the State of New York.

PROVIDED, HOWEVER, that if the principal and interest and all other sums due or to become due under the Note or under the other Loan Documents, including, without limitation, any prepayment fees required pursuant to the terms of the Note, shall have been paid at the time and in the manner stipulated therein and the Debt shall have been paid and all other covenants contained in the Loan Documents shall have been performed, then, in such case, the liens, security interests, estates and rights granted by this Mortgage shall be satisfied and the estate, right, title and interest of Lender in the Property shall cease, and upon payment to Lender of all costs and expenses incurred for the preparation of the release hereinafter referenced and all recording costs if allowed by law, Lender shall promptly satisfy and release this Mortgage of record and the lien hereof by proper instrument.

ARTICLE I

REPRESENTATIONS AND WARRANTIES OF BORROWER

Borrower, for itself and its successors and assigns, does hereby represent, warrant and covenant to and with Lender, its successors and assigns, that:

Section 1.1 Organization; Special Purpose. Borrower and its general partner have been duly organized and are each validly existing and in good standing under the laws of the state of its formation, with requisite power and authority, and all rights, licenses, permits and authorizations, governmental or otherwise, necessary to own its properties and to transact the business in which it is now engaged. Borrower and its general partner are each duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, business and operations. Borrower possesses all franchises, patents, copyrights, trademarks, trade names, licenses and permits necessary for the conduct of its business substantially as now conducted. Borrower and its general partner are each a Single-Purpose Entity in compliance with the provisions of Section 2.29 hereof.

Section 1.2 Title. Borrower has good, marketable and indefeasible fee simple title to the Property, subject only to those matters expressly set forth as exceptions to or subordinate matters in the title insurance policy insuring the lien of this Mortgage delivered as of the date hereof which Lender has agreed to accept, excepting therefrom all preprinted and/or standard exceptions (such items being the "Permitted Encumbrances"), and has full power and lawful authority to grant, bargain, sell, convey, assign, transfer, encumber and mortgage its interest in the Property in the manner and form hereby done or intended. Borrower will preserve its interest in and title to the Property and will forever warrant and defend the same to Lender against any and all claims whatsoever and will forever warrant and defend the validity and priority of the lien and security interest created herein against the claims of all persons and parties whomsoever, subject to the Permitted Encumbrances. This Mortgage creates (i) a valid, perfected lien on the Premises, subject only to Permitted Encumbrances and the liens created by the Loan Documents and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty, all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other liens as are permitted pursuant to the Loan Documents and the liens created by the Loan Documents. There are no security agreements or financing statements affecting all or any portion of the Property other than (i) as disclosed in writing by Borrower to Lender prior to the date hereof and (ii) the security agreements and financing statements created in favor of Lender. There are no claims for payment for work, labor or materials affecting the Premises which are or may become a lien prior to, or of equal priority with, the liens created by the Loan Documents. None of the Permitted Encumbrances, individually or in the aggregate, materially interfere with the benefits of the security intended to be provided by this Mortgage, materially and adversely affect the value of the Premises, impair the use or operations of the Premises or impair Borrower's ability to pay its obligations in a timely manner. The foregoing warranty of title shall survive the foreclosure of this Mortgage and shall inure to the benefit of and be enforceable by Lender in the event Lender acquires title to the Property pursuant to any foreclosure.

Section 1.3 No Bankruptcy Filing. No bankruptcy, insolvency proceedings or liquidation of all or a substantial portion of the Property is pending or contemplated by Borrower or, to the best knowledge of Borrower, against Borrower or by or against any endorser or cosigner of the Note or of any portion of the Debt, or any guarantor or indemnitor under any guaranty or indemnity agreement, including, without limitation, that certain Indemnity and Guaranty Agreement, dated the date hereof, executed by Acadia Realty Limited Partnership, a Delaware limited partnership, in favor of Lender (the "Indemnity and Guaranty Agreement"), executed in connection with the Note or the loan evidenced thereby and secured hereby (an "Indemnitor"). No petition in bankruptcy has been filed against Borrower or any general partner, manager, sole member, managing member or majority shareholder of Borrower, as applicable (collectively, the "Borrower Parties", each a "Borrower Party"), and neither Borrower Party or any principal of a Borrower Party has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors.

Section 1.4 Full and Accurate Disclosure. No statement of fact made by Borrower in any Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein not misleading. There is no material fact presently known to Borrower that has not been disclosed to Lender which adversely affects, or, as far as Borrower can foresee, might adversely affect, the Property or the business, operations or condition (financial or otherwise) of Borrower. All financial data, including the statements of cash flow and income and operating expense, that have been delivered to Lender in respect of Borrower and the Property (i) are true, complete and correct in all material respects, (ii) accurately represent the financial condition of Borrower and the Property as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods covered, except as disclosed therein. Borrower has no contingent liabilities, liabilities for taxes, unusual forward or long-term commitments, unrealized or anticipated losses from any unfavorable commitments or any liabilities or obligations not expressly permitted by this Mortgage. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of Borrower or the Property from that set forth in said financial statements.

Section 1.5 Proceedings; Enforceability. The execution, delivery and performance of this Mortgage, the Note and all of the other Loan Documents have been duly authorized by all necessary action to be, and are, binding and enforceable against Borrower in accordance with the respective terms thereof and do not contravene, result in a breach of or constitute a default (nor upon the giving of notice or the passage of time or both will same constitute a default) under the partnership agreement, articles of incorporation, operating agreement or other organizational documents of Borrower or any contract or agreement of any nature to which Borrower is a party or by which Borrower or any of its property may be bound and do not violate or contravene any law, order, decree, rule or regulation to which Borrower is subject. The Loan Documents are not subject to, and Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 1.6 No Conflicts. Borrower is not required to obtain any consent, approval or authorization from or to file any declaration or statement with, any governmental

authority or agency in connection with or as a condition to the execution, delivery or performance of this Mortgage, the Note or the other Loan Documents which has not been so obtained or filed. Borrower has obtained or made all necessary (i) consents, approvals and authorizations and registrations and filings of or with all governmental authorities or agencies and (ii) consents, approvals, waivers and notifications of partners, stockholders, members, creditors, lessors and other non-governmental persons and/or entities, in each case, which are required to be obtained or made by Borrower in connection with the execution and delivery of, and the performance by Borrower of its obligations under, the Loan Documents.

Section 1.7 Federal Reserve Regulations; Investment Company Act. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation T, U or X of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation T, U or X or any other regulation of such Board of Governors, or for any purpose prohibited by law or any Loan Document. Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

Section 1.8 Taxes. Borrower and any general partner or managing member of Borrower, if any, has filed all federal, state and local tax returns required to be filed as of the date hereof and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments payable by Borrower and any general partner or managing member, if any, as of the date hereof. Borrower and any general partner or managing member, if any, believe that their respective tax returns properly reflect the income and taxes of Borrower and said general partner or managing member, if any, for the periods covered thereby, subject only to reasonable adjustments required by the Internal Revenue Service or other applicable tax authority upon audit. Borrower and the Property are free from any past due obligations for sales and payroll taxes.

Section 1.9 ERISA. Borrower (i) has no knowledge of any material liability that has been incurred or is expected to be incurred by Borrower that is or remains unsatisfied for any taxes or penalties with respect to any "employee benefit plan", as defined in section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or any "plan" within the meaning of Section 4975(e)(1) of the Internal Revenue Code of 1986, as amended (the "Code") or any other benefit plan (other than a multi-employer plan) maintained, contributed to, or required to be contributed to by Borrower or by any entity that is under the common control with Borrower within the meaning of ERISA Section 4001(a)(14) (collectively, a "Plan") or any plan that would be a Plan but for the fact that it is a multi-employer plan within the meaning of ERISA Section 3(37) and (ii) has made and shall continue to make when due all required contributions to all such Plans, if any. Each such Plan, if any, has been and will be administered in compliance with its terms and the applicable provisions of ERISA, the Code and any other applicable Federal or state law and no action shall be taken or fail to be taken that would result in the disqualification or loss of the tax-exempt status of any such Plan, if any, intended to be

qualified or tax-exempt. The assets of Borrower do not constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101.

Section 1.10 Property Compliance. The Premises and the Improvements and the current intended use thereof by Borrower comply in all material respects with all applicable restrictive covenants, zoning ordinances, subdivision and building codes, flood disaster laws, health and environmental laws and regulations and all other ordinances, orders or requirements issued by any state, federal or municipal authorities having or claiming jurisdiction over the Property. In the event that all or any part of the Improvements are destroyed or damaged, said Improvements can be legally reconstructed to their condition prior to such damage or destruction, and thereafter exist for the same use without violating any zoning or other ordinances applicable thereto and without the necessity of obtaining any variances or special permits. No legal proceedings are pending or, to the knowledge of Borrower, threatened with respect to the zoning of the Premises. Neither the zoning nor any other right to construct, use or operate the Premises is in any way dependent upon or related to any property other than the Premises. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use, occupancy and operation of the Premises have been obtained and are in full force and effect. The Premises and Improvements constitute one or more separate tax parcels for purposes of ad valorem taxation. The Premises and Improvements do not require any rights over, or restrictions against, other property in order to comply with any of the aforesaid governmental ordinances, orders or requirements.

Section 1.11 Utilities. All utility services necessary and sufficient for the full use, occupancy, operation and disposition of the Premises and the Improvements for their intended purposes are available to the Property, including water, storm sewer, sanitary sewer, gas, electric, cable and telephone facilities, through public rights-of-way or perpetual private easements approved by Lender. The Property is free from delinquent water charges, sewer rents, taxes and assessments.

Section 1.12 Public Access. All streets, roads, highways, bridges and waterways necessary for access to and full use, occupancy, operation and disposition of the Premises and the Improvements have been completed, have been dedicated to and accepted by the appropriate municipal authority and are open and available to the Premises and the Improvements without further condition or cost to Borrower. All curb cuts, driveways and traffic signals shown on the survey delivered to Lender prior to the execution and delivery of this Mortgage are existing and have been fully approved by the appropriate governmental authority.

Section 1.13 Litigation; Agreements. There are no judicial, administrative, mediation or arbitration actions, suits or proceedings pending or threatened against or affecting Borrower (or, if Borrower is a partnership or a limited liability company, any of its general partners or members) or the Property which, if adversely determined, would materially impair either the Property or Borrower's ability to perform the covenants or obligations required to be performed under the Loan Documents. Borrower is not a party to any agreement or instrument or subject to any restriction which might adversely affect Borrower or the Property, or Borrower's business, properties, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the

obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Property is bound.

Section 1.14 Physical Condition. As of the date of this Mortgage, (i) the Property is free from unrepaired damage caused by fire, flood, accident or other casualty, (ii) no part of the Premises or the Improvements has been taken in condemnation, eminent domain or like proceeding nor is any such proceeding pending or, to Borrower's knowledge and belief, threatened or contemplated, (iii) except as may otherwise be disclosed in that certain Property Condition Report (the "Property Condition Report") dated January 4, 2007 and prepared by IVI Due Diligence Services, Inc., the Improvements are structurally sound, in good repair and free of defects in materials and workmanship and have been constructed and installed in substantial compliance with the plans and specifications relating thereto, and (iv) all major building systems located within the Improvements, including, without limitation, the heating and air conditioning systems and the electrical and plumbing systems, are in good working order and condition.

Section 1.15 Contracts. Borrower has delivered to Lender true, correct and complete copies of all Contracts and all amendments thereto or modifications thereof. Each Contract constitutes the legal, valid and binding obligation of Borrower and, to the best of Borrower's knowledge and belief, is enforceable against any other party thereto. No default exists, or with the passing of time or the giving of notice or both would exist, under any Contract which would, in the aggregate, have a material adverse effect on Borrower or the Property. No Contract provides any party with the right to obtain a lien or encumbrance upon the Property superior to the lien of this Mortgage. All Contracts affecting the Property have been entered into at arms-length in the ordinary course of Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 1.16 Leases. Borrower has delivered (i) a true, correct and complete schedule (the "Rent Roll") of all Leases affecting the Property as of the date hereof, which accurately and completely sets forth in all material respects for each such Lease, the following: the name of the Tenant, the Lease expiration date, extension and renewal provisions, the base rent payable, the security deposit held thereunder and any other material provisions of such Lease and (ii) true, correct and complete copies of all Leases described in the Rent Roll. Each Lease constitutes the legal, valid and binding obligation of Borrower and, to the best of Borrower's knowledge and belief, is enforceable against the Tenant thereof. No default exists, or with the passing of time or the giving of notice or both would exist, under any Lease which would, in the aggregate, have a material adverse effect on Borrower or the Property. No Tenant under any Lease has, as of the date hereof, paid rent more than thirty (30) days in advance, and the rents under such Leases have not been waived, released, or otherwise discharged or compromised. All security deposits required under such Leases have been fully funded and are held by Borrower in a separate segregated account or as otherwise required by applicable law. All work to be performed by Borrower under the Leases has been substantially performed, all contributions to be made by Borrower to the Tenants thereunder have been made and all other conditions precedent to each such Tenant's obligations thereunder have been satisfied. Each Tenant under a Lease has entered into occupancy of the demised premises. To the best of Borrower's knowledge and belief, each Tenant is free from bankruptcy, reorganization or arrangement proceedings or a general assignment for the benefit of creditors. No Lease provides

any party with the right to obtain a lien or encumbrance upon the Property superior to the lien of this Mortgage.

Section 1.17 Foreign Person. Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code, and the related Treasury Department regulations, including temporary regulations.

Section 1.18 Management Agreement. The property management agreement relating to the Premises (the "Management Agreement") is in full force and effect and to the best of Borrower's knowledge, there is no default, breach or violation existing thereunder by any party thereto beyond the expiration of applicable notice and grace periods thereunder and no event has occurred (other than payments due but not yet delinquent) that, with the passage of time or the giving of notice, or both, would constitute a default, breach or violation by any party thereunder. The fee due under the Management Agreement, and the terms and provisions of the Management Agreement, are subordinate to this Mortgage.

Section 1.19 Fraudulent Transfer. Borrower has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor, and Borrower has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the transactions contemplated by the Loan Documents, the fair saleable value of Borrower's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the execution and delivery of the Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of Borrower).

Section 1.20 Backward Representations.

(a) Borrower. Borrower hereby represents that Borrower:

- (xv) has allocated fairly and reasonably any overhead expenses that have been shared with an Affiliate, including paying for office space and services performed by any employee of an Affiliate or Related Party;
- (xvi) has not pledged its assets to secure the obligations of any other Person and no such pledge remains outstanding except in connection with the loan secured hereby;

- (xxi) has not had any of its obligations guaranteed by an Affiliate, except for guarantees that have been either released or discharged (or that will be discharged as a result of the closing of the loan secured hereby) or guarantees that are expressly contemplated by the Loan Documents.

(c) Tenants . None of the tenants holding leasehold interests with respect to the Property are affiliated with the Borrower.

For purposes of this Section 1.20 , "Affiliate" means, with respect to any Person, any other Person directly or indirectly Controlling or Controlled by or under direct or indirect common Control with such Person.

For purposes of this Section 1.20, "Control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a Person, whether through the ownership of voting securities or general partnership or managing member interests, by contract or otherwise. "Controlling" and "Controlled" shall have correlative meanings. Without limiting the generality of the foregoing, a Person shall be deemed to Control any other Person in which it owns, directly or indirectly, a majority of the ownership interests.

For purposes of this Section 1.20, "Person" means any individual, corporation, partnership, joint venture, limited liability company, limited liability partnership, association, joint stock company, trust, unincorporated organization, or other organization, whether or not a legal entity, and any governmental authority.

All of the representations and warranties in this Article I and elsewhere in the Loan Documents (i) shall survive for so long as any portion of the Debt remains owing to Lender and (ii) shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

ARTICLE II

COVENANTS OF BORROWER

For the purposes of further securing the Debt and for the protection of the security of this Mortgage, for so long as the Debt or any part thereof remains unpaid, Borrower covenants and agrees as follows:

Section 2.1 Defense of Title. If, while this Mortgage is in force, the title to the Property or the interest of Lender therein shall be the subject, directly or indirectly, of any action at law or in equity, or be attached directly or indirectly, or endangered, clouded or adversely affected in any manner, Borrower, at Borrower's expense, shall take all necessary and proper steps for the defense of said title or interest, including the employment of counsel approved by Lender, the prosecution or defense of litigation, and the compromise or discharge of claims made against said title or interest. Notwithstanding the foregoing, in the event that Lender determines that Borrower is not adequately performing its obligations under this Section, Lender may, without limiting or waiving any other rights or remedies of Lender hereunder, take such steps with respect thereto as Lender shall deem necessary or proper and any and all costs and expenses incurred by Lender in connection therewith, together with interest thereon at the Default Interest Rate (as defined in the Note) from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

Section 2.2 Performance of Obligations. Borrower shall pay when due the principal of and the interest on the Debt in accordance with the terms of the Note. Borrower shall also pay all charges, fees and other sums required to be paid by Borrower as provided in the Loan Documents, in accordance with the terms of the Loan Documents, and shall observe, perform and discharge all obligations, covenants and agreements to be observed, performed or discharged by Borrower set forth in the Loan Documents in accordance with their terms.

Further, Borrower shall promptly and strictly perform and comply with all covenants, conditions, obligations and prohibitions required of Borrower in connection with any other document or instrument affecting title to the Property, or any part thereof, regardless of whether such document or instrument is superior or subordinate to this Mortgage.

Section 2.3 Insurance. Borrower shall, at Borrower's expense, maintain in force and effect on the Property at all times while this Mortgage continues in effect the following insurance:

(a) Insurance against loss or damage to the Property by fire, lightning, windstorm, tornado, hail, terrorism, riot and civil commotion, vandalism, malicious mischief, burglary and theft and against loss and damage by such other, further and additional risks as may be now or hereafter embraced by a "special causes of loss" type of insurance policy. The amount of such insurance shall be not less than one hundred percent (100%) of the full replacement cost (insurable value) of the Improvements (as established by a Member of the Appraisal Institute appraisal), without reduction for depreciation. The determination of the replacement cost amount shall be adjusted annually to comply with the requirements of the insurer issuing such coverage or, at Lender's election, by reference to such indices, appraisals or information as Lender determines in its reasonable discretion in order to reflect increased value due to inflation. Absent such annual adjustment, each policy shall contain inflation guard coverage insuring that the policy limit will be increased over time to reflect the effect of inflation. "Full replacement cost," as used herein and elsewhere in this Section 2.3, means, with respect to the Improvements, the cost of replacing the Improvements without regard to deduction for depreciation, exclusive of the cost of excavations, foundations and footings below the lowest basement floor. Borrower shall also maintain insurance against loss or damage to furniture, furnishings, fixtures, equipment and other items (whether personalty or fixtures) included in the Property and owned by Borrower from time to time to the extent applicable. Each policy shall contain a replacement cost endorsement and either an agreed amount endorsement (to avoid the operation of any co-insurance provisions) or a waiver of any co-insurance provisions, all subject to Lender's approval. The maximum deductible shall be \$25,000.00.

(b) If the "special causes of loss" policy required in subsection (a) above excludes coverage for wind damage, Borrower shall maintain separate coverage for such risk. Furthermore, if the Property is located in the State of Florida, or within twenty five (25) miles of the ocean coast of the states of Texas, Louisiana, Mississippi, Alabama, Georgia, North Carolina, Hawaii or South Carolina, windstorm insurance must be maintained in an amount equal to the lesser of (i) the full replacement cost of the Property or (ii) the maximum limit of coverage available with respect to the Improvements and Equipment. If available, a minimum of eighteen (18) months general business income coverage specifically relating to wind damage shall be required. The maximum deductible shall be \$25,000.00.

(c) Ordinance and law insurance is required if the Property is "non-conforming" with respect to any zoning requirements. Borrower shall maintain "Coverage A" against loss on value to the undamaged portion of the Improvements for the full replacement cost of the Improvements. Borrower shall also maintain "Coverage B" against the cost of demolition in an amount equal to ten percent (10%) of the total value of the Improvements and "Coverage

C” against increased cost of reconstruction in an amount equal to twenty percent (20%) of the total value of the Improvements. The maximum deductible shall be \$25,000.00.

(d) Commercial General Liability Insurance against claims for personal injury, bodily injury, death and property damage occurring on, in or about the Premises or the Improvements in amounts not less than \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate plus umbrella coverage in an amount not less than \$25,000,000. Lender hereby retains the right to periodically review the amount of said liability insurance being maintained by Borrower and to require an increase in the amount of said liability insurance should Lender deem an increase to be reasonably prudent under then existing circumstances. The maximum deductible shall be \$25,000.00.

(e) Equipment breakdown (also known as boiler and machinery) insurance is required if steam boilers or other pressure-fired vessels are in operation at the Premises. Minimum liability coverage per accident must equal the greater of the replacement cost (insurable value) of the Improvements housing such boiler or pressure-fired machinery or \$2,000,000.00. If one or more large HVAC units is in operation at the Premises, “Systems Breakdowns” coverage shall be required, as determined by Lender. Minimum liability coverage per accident must equal the value of such unit(s). If available, a minimum of eighteen (18) months general business income coverage specifically relating to boiler and machinery damage shall be required. The maximum deductible shall be \$25,000.00. Co-insurance is prohibited.

(f) If the Improvements or any part thereof is situated in an area designated by the Federal Emergency Management Agency (“FEMA”) as a special flood hazard area (Zone A or Zone V), flood insurance in an amount equal to the lesser of: (i) the minimum amount required, under the terms of coverage, to compensate for any damage or loss on a replacement basis (or the unpaid balance of the Debt if replacement cost coverage is not available for the type of building insured), or (ii) the maximum insurance available under the appropriate National Flood Insurance Administration program. If available, a minimum of eighteen (18) months general business income coverage specifically relating to flood damage shall be required. The maximum deductible shall be \$3,000.00 per building or a higher minimum amount as required by FEMA or other applicable law.

(g) If the Property is situated in an area designated by FEMA as a high probability earthquake area (Zone 2b or greater), Lender may require a Probable Maximum Loss (“PML”) study to be conducted at the Property. If the PML study reveals a PML equal to or exceeding twenty percent (20%) of the full replacement cost of the Improvements, Borrower shall be required to maintain earthquake insurance in an amount equal to the PML percentage of full replacement cost of the Improvements. If available, a minimum of eighteen (18) months Business Income coverage specifically relating to earthquake damage shall be required. The maximum deductible shall be no more than five percent (5%) of the value at risk or the lowest deductible available in the State in which the Property is located.

(h) During the period of any construction, renovation or alteration of the existing Improvements which exceeds the lesser of 10% of the principal amount of the Note or \$750,000, at Lender’s request, a completed value, “All Risk” Builder’s Risk form or “Course of Construction” insurance policy in non-reporting form, in an amount approved by Lender, may be

required. During the period of any construction of any addition to the existing Improvements, a completed value, "All Risk" Builder's Risk form or "Course of Construction" insurance policy in non-reporting form, in an amount approved by Lender, shall be required. The maximum deductible shall be \$25,000.00.

(i) When required by applicable law, ordinance or other regulation, Worker's Compensation and Employer's Liability Insurance covering all persons subject to the worker's compensation laws of the state in which the Property is located. Additionally, if Borrower has direct employees, Hired and Non-Owned Auto Insurance is required in an amount equal to \$1,000,000 per occurrence. The maximum deductible shall be \$25,000.00.

(j) In addition to the specific risk coverages required herein, general business income (loss of rents) insurance in amounts sufficient to compensate Borrower for all Rents and Profits or income during a period of not less than eighteen (18) months. The "actual loss" amount of coverage shall be adjusted annually to reflect the greater of (i) estimated Rents and Profits or income payable during the succeeding eighteen (18) month period or (ii) the projected operating expenses, capital expenses and debt service for the Property as approved by Lender in its sole discretion. Additionally, Lender, in its sole discretion, may require an "Extended Period of Indemnity" endorsement for an additional six (6) months to allow for re-leasing of the Property. The maximum deductible shall be \$25,000.00.

(k) Such other insurance on the Property or on any replacements or substitutions thereof or additions thereto as may from time to time be required by Lender against other insurable hazards or casualties which at the time are commonly insured against in the case of property similarly situated including, without limitation, Sinkhole, Mine Subsidence and Environmental insurance, due regard being given to the height and type of buildings, their construction, location, use and occupancy.

All such insurance shall (i) be with insurers fully licensed and authorized to do business in the state within which the Premises is located and who have and maintain a rating of at least (A) A or higher from Standard & Poors and (B) AIX or higher from A.M. Best, (ii) contain the complete address of the Premises (or a complete legal description), (iii) be for terms of at least one year, with premium prepaid, and (iv) be subject to the approval of Lender as to insurance companies, amounts, content, forms of policies, method by which premiums are paid and expiration dates, and (v) include a standard, non-contributory, mortgagee clause naming EXACTLY:

(A) as an additional insured under all liability insurance policies, (B) as the first mortgagee on all property insurance policies and (C) as the loss payee on all loss of rents or loss of business income insurance policies.

Borrower shall, as of the date hereof, deliver to Lender evidence that said insurance policies have been prepaid as required above and certified copies of such insurance policies and original certificates of insurance signed by an authorized agent of the applicable insurance companies evidencing such insurance satisfactory to Lender. Borrower shall renew all such insurance and deliver to Lender an Acord 28 certificate for proof of commercial property insurance and an Acord 25 certificate for proof of liability insurance, together with such other certificates reasonably requested by Lender. Borrower further agrees that each such insurance policy: (i) shall provide for at least thirty (30) days' prior written notice to Lender prior to any policy reduction or cancellation for any reason other than non-payment of premium and at least ten (10) days' prior written notice to Lender prior to any cancellation due to non-payment of premium; (ii) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Lender in accordance with the terms of such policy notwithstanding any act or negligence of Borrower which might otherwise result in forfeiture of such insurance; (iii) shall waive all rights of subrogation against Lender; and (iv) may be in the form of a blanket policy provided that, in the event that any such coverage is provided in the form of a blanket policy, Borrower hereby acknowledges and agrees that failure to pay any portion of the premium therefor which is not allocable to the Property or by any other action not relating to the Property which would otherwise permit the issuer thereof to cancel the coverage thereof, would require the Property to be insured by a separate, single-property policy. The blanket policy must properly identify and fully protect the Property as if a separate policy were issued for 100% of Replacement Cost at the time of loss and otherwise meet all of Lender's applicable insurance requirements set forth in this Section 2.3. The delivery to Lender of the insurance policies or the certificates of insurance as provided above shall constitute an assignment of all proceeds payable under such insurance policies relating to the Property by Borrower to Lender as further security for the Debt. In the event of foreclosure of this Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the Debt, all right, title and interest of Borrower in and to all proceeds payable under such policies then in force concerning the Property shall thereupon vest in the purchaser at such foreclosure, or in Lender or other transferee in the event of such other transfer of title. Approval of any insurance by Lender shall not be a representation of the solvency of any insurer or the sufficiency of any amount of insurance. In the event Borrower fails to provide, maintain, keep in force or deliver and furnish to Lender the policies of insurance required by this Mortgage or evidence of their renewal as required herein, Lender may, but shall not be obligated to, procure such insurance and Borrower shall pay all amounts advanced by Lender therefor, together with interest thereon at the Default Interest Rate from and after the date advanced by Lender until actually repaid by Borrower, promptly upon demand by Lender. Any amounts so advanced by Lender, together with interest thereon, shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. Lender shall not be responsible for nor incur any liability for the insolvency of the insurer or other failure of the insurer to perform, even though Lender has caused the insurance to be placed with the insurer after failure of Borrower to furnish such insurance. Borrower shall not obtain insurance for the Property in addition to that required by Lender without the prior written consent of Lender, which consent will not be unreasonably withheld provided that (i) Lender is a named insured on such insurance, (ii) Lender receives complete copies of all policies evidencing such insurance, and (iii) such insurance complies with all of the applicable requirements set forth herein.

Section 2.4 Payment of Taxes. Borrower shall pay or cause to be paid, except to the extent provision is actually made therefor pursuant to Section 3.3 of this Mortgage, all taxes and assessments which are or may become a lien on the Property or which are assessed against or imposed upon the Property. Borrower shall furnish Lender with receipts (or if receipts are not immediately available, with copies of canceled checks evidencing payment with receipts to follow promptly after they become available) showing payment of such taxes and assessments at least fifteen (15) days prior to the applicable delinquency date therefor. Notwithstanding the foregoing, Borrower may, in good faith, by appropriate proceedings and upon notice to Lender, contest the validity, applicability or amount of any asserted tax or assessment so long as (a) such contest is diligently pursued, (b) Lender determines, in its subjective opinion, that such contest suspends the obligation to pay the tax and that nonpayment of such tax or assessment will not result in the sale, loss, forfeiture or diminution of the Property or any part thereof or any interest of Lender therein, and (c) prior to the earlier of the commencement of such contest or the delinquency date of the asserted tax or assessment, Borrower deposits in the Impound Account (as hereinafter defined) an amount determined by Lender to be adequate to cover the payment of such tax or assessment and a reasonable additional sum to cover possible interest, costs and penalties; provided, however, that Borrower shall promptly cause to be paid any amount adjudged by a court of competent jurisdiction to be due, with all interest, costs and penalties thereon, promptly after such judgment becomes final; and provided further that in any event each such contest shall be concluded and the taxes, assessments, interest, costs and penalties shall be paid prior to the date any writ or order is issued under which the Property may be sold, lost or forfeited.

Section 2.5 Casualty and Condemnation. Borrower shall give Lender prompt written notice of (i) the occurrence of any casualty affecting the Property or any portion thereof, (ii) the institution of any proceedings for eminent domain or for the condemnation of the Property or any portion thereof or (iii) any written notification threatening the institution of any proceedings for eminent domain or for the condemnation of the Property or any portion thereof or any written request to execute a deed in lieu of condemnation affecting the Property or any portion thereof. All insurance proceeds on the Property, and all causes of action, claims, compensation, awards and recoveries for any damage, condemnation or taking, or any deed in lieu of condemnation, affecting all or any part of the Property or for any damage or injury to it for any loss or diminution in value of the Property, are hereby assigned to and shall be paid to Lender. Lender may participate in any suits or proceedings relating to any such proceeds, causes of action, claims, compensation, awards or recoveries, and Lender is hereby authorized, in its own name or in Borrower's name, to adjust any loss covered by insurance or any condemnation claim or cause of action, and to settle or compromise any claim or cause of action in connection therewith, and Borrower shall from time to time deliver to Lender any instruments required to permit such participation; provided, however, that, so long as no Event of Default has occurred, and no event has occurred or failed to occur which with the passage of time, the giving of notice, or both would constitute an Event of Default (a "Default"), Lender shall not have the right to participate in the adjustment of any loss which is not in excess of the lesser of (i) five percent (5%) of the then outstanding principal balance of the Note and (ii) \$100,000. Lender shall apply any sums received by it under this Section first to the payment of all of its costs and expenses (including, but not limited to, reasonable legal fees and disbursements) incurred in obtaining those sums, and then, as follows:

(a) In the event that less than (x) fifteen percent (15%), in the case of condemnation, or thirty percent (30%), in the case of casualty, of the fair market value or net rentable square footage of the Improvements located on the Premises have been taken or destroyed and (y) Leases covering in the aggregate at least sixty-five percent (65%) of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such casualty or condemnation, whichever the case may be, and each Major Lease (as hereinafter defined) in effect as of such date shall remain in full force and effect during and after the completion of the restoration without abatement of rent beyond the time required for restoration, then if and so long as:

(1) no Default or Event of Default has occurred hereunder or under any of the other Loan Documents, and

(2) the Property can, in Lender's judgment, with diligent restoration or repair, be returned to a condition at least equal to the condition thereof that existed prior to the casualty or partial taking causing the loss or damage within the earlier to occur of (A) nine (9) months after the initial receipt of any insurance proceeds or condemnation awards by either Borrower or Lender but in any event prior to the expiration or lapse of rent loss or general business income necessary to satisfy current obligations of the Loan, and (B) six (6) months prior to the stated maturity date of the Note, and

(3) all necessary governmental approvals can be obtained to allow the rebuilding and reoccupancy of the Property as described in Section (a)(2) above, and

(4) there are sufficient sums available (through insurance proceeds or condemnation awards and contributions by Borrower, the full amount of which shall, at Lender's option, have been deposited with Lender) for such restoration or repair (including, without limitation, for any costs and expenses of Lender to be incurred in administering said restoration or repair) and for payment of principal and interest to become due and payable under the Note during such restoration or repair, and

(5) the economic feasibility of the Improvements after such restoration or repair will be such that income from their operation is reasonably anticipated to be sufficient to pay operating expenses of the Property and debt service on the Debt in full with the same coverage ratio considered by Lender in its determination to make the loan secured hereby, and

(6) in the event that the insurance proceeds or condemnation awards received as a result of such casualty or partial taking exceed the lesser of (i) five percent (5%) of the then outstanding principal balance of the Note and (ii) \$150,000, Borrower shall have delivered to Lender, at Borrower's sole cost and expense, an appraisal report in form and substance satisfactory to Lender appraising the value of the Property as proposed to be restored or repaired to be not less than the appraised value of the Property considered by Lender in its determination to make the loan secured hereby, and

(7) Borrower so elects by written notice delivered to Lender within five (5) days after settlement of the aforesaid insurance or condemnation claim.

Lender shall, solely for the purposes of such restoration or repair, advance so much of the remainder of such sums as may be required for such restoration or repair, and any funds deposited by Borrower therefor, to Borrower in the manner and upon such terms and conditions as would be required by a prudent interim construction lender, including, but not limited to, the prior approval by Lender of plans and specifications, contractors and form of construction contracts and the furnishing to Lender of permits, bonds, lien waivers, invoices, receipts and affidavits from contractors and subcontractors, in form and substance satisfactory to Lender in its discretion, with any remainder being applied by Lender for payment of the Debt in whatever order Lender directs in its absolute sole discretion, or at the discretion of Lender, the same may be paid, either in whole or in part, to, or for the benefit of, Borrower for such purposes as Lender shall designate in its discretion.

(b) In all other cases, namely, in the event that (x) more than fifteen percent (15%), in the case of condemnation, or thirty percent (30%), in the case of casualty, of the fair market value or net rentable square footage of the Improvements located on the Premises have been taken or destroyed, (y) Leases covering in the aggregate at least sixty-five percent (65%) of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such casualty or condemnation, whichever the case may be, and each Major Lease (as hereinafter defined) in effect as of such date will not remain in full force and effect during and after the completion of the restoration without abatement of rent beyond the time required for restoration, or (z) Borrower does not elect to restore or repair the Property pursuant to clause (a) above or otherwise fails to meet the requirements of clause (a) above, then, in any of such events, Lender shall elect, in Lender's absolute discretion and without regard to the adequacy of Lender's security to do either of the following: (1) accelerate the maturity date of the Note and declare any and all of the Debt to be immediately due and payable and apply the remainder of such sums received pursuant to this Section to the payment of the Debt in whatever order Lender directs in its absolute discretion, with any remainder being paid to Borrower, or (2) notwithstanding that Borrower may have elected not to restore or repair the Property pursuant to the provisions of Section 0:2.5(a)(7) above, so long as the proceeds of any such award with respect to any casualty or condemnation are made available to the Borrower for restoration, require Borrower to restore or repair the Property in the manner and upon such terms and conditions as would be required by a prudent interim construction lender, including, but not limited to, the deposit by Borrower with Lender, within thirty (30) days after demand therefor, of any deficiency reasonably determined by Lender to be necessary in order to assure the availability of sufficient funds to pay for such restoration or repair, including Lender's costs and expenses to be incurred in connection therewith, the prior approval by Lender of plans and specifications, contractors and form of construction contracts and the furnishing to Lender of permits, bonds, lien waivers, invoices, receipts and affidavits from contractors and subcontractors, in form and substance satisfactory to Lender in its discretion, and apply the remainder of such sums toward such restoration and repair, with any balance thereafter remaining being applied by Lender for payment of the Debt in whatever order Lender directs in its absolute sole discretion, or at the discretion of Lender, the same may be paid, either in whole or in part, to, or for the benefit of, Borrower for such purposes as Lender shall designate in its discretion.

Any reduction in the Debt resulting from Lender's application of any sums received by it hereunder shall take effect only when Lender actually receives such sums and elects to apply such sums to the Debt and, in any event, the unpaid portion of the Debt shall remain in full force and effect and Borrower shall not be excused in the payment thereof. Partial payments received by Lender, as described in the preceding sentence, shall be applied first to the final payment due under the Note and thereafter to installments due under the Note in the inverse order of their due date. If Borrower elects or Lender directs Borrower to restore or repair the Property after the occurrence of a casualty or partial taking of the Property as provided above, Borrower shall promptly and diligently, at Borrower's sole cost and expense and regardless of whether the insurance proceeds or condemnation award, as appropriate, shall be sufficient for the purpose, restore, repair, replace and rebuild the Property as nearly as possible to its value, condition and character immediately prior to such casualty or partial taking in accordance with the foregoing provisions and Borrower shall pay to Lender all costs and expenses of Lender incurred in administering said rebuilding, restoration or repair, provided that Lender makes such proceeds or award available for such purpose. Borrower agrees to execute and deliver from time to time such further instruments as may be requested by Lender to confirm the foregoing assignment to Lender of any award, damage, insurance proceeds, payment or other compensation. Lender is hereby irrevocably constituted and appointed the attorney-in-fact of Borrower (which power of attorney shall be irrevocable so long as any portion of the Debt is outstanding, shall be deemed coupled with an interest, shall survive the voluntary or involuntary dissolution of Borrower and shall not be affected by any disability or incapacity suffered by Borrower subsequent to the date hereof), with full power of substitution, subject to the terms of this Section, to settle for, collect and receive any such awards, damages, insurance proceeds, payments or other compensation from the parties or authorities making the same, to appear in and prosecute any proceedings therefor and to give receipts and acquittances therefor.

Section 2.6 Construction Liens. Borrower shall pay when due all claims and demands of mechanics, materialmen, laborers and others for any work performed or materials delivered for the Premises or the Improvements; provided, however, that, Borrower shall have the right to contest in good faith any such claim or demand, so long as it does so diligently, by appropriate proceedings and without prejudice to Lender and provided that neither the Property nor any interest therein would be in any danger of sale, loss or forfeiture as a result of such proceeding or contest. In the event Borrower shall contest any such claim or demand, Borrower shall promptly notify Lender of such contest and thereafter shall, upon Lender's request, promptly provide a bond, cash deposit or other security satisfactory to Lender to protect Lender's interest and security should the contest be unsuccessful. If Borrower shall fail to immediately discharge or provide security against any such claim or demand as aforesaid, Lender may do so and any and all expenses incurred by Lender, together with interest thereon at the Default Interest Rate from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt.

Section 2.7 Rents and Profits. As additional and collateral security for the payment of the Debt and cumulative of any and all rights and remedies herein provided for, Borrower hereby absolutely and presently assigns to Lender all existing and future Rents and Profits. Borrower hereby grants to Lender the sole, exclusive and immediate right, without taking possession of the Property, to demand, collect (by suit or otherwise), receive and give

valid and sufficient receipts for any and all of said Rents and Profits, for which purpose Borrower does hereby irrevocably make, constitute and appoint Lender its attorney-in-fact with full power to appoint substitutes or a trustee to accomplish such purpose (which power of attorney shall be irrevocable so long as any portion of the Debt is outstanding, shall be deemed to be coupled with an interest, shall survive the voluntary or involuntary dissolution of Borrower and shall not be affected by any disability or incapacity suffered by Borrower subsequent to the date hereof). Lender shall be without liability for any loss which may arise from a failure or inability to collect Rents and Profits, proceeds or other payments. However, until the occurrence of an Event of Default under this Mortgage or under any other of the Loan Documents, Borrower shall have a license to collect, receive, use and enjoy the Rents and Profits when due and prepayments thereof for not more than one (1) month prior to due date thereof. Upon the occurrence of an Event of Default, Borrower's license shall automatically terminate without notice to Borrower and Lender may thereafter, without taking possession of the Property, collect the Rents and Profits itself or by an agent or receiver. From and after the termination of such license, Borrower shall be the agent of Lender in collection of the Rents and Profits, and all of the Rents and Profits so collected by Borrower shall be held in trust by Borrower for the sole and exclusive benefit of Lender, and Borrower shall, within one (1) business day after receipt of any Rents and Profits, pay the same to Lender to be applied by Lender as hereinafter set forth. Neither the demand for or collection of Rents and Profits by Lender shall constitute any assumption by Lender of any obligations under any agreement relating thereto. Lender is obligated to account only for such Rents and Profits as are actually collected or received by Lender. Borrower irrevocably agrees and consents that the respective payors of the Rents and Profits shall, upon demand and notice from Lender of an Event of Default, pay said Rents and Profits to Lender without liability to determine the actual existence of any Event of Default claimed by Lender. Borrower hereby waives any right, claim or demand which Borrower may now or hereafter have against any such payor by reason of such payment of Rents and Profits to Lender, and any such payment shall discharge such payor's obligation to make such payment to Borrower. All Rents collected or received by Lender may be applied against all expenses of collection, including, without limitation, reasonable attorneys' fees, against costs of operation and management of the Property and against the Debt, in whatever order or priority as to any of the items so mentioned as Lender directs in its sole subjective discretion and without regard to the adequacy of its security. Neither the exercise by Lender of any rights under this Section nor the application of any Rents to the Debt shall cure or be deemed a waiver of any Event of Default. The assignment of Rents and Profits hereinabove granted shall continue in full force and effect during any period of foreclosure or redemption with respect to the Property. Borrower has executed an Assignment of Leases and Rents dated of even date herewith (the "Lease Assignment") in favor of Lender covering all of the right, title and interest of Borrower, as landlord, lessor or licensor, in and to any Leases. All rights and remedies granted to Lender under the Lease Assignment shall be in addition to and cumulative of all rights and remedies granted to Lender hereunder.

Section 2.8 Leases.

(a) Borrower covenants and agrees that it shall not enter into any retail Lease (i) affecting 5,000 square feet or more of the Property or (ii) having a term of ten (10) years or more (inclusive of any renewals or extensions) (each, a "Major Lease") without the prior written approval of Lender, which approval shall not be unreasonably withheld. The request for

approval of each such proposed new Lease shall be made to Lender in writing and shall state that, pursuant to the terms of this Mortgage, failure to approve or disapprove such proposed Lease within fifteen (15) business days is deemed approval and Borrower shall furnish to Lender (and any loan servicer specified from time to time by Lender): (i) such biographical and financial information about the proposed Tenant as Lender may require in conjunction with its review, (ii) a copy of the proposed form of Lease, and (iii) a summary of the material terms of such proposed Lease (including, without limitation, rental terms and the term of the proposed lease and any options). It is acknowledged that Lender intends to include among its criteria for approval of any such proposed Lease the following: (i) such Lease shall be with a bona-fide arm's-length Tenant; (ii) such Lease shall not contain any rental or other concessions which are not then customary and reasonable for similar properties and Leases in the market area of the Premises; (iii) such Lease shall provide that the Tenant pays for its expenses; (iv) the rental shall be at least at the market rate then prevailing for similar properties and leases in the market areas of the Premises; and (v) such Lease shall contain subordination and attornment provisions in form and content acceptable to Lender. Failure of Lender to approve or disapprove any such proposed Lease within fifteen (15) business days after receipt of such written request and all the documents and information required to be furnished to Lender with such request shall be deemed approval, provided that the written request for approval specifically mentioned the same.

(b) Prior to execution of any Leases of space in the Improvements after the date hereof, Borrower shall submit to Lender, for Lender's prior approval, which approval shall not be unreasonably withheld, a copy of the form Lease Borrower plans to use in leasing space in the Improvements or at the Property in a form for commercial/retail leases as set forth on Exhibit B-1 and for residential leases as set forth in Exhibit B-2, both attached hereto. All such Leases of space in the Improvements or at the Property shall be on terms consistent with the terms for similar leases in the market area of the Premises, shall provide for free rent on ly if the same is consistent with prevailing market conditions and shall provide for market rents then prevailing in the market area of the Premises. Such Leases shall also provide for security deposits in reasonable amounts consistent with prevailing market conditions. Borrower shall also submit to Lender for Lender's approval, which approval shall not be unreasonably withheld, prior to the execution thereof, any proposed Lease of the Improvements or any portion thereof that differs materially and adversely from the aforementioned form Lease. Borrower shall not execute any Lease for all or a substantial portion of the Property, except for an actual occupancy by the Tenant, lessee or licensee thereunder, and shall at all times promptly and faithfully perform, or cause to be performed, all of the covenants, conditions and agreements contained in all Leases with respect to the Property, now or hereafter existing, on the part of the landlord, lessor or licensor thereunder to be kept and performed. Borrower shall furnish to Lender, within ten (10) days after a request by Lender to do so, but in any event by January 1 of each year, a current Rent Roll, certified by Borrower as being true and correct, containing the names of all Tenants with respect to the Property, the terms of their respective Leases, the spaces occupied and the rentals or fees payable thereunder and the amount of each Tenant's security deposit. Upon the request of Lender, Borrower shall deliver to Lender a copy of each such Lease. Borrower shall not do or suffer to be done any act, or omit to take any action, that might result in a default by the landlord, lessor or licensor under any such Lease or allow the Tenant thereunder to withhold payment of rent or cancel or terminate same and shall not further assign any such Lease or any such Rents and Profits. Borrower, at no cost or expense to Lender, shall enforce, short of termination, the performance and observance of each and every condition and covenant of each

of the parties under such Leases and Borrower shall not anticipate, discount, release, waive, compromise or otherwise discharge any rent payable under any of the Leases. Borrower shall not, without the prior written consent of Lender, modify any of the Leases, terminate or accept the surrender of any Leases, waive or release any other party from the performance or observance of any obligation or condition under such Leases except, with respect only to Leases which are not Major Leases, in the normal course of business in a manner which is consistent with sound and customary leasing and management practices for similar properties in the community in which the Property is located. Lender reserves the right to condition its consent to any termination or surrender of any Lease upon the payment to Lender of any lease termination or other payment due from the applicable tenant in connection with such termination or surrender. Borrower and Lender agree that all such sums paid to Lender shall be held by Lender as a tenant improvement and leasing commission reserve and shall be considered a "Reserve" as described in Section 3.1 hereof and all such amounts shall be held, maintained, applied and disbursed in accordance with Lender's standard procedures relating to similar reserves. Borrower shall not permit the prepayment of any rents under any of the Leases for more than one (1) month prior to the due date thereof.

(c) Each Lease executed after the date hereof affecting any of the Premises or the Improvements must provide, in a manner approved by Lender, that the Tenant will recognize as its landlord, lessor or licensor, as applicable, and attorn to any person succeeding to the interest of Borrower upon any foreclosure of this Mortgage or deed in lieu of foreclosure. Each such Lease shall also provide that, upon request of said successor-in-interest, the Tenant shall execute and deliver an instrument or instruments confirming its attornment as provided for in this Section; provided, however, that neither Lender nor any successor-in-interest shall be bound by any payment of rent for more than one (1) month in advance, or any amendment or modification of said Lease made without the express written consent of Lender or said successor-in-interest.

(d) Upon the occurrence of an Event of Default under this Mortgage, whether before or after the whole principal sum secured hereby is declared to be immediately due or whether before or after the institution of legal proceedings to foreclose this Mortgage, forthwith, upon demand of Lender, Borrower shall surrender to Lender, and Lender shall be entitled to take actual possession of, the Property or any part thereof personally, or by its agent or attorneys. In such event, Lender shall have, and Borrower hereby gives and grants to Lender, the right, power and authority to make and enter into Leases with respect to the Property or portions thereof for such rents and for such periods of occupancy and upon conditions and provisions as Lender may deem desirable in its sole discretion, and Borrower expressly acknowledges and agrees that the term of any such Lease may extend beyond the date of any foreclosure sale of the Property, it being the intention of Borrower that in such event Lender shall be deemed to be and shall be the attorney-in-fact of Borrower for the purpose of making and entering into Leases of parts or portions of the Property for the rents and upon the terms, conditions and provisions deemed desirable to Lender in its sole discretion and with like effect as if such Leases had been made by Borrower as the owner in fee simple of the Property free and clear of any conditions or limitations established by this Mortgage. The power and authority hereby given and granted by Borrower to Lender shall be deemed to be coupled with an interest, shall not be revocable by Borrower so long as any portion of the Debt is outstanding, shall survive the voluntary or involuntary dissolution of Borrower and shall not be affected by any disability or incapacity suffered by Borrower subsequent to the date hereof. In connection with any action taken by

Lender pursuant to this Section, Lender shall not be liable for any loss sustained by Borrower resulting from any failure to let the Property, or any part thereof, or from any other act or omission of Lender in managing the Property, nor shall Lender be obligated to perform or discharge any obligation, duty or liability under any Lease covering the Property or any part thereof or under or by reason of this instrument or the exercise of rights or remedies hereunder. Borrower shall, and does hereby, indemnify Lender for, and hold Lender harmless from, any and all claims, actions, demands, liabilities, loss or damage which may or might be incurred by Lender under any such Lease or under this Mortgage or by the exercise of rights or remedies hereunder and from any and all claims and demands whatsoever which may be asserted against Lender by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any such Lease other than those finally determined by a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of Lender. Should Lender incur any such liability, the amount thereof, including, without limitation, costs, expenses and reasonable attorneys' fees, together with interest thereon at the Default Interest Rate from the date incurred by Lender until actually paid by Borrower, shall be immediately due and payable to Lender by Borrower on demand and shall be secured hereby and by all of the other Loan Documents securing all or any part of the Debt. Nothing in this Section shall impose on Lender any duty, obligation or responsibility for the control, care, management or repair of the Property, or for the carrying out of any of the terms and conditions of any such Lease, nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the Tenants or by any other parties or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property. Borrower hereby assents to, ratifies and confirms any and all actions of Lender with respect to the Property taken under this Section.

(e) If requested by Lender, Borrower shall furnish, or shall cause the applicable tenant to furnish, to Lender financial data and/or financial statements in accordance with Regulation AB (as defined herein) for any tenant of any Property if, in connection with a securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected to be included, as applicable, in such securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor (as defined herein); provided, however, that in the event the related lease does not require the related tenant to provide the foregoing information, Borrower shall use commercially reasonable efforts to cause the applicable tenant to furnish such information.

Section 2.9 Alienation and Further Encumbrances.

(a) Borrower acknowledges that Lender has relied upon the principals of Borrower and their experience in owning and operating the Property and properties similar to the Property in connection with the closing of the loan evidenced by the Note. Accordingly, except as specifically allowed hereinbelow in this Section and notwithstanding anything to the contrary contained in Section 6.6 hereof, in the event that the Property or any part thereof or direct or indirect interest therein or direct or indirect interest in Borrower shall be sold, conveyed, disposed of, alienated, hypothecated, leased (except to Tenants of space in the Improvements in accordance with the provisions of Section 2.8 hereof), assigned, pledged, mortgaged, further encumbered or otherwise transferred or Borrower shall be divested of its title to the Property or

any direct or indirect interest therein, in any manner or way, whether voluntarily or involuntarily (each, a “Transfer”), without the prior written consent of Lender being first obtained, which consent may be withheld in Lender’s sole discretion, then the same shall constitute an Event of Default and Lender shall have the right, at its option, to declare any or all of the Debt, irrespective of the maturity date specified in the Note, immediately due and payable and to otherwise exercise any of its other rights and remedies contained in Article V hereof.

(b) A Transfer within the meaning of this Section 2.9 shall be deemed to include, among other things: (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; and (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower’s right, title and interest in and to any Leases or any Rents and Profits.

(c) Notwithstanding the foregoing, the following Transfers shall be permitted under this Section 2.9 without the prior consent of Lender: (i) a Transfer of corporate stock, partnership interests (other than the general partner’s direct interests in Borrower owned by any SPE Equity Owner) and/or membership interests (other than the managing member’s direct interests in Borrower owned by any SPE Equity Owner) in Borrower, or in any partner or member of Borrower, or any direct or indirect legal or beneficial owner of Borrower, so long as following such Transfer (whether in one or a series of transactions) or, with respect to any creation or issuance of new limited partnership interests or membership interests, not more than 49% of the beneficial economic interest in Borrower (whether directly or indirectly) has been transferred in the aggregate and there is no Change of Control and the persons responsible for the day to day management of the Property and Borrower remain unchanged following such Transfer, (ii) any involuntary Transfer caused by the death of Borrower, or any partner, shareholder, joint venturer, member or beneficial owner of a trust, or any direct or indirect legal or beneficial owner of Borrower, so long as Borrower is promptly reconstituted, if required, following such death and so long as there is no Change of Control and those persons responsible for the day to day management of the Property and Borrower remain unchanged as a result of such death or any replacement management or controlling parties are approved by Lender, (iii) a Transfer comprised of gifts for estate planning purposes of any individual’s interests in Borrower, or in any of Borrower’s partners, members, shareholders, beneficial owners of a trust or joint venturers, or any direct or indirect legal or beneficial owner of Borrower, to the spouse or any lineal descendant of such individual, or to a trust for the benefit of any one or more of such individual, spouse or lineal descendant, so long as Borrower is reconstituted promptly, if required, following such gift and so long as there is no Change of Control and those persons responsible for the day to day management of the Property and Borrower remain unchanged following such gift, (iv) transfers of stock in Acadia Realty Trust as traded on the New York Stock Exchange, (v) a Transfer of 100% of the membership interests of Acadia Realty Limited Partnership in Borrower and Acadia 239 Greenwich Avenue, LLC, the sole general partner of Borrower (“Sole General Partner”), to Aberdeen-239, LLC, a Connecticut limited liability company (“Aberdeen”), provided prior to the consummation of such Transfer Lender has obtained satisfactory legal due diligence searches on James Cummings, including, but not limited to, credit, bankruptcy, litigation, tax lien, judgment and UCC searches at Borrower’s expense, which searches must be satisfactory to Lender in all respects before any such Transfer under this Section 2.9(c)(v) may be consummated and provided further that after such Transfer James

Cummings owns 50% or more of the membership interests in Aberdeen and controls the management of Aberdeen, (vi) a Transfer by Aberdeen of 100% of its partnership interest in Borrower to General Partner or a related subsidiary or parent of General Partner, (vii) a transfer by General Partner of 100% of its partnership interest in Borrower to Aberdeen provided prior to the consummation of such Transfer Lender has obtained satisfactory legal due diligence searches on James Cummings, including, but not limited to, credit, bankruptcy, litigation, tax lien, judgment and UCC searches at Borrower's expense, which searches must be satisfactory to Lender in all respects before any such Transfer under this Section 2.9(c)(vii) may be consummated and provided further that after such Transfer James Cummings owns 50% or more of the membership interests in Aberdeen and controls the management of Aberdeen and (viii) one or more Transfers of the membership interests in Aberdeen provided after each such Transfer James Cummings owns 50% or more of the membership interests in Aberdeen and controls the management of Aberdeen. For purposes of this Section 2.9(c), "Change of Control" shall mean a change in the identity of the individual or entities or group of individuals or entities who have the right, by virtue of any partnership agreement, articles of incorporation, by-laws, articles of organization, operating agreement or any other agreement, with or without taking any formative action, to cause Borrower to take some action or to prevent, restrict or impede Borrower from taking some action which, in either case, Borrower could take or could refrain from taking were it not for the rights of such individuals. "Control" shall mean the right, by virtue of any partnership agreement, articles of incorporation, by-laws, articles of organization, operating agreement or any other agreement, with or without taking any formative action, to cause Borrower to take some action or to prevent, restrict or impede Borrower from taking some action which, in either case, Borrower could take or could refrain from taking were it not for the rights of such individuals. No fees, legal opinions or No-Downgrade Confirmations (as hereinafter defined) shall be required for any of the permitted transfers in this Section 2.9(c).

(d) Notwithstanding the foregoing provisions of this Section, Lender shall consent to (x) one or more Transfers of the Property in its entirety, or (y) one or more Transfers of direct or indirect interests in the Borrower for which consent is required under this Section 2.9 (any such hereinafter, a "Sale") to any person or entity provided that, for each Sale, each of the following terms and conditions are satisfied:

In determining whether to give or withhold its approval of the proposed Buyer, Lender shall consider the Buyer's experience and track record in owning and operating facilities similar to the Property, the Buyer's financial strength, the Buyer's general business standing and the Buyer's relationships and experience with contractors, vendors, tenants, lenders and other business entities; provided, however, that, notwithstanding Lender's agreement to consider the foregoing factors in determining whether to give or withhold such approval, such approval shall be given or withheld based on what Lender determines to be commercially reasonable in Lender's sole discretion and, if given, may be given subject to such conditions as Lender may deem appropriate For Loans of less than \$50,000,000: provided, further, however, notwithstanding the foregoing, Lender shall evaluate the proposed Buyer and any replacement Indemnitator pursuant to this clause (d) as if it were evaluating an initial extension of credit to a borrower pursuant to permanent market underwriting standards and without regard to the financial or other condition of the Borrower or any current Indemnitator and without regard to the impact on the trust which owns the Loan in connection with any Secondary Market Transaction or any class of Securities issued thereunder;

(3) Borrower pays Lender, concurrently with the closing of such Sale, a non-refundable assumption fee in an amount equal to one percent (1.0%) of the then outstanding principal balance of the Note plus an amount equal to all out-of-pocket costs and expenses, including, without limitation, reasonable attorneys' fees and Rating Agency fees, incurred by Lender in connection with the Sale;

(4) In the event that such Sale is a Transfer of the Property in its entirety, the Buyer assumes and agrees to pay the Debt subject to the provisions of Section 6.27 hereof and, in all cases (whether such Sale is a Transfer of the Property in its entirety or a Transfer of direct or indirect interests in the Borrower for which consent is required under this Section 2.9), prior to or concurrently with the closing of such Sale, the Buyer executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate said assumption and delivers such legal opinions (including, without limitation, a REMIC opinion) as Lender may require;

(8) Borrower and any current Indemnitor execute and deliver to Lender, without any cost or expense to Lender, a release of Lender, its officers, directors, employees and agents, from all claims and liability relating to the transactions evidenced by the Loan Documents, through and including the date of the closing of the Sale, which agreement shall be in form and substance satisfactory to Lender and shall be binding upon the Buyer and any new Indemnitor;

(9) Subject to the provisions of Section 6.27 hereof, such Sale is not construed so as to relieve Borrower of any personal liability under the Note or any of the other Loan Documents for any acts or events occurring or obligations arising prior to or simultaneously with the closing of such Sale, whether or not same is discovered prior or subsequent to the closing of such Sale, and Borrower executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate the ratification of said personal liability. In the event that such Transfer is a Sale of the Property in its entirety, Borrower shall be released from and relieved of any personal liability under the Note or any of the other Loan Documents for any acts or events occurring or obligations arising after the closing of such Sale which are not caused by or arising out of any acts or events occurring or obligations arising prior to or simultaneously with the closing of such Sale;

(11) The Buyer shall furnish, if the Buyer is a corporation, partnership or other entity, all appropriate papers evidencing the Buyer's capacity and good standing, and the qualification of the signers to execute the assumption of the Debt, which papers shall include certified copies of all documents relating to the organization and formation of the Buyer and of the entities, if any, which are partners of the Buyer. In the event that such Sale is a Transfer of the Property in its entirety, the Buyer shall be a Single Purpose Entity whose formation documents shall be approved by counsel to Lender, and who shall comply with the requirements set forth in Section 2.29 hereof;

(12) Borrower delivers to Lender confirmation in writing (a "No-Downgrade Confirmation") from each Rating Agency that such Sale will not result in a qualification, downgrade or withdrawal of any ratings issued in connection with any Secondary Market Transaction (as hereinafter defined) or, in the event the Secondary Market Transaction has not yet occurred, Lender shall, in its sole discretion, have approved the Sale;

(13) The applicable transfer will not result in an increase in the real property taxes for the Premises and Improvements that would cause the debt service coverage ratio of the Debt with respect to the immediately succeeding twelve (12) month period to be less than the debt service coverage ratio of the Debt for the twelve (12) month period immediately preceding such transfer, in each case as determined by Lender; and

(14) Borrower delivers to Lender an opinion with respect to substantive non-consolidation opinion after giving effect to such transfer in form and substance and from a law firm acceptable to Lender and the Rating Agencies.

Section 2.11 Access Privileges and Inspections. Lender and the agents, representatives and employees of Lender shall, subject to the rights of Tenants, have full and free access to the Premises and the Improvements and any other location where books and records concerning the Property are kept at all reasonable times and, except in the event of an emergency, upon not less than 24 hours prior notice (which notice may be telephonic) for the purposes of inspecting the Property and of examining, copying and making extracts from the books and records of Borrower relating to the Property. Borrower shall lend assistance to all such agents, representatives and employees of Lender.

Lender reserves the right to condition its consent to any material alteration, removal, demolition or new construction on the following: (i) such conditions as would be required by a prudent interim construction lender, including, but not limited to, the prior approval by Lender of plans and specifications, construction budgets, contractors and form of construction contracts and the furnishing to Lender of evidence regarding funds, permits, approvals bonds, insurance, lien waivers, title endorsements, appraisals, surveys, certificates of occupancy, certificates regarding completion, invoices, receipts and affidavits from contractors and subcontractors, in form and substance satisfactory to Lender in its discretion, (ii) the delivery of an opinion from counsel satisfactory to Lender in its discretion and in form and substance satisfactory to Lender in its discretion opining as to such matters as Lender may reasonably require, including, without limitation, an opinion that such alteration, removal, demolition or new construction will not have an adverse effect on the status of any trust formed in connection with a Secondary Market Transaction a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code ("REMIC"), and (iii) Borrower's agreement to pay all fees, costs and expenses incurred by Lender in granting such consent, including, without limitation, reasonable attorneys' fees and expenses.

Borrower shall keep all licenses, permits, franchises and other approvals necessary for the operation of the Property in full force and effect. Borrower shall operate the Property as a mixed retail/residential project for so long as the Debt is outstanding. If, under applicable zoning provisions, the use of all or any part of the Premises or the Improvements is or becomes a nonconforming use, Borrower shall not cause or permit such use to be discontinued or abandoned without the prior written consent of Lender. Further, without Lender's prior written consent, Borrower shall not file or subject any part of the Premises or the Improvements to any declaration of condominium or co-operative or convert any

part of the Premises or the Improvements to a condominium, co-operative or other form of multiple ownership and governance.

Borrower shall keep accurate books and records of account of the Property and its own financial affairs sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles. Lender and its duly authorized representatives shall have the right to examine, copy and audit Borrower's records and books of account at all reasonable times. So long as this Mortgage continues in effect, Borrower shall provide to Lender, in addition to any other financial statements required hereunder or under any of the other Loan Documents, the following financial statements and information, all of which must be certified to Lender as being true and correct by Borrower or the person or entity to which they pertain, as applicable, and, with respect to the financial statements and information set forth in subsection (d) hereof, compiled by an independent certified public accountant, be prepared in accordance with the income tax basis of accounting consistently applied and be in form and substance acceptable to Lender:

(e) such other information with respect to the Property, Borrower, the principals or general partners in Borrower and each Indemnitee, which may be reasonably requested from time to time by Lender, within a reasonable time after the applicable request.

If, at the time one or more Disclosure Documents are being prepared for a securitization, Lender expects that Borrower alone or Borrower and one or more affiliates of Borrower collectively, or the Property alone or the Property and any other parcel(s) of real property, together with improvements thereon and personal property related thereto, that is "related", within the meaning of the definition of Significant Obligor, to the Property (a "Related Property," collectively, will be a Significant Obligor, Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB and meeting the requirements thereof, if Lender expects that the principal amount of the Loan, together with any loans made to an affiliate of Borrower or secured by a Related Property that is included in a securitization with the Loan (a "Related Loan"), as of the cut-off date for such

Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after notice from Lender in connection with the preparation of Disclosure Documents for the securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than seventy-five (75) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Securities Exchange Act of 1934 in connection with or relating to the securitization (an "Exchange Act Filing") is not required. As used herein, "Regulation AB" shall mean Regulation AB under the Securities Act of 1933 and the Securities Exchange Act of 1934 (as amended). As used herein, "Disclosure Document" shall mean a prospectus, prospectus supplement, private placement memorandum, or similar offering memorandum or offering circular, in each case in preliminary or final form, used to offer securities in connection with a securitization. As used herein, "Significant Obligor" shall have the meaning set forth in Item 1101(k) of Regulation AB.

If any of the aforementioned materials are not furnished to Lender within the applicable time periods, are not prepared in accordance with generally accepted accounting principles or Lender is dissatisfied with the form of any of the foregoing and has notified Borrower of its dissatisfaction, in addition to any other rights and remedies of Lender contained herein and provided Lender has given Borrower at least ten (10) days notice of such failure and opportunity to cure, (i) Borrower shall pay to Lender upon demand, at Lender's option and in its sole discretion, an amount equal to \$2,500 per reporting period, and (ii) Lender shall have the right, but not the obligation, to obtain the same by means of an audit by an independent certified public accountant selected by Lender, in which event Borrower agrees to pay, or to reimburse Lender for, any expense of such audit and further agrees to provide all necessary information to said accountant and to otherwise cooperate in the making of such audit.

Section 2.15 Further Assurances. Borrower shall, on the request of Lender and at the expense of Borrower: (a) promptly correct any defect, error or omission which may be discovered in the contents of this Mortgage or in the contents of any of the other Loan Documents; (b) promptly execute, acknowledge, deliver and record or file such further instruments (including, without limitation, further mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements and assignments of rents or leases) and promptly do such further acts as may be necessary, desirable or proper to carry out more effectively the purposes of this Mortgage and the other Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof and

thereof to be covered hereby and thereby, including specifically, but without limitation, any renewals, additions, substitutions, replacements or appurtenances to the Property; (c) promptly execute, acknowledge, deliver, procure and record or file any document or instrument (including specifically, without limitation, any financing statement) deemed advisable by Lender to protect, continue or perfect the liens or the security interests hereunder against the rights or interests of third persons; and (d) promptly furnish to Lender, upon Lender's request, a duly acknowledged written statement and estoppel certificate addressed to such party or parties as directed by Lender and in form and substance supplied by Lender, setting forth all amounts due under the Note, stating whether any Default or Event of Default has occurred hereunder, stating whether any offsets or defenses exist against the Debt and containing such other matters as Lender may reasonably require.

Section 2.16 Payment of Costs; Reimbursement to Lender. Borrower shall pay all costs and expenses of every character reasonably incurred in connection with the closing of the loan evidenced by the Note and secured hereby, attributable or chargeable to Borrower as the owner of the Property or otherwise attributable to any consent requested of Lender or any Rating Agency under the terms hereof or any other Loan Document, including, without limitation, customary servicing and consent fees, appraisal fees, recording fees, documentary, stamp, mortgage or intangible taxes, brokerage fees and commissions, title policy premiums and title search fees, uniform commercial code/tax lien/litigation search fees, escrow fees, consultants' fees, No-Downgrade Confirmations and reasonable attorneys' fees. If Borrower defaults in any such payment, which default is not cured within any applicable grace or cure period, Lender may pay the same and Borrower shall reimburse Lender on demand for all such costs and expenses incurred or paid by Lender, together with such interest thereon at the Default Interest Rate from and after the date of Lender's making such payment until reimbursement thereof by Borrower. Any such sums disbursed by Lender, together with such interest thereon, shall be additional indebtedness of Borrower secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. Further, Borrower shall promptly notify Lender in writing of any litigation or threatened litigation affecting the Property, or any other demand or claim which, if enforced, could impair or threaten to impair Lender's security hereunder. Without limiting or waiving any other rights and remedies of Lender hereunder, if Borrower fails to perform any of its covenants or agreements contained in this Mortgage or in any of the other Loan Documents and such failure is not cured within any applicable grace or cure period, or if any action or proceeding of any kind (including, but not limited to, any bankruptcy, insolvency, arrangement, reorganization or other debtor relief proceeding) is commenced which might affect Lender's interest in the Property or Lender's right to enforce its security, then Lender may, at its option, with or without notice to Borrower, make any appearances, disburse any sums and take any actions as may be necessary or desirable to protect or enforce the security of this Mortgage or to remedy the failure of Borrower to perform its covenants and agreements (without, however, waiving any default of Borrower). Borrower agrees to pay on demand all expenses of Lender incurred with respect to the foregoing (including, but not limited to, reasonable fees and disbursements of counsel), together with interest thereon at the Default Interest Rate from and after the date on which Lender incurs such expenses until reimbursement thereof by Borrower. Any such expenses so incurred by Lender, together with interest thereon as provided above, shall be additional indebtedness of Borrower secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. The necessity for any such actions and of the amounts to be paid shall be determined by Lender in its discretion. Lender is hereby empowered

to enter and to authorize others to enter upon the Property or any part thereof for the purpose of performing or observing any such defaulted term, covenant or condition without thereby becoming liable to Borrower or any person in possession holding under Borrower. Borrower hereby acknowledges and agrees that the remedies set forth in this Section 2.16 shall be exercisable by Lender, and any and all payments made or costs or expenses incurred by Lender in connection therewith shall be secured hereby and shall be, without demand, immediately repaid by Borrower with interest thereon at the Default Interest Rate, notwithstanding the fact that such remedies were exercised and such payments made and costs incurred by Lender after the filing by Borrower of a voluntary case or the filing against Borrower of an involuntary case pursuant to or within the meaning of the Bankruptcy Reform Act of 1978, as amended, Title 11 U.S.C., or after any similar action pursuant to any other debtor relief law (whether statutory, common law, case law or otherwise) of any jurisdiction whatsoever, now or hereafter in effect, which may be or become applicable to Borrower, Lender, any Indemnitee, the Debt or any of the Loan Documents. Borrower hereby indemnifies and holds Lender harmless from and against all loss, cost and expenses with respect to any Event of Default hereof, any liens (i.e., judgments, mechanics' and materialmen's liens, or otherwise), charges and encumbrances filed against the Property, and from any claims and demands for damages or injury, including claims for property damage, personal injury or wrongful death, arising out of or in connection with any accident or fire or other casualty on the Premises or the Improvements or any nuisance made or suffered thereon, except those that are due to Lender's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction, including, without limitation, in any case, reasonable attorneys' fees, costs and expenses as aforesaid, whether at pretrial, trial or appellate level, and such indemnity shall survive payment in full of the Debt. This Section shall not be construed to require Lender to incur any expenses, make any appearances or take any actions.

Section 2.17 Security Interest. This Mortgage is also intended to encumber and create a security interest in, and Borrower hereby grants to Lender a security interest in, all sums on deposit with Lender pursuant to the provisions of Article III hereof or any other Section hereof or of any other Loan Document and all fixtures, chattels, accounts, equipment, inventory, contract rights, general intangibles and other personal property included within the Property, all renewals, replacements of any of the aforementioned items, or articles in substitution therefor or in addition thereto or the proceeds thereof (said property is hereinafter referred to collectively as the "Collateral"), whether or not the same shall be attached to the Premises or the Improvements in any manner. It is hereby agreed that to the extent permitted by law, all of the foregoing property is to be deemed and held to be a part of and affixed to the Premises and the Improvements. The foregoing security interest shall also cover Borrower's leasehold interest in any of the foregoing property which is leased by Borrower. Notwithstanding the foregoing, all of the foregoing property shall be owned by Borrower and no leasing or installment sales or other financing or title retention agreement in connection therewith shall be permitted without the prior written approval of Lender. Borrower shall, from time to time upon the request of Lender, supply Lender with a current inventory of all of the property in which Lender is granted a security interest hereunder, in such detail as Lender may reasonably require. Borrower shall promptly replace all of the Collateral subject to the lien or security interest of this Mortgage when worn or obsolete with Collateral comparable to the worn out or obsolete Collateral when new and will not, without the prior written consent of Lender, remove from the Premises or the Improvements any of the Collateral subject to the lien or security interest of this Mortgage except such as is replaced by an article of equal suitability and value as above provided, owned

by Borrower free and clear of any lien or security interest except that created by this Mortgage and the other Loan Documents. All of the Collateral shall be kept at the location of the Premises except as otherwise required by the terms of the Loan Documents. Borrower shall not use any of the Collateral in violation of any applicable statute, ordinance or insurance policy.

Section 2.18 Security Agreement. This Mortgage constitutes a security agreement between Borrower and Lender with respect to the Collateral in which Lender is granted a security interest hereunder, and, cumulative of all other rights and remedies of Lender hereunder, Lender shall have all of the rights and remedies of a secured party under any applicable Uniform Commercial Code. Borrower hereby agrees to execute and deliver on demand and hereby irrevocably constitutes and appoints Lender the attorney-in-fact of Borrower to execute and deliver and, if appropriate, to file with the appropriate filing officer or office, such security agreements, financing statements, continuation statements or other instruments as Lender may request or require in order to impose, perfect or continue the perfection of the lien or security interest created hereby. To the extent specifically provided herein, Lender shall have the right of possession of all cash, securities, instruments, negotiable instruments, documents, certificates and any other evidences of cash or other property or evidences of rights to cash rather than property, which are now or hereafter a part of the Property, and Borrower shall promptly deliver the same to Lender, endorsed to Lender, without further notice from Lender. Borrower agrees to furnish Lender with notice of any change in the name, identity, organizational structure, residence, or principal place of business or mailing address of Borrower within ten (10) days of the effective date of any such change. Upon the occurrence of any Event of Default, Lender shall have the rights and remedies as prescribed in this Mortgage, or as prescribed by general law, or as prescribed by any applicable Uniform Commercial Code, all at Lender's election. Any disposition of the Collateral may be conducted by an employee or agent of Lender. Any person, including both Borrower and Lender, shall be eligible to purchase any part or all of the Collateral at any such disposition. Expenses of retaking, holding, preparing for sale, selling or the like (including, without limitation, Lender's reasonable attorneys' fees and legal expenses), together with interest thereon at the Default Interest Rate from the date incurred by Lender until actually paid by Borrower, shall be paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. Lender shall have the right to enter upon the Premises and the Improvements or any real property where any of the property which is the subject of the security interest granted herein is located to take possession of, assemble and collect the same or to render it unusable, or Borrower, upon demand of Lender, shall assemble such property and make it available to Lender at the Premises, or at a place which is mutually agreed upon or, if no such place is agreed upon, at a place reasonably designated by Lender to be reasonably convenient to Lender and Borrower. If notice is required by law, Lender shall give Borrower at least ten (10) days' prior written notice of the time and place of any public sale of such property, or adjournments thereof, or of the time of or after which any private sale or any other intended disposition thereof is to be made, and if such notice is sent to Borrower, as the same is provided for the mailing of notices herein, it is hereby deemed that such notice shall be and is reasonable notice to Borrower. No such notice is necessary for any such property which is perishable, threatens to decline speedily in value or is of a type customarily sold on a recognized market. Any sale made pursuant to the provisions of this Section shall be deemed to have been a public sale conducted in a commercially reasonable manner if held contemporaneously with a foreclosure sale as provided in Section 5.1(e) hereof upon giving the same notice with respect to the sale of the Property

hereunder as is required under said Section 5.1(c). Furthermore, to the extent permitted by law, in conjunction with, in addition to or in substitution for the rights and remedies available to Lender pursuant to any applicable Uniform Commercial Code:

(a) In the event of a foreclosure sale, the Property may, at the option of Lender, be sold as a whole; and

(b) It shall not be necessary that Lender take possession of the aforementioned Collateral, or any part thereof, prior to the time that any sale pursuant to the provisions of this Section is conducted and it shall not be necessary that said Collateral, or any part thereof, be present at the location of such sale; and

(c) Lender may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by Lender, including the sending of notices and the conduct of the sale, but in the name and on behalf of Lender. The name and address of Borrower (as Debtor under any applicable Uniform Commercial Code) are as set forth on the first page hereof. The name and address of Lender (as Secured Party under any applicable Uniform Commercial Code) are as set forth on the first page hereof.

Section 2.19 Easements and Rights-of-Way. Borrower shall not grant any easement or right-of-way with respect to all or any portion of the Premises or the Improvements without the prior written consent of Lender. Borrower shall comply with all easements affecting the Property. The purchaser at any foreclosure sale hereunder may, at its discretion, disaffirm any easement or right-of-way granted in violation of any of the provisions of this Mortgage and may take immediate possession of the Property free from, and despite the terms of, such grant of easement or right-of-way. If Lender consents to the grant of an easement or right-of-way, Lender agrees to grant such consent without charge to Borrower other than expenses, including, without limitation, reasonable attorneys' fees, incurred by Lender in the review of Borrower's request and in the preparation of documents effecting the subordination.

Section 2.20 Compliance with Laws. Borrower shall at all times comply with all statutes, ordinances, regulations and other governmental or quasi-governmental requirements and private covenants now or hereafter relating to the ownership, construction, use or operation of the Property, including, but not limited to, those concerning employment and compensation of persons engaged in operation and maintenance of the Property and any environmental or ecological requirements, even if such compliance shall require structural changes to the Property; provided, however, that, Borrower may, upon providing Lender with security satisfactory to Lender, proceed diligently and in good faith to contest the validity or applicability of any such statute, ordinance, regulation or requirement so long as during such contest the Property shall not be subject to any lien, charge, fine or other liability and shall not be in danger of being forfeited, lost or closed. Borrower shall not use or occupy, or allow the use or occupancy of, the Property in any manner which violates any Lease or any other agreement applicable to the Property or any applicable law, rule, regulation or order or which constitutes a public or private nuisance or which makes void, voidable or cancelable, or increases the premium of, any insurance then in force with respect thereto.

Section 2.21 Additional Taxes. In the event of the enactment after the date hereof of any law of the state in which the Property is located or of any other governmental entity deducting from the value of the Property for the purpose of taxing any lien or security interest thereon, or imposing upon Lender the payment of the whole or any part of the taxes or assessments or charges or liens herein required to be paid by Borrower, or changing in any way the laws relating to the taxation of deeds of trust, mortgages or security agreements or debts secured by deeds of trust, mortgages or security agreements or the interest of the Lender, mortgagee or secured party in the property covered thereby, or the manner of collection of such taxes, so as to adversely affect this Mortgage or the Debt or Lender, then, and in any such event, Borrower, upon demand by Lender, shall pay such taxes, assessments, charges or liens, or reimburse Lender therefor; provided, however, that if in the opinion of counsel for Lender (a) it might be unlawful to require Borrower to make such payment, or (b) the making of such payment might result in the imposition of interest beyond the maximum amount permitted by law, then and in either such event, Lender may elect, by notice in writing given to Borrower, to declare all of the Debt to be and become due and payable in full thirty (30) days from the giving of such notice, and, in connection with the payment of such Debt, no prepayment premium or fee shall be due unless, at the time of such payment, an Event of Default or a Default shall have occurred, which Default or Event of Default is unrelated to the provisions of this Section 2.21, in which event any applicable prepayment premium or fee in accordance with the terms of the Note shall be due and payable.

Section 2.22 Secured Indebtedness. It is understood and agreed that this Mortgage shall secure payment of not only the indebtedness evidenced by the Note but also any and all substitutions, replacements, renewals and extensions of the Note, any and all indebtedness and obligations arising pursuant to the terms hereof and any and all indebtedness and obligations arising pursuant to the terms of any of the other Loan Documents, all of which indebtedness is equally secured with and has the same priority as any amounts advanced as of the date hereof. It is agreed that any future advances made by Lender to or for the benefit of Borrower from time to time under this Mortgage or the other Loan Documents and whether or not such advances are obligatory or are made at the option of Lender, or otherwise, made for any purpose, and all interest accruing thereon, shall be equally secured by this Mortgage and shall have the same priority as all amounts, if any, advanced as of the date hereof and shall be subject to all of the terms and provisions of this Mortgage.

Section 2.23 Borrower's Waivers. To the full extent permitted by law, Borrower agrees that Borrower shall not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisal, valuation, stay, moratorium or extension, or any law now or hereafter in force providing for the reinstatement of the Debt prior to any sale of the Property to be made pursuant to any provisions contained herein or prior to the entering of any decree, judgment or order of any court of competent jurisdiction, or any right under any statute to redeem all or any part of the Property so sold. Borrower, for Borrower and Borrower's successors and assigns, and for any and all persons ever claiming any interest in the Property, to the full extent permitted by law, hereby knowingly, intentionally and voluntarily, with and upon the advice of competent counsel: (a) waives, releases, relinquishes and forever forgoes all rights of valuation, appraisal, stay of execution, reinstatement and notice of election or intention to mature or declare due the Debt (except such notices as are specifically provided for herein); (b) waives, releases, relinquishes

and forever forgoes all right to a marshaling of the assets of Borrower, including the Property, to a sale in the inverse order of alienation, or to direct the order in which any of the Property shall be sold in the event of foreclosure of the liens and security interests hereby created and agrees that any court having jurisdiction to foreclose such liens and security interests may order the Property sold as an entirety; and (c) waives, releases, relinquishes and forever forgoes all rights and periods of redemption provided under applicable law. To the full extent permitted by law, Borrower shall not have or assert any right under any statute or rule of law pertaining to the exemption of homestead or other exemption under any federal, state or local law now or hereafter in effect, the administration of estates of decedents or otherwise in matters whatever to defeat, reduce or affect the right of Lender under the terms of this Mortgage to a sale of the Property, for the collection of the Debt without any prior or different resort for collection, or the right of Lender under the terms of this Mortgage to the payment of the Debt out of the proceeds of sale of the Property in preference to every other claimant whatever. Furthermore, Borrower hereby knowingly, intentionally and voluntarily, with and upon the advice of competent counsel, waives, releases, relinquishes and forever forgoes all present and future statutes of limitations as a defense to any action to enforce the provisions of this Mortgage or to collect any of the Debt to the fullest extent permitted by law. Borrower covenants and agrees that upon the commencement of a voluntary or involuntary bankruptcy proceeding by or against Borrower, Borrower shall not seek a supplemental stay or otherwise shall not seek pursuant to 11 U.S.C. §105 or any other provision of the Bankruptcy Reform Act of 1978, as amended, or any other debtor relief law (whether statutory, common law, case law, or otherwise) of any jurisdiction whatsoever, now or hereafter in effect, which may be or become applicable, to stay, interdict, condition, reduce or inhibit the ability of Lender to enforce any rights of Lender against any guarantor or indemnitor of the secured obligations or any other party liable with respect thereto by virtue of any indemnity, guaranty or otherwise.

Section 2.24 SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

(a) **BORROWER, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, (i) SUBMITS TO PERSONAL JURISDICTION IN THE STATE IN WHICH THE PREMISES IS LOCATED OVER ANY SUIT, ACTION OR PROCEEDING BY ANY PERSON ARISING FROM OR RELATING TO THE NOTE, THIS MORTGAGE OR ANY OTHER OF THE LOAN DOCUMENTS, (ii) AGREES THAT ANY SUCH ACTION, SUIT OR PROCEEDING MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION SITTING IN THE COUNTY IN WHICH THE PREMISES IS LOCATED, (iii) SUBMITS TO THE JURISDICTION OF SUCH COURTS, AND (iv) TO THE FULLEST EXTENT PERMITTED BY LAW, AGREES THAT IT WILL NOT BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM (BUT NOTHING HEREIN SHALL AFFECT THE RIGHT OF LENDER TO BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM).**

(b) **BORROWER, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVES, RELINQUISHES AND FOREVER FORGOES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR**

PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THE DEBT OR ANY CONDUCT, ACT OR OMISSION OF LENDER OR BORROWER, OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, PARTNERS, MEMBERS, EMPLOYEES, AGENTS OR ATTORNEYS, OR ANY OTHER PERSONS AFFILIATED WITH LENDER OR BORROWER, IN EACH OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

Section 2.25 Attorney-in-Fact Provisions. With respect to any provision of this Mortgage or any other Loan Document whereby Borrower grants to Lender a power-of-attorney, provided no Default or Event of Default has occurred under this Mortgage, Lender shall first give Borrower written notice at least three (3) days prior to acting under such power, which notice shall demand that Borrower first take the proposed action within such period and advising Borrower that if it fails to do so, Lender will so act under the power; provided, however, that, in the event that a Default or an Event of Default has occurred, or if necessary to prevent imminent death, serious injury, damage, loss, forfeiture or diminution in value to the Property or any surrounding property or to prevent any adverse affect on Lender's interest in the Property, Lender may act immediately and without first giving such notice. In such event, Lender will give Borrower notice of such action as soon thereafter as reasonably practical.

Section 2.26 Management. The management of the Property shall be by either: (a) Borrower or Acadia Realty Trust (" Acadia ") or any of Acadia's subsidiaries for so long as Borrower or Acadia or Acadia's subsidiary is managing the Property in a first class manner; or (b) a professional property management company approved by Lender. Aberdeen Properties, Inc., a Delaware corporation, is approved by Lender as property manager under the property management agreement submitted to Lender. Any property management other than by Borrower shall be pursuant to a written agreement approved by Lender. In no event shall any manager be removed or replaced or the terms of any management agreement modified or amended without the prior written consent of Lender which approval may be conditioned upon, among other things, receipt by Lender of a No-Downgrade Confirmation from each Rating Agency. After an Event of Default or a default under any management contract then in effect, which default is not cured within any applicable grace or cure period or if at any time during the term of the Loan the debt service coverage ratio of the Property is ever less than 1.20:1.00, as determined by Lender, Lender shall have the right to terminate, or to direct Borrower to terminate, such management contract upon thirty (30) days' notice and to retain, or to direct Borrower to retain, a new management agent approved by Lender which approval may be conditioned upon, among other things, receipt by Lender of a No-Downgrade Confirmation from each Rating Agency. All Rents and Profits generated by or derived from the Property shall first be utilized solely for current expenses directly attributable to the ownership and operation of the Property, including, without limitation, current expenses relating to Borrower's liabilities and obligations with respect to this Mortgage and the other Loan Documents, and none of the Rents and Profits generated by or derived from the Property shall be diverted by Borrower and utilized for any other purposes unless all such current expenses attributable to the ownership and operation of the Property have been fully paid and satisfied.

(a) Borrower hereby represents and warrants to Lender that, as of the date hereof to the best of Borrower's knowledge, information and belief and other than as set forth in that certain Phase I Environmental Site Assessment dated January 4, 2007 prepared by IVI Due Diligence Services, Inc.: (i) none of Borrower nor the Property nor any Tenant at the Premises nor the operations conducted thereon is in direct or indirect violation of or otherwise exposed to any liability under any local, state or federal law, rule or regulation or common law duty pertaining to human health, natural resources or the environment, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §9601 et seq.) ("CERCLA"), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. §6901 et seq.), the Federal Water Pollution Control Act (33 U.S.C. §1251 et seq.), the Clean Air Act (42 U.S.C. §7401 et seq.), the Emergency Planning and Community-Right-to-Know Act (42 U.S.C. §11001 et seq.), the Endangered Species Act (16 U.S.C. §1531 et seq.), the Toxic Substances Control Act (15 U.S.C. §2601 et seq.), the Occupational Safety and Health Act (29 U.S.C. §651 et seq.) and the Hazardous Materials Transportation Act (49 U.S.C. §1801 et seq.), regulations promulgated pursuant to said laws, all as amended from time to time (collectively, "Environmental Laws") or otherwise exposed to any liability under any Environmental Law relating to or affecting the Property, whether or not used by or within the control of Borrower; (ii) no hazardous, toxic or harmful substances, wastes, materials, pollutants or contaminants (including, without limitation, asbestos or asbestos-containing materials, lead based paint, Toxic Mold (as hereinafter defined), polychlorinated biphenyls, petroleum or petroleum products or byproducts, flammable explosives, radioactive materials, infectious substances or raw materials which include hazardous constituents) or any other substances or materials which are included under or regulated by Environmental Laws (collectively, "Hazardous Substances") are located on, in or under or have been handled, generated, stored, processed or disposed of on or released or discharged from the Property (including underground contamination), except for those substances used by Borrower or any Tenant in the ordinary course of their respective businesses and in compliance with all Environmental Laws and where such Hazardous Substances could not reasonably be expected to give rise to liability under Environmental Laws; (iii) radon is not present at the Property in excess or in violation of any applicable thresholds or standards or in amounts that require disclosure under applicable law to any tenant or occupant of or invitee to the Property or to any governmental agency or the general public; (iv) the Property is not subject to any private or governmental lien or judicial or administrative notice or action arising under Environmental Laws; (v) there is no pending, nor, to Borrower's knowledge, information or belief, threatened litigation arising under Environmental Laws affecting Borrower or the Property; (vi) there are no and have been no existing or closed underground storage tanks or other underground storage receptacles for Hazardous Substances or landfills or dumps on the Property; (vii) Borrower has received no notice of, and to the best of Borrower's knowledge and belief, there exists no investigation, action, proceeding or claim by any agency, authority or unit of government or by any third party which could result in any liability, penalty, sanction or judgment under any Environmental Laws with respect to any condition, use or operation of the Property, nor does Borrower know of any basis for such an investigation, action, proceeding or claim; and (viii) Borrower has received no notice of and, to the best of Borrower's knowledge and belief, there has been no claim by any party that any use, operation or condition of the Property has caused any nuisance or any other liability or adverse condition on any other property, nor does Borrower know of any basis for such an investigation.

action, proceeding or claim. For the purposes hereof, "Toxic Mold" shall mean any mold or fungus at the Property which is of a type (i) that might pose a significant risk to human health or the environment or (ii) that would negatively impact the value of the Property.

(b) Borrower has not received nor to the best of Borrower's knowledge, information and belief has there been issued, any notice, notification, demand, request for information, citation, summons, or order in any way relating to any actual, alleged or potential violation or liability arising under Environmental Laws.

(c) Neither the Property, nor to the best of Borrower's knowledge, information and belief, any property to which Borrower has, in connection with the maintenance or operation of the Property, directly or indirectly transported or arranged for the transportation of any Hazardous Substances is listed or, to the best of Borrower's knowledge, information and belief, proposed for listing on the National Priorities List promulgated pursuant to CERCLA, or CERCLIS (as defined in CERCLA) or on any similar federal or state list of sites requiring environmental investigation or clean-up.

(d) Borrower shall comply with all applicable Environmental Laws. Borrower shall keep the Property or cause the Property to be kept free from Hazardous Substances (except those substances used by Borrower or any Tenant in the ordinary course of their respective businesses and except in compliance with all Environmental Laws and where such Hazardous Substances could not reasonably be expected to give rise to liability under Environmental Laws) and in compliance with all Environmental Laws, Borrower shall not install or use any underground storage tanks, shall expressly prohibit the use, generation, handling, storage, production, processing and disposal of Hazardous Substances by all Tenants in quantities or conditions that would violate or give rise to any obligation to take remedial or other action under any applicable Environmental Laws. Without limiting the generality of the foregoing, during the term of this Mortgage, Borrower shall not install in the Improvements or permit to be installed in the Improvements any asbestos or asbestos-containing materials.

(e) Borrower shall promptly notify Lender if Borrower shall become aware of (i) the actual or potential existence of any Hazardous Substances on the Property other than those occurring in the ordinary course of Borrower's business and which do not violate, or would not otherwise give rise to liability under Environmental Laws, (ii) any direct or indirect violation of, or other exposure to liability under, any Environmental Laws, (iii) any lien, action or notice affecting the Property or Borrower resulting from any violation or alleged violation of or liability or alleged liability under any Environmental Laws, (iv) the institution of any investigation, inquiry or proceeding concerning Borrower or the Property pursuant to any Environmental Laws or otherwise relating to Hazardous Substances, or (v) the discovery of any occurrence, condition or state of facts which would render any representation or warranty contained in this Mortgage incorrect in any respect if made at the time of such discovery. Immediately upon receipt of same, Borrower, shall deliver to Lender copies of any and all requests for information, complaints, citations, summonses, orders, notices, reports or other communications, documents or instruments in any way relating to any actual, alleged or potential violation or liability of any nature whatsoever arising under Environmental Laws and relating to the Property or to Borrower. Borrower shall remedy or cause to be remedied in a timely manner (and in any event within the time period permitted by applicable Environmental Laws) any violation of

Environmental Laws or any condition that could give rise to liability under Environmental Laws. Without limiting the foregoing, Borrower shall, promptly and regardless of the source of the contamination or threat to the environment or human health, at its own expense, take all actions as shall be necessary or prudent, for the clean-up of any and all portions of the Property or other affected property, including, without limitation, all investigative, monitoring, removal, containment and remedial actions in accordance with all applicable Environmental Laws (and in all events in a manner satisfactory to Lender) and shall further pay or cause to be paid, at no expense to Lender, all clean-up, administrative and enforcement costs of applicable governmental agencies which may be asserted against the Property. In the event Borrower fails to do so, Lender may, but shall not be obligated to, cause the Property or other affected property to be freed from any Hazardous Substances or otherwise brought into conformance with Environmental Laws and any and all costs and expenses incurred by Lender in connection therewith, together with interest thereon at the Default Interest Rate from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. Borrower hereby grants to Lender and its agents and employees access to the Property and a license to remove any items deemed by Lender to be Hazardous Substances and to do all things Lender shall deem necessary to bring the Property into conformance with Environmental Laws.

(f) Borrower covenants and agrees, at Borrower's sole cost and expense, to indemnify, defend (at trial and appellate levels, and with attorneys, consultants and experts acceptable to Lender), and hold Lender harmless from and against any and all liens, damages (including without limitation, punitive or exemplary damages), losses, liabilities (including, without limitation, strict liability), obligations, settlement payments, penalties, fines, assessments, citations, directives, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements or expenses of any kind or of any nature whatsoever (including, without limitation, reasonable attorneys', consultants' and experts' fees and disbursements actually incurred in investigating, defending, settling or prosecuting any claim, litigation or proceeding) which may at any time be imposed upon, incurred by or asserted or awarded against Lender or the Property, and arising directly or indirectly from or out of: (i) any violation or alleged violation of, or liability or alleged liability under, any Environmental Law; (ii) the presence, release or threat of release of or exposure to any Hazardous Substances or radon on, in, under or affecting all or any portion of the Property or any surrounding areas, regardless of whether or not caused by or within the control of Borrower; (iii) any transport, treatment, recycling, storage, disposal or arrangement therefor of Hazardous Substances whether on the Property, originating from the Property, or otherwise associated with Borrower or any operations conducted on the Property at any time; (iv) the failure by Borrower to comply fully with the terms and conditions of this [Section 2.27](#); (v) the breach of any representation or warranty contained in this [Section 2.27](#); or (vi) the enforcement of this [Section 2.27](#), including, without limitation, the cost of assessment, investigation, containment, removal and/or remediation of any and all Hazardous Substances from all or any portion of the Property or any surrounding areas, the cost of any actions taken in response to the presence, release or threat of release of any Hazardous Substances on, in, under or affecting any portion of the Property or any surrounding areas to prevent or minimize such release or threat of release so that it does not migrate or otherwise cause or threaten danger to present or future public health, safety, welfare or the environment, and costs incurred to comply with Environmental Laws in connection with

all or any portion of the Property or any surrounding areas. The indemnity set forth in this Section 2.27 shall also include any diminution in the value of the security afforded by the Property or any future reduction in the sales price of the Property by reason of any matter set forth in this Section 2.27. The foregoing indemnity shall specifically not include any such costs relating to Hazardous Substances which are initially placed on, in or under the Property after foreclosure or other taking of title to the Property by Lender or its successor or assigns. Lender's rights under this Section shall survive payment in full of the Debt and shall be in addition to all other rights of Lender under this Mortgage, the Note and the other Loan Documents.

(g) Upon Lender's request, at any time after the occurrence of an Event of Default or at such other time as Lender has reasonable grounds to believe that Hazardous Substances are or have been released, stored or disposed of on the Property, or on property contiguous with the Property, or that the Property may be in violation of the Environmental Laws, Borrower shall perform or cause to be performed, at Borrower's sole cost and expense and in scope, form and substance satisfactory to Lender, an inspection or audit of the Property prepared by a hydrogeologist or environmental engineer or other appropriate consultant approved by Lender indicating the presence or absence of Hazardous Substances on the Property, the compliance or non-compliance status of the Property and the operations conducted thereon with applicable Environmental Laws, or an inspection or audit of the Property prepared by an engineering or consulting firm approved by Lender indicating the presence or absence of friable asbestos or substances containing asbestos or lead or substances containing lead or lead based paint (" Lead Based Paint ") on the Property. If Borrower fails to provide reports of such inspection or audit within thirty (30) days after such request, Lender may order the same, and Borrower hereby grants to Lender and its employees and agents access to the Property and an irrevocable license to undertake such inspection or audit. The cost of such inspection or audit, together with interest thereon at the Default Interest Rate from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt.

(h) Reference is made to that certain Environmental Indemnity Agreement of even date herewith by and among Borrower and any other principal signatory named therein in favor of Lender (the "Environmental Indemnity Agreement"). The provisions of this Mortgage and the Environmental Indemnity Agreement shall be read together to maximize the coverage with respect to the subject matter thereof, as determined by Lender.

(i) If prior to the date hereof, it was determined that the Property contains asbestos-containing materials ("ACM's"), Borrower covenants and agrees to institute, within thirty (30) days after the date hereof, an operations and maintenance program (the "Maintenance Program") designed by an environmental consultant, satisfactory to Lender, with respect to ACM's, consistent with "Guidelines for Controlling Asbestos-Containing Materials in Buildings" (USEPA, 1985) and other relevant guidelines, and such Maintenance Program will hereafter continuously remain in effect until the Debt secured here by is repaid in full. In furtherance of the foregoing, Borrower shall inspect and maintain all ACM's on a regular basis and ensure that all ACM's shall be maintained in a condition that prevents exposure of residents to ACM's at all times. Without limiting the generality of the preceding sentence, Lender may require (i) periodic notices or reports to Lender in form, substance and at such intervals as

Lender may specify, (ii) an amendment to such operations and maintenance program to address changing circumstances, laws or other matters, (iii) at Borrower's sole expense, supplemental examination of the Property by consultants specified by Lender, and (iv) variation of the operations and maintenance program in response to the reports provided by any such consultants.

(j) If, prior to the date hereof, it was determined that the Property contains Lead Based Paint, Borrower had prepared an assessment report describing the location and condition of the Lead Based Paint (a "Lead Based Paint Report"). If, at any time hereafter, Lead Based Paint is suspected of being present on the Property, Borrower agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared a Lead Based Paint Report prepared by an expert, and in form, scope and substance, acceptable to Lender. Borrower agrees that if it has been, or if at any time hereafter it is, determined that the Property contains Lead Based Paint, on or before thirty (30) days following (i) the date hereof, if such determination was made prior to the date hereof or (ii) such determination, if such determination is hereafter made, as applicable, Borrower shall, at its sole cost and expenses, develop and implement, and thereafter diligently and continuously carry out (or cause to be developed and implemented and thereafter diligently and continually to be carried out), an operations, abatement and maintenance plan for the Lead Based Paint on the Property, which plan shall be prepared by an expert, and be in form, scope and substance, acceptable to Lender (together with any Lead Based Paint Report, the "O&M Plan"). If an O&M Plan has been prepared prior to the date hereof, Borrower agrees to diligently and continually carry out (or cause to be carried out) the provisions thereof. Compliance with the O&M Plan shall require or be deemed to require, without limitation, the proper preparation and maintenance of all records, papers and forms required under the Environmental Laws.

Section 2.28 Indemnification; Subrogation.

(a) Borrower shall indemnify, defend and hold Lender harmless against: (i) any and all claims for brokerage, leasing, finders or similar fees which may be made relating to the Property or the Debt, and (ii) any and all liability, obligations, losses, damages, penalties, claims, actions, suits, costs and expenses (including Lender's reasonable attorneys' fees) of whatever kind or nature which may be asserted against, imposed on or incurred by Lender in connection with the Debt, this Mortgage, the Property, or any part thereof, or the exercise by Lender of any rights or remedies granted to it under this Mortgage or arise from the information provided in accordance with the terms hereof; provided, however, that nothing herein shall be construed to obligate Borrower to indemnify, defend and hold harmless Lender from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs and expenses enacted against, imposed on or incurred by Lender by reason of Lender's willful misconduct or gross negligence.

(b) If Lender is made a party defendant to any litigation or any claim is threatened or brought against Lender concerning the Debt, this Mortgage, the Property, or any part thereof, or any interest therein, or the construction, maintenance, operation or occupancy or use thereof, then Borrower shall indemnify, defend and hold Lender harmless from and against all liability by reason of said litigation or claims, including reasonable attorneys' fees and expenses incurred by Lender in any such litigation or claim, whether or not any such litigation or claim is prosecuted to judgment. If Lender commences an action against Borrower to enforce

any of the terms hereof or to prosecute any breach by Borrower of any of the terms hereof or to recover any sum secured hereby, Borrower shall pay to Lender its reasonable attorneys' fees and expenses. The right to such attorneys' fees and expenses shall be deemed to have accrued on the commencement of such action, and shall be enforceable whether or not such action is prosecuted to judgment. If Borrower breaches any term of this Mortgage, Lender may engage the services of an attorney or attorneys to protect its rights hereunder, and in the event of such engagement following any breach by Borrower, Borrower shall pay Lender reasonable attorneys' fees and expenses incurred by Lender, whether or not an action is actually commenced against Borrower by reason of such breach. All references to "attorneys" in this Subsection and elsewhere in this Mortgage shall include, without limitation, any attorney or law firm engaged by Lender and Lender's in-house counsel, and all references to "fees and expenses" in this Subsection and elsewhere in this Mortgage shall include, without limitation, any fees of such attorney or law firm, any appellate counsel fees, if applicable, and any allocation charges and allocation costs of Lender's in-house counsel.

(c) A waiver of subrogation shall be obtained by Borrower from its insurance carrier and, consequently, Borrower waives any and all right to claim or recover against Lender, its officers, employees, agents and representatives, for loss of or damage to Borrower, the Property, Borrower's property or the property of others under Borrower's control from any cause insured against or required to be insured against by the provisions of this Mortgage.

Section 2.29 Covenants with Respect to Existence, Indebtedness, Operations, Fundamental Changes of Borrower.

(a) Borrower, and any general partner or managing member of Borrower, as applicable, have each done since the date of their formation and shall do or cause to be done all things necessary to (i) preserve, renew and keep in full force and effect its existence, rights, and franchises, (ii) continue to engage in the business presently conducted by it, (iii) obtain and maintain all licenses, and (iv) qualify to do business and remain in good standing under the laws of each jurisdiction, in each case as and to the extent required for the ownership, maintenance, management and operation of the Property. Borrower hereby represents, warrants and covenants as of the date hereof and until such time as the Debt is paid in full, that Borrower has been, since the date of its formation, is and shall remain a Single-Purpose Entity (as hereinafter defined). Each general partner or the SPE Member (as hereinafter defined) of Borrower (each, an "SPE Equity Owner"), has since the date of its formation complied and will at all times comply, with each of the representations, warranties and covenants contained in this Section 2.29 as if such representation, warranty or covenant was made directly by such SPE Equity Owner. A "Single-Purpose Entity," or "SPE" means a corporation, limited partnership or limited liability company that:

(1) if a corporation, must have at least one Independent Director (as hereinafter defined), or if requested by Lender (which request Borrower shall comply with within five (5) business days) in connection with a Secondary Market Transaction, two Independent Directors, and must not take any action that, under the terms of any certificate or articles of incorporation, by-laws, or any voting trust agreement with respect to such entity's common stock, requires the unanimous affirmative vote of 100% of the members of the board of directors unless all of the directors, including, without

limitation, all Independent Directors, shall have participated in such vote (“SPE Corporation”);

(2) if a limited partnership, must have each general partner be an SPE Corporation;

(3) if a limited liability company, must have one managing member (the “SPE Member”) and such managing member must be an SPE Corporation. Only the SPE Member may be designated as a manager under Borrower’s operating agreement and pursuant to the law where Borrower is organized. Borrower may be a single member Delaware limited liability company without an SPE Corporation managing member so long as Borrower complies with the provisions set forth in Sections 2.29(b) and (c) below;

(4) was and will be organized solely for the purpose of (i) owning an interest in the Property, (ii) acting as a general partner of a limited partnership that owns an interest in the Property, or (iii) acting as the managing member of a limited liability company that owns an interest in the Property;

(5) will not, nor will any partner, limited or general, member or shareholder thereof, as applicable, amend, modify or otherwise change its partnership certificate, partnership agreement, articles of incorporation, by-laws, operating agreement, articles of organization, or other formation agreement or document, as applicable, in any material term or manner, or in a manner which adversely affects Borrower’s existence as a Single Purpose Entity;

(6) will not liquidate or dissolve (or suffer any liquidation or dissolution), or enter into any transaction of merger or consolidation, or acquire by purchase or otherwise all or substantially all the business or assets of, or any stock or other evidence of beneficial ownership of any entity;

(7) will not, nor will any partner, limited or general, member or shareholder thereof, as applicable, violate the terms of its partnership certificate, partnership agreement, articles of incorporation, by-laws, operating agreement, articles of organization, or other formation agreement or document, as applicable;

(8) has not and will not guarantee, pledge its assets for the benefit of, or otherwise become liable on or in connection with, any obligation of any other person or entity;

(9) does not own and will not own any asset other than (i) the Property, and (ii) incidental personal property necessary for the operation of the Property;

(10) is not engaged and will not engage, either directly or indirectly, in any business other than the ownership, management and operation of the Property;

(11) will not enter into any contract or agreement with any general partner, principal, affiliate or member of Borrower, as applicable, or any affiliate of any general

partner, principal or member of Borrower, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arms-length basis with third parties other than an affiliate;

(12) has not incurred and will not incur any debt, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than (i) the Debt, and (ii) trade payables or accrued expenses incurred in the ordinary course of business of operating the Property customarily satisfied within thirty (30) days not evidenced by a note and in an aggregate amount not to exceed two percent (2.0%) of the existing principal balance of the Note, and no other debt will be secured (senior, subordinate or pari passu) by the Property;

(13) has not made and will not make any loans or advances to any third party (including any affiliate);

(14) is and will be solvent and pay its debts from its assets as the same shall become due;

(15) has done or caused to be done and will do all things necessary to preserve its existence, and will observe all formalities applicable to it;

(16) will conduct and operate its business in its own name and as presently conducted and operated;

(17) will maintain financial statements, books and records and bank accounts separate from those of its affiliates, including, without limitation, its general partners or members, as applicable;

(18) will be, and at all times will hold itself out to the public as, a legal entity separate and distinct from any other entity (including, without limitation, any affiliate, general partner, or member, as applicable, or any affiliate of any general partner or member of Borrower, as applicable) and will correct any known misunderstanding concerning its separate identity;

(19) will file its own tax returns;

(20) will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations;

(21) will establish and maintain an office through which its business will be conducted separate and apart from those of its affiliates or shall allocate fairly and reasonably any overhead and expense for shared office space;

(22) will not commingle the funds and other assets of Borrower with those of any general partner, member, affiliate, principal or any other person;

(23) has and will maintain its assets in such a manner that it is not costly or difficult to segregate, ascertain or identify its individual assets from those of any affiliate or any other person;

(24) does not and will not hold itself out to be responsible for the debts or obligations of any other person;

(25) will pay the salaries of its own employees (if any) from its own funds and maintain a sufficient number of employees (if any) in light of its contemplated business operations;

(26) will pay any liabilities out of its own funds, including salaries of its employees, not funds of any affiliate; and

(27) will use stationery, invoices, and checks separate from its affiliates.

(b) In the event Borrower is a single-member Delaware limited liability company, the limited liability company agreement of Borrower (the "LLC Agreement") shall provide that (i) upon the occurrence of any event that causes the sole member of Borrower ("Member") to cease to be the member of Borrower (other than (A) upon an assignment by Member of all of its limited liability company interest in Borrower and the admission of the transferee, or (B) the resignation of Member and the admission of an additional member in either case in accordance with the terms of the Loan Documents and the LLC Agreement), any person acting as a special or springing member of Borrower shall without any action of any other Person and simultaneously with the Member ceasing to be the member of Borrower, automatically be admitted to Borrower ("Special Member") and shall continue Borrower without dissolution and (ii) Special Member may not resign from Borrower or transfer its rights as Special Member unless (A) a successor Special Member has been admitted to Borrower as Special Member in accordance with requirements of Delaware law and (B) such successor Special Member has also accepted its appointment as a Special Member. The LLC Agreement shall further provide that (i) Special Member shall automatically cease to be a member of Borrower upon the admission to Borrower of a substitute Member, (ii) Special Member shall be a member of Borrower that has no interest in the profits, losses and capital of Borrower and has no right to receive any distributions of Borrower assets, (iii) pursuant to Section 18-301 of the Delaware Limited Liability Company Act (the "Act"), Special Member shall not be required to make any capital contributions to Borrower and shall not receive a limited liability company interest in Borrower, (iv) Special Member, in its capacity as Special Member, may not bind Borrower, and (v) except as required by any mandatory provision of the Act, Special Member, in its capacity as Special Member, shall have no right to vote on, approve or otherwise consent to any action by, or matter relating to, Borrower, including, without limitation, the merger, consolidation or conversion of Borrower. In order to implement the admission to Borrower of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower as Special Member, Special Member shall not be a member of Borrower.

(c) Upon the occurrence of any event that causes the Member to cease to be a member of Borrower, to the fullest extent permitted by law, the personal representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the

continued membership of Member in Borrower, agree in writing (i) to continue Borrower and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower, effective as of the occurrence of the event that terminated the continued membership of Member of Borrower in Borrower. Any action initiated by or brought against Member or Special Member under any creditors rights laws shall not cause Member or Special Member to cease to be a member of Borrower and upon the occurrence of such an event, the business of Borrower shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower upon the occurrence of any action initiated by or brought against Member or Special Member under any creditors rights laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower.

As used in this Section 2.29, “Independent Director” shall mean a duly appointed member of the board of directors of any SPE Corporation or board of managers or of a single member Delaware limited liability company which is an SPE who is provided by a nationally-recognized company that provides professional independent directors who shall not have been at the time of initial appointment or at any time while serving as an Independent Director, and may not have been at any time during the preceding five years (i) a stockholder, director, officer, employee, partner, attorney or counsel of such SPE Corporation, single member Delaware limited liability company which is an SPE, Borrower or any affiliate of any of them, (ii) a customer, supplier or other Person who derives any of its purchases or revenues from its activities with such SPE Corporation, single member Delaware limited liability company which is an SPE, Borrower or any affiliate of any of them, (iii) a Person or other entity controlling or under common control with any such stockholder, partner, customer, supplier or other Person, or (iv) a member of the immediate family of any such stockholder, director, officer, employee, partner, customer, supplier or other Person. As used in this definition, the term “control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management, policies or activities of a Person, whether through ownership of voting securities, by contract or otherwise. As used herein, the term “affiliate” shall mean: (1) any person or entity directly or indirectly owning, controlling or holding with power to vote ten percent (10%) or more of the outstanding voting securities or interests of such other person or entity; (2) any person or entity ten percent (10%) or more of whose outstanding voting securities are directly or indirectly owned, controlled or held with power to vote by such other person or entity; (3) any person or entity directly or indirectly controlling, controlled by or under common control with such other person or entity; (4) any officer, director or partner of such other person or entity; (5) if such other person or entity is an officer, director or partner, any company for which such person or entity acts in any such capacity; and (6) any close relative or spouse of the specified person.

Section 2.30 Embargoed Person. At all times throughout the term of the Loan, including after giving effect to any Sale hereunder, (a) none of the funds or assets of Indemnitee that are used to repay the Loan or of Borrower shall constitute property of, or shall be beneficially owned directly or, to Borrower’s best knowledge, indirectly, by any person subject to sanctions or trade restrictions under United States law (“Embargoed Person” or “Embargoed Persons”) that are identified on (1) the “List of Specially Designated Nationals and Blocked Persons” maintained by the Office of Foreign Assets Control (OFAC), U.S. Department of the Treasury, and/or to Borrower’s best knowledge, as of the date thereof, based upon reasonable

inquiry by Borrower, on any other similar list maintained by OFAC pursuant to any authorizing statute including, but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. §§ 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 et seq., and any Executive Order or regulation promulgated thereunder, with the result that the investment in Borrower or any Indemnitator, as applicable (whether directly or indirectly), is prohibited by law, or the Loan made by Lender would be in violation of law, or (2) Executive Order 13224 (September 23, 2001) issued by the President of the United States ("Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism"), any related enabling legislation or any other similar Executive Orders, and (b) no Embargoed Person shall have any direct interest, and to Borrower's best knowledge, as of the date hereof, based upon reasonable inquiry by Borrower, indirect interest, of any nature whatsoever in Borrower or any Indemnitator, as applicable, with the result that the investment in Borrower or any Indemnitator, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law.

Section 2.31 Anti-Money Laundering. At all times throughout the term of the Loan, including after giving effect to any Transfers permitted pursuant to the Loan Documents, none of the funds of Borrower or any Indemnitator, as applicable, that are used to repay the Loan shall be derived from any unlawful activity, with the result that the investment in Borrower or any Indemnitator, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law.

Section 2.32 ERISA.

(a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Mortgage or any of the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of this Mortgage, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to Federal or state statutes regulating investments and fiduciary obligations with respect to governmental plans; and (iii) one or more of the following circumstances is true:

- (1) Equity interests in Borrower are publicly offered securities within the meaning of 29 C.F.R. Section 2510.3-101(b)(2);
- (2) Less than 25 percent of each outstanding class of equity interests in Borrower are held by "benefit plan investors" within the meaning of 29 C.F.R. Section 2510.3-101(f)(2); or
- (3) Borrower qualifies as an "operating company" within the meaning of 29 C.F.R. Section 2510.3-101 or an investment company registered under the Investment Company Act of 1940.

(c) Borrower shall indemnify Lender and defend and hold Lender harmless from and against all civil penalties, excise taxes, or other loss, cost damage and expense (including, without limitation, reasonable attorneys' fees and disbursements and costs incurred in the investigation, defense and settlement of claims and losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Lender's sole discretion) that Lender may incur, directly or indirectly, as a result of a default under this Section. This indemnity shall survive any termination, satisfaction or foreclosure of this Mortgage.

Section 2.33 Opinion Assumptions. Borrower shall at all times conduct its business so that the assumptions made with respect to Borrower in the Non-Consolidation Opinion shall be true and correct in all respects.

ARTICLE III

RESERVES AND CASH MANAGEMENT

Section 3.1 Reserves Generally.

(a) As additional security for the payment and performance by Borrower of all duties, responsibilities and obligations under the Note and the other Loan Documents, Borrower hereby unconditionally and irrevocably assigns, conveys, pledges, mortgages, transfers, delivers, deposits, sets over and confirms unto Lender, and hereby grants to Lender a security interest in, (i) the Payment Reserve, the Impound Account, the Immediate Repair Reserve, the Replacement Reserve, as applicable (each as hereinafter defined) and any other reserve or escrow account established pursuant to the terms hereof or of any other Loan Document (collectively, the "Reserves"), (ii) the accounts into which the Reserves have been deposited, (iii) all insurance on said accounts, (iv) all accounts, contract rights and general intangibles or other rights and interests pertaining thereto, (v) all sums now or hereafter therein or represented thereby, (vi) all replacements, substitutions or proceeds thereof, (vii) all instruments and documents now or hereafter evidencing the Reserves or such accounts, (viii) all powers, options, rights, privileges and immunities pertaining to the Reserves (including the right to make withdrawals therefrom), and (ix) all proceeds of the foregoing. Borrower hereby authorizes and consents to the account into which the Reserves have been deposited being held in Lender's name or the name of any entity servicing the Note for Lender and hereby acknowledges and agrees that Lender, or at Lender's election, such servicing agent, shall have exclusive control over said account. Notice of the assignment and security interest granted to Lender herein may be delivered by Lender at any time to the financial institution wherein the Reserves have been established, and Lender, or such servicing entity, shall have possession of all passbooks or other evidences of such accounts. Borrower hereby assumes all risk of loss with respect to amounts on deposit in the Reserves. Funds on deposit in the Replacement Reserve shall bear interest at a rate equal to the then prevailing commercial money market rate. All amounts deemed earned on funds contributed to the Replacement Reserve at the rate referenced in the immediately preceding sentence shall be retained by Lender and accumulated for the benefit of Borrower and added to the balance in the Replacement Reserve and shall be disbursed for payment of the items for which other funds in the Replacement Reserve are to be disbursed. Borrower shall not be entitled to earn any interest with respect to funds on deposit in the

Payment Reserve, the Impound Account and the Immediate Repairs Reserve. Borrower hereby knowingly, voluntarily and intentionally stipulates, acknowledges and agrees that the advancement of the funds from the Reserves as set forth herein is at Borrower's direction and is not the exercise by Lender of any right of set-off or other remedy upon a Default or an Event of Default. Borrower hereby waives all right to withdraw funds from the Reserves except as provided for in this Mortgage. If an Event of Default shall occur hereunder or under any other of the Loan Documents Lender may, without notice or demand on Borrower, at its option: (A) withdraw any or all of the funds (including, without limitation, interest) then remaining in the Reserves and apply the same, after deducting all costs and expenses of safekeeping, collection and delivery (including, but not limited to, reasonable attorneys' fees, costs and expenses) to the Debt or any other obligations of Borrower under the other Loan Documents in such manner as Lender shall deem appropriate in its sole discretion, and the excess, if any, shall be paid to Borrower, (B) exercise any and all rights and remedies of a secured party under any applicable Uniform Commercial Code, or (C) exercise any other remedies available at law or in equity. No such use or application of the funds contained in the Reserves shall be deemed to cure any Default or Event of Default.

(b) The Reserves shall not, unless otherwise explicitly required by applicable law, be or be deemed to be escrow or trust funds, but, at Lender's option and in Lender's discretion, may either be held in a separate account or be commingled by Lender with the general funds of Lender. The Reserves are solely for the protection of Lender and entail no responsibility on Lender's part beyond the payment of the respective items for which they are held following receipt of bills, invoices or statements therefor in accordance with the terms hereof and beyond the allowing of due credit for the sums actually received. Upon assignment of this Mortgage by Lender, any funds in the Reserves shall be turned over to the assignee and any responsibility of Lender, as assignor, with respect thereto shall terminate. If the funds in the applicable Reserve shall exceed the amount of payments actually applied by Lender for the purposes and items for which the applicable Reserve is held, such excess may be credited by Lender on subsequent payments to be made hereunder or, at the option of Lender, refunded to Borrower. If, however, the applicable Reserve shall not contain sufficient funds to pay the sums required by the dates on which such sums are required to be on deposit in such account, Borrower shall, within ten (10) days after receipt of written notice thereof, deposit with Lender the full amount of any such deficiency. If Borrower shall fail to deposit with Lender the full amount of such deficiency as provided above, Lender shall have the option, but not the obligation, to make such deposit, and all amounts so deposited by Lender, together with interest thereon at the Default Interest Rate from the date so deposited by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. If there is an Event of Default under this Mortgage, Lender may, but shall not be obligated to, apply at any time the balance then remaining in any or all of the Reserves against the Debt in whatever order Lender shall subjectively determine. No such application of any or all of the Reserves shall be deemed to cure any Event of Default. Upon full payment of the Debt in accordance with its terms or at such earlier time as Lender may elect, the balance of any or all of the Reserves then in Lender's possession shall be paid over to Borrower and no other party shall have any right or claim thereto.

Section 3.2 [Reserved].

Section 3.3 Impound Account. Borrower shall establish and maintain at all times while this Mortgage continues in effect an impound account (the "Impound Account") with Lender for payment of real estate taxes and assessments and insurance on the Property and as additional security for the Debt. Simultaneously with the execution hereof, Borrower shall deposit in the Impound Account an amount determined by Lender to be necessary to ensure that there will be on deposit with Lender an amount which, when added to the monthly payments subsequently required to be deposited with Lender hereunder on account of real estate taxes, assessments and insurance premiums, will result in there being on deposit with Lender in the Impound Account an amount sufficient to pay the next due installment of real estate taxes and assessments on the Property at least one (1) month prior to the earlier of (a) the due date thereof or (b) any such date by which Borrower or Lender is required by law to pay same and the next due annual insurance premiums with respect to the Property at least one (1) month prior to the due date thereof. Commencing on the first monthly payment date under the Note and continuing thereafter on each monthly payment date under the Note, Borrower shall pay to Lender, concurrently with and in addition to the monthly payment due under the Note and until the Debt is fully paid and performed, deposits in an amount equal to one-twelfth (1/12) of the amount of the annual real estate taxes and assessments that will next become due and payable on the Property, plus one-twelfth (1/12) of the amount of the annual premiums that will next become due and payable on insurance policies which Borrower is required to maintain hereunder, each as

estimated and determined by Lender. So long as no Default or Event of Default has occurred, and no event has occurred or failed to occur which with the passage of time, the giving of notice, or both would constitute an Event of Default (a "Default"), all sums in the Impound Account shall be held by Lender in the Impound Account to pay said taxes, assessments and insurance premiums before the same become delinquent. Borrower shall be responsible for ensuring the receipt by Lender, at least thirty (30) days prior to the respective due date for payment thereof, of all bills, invoices and statements for all taxes, assessments and insurance premiums to be paid from the Impound Account, and so long as no Event of Default has occurred, Lender shall pay the governmental authority or other party entitled thereto directly to the extent funds are available for such purpose in the Impound Account. In making any payment from the Impound Account, Lender shall be entitled to rely on any bill, statement or estimate procured from the appropriate public office or insurance company or agent without any inquiry into the accuracy of such bill, statement or estimate and without any inquiry into the accuracy, validity, enforceability or contestability of any tax, assessment, valuation, sale, forfeiture, tax lien or title or claim thereof.

Section 3.4 Immediate Repair Reserve. Prior to the execution of this Mortgage, Lender has caused the Property to be inspected and such inspection has revealed that the Property is in need of certain maintenance, repairs and/or remedial or corrective work. Contemporaneously with the execution hereof, Borrower has established with Lender a reserve in the amount of \$5,250.00 (the "Immediate Repair Reserve") by depositing such amount with Lender. Borrower shall cause each of the items described in that certain Property Condition Report (the "Deferred Maintenance R 21;) to be completed, performed, remediated and corrected to the satisfaction of Lender and as necessary to bring the Property into compliance with all applicable laws, ordinances, rules and regulations on or before the expiration of six (6) months after the effective date hereof, as such time period may be extended by Lender in its sole discretion. So long as no Event of Default has occurred, all sums in the Immediate Repair Reserve shall be held by Lender in the Immediate Repair Reserve to pay the costs and expenses of completing the Deferred Maintenance. So long as no Default or Event of Default has occurred, Lender shall, to the extent funds are available for such purpose in the Immediate Repair Reserve, disburse to Borrower the amount paid or incurred by Borrower in completing, performing, remediating or correcting the Deferred Maintenance upon (a) the receipt by Lender of a written request from Borrower for disbursement from the Immediate Repair Reserve and a certification by Borrower in a form as may be required by Lender that the applicable item of Deferred Maintenance has been completed in accordance with the terms of this Mortgage, (b) delivery to Lender of invoices, receipts or other evidence satisfactory to Lender verifying the costs of the Deferred Maintenance to be reimbursed, (c) delivery to Lender of a certification from an inspecting architect, engineer or other consultant reasonably acceptable to Lender describing the completed work, verifying the completion of the work and the value of the completed work and, if applicable, certifying that the Property is, as a result of such work, in compliance with all applicable laws, ordinances, rules and regulations relating to the Deferred Maintenance so performed, and (d) delivery to Lender of affidavits, lien waivers or other evidence reasonably satisfactory to Lender showing that all materialmen, laborers, subcontractors and any other parties who might or could claim statutory or common law liens and are furnishing or have furnished materials or labor to the Property have been paid all amounts due for such labor and materials furnished to the Property. Lender shall not be required to make advances from the Immediate Repair Reserve more frequently than once in any thirty

(30) day period. In making any payment from the Immediate Repair Reserve, Lender shall be entitled to rely on such request from Borrower without any inquiry into the accuracy, validity or contestability of any such amount. Borrower hereby grants to Lender a power-of-attorney, coupled with an interest, to cause the Deferred Maintenance to be completed, performed, remediated and corrected to the satisfaction of Lender upon Borrower's failure to do so in accordance with the terms and conditions of this Section 3.4, and to apply the amounts on deposit in the Immediate Repair Reserve to the costs associated therewith, all as Lender may determine in its sole and absolute discretion but without obligation to do so.

Section 3.5 Replacement Reserve. As additional security for the Debt, Borrower shall establish and maintain at all times while this Mortgage continues in effect a repair reserve (the "Replacement Reserve") with Lender for payment of costs and expenses incurred by Borrower in connection with the performance of work to the roofs, chimneys, gutters, downspouts, paving, curbs, ramps, driveways, balconies, porches, patios, exterior walls, exterior doors and doorways, windows, elevators and mechanical and HVAC equipment (collectively, the "Repairs"). Commencing on the first monthly Payment Date under the Note and continuing thereafter on each monthly Payment Date under the Note, Borrower shall pay to Lender, concurrently with and in addition to the monthly payment due under the Note and until the Debt is fully paid and performed, a deposit to the Replacement Reserve in an amount equal to \$647.93 per month. So long as no Event of Default has occurred, all sums in the Replacement Reserve shall be held by Lender in the Replacement Reserve to pay the costs and expenses of Repairs. So long as no Default or Event of Default has occurred, Lender shall, to the extent funds are available for such purpose in the Replacement Reserve, disburse to Borrower the amount paid or incurred by Borrower in performing such Repairs within ten (10) days following: (a) the receipt by Lender of a written request from Borrower for disbursement from the Replacement Reserve and a certification by Borrower in a form approved in writing by Lender that the applicable item of Repair has been completed; (b) the delivery to Lender of invoices, receipts or other evidence satisfactory to Lender, verifying the cost of performing the Repairs; (c) for disbursement requests in excess of \$25,000.00, the delivery to Lender of affidavits, lien waivers or other evidence reasonably satisfactory to Lender showing that all materialmen, laborers, subcontractors and any other parties who might or could claim statutory or common law liens and are furnishing or have furnished material or labor to the Property have been paid all amounts due for labor and materials furnished to the Property; (d) for disbursement requests in excess of \$25,000.00, delivery to Lender of a certification from an inspecting architect or other third party acceptable to Lender describing the completed Repairs and verifying the completion of the Repairs and the value of the completed Repairs; and (e) for disbursement requests in excess of \$25,000.00, delivery to Lender of a new certificate of occupancy for the portion of the Improvements covered by such Repairs, if said new certificate of occupancy is required by law, or a certification by Borrower that no new certificate of occupancy is required. Lender shall not be required to make advances from the Replacement Reserve more frequently than once in any thirty (30) day period. In making any payment from the Replacement Reserve, Lender shall be entitled to rely on such request from Borrower without any inquiry into the accuracy, validity or contestability of any such amount. Lender may, at Borrower's expense, make or cause to be made during the term of this Mortgage an annual inspection of the Property to determine the need, as determined by Lender in its reasonable judgment, for further Repairs of the Property. In the event that such inspection reveals that further Repairs of the Property are required, Lender shall provide Borrower with a written description of the required Repairs and Borrower shall

complete such Repairs to the reasonable satisfaction of Lender within ninety (90) days after the receipt of such description from Lender, or such later date as may be approved by Lender in its sole discretion.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.1 Events of Default. The occurrence of any of the following events shall be an Event of Default hereunder:

(a) Borrower (x) fails to pay any payments due under the Note or to the Reserves on the date when the same is due and payable, or (y) fails to pay any money to Lender required hereunder at the time or within any applicable grace period set forth herein, or if no grace period is set forth herein, then within seven (7) days of the date such payment is due (except those regarding payments to be made under the Note or to the Reserves, which failure is not subject to any grace or cure period).

(b) Borrower fails to provide insurance as required by Section 2.3 hereof or fails to perform any covenant, agreement, obligation, term or condition set forth in Section 2.27 or Section 2.29 hereof.

(c) Borrower fails to perform any other covenant, agreement, obligation, term or condition set forth herein, other than those otherwise described in this Section 4.1, and, to the extent such failure or default is susceptible of being cured, the continuance of such failure or default for thirty (30) days after written notice thereof from Lender to Borrower; provided, however, that if such default is susceptible of cure but such cure cannot be accomplished with reasonable diligence within said period of time, and if Borrower commences to cure such default promptly after receipt of notice thereof from Lender, and thereafter prosecutes the curing of such default with reasonable diligence, such period of time shall be extended for such period of time as may be necessary to cure such default with reasonable diligence, but not to exceed an additional sixty (60) days.

(d) Any representation or warranty made herein, in or in connection with any application or commitment relating to the loan evidenced by the Note, or in any of the other Loan Documents to Lender by Borrower, by any principal, general partner, manager or member in Borrower, or by any Indemnitee is determined by Lender to have been false or misleading in any material respect at the time made.

ARTICLE V

REMEDIES

Section 5.1 Remedies Available. If there shall occur an Event of Default under this Mortgage, then this Mortgage is subject to foreclosure as provided by law and Lender may, at its option and by or through a trustee, nominee, assignee or otherwise, to the fullest extent permitted by law, exercise any or all of the following rights, remedies and recourses, either successively or concurrently:

(a) Acceleration. Accelerate the maturity date of the Note and declare any or all of the Debt to be immediately due and payable without any presentment, demand, protest, notice or action of any kind whatever (each of which is hereby expressly waived by Borrower), whereupon the same shall become immediately due and payable. Upon any such acceleration, payment of such accelerated amount shall constitute a prepayment of the principal balance of the Note and any applicable prepayment fee provided for in the Note shall then be immediately due and payable.

(b) Entry on the Property. Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of its security, enter upon and take possession of the Property, or any part thereof, without force or with such force as is permitted by law and without notice or process or with such notice or process as is required by law, unless such notice and process is waivable, in which case Borrower hereby waives such notice and process, and do any and all acts and perform any and all work which may be desirable or necessary in Lender's judgment to complete any unfinished construction on the Premises, to preserve the value, marketability or rentability of the Property, to increase the income therefrom, to manage and operate the Property or to protect the security hereof, and all sums expended by Lender therefor, together with interest thereon at the Default Interest Rate, shall be immediately due and payable to Lender by Borrower on demand and shall be secured hereby and by all of the other Loan Documents securing all or any part of the Debt.

(c) Collect Rents and Profits. With or without taking possession of the Property, sue or otherwise collect the Rents and Profits, including those past due and unpaid.

(d) Appointment of Receiver. Upon, or at any time prior or after, initiating the exercise of any power of sale, instituting any judicial foreclosure or instituting any other foreclosure of the liens and security interests provided for herein or any other legal proceedings hereunder, make application to a court of competent jurisdiction for appointment of a receiver for all or any part of the Property, as a matter of strict right and without notice to Borrower and without regard to the adequacy of the Property for the repayment of the Debt or the solvency of Borrower or any person or persons liable for the payment of the Debt, and Borrower does hereby irrevocably consent to such appointment, waive any and all notices of and defenses to such appointment and agree not to oppose any application therefor by Lender, but nothing herein is to be construed to deprive Lender of any other right, remedy or privilege Lender may now have under the law to have a receiver appointed, provided, however, that the appointment of such receiver, trustee or other appointee by virtue of any court order, statute or regulation shall not

impair or in any manner prejudice the rights of Lender to receive payment of the Rents and Profits pursuant to other terms and provisions hereof. Any such receiver shall have all of the usual powers and duties of receivers in similar cases, including, without limitation, the full power to hold, develop, rent, lease, manage, maintain, operate and otherwise use or permit the use of the Property upon such terms and conditions as said receiver may deem to be prudent and reasonable under the circumstances as more fully set forth in Section 5.3 below. Such receivership shall, at the option of Lender, continue until full payment of all of the Debt or until title to the Property shall have passed by foreclosure sale under this Mortgage or deed in lieu of foreclosure.

(e) Foreclosure . Immediately commence an action to foreclose this Mortgage or to specifically enforce its provisions with respect to any of the Debt, pursuant to the statutes in such case made and provided, and sell the Property or cause the Property to be sold in accordance with the requirements and procedures provided by said statutes in a single parcel or in several parcels at the option of Lender. In the event foreclosure proceedings are instituted by Lender, all expenses incident to such proceedings, including, but not limited to, reasonable attorneys' fees and costs, shall be paid by Borrower and secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt. The Debt and all other obligations secured by this Mortgage, including, without limitation, interest at the Default Interest Rate any prepayment charge, fee or premium required to be paid under the Note in order to prepay principal (to the extent permitted by applicable law), reasonable attorneys' fees and any other amounts due and unpaid to Lender under the Loan Documents, may be bid by Lender in the event of a foreclosure sale hereunder. In the event of a judicial sale pursuant to a foreclosure decree, it is understood and agreed that Lender or its assigns may become the purchaser of the Property or any part thereof.

(f) Judicial Remedies . Proceed by suit or suits, at law or in equity, instituted by or on behalf of Lender, to enforce the payment of the Debt or the other obligations of Borrower hereunder or pursuant to the Loan Documents, to foreclose the liens and security interests of this Mortgage as against all or any part of the Property, and to have all or any part of the Property sold under the judgment or decree of a court of competent jurisdiction. This remedy shall be cumulative of any other non-judicial remedies available to Lender with respect to the Loan Documents. Proceeding with the request or receiving a judgment for legal relief shall not be or be deemed to be an election of remedies or bar any available non-judicial remedy of Lender.

(g) Other . Exercise any other right or remedy available hereunder, under any of the other Loan Documents or at law or in equity.

Section 5.2 Application of Proceeds. To the fullest extent permitted by law, the proceeds of any sale under this Mortgage shall be applied, to the extent funds are so available, to the following items in such order as Lender in its discretion may determine:

(a) To payment of the reasonable costs, expenses and fees of taking possession of the Property, and of holding, operating, maintaining, using, leasing, repairing, improving, marketing and selling the same and of otherwise enforcing Lender's rights and remedies hereunder and under the other Loan Documents, including, but not limited to,

receivers' fees, court costs, attorneys', accountants', appraisers', managers' and other professional fees, title charges and transfer taxes.

(b) To payment of all sums expended by Lender under the terms of any of the Loan Documents and not yet repaid, together with interest on such sums at the Default Interest Rate.

(c) To payment of the Debt and all other obligations secured by this Mortgage, including, without limitation, interest at the Default Interest Rate and, to the extent permitted by applicable law, any prepayment fee, charge or premium required to be paid under the Note in order to prepay principal, in any order that Lender chooses in its sole discretion.

(d) The remainder, if any, of such funds shall be disbursed to Borrower or to the person or persons legally entitled thereto.

Section 5.3 Right and Authority of Receiver or Lender in the Event of Default; Power of Attorney. Upon the occurrence of an Event of Default, and entry upon the Property pursuant to Section 5.1(b) hereof or appointment of a receiver pursuant to Section 5.1(d) hereof, and under such terms and conditions as may be prudent and reasonable under the circumstances in Lender's or the receiver's sole discretion, all at Borrower's expense, Lender or said receiver, or such other persons or entities as they shall hire, direct or engage, as the case may be, may do or permit one or more of the following, successively or concurrently: (a) enter upon and take possession and control of any and all of the Property; (b) take and maintain possession of all documents, books, records, papers and accounts relating to the Property; (c) exclude Borrower and its agents, servants and employees wholly from the Property; (d) manage and operate the Property; (e) preserve and maintain the Property; (f) make repairs and alterations to the Property; (g) complete any construction or repair of the Improvements, with such changes, additions or modifications of the plans and specifications or intended disposition and use of the Improvements as Lender may in its sole discretion deem appropriate or desirable to place the Property in such condition as will, in Lender's sole discretion, make it or any part thereof readily marketable or rentable; (h) conduct a marketing or leasing program with respect to the Property, or employ a marketing or leasing agent or agents to do so, directed to the leasing or sale of the Property under such terms and conditions as Lender may in its sole discretion deem appropriate or desirable; (i) employ such contractors, subcontractors, materialmen, architects, engineers, consultants, managers, brokers, marketing agents, or other employees, agents, independent contractors or professionals, as Lender may in its sole discretion deem appropriate or desirable to implement and effectuate the rights and powers herein granted; (j) execute and deliver, in the name of Lender as attorney-in-fact and agent of Borrower or in its own name as Lender, such documents and instruments as are necessary or appropriate to consummate authorized transactions; (k) enter such leases, whether of real or personal property, or tenancy agreements, under such terms and conditions as Lender may in its sole discretion deem appropriate or desirable; (l) collect and receive the Rents and Profits from the Property; (m) eject tenants or repossess personal property, as provided by law, for breaches of the conditions of their leases or other agreements; (n) initiate a cause of action for unpaid Rents and Profits, payments, income or proceeds in the name of Borrower or Lender; (o) maintain actions in forcible entry and detainer, ejectment for possession and actions in distress for rent; (p) compromise or give acquittance for Rents and Profits, payments, income or proceeds that may become due; (q) delegate or assign

any and all rights and powers given to Lender by this Mortgage; and (r) do any acts which Lender in its sole discretion deems appropriate or desirable to protect the security hereof and use such measures, legal or equitable, as Lender may in its sole discretion deem appropriate or desirable to implement and effectuate the provisions of this Mortgage. This Mortgage shall constitute a direction to and full authority to any lessee, or other third party who has heretofore dealt or contracted or may hereafter deal or contract with Borrower or Lender, at the request of Lender, to pay all amounts owing under any Lease, contract, concession, license or other agreement to Lender without proof of the Event of Default relied upon. Any such lessee or third party is hereby irrevocably authorized to rely upon and comply with (and shall be fully protected by Borrower in so doing) any request, notice or demand by Lender for the payment to Lender of any Rents and Profits or other sums which may be or thereafter become due under its Lease, contract, concession, license or other agreement, or for the performance of any undertakings under any such Lease, contract, concession, license or other agreement, and shall have no right or duty to inquire whether any Event of Default under this Mortgage or under any of the other Loan Documents has actually occurred or is then existing. Borrower hereby constitutes and appoints Lender, its assignees, successors, transferees and nominees, as Borrower's true and lawful attorney-in-fact and agent, with full power of substitution in the Property, in Borrower's name, place and stead, to do or permit any one or more of the foregoing described rights, remedies, powers and authorities, successively or concurrently, and said power of attorney shall be deemed a power coupled with an interest and irrevocable so long as any portion of the Debt is outstanding. Any money advanced by Lender in connection with any action taken under this Section 5.3, together with interest thereon at the Default Interest Rate from the date of making such advancement by Lender until actually paid by Borrower, shall be a demand obligation owing by Borrower to Lender and shall be secured by this Mortgage and by every other instrument securing all or any portion of the Debt.

Section 5.4 Occupancy After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale, Borrower or Borrower's representatives, successors or assigns, or any other persons claiming any interest in the Property by, through or under Borrower (except tenants of space in the Improvements subject to leases entered into prior to the date hereof), are occupying or using the Property, or any part thereof, then, to the extent not prohibited by applicable law, each and all shall, at the option of Lender or the purchaser at such sale, as the case may be, immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day-to-day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the Property occupied or used, such rental to be due daily to the purchaser. Further, to the extent permitted by applicable law, in the event the tenant fails to surrender possession of the Property upon the termination of such tenancy, the purchaser shall be entitled to institute and maintain an action for unlawful detainer of the Property in the appropriate court of the county in which the Premises is located.

Section 5.5 Notice to Account Debtors. Lender may, at any time after an Event of Default, notify the account debtors and obligors of any accounts, chattel paper, negotiable instruments or other evidences of indebtedness to Borrower included in the Property to pay Lender directly. Borrower shall at any time or from time to time upon the request of Lender provide to Lender a current list of all such account debtors and obligors and their addresses.

Section 5.6 Cumulative Remedies. All remedies contained in this Mortgage are cumulative and Lender shall also have all other remedies provided at law and in equity or in any other Loan Documents. Such remedies may be pursued separately, successively or concurrently at the sole subjective direction of Lender and may be exercised in any order and as often as occasion therefor shall arise. No act of Lender shall be construed as an election to proceed under any particular provisions of this Mortgage to the exclusion of any other provision of this Mortgage or as an election of remedies to the exclusion of any other remedy which may then or thereafter be available to Lender. No delay or failure by Lender to exercise any right or remedy under this Mortgage shall be construed to be a waiver of that right or remedy or of any Event of Default. Lender may exercise any one or more of its rights and remedies at its option without regard to the adequacy of its security.

Section 5.7 Payment of Expenses. Borrower shall pay on demand all of Lender's expenses incurred in any efforts to enforce any terms of this Mortgage, whether or not any lawsuit is filed and whether or not foreclosure is commenced but not completed, including, but not limited to, reasonable legal fees and disbursements, fees of any Rating Agency, fees related to any No-Downgrade Confirmation, foreclosure costs and title charges, together with interest thereon from and after the date incurred by Lender until actually paid by Borrower at the Default Interest Rate, and the same shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the Debt.

Section 6.8 Gender. Within this Mortgage, words of any gender shall be held and construed to include any other gender, and words in the singular shall be held and construed to include the plural, and vice versa, unless the context otherwise requires.

Section 6.9 Waiver; Discontinuance of Proceedings. Lender may waive any single Event of Default by Borrower hereunder without waiving any other prior or subsequent Event of Default. Lender may remedy any Event of Default by Borrower hereunder without

waiving the Event of Default remedied. Neither the failure by Lender to exercise, nor the delay by Lender in exercising, any right, power or remedy upon any Event of Default by Borrower hereunder shall be construed as a waiver of such Event of Default or as a waiver of the right to exercise any such right, power or remedy at a later date. No single or partial exercise by Lender of any right, power or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy hereunder may be exercised at any time and from time to time. No modification or waiver of any provision hereof nor consent to any departure by Borrower therefrom shall in any event be effective unless the same shall be in writing and signed by Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose given. No notice to nor demand on Borrower in any case shall of itself entitle Borrower to any other or further notice or demand in similar or other circumstances. Acceptance by Lender of any payment in an amount less than the amount then due on any of the Debt shall be deemed an acceptance on account only and shall not in any way affect the existence of an Event of Default. In case Lender shall have proceeded to invoke any right, remedy or recourse permitted hereunder or under the other Loan Documents and shall thereafter elect to discontinue or abandon the same for any reason, Lender shall have the unqualified right to do so and, in such an event, Borrower and Lender shall be restored to their former positions with respect to the Debt, the Loan Documents, the Property and otherwise, and the rights, remedies, recourses and powers of Lender shall continue as if the same had never been invoked.

Section 6.26 Counterparts. This Mortgage may be executed in any number of counterparts, each of which shall be effective only upon delivery and thereafter shall be deemed an original, and all of which shall be taken to be one and the same instrument, for the same effect as if all parties hereto had signed the same signature page. Any signature page of this Mortgage may be detached from any counterpart of this Mortgage without impairing the legal effect of any

signatures thereon and may be attached to another counterpart of this Mortgage identical in form hereto but having attached to it one or more additional signature pages.

BORROWER FURTHER CONSENTS TO THE ISSUANCE OF ANY PREJUDGMENT REMEDIES WITHOUT A BOND AND AGREES NOT TO REQUEST OR FILE MOTIONS SEEKING TO REQUIRE THE POSTING OF A BOND UNDER PUBLIC ACT 93-431 IN CONNECTION WITH LENDER'S EXERCISE OF ANY PREJUDGMENT REMEDY. Section 6.34 REMIC Opinions. In the event Borrower requests Lender's consent with respect to any proposed action or Borrower proposes to take any action not otherwise requiring Lender's specific consent under the Loan Documents, which Lender determines, in its discretion, may affect (i) the "REMIC" status of Lender, its successors or assigns, or (ii) the status of this Mortgage as a "qualified mortgage" as defined in Section 860G of the Internal Revenue Code of 1986 (or any succeeding provision of such law), Lender reserves the right to require Borrower, at Borrower's sole expense, to obtain, from counsel satisfactory to Lender in its discretion, an opinion, in form and substance satisfactory to Lender in its discretion, that no adverse tax consequences will arise as a result of the proposed course of action.

Section 6.35 Splitting the Loan. Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages, deeds of trust and other security documents (the "Severed Loan Documents") in such denominations and priorities as Lender shall determine in its sole discretion, provided, however, that the terms, provisions and clauses of the Severed Loan Documents shall be no more adverse to Borrower than those contained in the Note, this Mortgage and the other Loan Documents. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall reasonably request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, that Lender shall not make or execute any such documents under such power until not less than three (3) days has passed after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power.

II. **GENERAL TERMS**

Section 2.1 Loan Commitment; Disbursement to Borrower.

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Single Disbursement to Borrower. Borrower may request and receive only one (1) borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.3 The Note, Mortgage and Loan Documents. The Loan shall be evidenced by the Note and secured by the Mortgage, the Assignment of Leases and the other Loan Documents.

2.1.4 Use of Proceeds. Borrower shall use the proceeds of the Loan to (a) acquire the Property or repay and discharge any existing loans relating to the Property, (b) pay all past-due Basic Carrying Costs, if any, with respect to the Property, (c) make deposits into the Reserve Funds on the Closing Date in the amounts provided herein, (d) pay costs and expenses incurred in connection with the closing of the Loan, as approved by Lender, (e) fund any working capital requirements of the Property and (f) distribute the balance, if any, to Borrower.

Section 2.2 Interest Rate.

2.2.1 Interest Rate. Interest on the outstanding principal balance of the Loan shall accrue from (and include) the Closing Date to but excluding the Maturity Date at the Interest Rate calculated as set forth in Section 2.2.2 below. Borrower shall pay to Lender on each Payment Date the interest accrued on the Loan for the related Interest Period.

2.2.2 Interest Calculation. Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the Interest Period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year by (c) the outstanding principal balance as of the beginning of the Interest Period.

2.2.3 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.4 Usury Savings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Loan Payment.

2.3.1 Monthly Debt Service Payments. Borrower shall pay to Lender (a) on the Closing Date, an amount equal to interest only on the outstanding principal balance of the Loan from the Closing Date up to and including July 31, 2007, which interest shall be calculated in accordance with the provisions of Section 2.2 hereof and (b) on each Payment Date commencing on the Payment Date occurring in September, 2007 and thereafter up to and including the Maturity Date, Borrower shall make a payment to Lender equal to the Monthly Debt Service Payment Amount.

2.3.2 Payments Generally. The first Interest Period hereunder shall commence on and include the Closing Date and shall end on and include July 31, 2007. Thereafter each Interest Period shall commence on the first (1st) day of each calendar month during the term of this Agreement and shall end on and include the final calendar date of such calendar month. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the day on which such payment is due is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day and with respect to payments of principal due on the Maturity Date, interest shall be payable at the Interest Rate or the Default Rate, as the case may be, through and including the day immediately preceding such Maturity Date. All amounts due under this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever.

2.3.3 Payment on Maturity Date. Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage and the other Loan Documents.

2.3.4 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents (including the amounts due on the Maturity Date) are not paid by Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the Maximum Legal Rate in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgage and the other Loan Documents to the extent permitted by applicable law.

2.3.5 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 11:00 A.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4 Prepayments.

2.4.1 Voluntary Prepayments. Except as otherwise provided in this Section 2.4.1 and Section 2.4.2, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Maturity Date. If for any reason Borrower prepays the Loan on a date other than a Payment Date, Borrower shall pay Lender, in addition to the Debt, all interest which would have accrued on the amount of the Loan through and including the Payment Date next occurring following the date of such prepayment. Notwithstanding anything to the contrary contained herein, commencing after the Payment Date two (2) months prior to the Maturity Date, or on any Payment Date thereafter (or on any date thereafter, provided that interest is paid through the next Payment Date), Borrower may, at its option, prepay the Debt in whole, but not in part without payment of the Yield Maintenance Premium.

2.4.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of the Property or otherwise remit such Net Proceeds to Borrower pursuant to Section 6.4 hereof, Borrower shall prepay or authorize Lender to apply Net Proceeds as a prepayment of all or a portion of the outstanding principal balance of the Loan together with accrued interest through the end of the related Interest Period and any other sums due hereunder in an amount equal to one hundred percent (100%) of such Net Proceeds; provided, however, if an Event of Default has occurred and is continuing, Lender may apply such Net Proceeds to the Debt (until paid in full) in any order or priority in its sole discretion. Other than following an Event of Default, no Yield Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2.

2.4.3 Prepayments After Default. If following an Event of Default, payment of all or any part of the Debt is tendered by Borrower or otherwise recovered by Lender, such tender or recovery shall be (a) made on the next occurring Payment Date together with the Monthly Debt Service Payment and (b) deemed a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in Section 2.4.1 hereof and Borrower shall pay, in addition to the Debt, an amount equal to the Yield Maintenance Default Premium.

2.4.4 Prepayment Prior to Defeasance Expiration Date. If the Permitted Release Date has occurred but the Defeasance Expiration Date has not occurred, the Debt may be prepaid in whole (but not in part) prior to the date permitted under Section 2.4.1 hereof upon not less than thirty (30) days prior written notice to Lender specifying the Payment Date on which prepayment is to be made (a "Prepayment Date") provided no Event of Default exists and upon payment of an amount equal to the Yield Maintenance Premium. Lender shall notify Borrower of the amount and the basis of determination of the required prepayment consideration. If any notice of prepayment is given, the Debt shall be due and payable on the Prepayment Date. Lender shall not be obligated to accept any prepayment of the Debt unless it is accompanied by the prepayment consideration due in connection therewith. If for any reason Borrower prepays the Loan on a date other than a Payment Date, Borrower shall pay Lender, in addition to the Debt, all interest which would have accrued on the amount of the Loan through and including the Payment Date next occurring following the date of such prepayment.

Section 2.5 Defeasance.

2.5.1 Voluntary Defeasance. (a) Provided no Event of Default shall then exist, Borrower shall have the right at any time after the Defeasance Expiration Date and prior to the date voluntarily prepayments are permitted under Section 2.4.1 hereof to voluntarily defease all, but not part, of the Loan by and upon satisfaction of the following conditions (such event being a "Defeasance Event"):

- (i) Borrower shall provide not less than thirty (30) days prior written notice to Lender specifying the Payment Date (the "Defeasance Date") on which the Defeasance Event is to occur;
 - (ii) [intentionally omitted];
 - (iii) Borrower shall pay to Lender all sums, not including scheduled interest or principal payments, then due under the Note, this Agreement, the Mortgage and the other Loan Documents;
 - (iv) Borrower shall use the Defeasance Deposit to purchase U.S. Obligations in accordance with Section 2.5.1(b) below;
-

(v) Borrower shall execute and deliver a pledge and security agreement, in form and substance that would be reasonably satisfactory to a prudent lender creating a first priority lien on the Defeasance Deposit and the U.S. Obligations purchased with the Defeasance Deposit in accordance with the provisions of this Section 2.5 (the "Security Agreement");

(vi) Borrower shall deliver an opinion of counsel for Borrower that is standard in commercial lending transactions and subject only to customary qualifications, assumptions and exceptions opining, among other things, that Borrower has legally and validly transferred and assigned the U.S. Obligations and all obligations, rights and duties under and to the Note to the Successor Borrower, that Lender has a perfected first priority security interest in the Defeasance Deposit and the U.S. Obligations delivered by Borrower and that any REMIC Trust formed pursuant to a Securitization will not fail to maintain its status as a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code as a result of such Defeasance Event;

(vii) Borrower shall deliver confirmation in writing from each of the applicable Rating Agencies to the effect that such release will not result in a downgrade, withdrawal or qualification of the respective ratings in effect immediately prior to such Defeasance Event for the Securities issued in connection with the Securitization which are then outstanding. If required by the applicable Rating Agencies, Borrower shall also deliver or cause to be delivered an Additional Insolvency Opinion with respect to the Successor Borrower in form and substance satisfactory to Lender and the applicable Rating Agencies;

(viii) Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.5.1(a) have been satisfied;

(ix) Borrower shall deliver a certificate of Borrower's independent certified public accountant certifying that the U.S. Obligations purchased with the Defeasance Deposit generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(x) Borrower shall deliver such other certificates, documents or instruments as Lender may reasonably request; and

(xi) Borrower shall pay all costs and expenses of Lender incurred in connection with the Defeasance Event, including (A) any costs and expenses associated with a release of the Lien of the Mortgage as provided in Section 2.6 hereof, (B) reasonable attorneys' fees and expenses incurred in connection with the Defeasance Event, (C) the costs and expenses of the Rating Agencies, (D) any revenue, documentary stamp or intangible taxes or any other tax or charge due in connection with the transfer of the Note, or otherwise required to accomplish the defeasance and (E) the costs and expenses of Servicer and any trustee, including reasonable attorneys' fees.

(b) In connection with the Defeasance Event, Borrower shall use the Defeasance Deposit to purchase U.S. Obligations which provide payments on or prior to, but as close as possible to, all successive scheduled Payment Dates after the Defeasance Date upon which interest and/or principal payments are required under this Agreement and the Note, and in amounts equal to the scheduled payments due on such Payment Dates under this Agreement and the Note (including, without limitation, scheduled payments of principal, interest, servicing fees (if any), and any other amounts due under the Loan Documents on such Payment Dates) and assuming the Note is prepaid in full on the Anticipated Repayment Date (the "Scheduled Defeasance Payments"). Borrower, pursuant to the Security Agreement or other appropriate document, shall authorize and direct that the payments received from the U.S. Obligations may be made directly to the Lockbox Account (unless otherwise directed by Lender) and applied to satisfy the Debt Service obligations of Borrower under this Agreement and the Note. Any portion of the Defeasance Deposit in excess of the amount necessary to purchase the U.S. Obligations required by this Section 2.5 and satisfy Borrower's other obligations under this Section 2.5 and Section 2.6 shall be remitted to Borrower.

2.5.2 Collateral. Each of the U.S. Obligations that are part of the defeasance collateral shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance that would be satisfactory to a prudent lender (including, without limitation, such instruments as may be required by the depository institution holding such securities or by the issuer thereof, as the case may be, to effectuate book-entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the defeasance collateral a first priority security interest therein in favor of Lender in conformity with all applicable state and federal laws governing the granting of such security interests.

2.5.3 Successor Borrower. In connection with any Defeasance Event, Borrower shall establish a successor entity (the "**Successor Borrower**") which is acceptable to the Rating Agencies. Borrower shall transfer and assign all obligations, rights and duties under and to the Note, together with the pledged U.S. Obligations to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note and the Security Agreement and Borrower shall be relieved of its obligations under such documents. 60; Borrower shall pay One Thousand and 00/100 Dollars (\$1,000) to any such Successor Borrower as consideration for assuming the obligations under the Note and the Security Agreement. Notwithstanding anything in this Agreement to the contrary, no other assumption fee shall be payable upon a transfer of the Note in accordance with this Section 2.5.3, but Borrower shall pay all costs and expenses incurred by Lender, including Lender's attorneys' fees and expenses and any fees and expenses of any Rating Agencies, incurred in connection therewith.

Section 2.6 Release of Property. Except as set forth in this Section 2.6, no repayment, prepayment or defeasance of all or any portion of the Loan shall cause, give rise to a right to require, or otherwise result in, the release of the Lien of the Mortgage on the Property.

2.6.1 Release of Property.

(a) If Borrower has elected to defease the entire Loan and the requirements of Section 2.5 and this Section 2.6 have been satisfied, all of the Property shall be released from the Lien of the Mortgage and the U.S. Obligations, pledged pursuant to the Security Agreement, shall be the sole source of collateral securing the Note.

(b) In connection with the release of the Mortgage, Borrower shall submit to Lender, not less than thirty (30) days prior to the Defeasance Date, a release of Lien (and related Loan Documents) for the Property for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Property is located and that would be satisfactory to a prudent lender and contains standard provisions, if any, protecting the rights of the releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such releases in accordance with the terms of this Agreement.

2.6.2 Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Mortgage on the Property.

(e) The Lockbox Account shall be an Eligible Account and shall not be commingled with other monies held by Borrower or Lockbox Bank.

(f) Borrower shall not further pledge, assign or grant any security interest in the Lockbox Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(g) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Lockbox Account and/or the Lockbox Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Lockbox Account was established.

Borrower will not in any way alter or modify the Cash Management Account and will notify Lender of the account number thereof. Lender and Servicer shall have the sole right to make withdrawals from the Cash Management Account and all costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Borrower.

(b) The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(c) All funds on deposit in the Cash Management Account following the occurrence of an Event of Default may be applied by Lender in such order and priority as Lender shall determine.

(d) Borrower hereby agrees that Lender may modify the Cash Management Agreement for the purpose of establishing additional sub-accounts in connection with any payments otherwise required under this Agreement and the other Loan Documents and Lender shall provide notice thereof to Borrower.

IV. REPRESENTATIONS AND WARRANTIES

Section 4.1 Borrower Representations. Borrower represents and warrants as of the date hereof and as of the Closing Date that:

4.1.1 Organization. Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, and the sole business of Borrower is the ownership, management and operation of the Property. The ownership interests in Borrower are as set forth on the organizational chart attached hereto as Schedule III.

4.1.2 Proceedings. Borrower has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and constitute legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement or other agreement or instrument to which Borrower is a party or by which any of Borrower's property or assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or any of Borrower's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any court or any such Governmental Authority required for the execution, delivery and performance by Borrower of this Agreement or any other Loan Documents has been obtained and is in full force and effect.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or threatened against or affecting Borrower, Guarantor, Principal or the Property, which actions, suits or proceedings, if determined against Borrower, Guarantor, Principal or the Property, might materially adversely affect the condition (financial or otherwise) or business of Borrower, Guarantor, Principal or the condition or ownership of the Property.

4.1.5 Agreements. Borrower is not a party to any agreement or instrument or subject to any restriction which might materially and adversely affect Borrower or the Property, or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower or the Property is bound. Borrower has no material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Property is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Property as permitted pursuant to clause (xxiii) of the definition of "Special Purpose Entity" set forth in Section 1.1 hereof and (b) obligations under the Loan Documents.

4.1.6 Title. Borrower has good, marketable and insurable fee simple title to the real property comprising part of the Property and good title to the balance of the Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of the Property (as currently used) or Borrower's ability to repay the Loan. The Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the Property, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Borrower has (a) not entered into this transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for its obligations under such Loan Documents. Giving effect to the Loan, the fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower or any constituent Person in the last seven (7) years, and neither Borrower nor any constituent Person in the last seven (7) years has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. Neither Borrower nor any of its constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which adversely affects, nor as far as Borrower can foresee, might adversely affect, the Property or the business, operations or condition (financial or otherwise) of Borrower.

4.1.9 No Plan Assets. Borrower does not sponsor, is not obligated to contribute to, and is not itself an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA or Section 4975 of the Code, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state or other statute, regulation or other restriction regulating investments of, or fiduciary obligations with respect to, governmental plans within the meaning of Section 3(32) of ERISA which is similar to the provisions of Section 406 of ERISA or Section 4975 of the Code and which prohibit or otherwise restrict the transactions contemplated by this Agreement, including but not limited to the exercise by Lender of any of its rights under the Loan Documents.

4.1.10 Compliance. To the best of Borrower's knowledge, Borrower and the Property and the use thereof comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes. To the best of Borrower's knowledge, Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority. All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan (i) are true, complete and correct in all material respects, (ii) accurately represent the financial condition of Borrower and the Property, as applicable, as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on the Property or the operation thereof as a retail shopping center, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of Borrower from that set forth in said financial statements.

4.1.12 Condemnation. No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of the Property or for the relocation of roadways providing access to the Property.

4.1.13 Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

All public utilities necessary or convenient to the full use and enjoyment of the Property are located either in the public right-of-way abutting the Property (which are connected so as to serve the Property without passing over other property) or in recorded easements serving the Property and such easements are set forth in and insured by the Title Insurance Policy. All roads necessary for the use of the Property for its current purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15 Not a Foreign Person. Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

4.1.16 Separate Lots. The Property is comprised of one (1) or more parcels which constitute a separate tax lot or lots and does not constitute a portion of any other tax lot not a part of the Property.

4.1.17 Assessments. There are no pending or proposed special or other assessments for public improvements or otherwise affecting the Property, nor are there any contemplated improvements to the Property that may result in such special or other assessments.

4.1.18 Enforceability. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors' rights and the enforcement of debtors' obligations), and neither Borrower nor Guarantor have asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

4.1.19 No Prior Assignment. There are no prior assignments of the Leases or any portion of the Rents due and payable or to become due and payable which are presently outstanding.

4.1.20 Insurance. Borrower has obtained and has delivered to Lender certified copies of the Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. 5.2.6 **Zoning.** Borrower shall not initiate or consent to any zoning reclassification of any portion of the Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of the Property in any manner that could result in such use becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of Lender.

5.2.7 **Intentionally Omitted.**

5.2.8 **Intentionally Omitted.**

Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

(b) Without the prior written consent of Lender, and except to the extent otherwise set forth in this Section 5.2.10, Borrower shall not, and shall not permit any Restricted Party do any of the following (collectively, a "Transfer"): (i) sell, convey, mortgage, grant, bargain, encumber, pledge, assign, grant options with respect to, or otherwise transfer or dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, and whether or not for consideration or of record) the Property or any part thereof or any legal or beneficial interest therein or (ii) permit a Sale or Pledge of an interest in any Restricted Party, other than (A) pursuant to Leases of space in the Improvements to tenants in accordance with the provisions of Section 5.1.20 and (B) Permitted Transfers.

(c) A Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock; (iv) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general partner or any profits or proceeds relating to such partnership interest, or the Sale or Pledge of limited partnership interests or any profits or proceeds relating to such limited partnership interest or the creation or issuance of new limited partnership interests; (v) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of a managing member (or if no managing member, any member) or any profits or proceeds relating to such membership interest, or the Sale or Pledge of non-managing membership interests or the creation or issuance of new non-managing membership interests; (vi) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (vii) the removal or the resignation of the managing agent (including, without limitation, an Affiliated Manager) other than in accordance with Section 5.1.22 hereof.

(d) Notwithstanding the provisions of this Section 5.2.10, Lender's consent shall not be required in connection with one or a series of Transfers, of not more than forty-nine percent (49%) of the stock, the limited partnership interests or non-managing membership interests (as the case may be) in a Restricted Party; provided, however, no such Transfer shall result in the change of Control in a Restricted Party, and as a condition to each such Transfer, Lender shall receive not less than thirty (30) days prior notice of such proposed Transfer. If after giving effect to any such Transfer, more than forty-nine percent (49%) in the aggregate of direct or indirect interests in a Restricted Party are owned by any Person and its Affiliates that owned less than forty-nine percent (49%) direct or indirect interest in such Restricted Party as of the Closing Date, Borrower shall, no less than thirty (30) days prior to the effective date of any such Transfer, deliver to Lender an Additional Insolvency Opinion acceptable to Lender and the Rating Agencies. In addition, at all times, (a) Acadia Realty Trust or their respective Permitted Transferees must continue to Control Borrower, Guarantor and Manager, if any, and, own, directly or indirectly, in the aggregate, at least a 51% legal and beneficial interest in, Borrower, and (b) Acadia Realty Trust or its Permitted Transferees must continue to Control, and own, directly or indirectly, at least a 20% legal and beneficial interest in, each of Borrower, Guarantor and Manager. Notwithstanding anything to the contrary contained herein, the following shall not be deemed to be a Transfer as defined above: (i) the transfer, directly as a result of the death of a natural person, of stock, membership interests, partnership interests or other ownership interests previously held by the decedent in question to the person(s) lawfully entitled thereto, (ii) any transfer, directly as a result of the legal incapacity of a natural person, of stock, membership interests, partnership interests or other ownership interests previously held by the decedent in question to the person(s) lawfully entitled thereto, (iii) a sale, transfer or hypothecation of a partnership, shareholder or membership interest in Borrower (or any entity with an interest in Borrower), whichever the case may be, by the current partner(s), shareholder(s) or member(s), as applicable, to an immediate family member (i.e., parent, spouses, siblings, children or grandchildren) of such partner, or shareholder or member or Principal (or a trust to the benefit of any such person) and (iv) Transfers with respect to any Person whose stocks or certificates are traded on a nationally recognized stock exchange.

(e) No consent to any assumption of the Loan shall occur on or before the first (1st) anniversary of the first (1st) Payment Date. Thereafter, Lender's consent to a one (1) time Transfer of the Property and assumption of the Loan shall not be unreasonably withheld provided that Lender receives sixty (60) days prior written notice of such Transfer and no Event of Default has occurred and is continuing, and further provided that the following additional requirements are satisfied for all Transfers other than those described in subsection (d) above:

- (i) Borrower shall pay Lender a transfer fee equal to one-half of one percent (0.50%) of the outstanding principal balance of the Loan at the time of such transfer;
-

(ii) Borrower shall pay any and all reasonable out-of-pocket costs incurred in connection with such Transfer (including, without limitation, Lender's counsel fees and disbursements and all recording fees, title insurance premiums and mortgage and intangible taxes and the fees and expenses of the Rating Agencies pursuant to clause (x) below);

(iii) The proposed transferee (the "Transferee") or Transferee's Principals must have demonstrated expertise in owning and operating properties similar in location, size, class and operation to the Property, which expertise shall be reasonably determined by Lender;

(iv) Transferee and Transferee's Principals shall, as of the date of such transfer, have an aggregate net worth and liquidity reasonably acceptable to Lender;

(v) Transferee, Transferee's Principals and all other entities which may be owned or Controlled directly or indirectly by Transferee's Principals ("Related Entities") must not have been party to any bankruptcy proceedings, voluntary or involuntary, made an assignment for the benefit of creditors or taken advantage of any insolvency act, or any act for the benefit of debtors within seven (7) years prior to the date of the proposed Transfer;

(vi) Transferee shall assume all of the obligations of Borrower under the Loan Documents in a manner satisfactory to Lender in all respects, including, without limitation, by entering into an assumption agreement in form and substance satisfactory to Lender;

(vii) There shall be no material litigation or regulatory action pending or threatened against Transferee, Transferee's Principals or Related Entities which is not reasonably acceptable to Lender;

(viii) Transferee, Transferee's Principals and Related Entities shall not have defaulted under its or their obligations with respect to any other Indebtedness in a manner which is not reasonably acceptable to Lender;

(ix) Transferee and Transferee's Principals must be able to satisfy all the representations and covenants set forth in Sections 4.1.30, 4.1.35, 5.1.23 and 5.2.9 of this Agreement, no Default or Event of Default shall otherwise occur as a result of such Transfer, and Transferee and Transferee's Principals shall deliver (A) all organizational documentation reasonably requested by Lender, which shall be reasonably satisfactory to Lender and (B) all certificates, agreements and covenants reasonably required by Lender;

(x) Transferee shall be approved by the Rating Agencies selected by Lender, which approval, if required by Lender, shall take the form of a confirmation in writing from such Rating Agencies to the effect that such Transfer will not result in a requalification, reduction, downgrade or withdrawal of the ratings in effect immediately prior to such assumption or transfer for the Securities or any class thereof issued in connection with a Securitization which are then outstanding;

(xi) Borrower or Transferee, at its sole cost and expense, shall deliver to Lender an Additional Insolvency Opinion reflecting such Transfer satisfactory in form and substance to Lender;

(xii) Prior to any release of Guarantor, one (1) or more substitute guarantors reasonably acceptable to Lender shall have assumed all of the liabilities and obligations of Guarantor under the Guaranty and Environmental Indemnity executed by Guarantor or execute a replacement guaranty and environmental indemnity reasonably satisfactory to Lender;

(xiii) Borrower shall deliver, at its sole cost and expense, an endorsement to the Title Insurance Policy, as modified by the assumption agreement, as a valid first lien on the Property and naming the Transferee as owner of the Property, which endorsement shall insure that, as of the date of the recording of the assumption agreement, the Property shall not be subject to any additional exceptions or liens other than those contained in the Title Policy issued on the date hereof and the Permitted Encumbrances; and

(xiv) The Property shall be managed by a Qualified Manager pursuant to a Replacement Management Agreement.

Immediately upon a Transfer to such Transferee and the satisfaction of all of the above requirements, the named Borrower and Guarantor herein shall be released from all liability under this Agreement, the Note, the Mortgage and the other Loan Documents accruing after such Transfer. The foregoing release shall be effective upon the date of such Transfer, but Lender agrees to provide written evidence thereof reasonably requested by Borrower.

(f) Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon Borrower's Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

VI. INSURANCE; CASUALTY; CONDEMNATION; REQUIRED REPAIRS

Section 6.1 **Insurance.** (1) Borrower shall obtain and maintain, or cause to be maintained, insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("Special Form") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Twenty-Five Thousand and 00/100 Dollars (\$25,000.00) for all such insurance coverage excluding windstorm and earthquake and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (x) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such greater amount as Lender shall require and (y) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity;

(ii) business income insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) in an amount equal to one hundred percent (100%) of the projected gross revenues from the operation of the Property (as reduced to reflect expenses not incurred during a period of Restoration) for a period of at least eighteen (18) months after the date of the Casualty; and (D) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and Personal Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of six (6) months from the date that the Property is repaired or replaced and operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross revenues from the Property for the succeeding eighteen (18) month period. Notwithstanding the provisions of Section 2.7.1 hereof, all proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in this Agreement and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property and (4) with an agreed amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and 00/100 Dollars (\$2,000,000.00) in the aggregate and One Million and 00/100 Dollars (\$1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all written contracts and (5) contractual liability covering the indemnities contained in Article 9 of the Mortgage to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence of One Million Dollars and 00/100 Dollars (\$1,000,000.00);

(vii) worker's compensation and employee's liability subject to the worker's compensation laws of the applicable state;

(viii) umbrella and excess liability insurance in an amount not less than Fifty Million and 00/100 Dollars (\$50,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (v) above, including, but not limited to, supplemental coverage for employer liability and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(ix) the insurance required under this Section 6.1(a) above shall cover perils of terrorism and acts of terrorism and Borrower shall maintain insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Sections 6.1(a) above at all times during the term of the Loan; and

(x) upon sixty (60) days written notice, such other reasonable insurance, including, but not limited to, sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 6.1(a) hereof, shall be obtained under valid and enforceable policies (collectively, the "Policies" or in the singular, the "Policy"), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the State and having a claims paying ability rating of "AA" or better (and the equivalent thereof) by at least two (2) of the Rating Agencies rating the Securities (one (1) of which shall be S&P if they are rating the Securities and one (1) of which will be Moody's if they are rating the Securities), or if only one (1) Rating Agency is rating the Securities, then only by such Rating Agency. The Policies described in Section 6.1 hereof (other than those strictly limited to liability protection) shall designate Lender as loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "Insurance Premiums"), shall be delivered by Borrower to Lender.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 6.1(a) hereof.

(d) All Policies provided for or contemplated by Section 6.1(a) hereof, except for the Policy referenced in Section 6.1(a)(vii) of this Agreement, shall name Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days written notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give written notice to Lender if the Policy has not been renewed thirty (30) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate after three (3) Business Days notice to Borrower if prior to the date upon which any such coverage will lapse or at any time Lender deems necessary (regardless of prior notice to Borrower) to avoid the lapse of any such coverage. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgage and shall bear interest at the Default Rate.

Section 6.2 **Casualty.** If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "Casualty"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the Restoration of the Property pursuant to Section 6.4 hereof as nearly as possible to the condition the Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 hereof. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve the final settlement, which approval shall not be unreasonably withheld or delayed) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3 **Condemnation.** Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of the Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any portion of the Property is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the Property pursuant to Section 6.4 hereof and otherwise comply with the provisions of Section 6.4 hereof. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4

Restoration. The following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds shall be less than One Million and 00/100 Dollars (\$1,000,000.00) and the costs of completing the Restoration shall be less than One Million and 00/100 Dollars (\$1,000,000.00), the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) hereof are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) or the costs of completing the Restoration is equal to or greater than One Million and 00/100 Dollars (\$1,000,000.00) Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term "Net Proceeds" for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1 (a)(i), (iv), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("**Insurance Proceeds**"), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("**Condemnation Proceeds**"), whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration provided that each of the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than thirty-five percent (35%) of the total floor area of the Improvements on the Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than ten percent (10%) of the land constituting the Property is taken, and such land is located along the perimeter or periphery of the Property, and no portion of the Improvements is located on such land;

(C) Leases demising in the aggregate a percentage amount equal to or greater than the Rentable Space Percentage of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such Casualty or Condemnation, whichever the case may be, shall remain in full force and effect during and after the completion of the Restoration, notwithstanding the occurrence of any such Casualty or Condemnation, whichever the case may be, and Borrower and/or Tenant, as applicable under the respective Lease, will make all necessary repairs and restorations thereto at their sole cost and expense. The term "Rentable Space Percentage" shall mean (1) in the event the Net Proceeds are Insurance Proceeds, a percentage amount equal to ninety percent (90%) and (2) in the event the Net Proceeds are Condemnation Proceeds, a percentage amount equal to ninety percent (90%);

(D) Borrower shall diligently proceed with the Restoration efforts as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(ii) hereof, if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Anchor Tenant Leases, (3) such time as may be required under all applicable Legal Requirements in order to repair and restore the Property to the condition it was in immediately prior to such Casualty or to as nearly as possible the condition it was in immediately prior to such Condemnation, as applicable, or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(ii) hereof;

(G) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;

(I) such Casualty or Condemnation, as applicable, does not result in the loss of access to the Property or the Improvements;

(J) the Debt Service Coverage Ratio for the Property, after giving effect to the Restoration, shall be equal to or greater than 1.20 to 1.0 (assuming a Debt Service Constant of 7.27% based upon payments of interest only);

(K) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be acceptable to Lender; and

(L) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and Other Obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Casualty Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "Casualty Retainage" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and Other Obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds (and the remaining balance, if any, of the Net Proceeds Deficiency) deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be deposited in the Lockbox Account to be disbursed in accordance with the Lockbox Agreement, provided no Event of Default shall have occurred and shall be continuing under the Note, this Agreement or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) hereof may be retained and applied by Lender toward the payment of the Debt in accordance with Section 2.4.2 hereof, whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) In the event of foreclosure of the Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

VII. RESERVE FUNDS

Section 7.1 Required Repairs.

7.1.1 Deposits. Borrower shall perform the repairs at the Property, as more particularly set forth on Schedule II hereto (such repairs hereinafter referred to as "**Required Repairs**"). Borrower shall complete the Required Repairs on or before the required deadline for each repair as set forth on Schedule II. It shall be an Event of Default under this Agreement if (a) Borrower does not complete the Required Repairs at the Property by the required deadline for each repair as set forth on Schedule II, or (b) Borrower does not satisfy each condition contained in Section 7.1.2 hereof. Upon the occurrence of such an Event of Default, Lender, at its option, may withdraw all Required Repair Funds from the Required Repair Account and Lender may apply such funds either to completion of the Required Repairs at the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply Required Repair Funds shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents. On the Closing Date, Borrower shall deposit with Lender the amount for the Property set forth on such Schedule II hereto to perform the Required Repairs for the Property. Amounts so deposited with Lender shall be held by Lender in accordance with Section 7.5 hereof. Amounts so deposited shall hereinafter be referred to as the "**Required Repair Fund**" and the account in which such amounts are held shall hereinafter be referred to as the "**Required Repair Account**".

7.1.2 Release of Required Repair Funds. Lender shall disburse to Borrower the Required Repair Funds from the Required Repair Account from time to time upon satisfaction by Borrower of each of the following conditions: (a) Borrower shall submit a written request for payment to Lender at least fifteen (15) days prior to the date on which Borrower requests such payment be made and specifies the Required Repairs to be paid, (b) on the date such request is received by Lender and on the date such payment is to be made, no Default or Event of Default shall exist and remain uncured, (c) Lender shall have received an Officers' Certificate (i) stating that all Required Repairs to be funded by the requested disbursement have been completed in good and workmanlike manner and in accordance with all applicable federal, state and local laws, rules and regulations, such certificate to be accompanied by a copy of any license, permit or other approval by any Governmental Authority required to commence and/or complete the Required Repairs, (ii) identifying each Person that supplied materials or labor in connection with the Required Repairs to be funded by the requested disbursement, and (iii) stating that each such Person has been paid in full or will be paid in full upon such disbursement, such Officers' Certificate to be accompanied by lien waivers or other evidence of payment satisfactory to Lender, (d) at Lender's option, a title search for the Property indicating that the Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (e) Lender shall have received such other evidence as Lender shall reasonably request that the Required Repairs to be funded by the requested disbursement have been completed and are paid for or will be paid upon such disbursement to Borrower. Lender shall not be required to make disbursements from the Required Repair Account with respect to the Property unless such requested disbursement is in an amount greater than Ten Thousand and 00/100 Dollars (\$10,000.00) (or a lesser amount if the total amount in the Required Repair Account is less than Ten Thousand and 00/100 Dollars (\$10,000.00), in which case only one disbursement of the amount remaining in the account shall be made) and such disbursement shall be made only upon satisfaction of each condition contained in this Section 7.1.2.

Section 7.2 Tax and Insurance Escrow Fund. Borrower shall pay to Lender on each Payment Date (a) one-twelfth (1/12) of the Taxes and Other Charges that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes and Other Charges at least thirty (30) days prior to their respective due dates, and (b) one-twelfth (1/12) of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (a) and (b) above hereinafter called the "Tax and Insurance Escrow Fund"). The Tax and Insurance Escrow Fund and the Monthly Debt Service Payment Amount, shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes, Other Charges and Insurance Premiums pursuant to Section 5.1.2 hereof, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Escrow Fund. Any amount remaining in the Tax and Insurance Escrow Fund after the Debt has been paid in full shall be returned to Borrower. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes, Other Charges and Insurance Premiums by the dates set forth in (a) and (b) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and Other Charges and/or thirty (30) days prior to expiration of the Policies, as the case may be. Notwithstanding the foregoing, Borrower's obligation to make monthly deposits with Lender for Insurance Premiums shall be suspended for so long as no Event of Default has occurred and is continuing and Borrower provides Lender with written evidence reasonably satisfactory to Lender that all insurance coverages required to be maintained by Borrower pursuant to the terms of this Agreement are being maintained in full force and effect through one or more blanket insurance policies (provided that any such blanket insurance policies provide the same level of coverage which would otherwise be provided by a stand-alone policy). Borrower shall provide evidence reasonably acceptable to Lender on an annual basis thirty (30) days prior to the expiration of the existing insurance that the insurance has been renewed and will provide notice of cancellation for non-payment. In the event Borrower fails to provide such evidence or an Event of Default occurs, however, Borrower will thereafter be required to make deposits with Lender for Insurance Premiums as provided herein.

Section 7.3

Replacements and Replacement Reserve.

7.3.1 **Replacement Reserve Fund.** On the Closing Date and on each Payment Date thereafter, Borrower shall pay to Lender \$3,535.19 (the "Replacement Reserve Monthly Deposit") for replacements and repairs required to be made to the Property (collectively, the "Replacements"). Amounts so deposited shall hereinafter be referred to as Borrower's "Replacement Reserve Fund" and the account in which such amounts are held shall hereinafter be referred to as Borrower's "Replacement Reserve Account". Lender may reassess its estimate of the amount necessary for the Replacement Reserve Fund from time to time, and may increase the monthly amounts required to be deposited into the Replacement Reserve Fund upon thirty (30) days notice to Borrower if Lender determines in its reasonable discretion that an increase is necessary to maintain the proper maintenance and operation of the Property.

7.3.2 **Disbursements from Replacement Reserve Account.** (1) Lender shall make disbursements from the Replacement Reserve Account to pay Borrower only for the costs of the Replacements. Lender shall not be obligated to make disbursements from the Replacement Reserve Account to reimburse Borrower for the costs of routine maintenance to the Property, replacements of inventory or for costs which are to be reimbursed from the Required Repair Fund.

(b) Lender shall, upon written request from Borrower and satisfaction of the requirements set forth in this Section 7.3.2, disburse to Borrower amounts from the Replacement Reserve Account necessary to pay for the actual approved costs of Replacements or to reimburse Borrower therefor, upon completion of such Replacements (or, upon partial completion in the case of Replacements made pursuant to Section 7.3.2(e) hereof) as determined by Lender. In no event shall Lender be obligated to disburse funds from the Replacement Reserve Account if a Default or an Event of Default exists.

(c) Each request for disbursement from the Replacement Reserve Account shall be in a form specified or approved by Lender and shall specify (i) the specific Replacements for which the disbursement is requested, (ii) the quantity and price of each item purchased, if the Replacement includes the purchase or replacement of specific items, (iii) the price of all materials (grouped by type or category) used in any Replacement other than the purchase or replacement of specific items, and (iv) the cost of all contracted labor or other services applicable to each Replacement for which such request for disbursement is made. With each request Borrower shall certify that all Replacements have been made in accordance with all applicable Legal Requirements of any Governmental Authority having jurisdiction over the Property. Each request for disbursement shall include copies of invoices for all items or materials purchased and all contracted labor or services provided and, unless Lender has agreed to issue joint checks as described below in connection with a particular Replacement, each request shall include evidence satisfactory to Lender of payment of all such amounts. Except as provided in Section 7.3.2(e) hereof, each request for disbursement from the Replacement Reserve Account shall be made only after completion of the Replacement for which disbursement is requested. Borrower shall provide Lender evidence of completion of the subject Replacement satisfactory to Lender in its reasonable judgment.

(d) Borrower shall pay all invoices in connection with the Replacements with respect to which a disbursement is requested prior to submitting such request for disbursement from the Replacement Reserve Account or, at the request of Borrower, Lender will issue joint checks, payable to Borrower and the contractor, supplier, materialman, mechanic, subcontractor or other party to whom payment is due in connection with a Replacement. In the case of payments made by joint check, Lender may require a waiver of lien from each Person receiving payment prior to Lender's disbursement from the Replacement Reserve Account. In addition, as a condition to any disbursement, Lender may require Borrower to obtain lien waivers from each contractor, supplier, materialman, mechanic or subcontractor who receives payment in an amount equal to or greater than Twenty-five Thousand and 00/100 Dollars (\$25,000.00) for completion of its work or delivery of its materials. Any lien waiver delivered hereunder shall conform to the requirements of applicable law and shall cover all work performed and materials supplied (including equipment and fixtures) for the Property by that contractor, supplier, subcontractor, mechanic or materialman through the date covered by the current reimbursement request (or, in the event that payment to such contractor, supplier, subcontractor, mechanic or materialman is to be made by a joint check, the release of lien shall be effective through the date covered by the previous release of funds request).

(e) If (i) the cost of a Replacement exceeds Twenty-five Thousand and 00/100 Dollars (\$25,000.00), (ii) the contractor performing such Replacement requires periodic payments pursuant to terms of a written contract, and (iii) Lender has approved in writing in advance such periodic payments, a request for reimbursement from the Replacement Reserve Account may be made after completion of a portion of the work under such contract, provided (A) such contract requires payment upon completion of such portion of the work, (B) the materials for which the request is made are on site at the Property and are properly secured or have been installed in the Property, (C) all other conditions in this Agreement for disbursement have been satisfied, (D) funds remaining in the Replacement Reserve Account are, in Lender's judgment, sufficient to complete such Replacement and other Replacements when required, and (E) if required by Lender, each contractor or subcontractor receiving payments under such contract shall provide a waiver of lien with respect to amounts which have been paid to that contractor or subcontractor.

(f) Borrower shall not make a request for disbursement from the Replacement Reserve Account more frequently than once in any calendar month and (except in connection with the final disbursement) the total cost of all Replacements in any request shall not be less than Ten Thousand and 00/100 Dollars (\$10,000.00).

7.3.3 Performance of Replacements. (1) Borrower shall make Replacements when required in order to keep the Property in condition and repair consistent with other first class, full service retail shopping centers in the same market segment in the metropolitan area in which the Property is located, and to keep the Property or any portion thereof from deteriorating. Borrower shall complete all Replacements in a good and workmanlike manner as soon as practicable following the commencement of making each such Replacement.

(b) Lender reserves the right, at its option, to approve all contracts or work orders over Twenty-five Thousand and 00/100 Dollars (\$25,000.00) with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Replacements. Upon Lender's request, Borrower shall assign any contract or subcontract to Lender.

(c) In the event Lender determines in its reasonable discretion that any Replacement is not being performed in a workmanlike or timely manner or that any Replacement has not been completed in a workmanlike or timely manner, after notice and reasonable period to cure, Lender shall have the option to withhold disbursement for such unsatisfactory Replacement and to proceed under existing contracts or to contract with third parties to complete such Replacement and to apply the Replacement Reserve Fund toward the labor and materials necessary to complete such Replacement, upon reasonable prior notice to Borrower and to exercise any and all other remedies available to Lender upon an Event of Default hereunder.

(d) In order to facilitate Lender's completion or making of such Replacements pursuant to Section 7.3.3(c) above, Borrower grants Lender the right to enter onto the Property and perform any and all work and labor necessary to complete or make such Replacements and/or employ watchmen to protect the Property from damage. All sums so expended by Lender, to the extent not from the Replacement Reserve Fund, shall be deemed to have been advanced under the Loan to Borrower and secured by the Mortgage. For this purpose Borrower constitutes and appoints Lender its true and lawful attorney-in-fact with full power of substitution to complete or undertake such Replacements in the name of Borrower. Such power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. Borrower empowers said attorney-in-fact as follows: (i) to use any funds in the Replacement Reserve Account for the purpose of making or completing such Replacements; (ii) to make such additions, changes and corrections to such Replacements as shall be necessary or desirable to complete such Replacements; (iii) to employ such contractors, subcontractors, agents, architects and inspectors as shall be required for such purposes; (iv) to pay, settle or compromise all existing bills and claims which are or may become Liens against the Property, or as may be necessary or desirable for the completion of such Replacements, or for clearance of title; (v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; (vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and (vii) to do any and every act which Borrower might do in its own behalf to fulfill the terms of this Agreement.

(e) Nothing in this Section 7.3.3 shall: (i) make Lender responsible for making or completing any Replacements; (ii) require Lender to expend funds in addition to the Replacement Reserve Fund to make or complete any Replacement; (iii) obligate Lender to proceed with any Replacements; or (iv) obligate Lender to demand from Borrower additional sums to make or complete any Replacement.

(f) Borrower shall permit Lender and Lender's agents and representatives (including, without limitation, Lender's engineer, architect, or inspector) or third parties making Replacements pursuant to this Section 7.3.3 to enter onto the Property during normal business hours (subject to the rights of tenants under their Leases) to inspect the progress of any Replacements and all materials being used in connection therewith, to examine all plans and shop drawings relating to such Replacements which are or may be kept at the Property, and to complete any Replacements made pursuant to this Section 7.3.3. Borrower shall cause all contractors and subcontractors to cooperate with Lender or Lender's representatives or such other persons described above in connection with inspections described in this Section 7.3.3(f) or the completion of Replacements pursuant to this Section 7.3.3.

(g) Lender may require an inspection of the Property at Borrower's expense prior to making a monthly disbursement from the Replacement Reserve Account in order to verify completion of the Replacements for which reimbursement is sought. Lender may require that such inspection be conducted by an appropriate independent qualified professional selected by Lender and/or may require a copy of a certificate of completion by an independent qualified professional acceptable to Lender prior to the disbursement of any amounts from the Replacement Reserve Account. Borrower shall pay the expense of the inspection as required hereunder, whether such inspection is conducted by Lender or by an independent qualified professional.

(h) The Replacements and all materials, equipment, fixtures, or any other item comprising a part of any Replacement shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialmen's or other liens (except for those Liens existing on the date of this Agreement which have been approved in writing by Lender).

(i) Before each disbursement from the Replacement Reserve Account, Lender may require Borrower to provide Lender with a search of title to the Property effective to the date of the disbursement, which search shows that no mechanic's or materialmen's liens or other liens of any nature have been placed against the Property since the date of recordation of the related Mortgage and that title to the Property is free and clear of all Liens (other than the lien of the related Mortgage and any other Liens previously approved in writing by Lender, if any).

(j) All Replacements shall comply with all applicable Legal Requirements of all Governmental Authorities having jurisdiction over the Property and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters.

(k) In addition to any insurance required under the Loan Documents, Borrower shall provide or cause to be provided workmen's compensation insurance, builder's risk, and public liability insurance and other insurance to the extent required under applicable law in connection with a particular Replacement. All such policies shall be in form and amount reasonably satisfactory to Lender. All such policies which can be endorsed with standard mortgagee clauses making loss payable to Lender or its assigns shall be so endorsed. Certified copies of such policies shall be delivered to Lender.

7.3.4 Failure to Make Replacements. (1) It shall be an Event of Default under this Agreement if Borrower fails to comply with any provision of this Section 7.3 and such failure is not cured within thirty (30) days after notice from Lender. Upon the occurrence of such an Event of Default, Lender may use the Replacement Reserve Fund (or any portion thereof) for any purpose, including but not limited to completion of the Replacements as provided in Section 7.3.3, or for any other repair or replacement to the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender's right to withdraw and apply the Replacement Reserve Fund shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents.

(b) Nothing in this Agreement shall obligate Lender to apply all or any portion of the Replacement Reserve Fund on account of an Event of Default to payment of the Debt or in any specific order or priority.

7.3.5 Balance in the Replacement Reserve Account. The insufficiency of any balance in the Replacement Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

Section 7.4 Rollover Reserve.

7.4.1 Deposits to Rollover Reserve Fund. On the Closing Date, Borrower shall pay to Lender the sum of \$1,500,000.00 (the "**Initial Rollover Reserve Deposit**"), and then Borrower shall pay to Lender on each Payment Date the sum of \$9,250.00 (the "**Monthly Rollover Reserve Deposit**"), which amounts shall be deposited with and held by Lender for tenant improvement and leasing commission obligations incurred following the date hereof. The Initial Rollover Reserve Deposit, the Monthly Rollover Reserve Deposits and all other amounts so deposited shall hereinafter be referred to as the "**Rollover Reserve Fund**" and the account to which such amounts are held shall hereinafter be referred to as the "**Rollover Reserve Account**".

7.4.2 Withdrawal of Rollover Reserve Funds. Lender shall make disbursements from the Rollover Reserve Fund for tenant improvement and leasing commission obligations incurred by Borrower. All such expenses shall be approved by Lender in its sole discretion. Lender shall make disbursements as requested by Borrower on a quarterly basis in increments of no less than \$5,000.00 upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of paid invoices for the amounts requested and, if required by Lender, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the Property at Borrower's expense prior to making a quarterly disbursement in order to verify completion of improvements for which reimbursement is sought.

7.4.3 Release of Rollover Reserve Funds. Upon evidence reasonably acceptable to Lender that Borrower has entered into lease extensions for terms of not less than five (5) years with both J.C. Penney and T.J. Maxx, Lender shall make a disbursement from the Rollover Reserve Fund of \$1,100,000 of the Initial Rollover Reserve Deposit.

Section 7.5 Reserve Funds, Generally. Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender. The Reserve Funds shall be held in an Eligible Account in Permitted Investments in accordance with the terms and provisions of the Cash Management Agreement. Interest earned on the Replacement Reserve Funds and Rollover Reserve Funds shall be added to and become a part of such Reserve Fund and shall be disbursed in the same manner as other monies deposited in such Reserve Fund. Any interest on the Tax and Insurance Escrow Funds shall not be added to or become a part thereof and shall be the sole property of and shall be paid to Lender. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest earned on the Reserve Funds credited or paid to Borrower. Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto. Lender shall not be liable for any loss sustained on the investment of any funds constituting the Reserve Funds. Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all persons or entities supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

VIII. DEFAULTS

Section 8.1 **Event of Default.** (1) Each of the following events shall constitute an event of default hereunder (an "Event of Default"):

- (i) if any portion of the Debt is not paid within five (5) days of the date when due (except that Borrower shall not be afforded such 5-day cure period for the portion of the Debt due and payable on the Maturity Date);
 - (ii) if any of the Taxes (other than Taxes being contested pursuant to Section 5.1.2 of this Agreement) are not paid when the same are due and payable or Other Charges are not paid within five (5) days after Borrower receives notice of same;
 - (iii) if the Policies are not kept in full force and effect, or if certified copies of the Policies are not delivered to Lender upon request;
 - (iv) if Borrower Transfers or otherwise encumbers any portion of the Property without Lender's prior written consent in violation of the provisions of this Agreement and Article 6 of the Mortgage;
 - (v) if any material representation or warranty made by Borrower herein or in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made;
 - (vi) if Borrower, Principal, Guarantor or any other guarantor under any guaranty issued in connection with the Loan shall make an assignment for the benefit of creditors;
 - (vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Principal, Guarantor or any other guarantor under any guarantee issued in connection with the Loan or if Borrower, Principal, Guarantor or such other guarantor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Principal, Guarantor or such other guarantor, or if any proceeding for the dissolution or liquidation of Borrower, Principal, Guarantor or such other guarantor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Principal, Guarantor or such other guarantor, upon the same not being discharged, stayed or dismissed within ninety (90) days;
 - (viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;
 - (ix) if Borrower breaches any covenant contained in Section 4.1.30 hereof;
-

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in any Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xii) if a material default has occurred and continues beyond any applicable cure period under the Management Agreement (or any Replacement Management Agreement) and if such default permits the Manager thereunder to terminate or cancel the Management Agreement (or any Replacement Management Agreement);

(xiii) if Borrower shall continue to be in Default under any of the terms, covenants or conditions of Section 9.1 hereof, or fails to cooperate with Lender in connection with a Securitization pursuant to the provisions of Section 9.1 hereof, for three (3) days after notice to Borrower from Lender;

(xiv) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xii) above, for twenty (20) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed sixty (60) days; or

(xv) if there shall be default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower or the Property, or if any other such event shall occur or condition shall exist, if the effect of such default, event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi), (vii) or (viii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and the Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi), (vii) or (viii) above, the Debt and Other Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2 Remedies. (a) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any part of the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Debt in any preference or priority, and Lender may seek satisfaction out of the Property, or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgage in any manner and for any amounts secured by the Mortgage then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the Mortgage to recover such delinquent payments or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose the Mortgage to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgage as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to the Mortgage to secure payment of sums secured by the Mortgage and not previously recovered.

(c) Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the "Severed Loan Documents") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents and the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

Section 8.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

IX. SPECIAL PROVISIONS

Section 9.1 Securitization.

9.1.1 Sale of Notes and Securitization. Borrower acknowledges and agrees that Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "Securitization"). At the request of Lender, and to the extent not already required to be provided by or on behalf of Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender or take other actions reasonably required by Lender, in each case in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

- (a) provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender, prospective investors and/or the Rating Agencies;
 - (b) assist in preparing descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower and approved by Lender, Principal and their respective affiliates to obtain, collect, and deliver information requested or required by Lender, prospective investors and/or the Rating Agencies;
 - (c) deliver (i) an Additional Insolvency Opinion and an opinion with respect to, due execution and enforceability with respect to the Property, Borrower, Principal, Guarantor and their respective Affiliates and the Loan Documents, including, without limitation, a so called "10b-5" opinion, and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender, prospective investors and/or the Rating Agencies;
 - (d) if required by any prospective investor and/or any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect the Property, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender, prospective investors and/or the Rating Agencies;
 - (e) make such representations and warranties as of the closing date of the Securitization with respect to the Property, Borrower, Principal, Guarantor and the Loan Documents as may be reasonably requested by Lender, prospective investors and/or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;
 - (f) execute such amendments to the Loan Documents as may be requested by Lender, prospective investors and/or the Rating Agencies to effect the Securitization;
 - (g) if requested by Lender, review any information regarding the Property, Borrower, Principal, Guarantor, Manager and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and
 - (h) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws.
-

9.1.2 Loan Components. Borrower covenants and agrees that in connection with any Securitization of the Loan, upon Lender's request Borrower shall deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan or create one or more mezzanine loans (including amending Borrower's organizational structure to provide for one or more mezzanine borrowers) (each a "**Resizing Event**"). Lender agrees that such new notes or modified note or mezzanine notes shall immediately after the Resizing Event have the same initial weighted average coupon as the original note prior to such Resizing Event, notwithstanding that such new notes or modified note or mezzanine notes or may, in connection with the application of principal to such new notes or modified note or mezzanine notes, subsequently cause the weighted average spread of such new notes or modified note or mezzanine notes to change (but not increase, except that the weighted average spread may subsequently increase due to involuntary prepayments or if an Event of Default shall occur) and apply principal, interest rates and amortization of the Loan between such new components and/or mezzanine loans in a manner specified by Lender in its sole discretion such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum bond execution for the Loan. In connection with any Resizing Event, Borrower covenants and agrees to modify the Cash Management Agreement with respect to the newly created components and/or mezzanine loans.

9.1.3 Securitization Costs. All reasonable third party costs and expenses incurred by Borrower and Guarantor in connection with Borrower's complying with requests made under this Section 9.1 (including, without limitation, the fees and expenses of the Rating Agencies) shall be paid by Lender. Lender shall structure any Resizing Event in such a way as to not adversely impact any 1031 tax exchange made in connection with Borrower's acquisition of the Property.

Section 9.2 Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) The Indemnifying Persons agree to provide, in connection with the Securitization, an indemnification agreement (A) certifying that (i) the Indemnifying Persons have carefully examined the Disclosure Documents, including without limitation, the sections entitled “Risk Factors,” “Special Considerations,” “Description of the Mortgages,” “Description of the Mortgage Loans and Mortgaged Property,” “The Manager,” “The Borrower” and “Certain Legal Aspects of the Mortgage Loan,” and (ii) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Manager and/or the Loan) (collectively with the Provided Information, the “Covered Disclosure Information”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) jointly and severally indemnifying Lender, BSCMI (whether or not it is the Lender), any Affiliate of BSCMI that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of BSCMI that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who Controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “Indemnified Persons”), for any losses, claims, damages, liabilities, costs or expenses (including without limitation legal fees and expenses for enforcement of these obligations (collectively, the “Liabilities”) to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities. This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification and reimbursement obligations provided for in clauses (B) and (C) above shall be effective, valid and binding obligations of the Indemnifying Persons whether or not an indemnification agreement described in clause (A) above is provided.

(c) In connection with Exchange Act Filings, the Indemnifying Persons jointly and severally agree to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against any Indemnifying Person, notify such Indemnifying Person in writing of the claim or the commencement of that action; provided, however, that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify any Indemnifying Person thereof, such Indemnifying Person shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Indemnifying Person to the Indemnified Person of its election to assume the defense of such claim or action, such Indemnifying Person shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both an Indemnifying Person, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to the Indemnifying Person, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which the Indemnifying Person is required hereunder to indemnify such Indemnified Person. No Indemnifying Person shall be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior written consent of BSCMI (which consent shall not be unreasonably withheld or delayed), no Indemnifying Person shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless the Indemnifying Person shall have given BSCMI reasonable prior written notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as an Indemnifying Person has complied with its obligations to defend and indemnify hereunder, such Indemnifying Person shall not be liable for any settlement made by any Indemnified Person without the consent of such Indemnifying Person (which consent shall not be unreasonably withheld or delayed).

(f) The Indemnifying Persons agree that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of the Indemnifying Persons, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) the Indemnifying Persons agree that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees actually received by the Indemnified Persons in connection with the closing of the Loan.

(g) The Indemnifying Persons agree that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. The Indemnifying Persons further agree that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and the Indemnifying Persons under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3 **Exculpation.** Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Mortgage or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon its interest under the Note, this Agreement, the Mortgage and the other Loan Documents, or in the Pro perty, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Property, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgage and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under or by reason of or under or in connection with the Note, this Agreement, the Mortgage or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Mortgage; (c) affect the validity or enforceability of or any guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of any of the Assignment of Leases; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Mortgage or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against the Property; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

- (i) fraud or intentional misrepresentation by Borrower or Principal or Guarantor in connection with the Loan;
- (ii) the gross negligence or willful misconduct of Borrower;
- (iii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity Agreement or in the Mortgage concerning environmental laws, hazardous substances and asbestos and any indemnification of Lender with respect thereto in either document;
- (iv) the removal or disposal of any portion of the Property after an Event of Default;
- (v) the misapplication or conversion by Borrower of (A) any Insurance Proceeds paid by reason of any loss, damage or destruction to the Property, (B) any Awards received in connection with a Condemnation of all or a portion of the Property, (C) any Rents following an Event of Default, or (D) any Rents paid more than one month in advance;
- (vi) failure to pay charges for labor or materials or other charges that can create Liens on any portion of the Property; and
- (vii) any security deposits, advance deposits or any other deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof.

Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, (A) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Debt secured by the Mortgage or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with the Loan Documents, and (B) the Debt shall be fully recourse to Borrower (i) in the event of: (a) Borrower filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (b) the filing of an involuntary petition against Borrower under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law, in which Borrower colludes with, or otherwise assists such Person, or solicits or causes to be solicited petitioning creditors for any involuntary petition against Borrower from any Person; (c) Borrower filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (d) Borrower consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower or any portion of the Property; (e) Borrower making an assignment for the benefit of creditors, or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due; (ii) if the first full monthly payment of principal and interest on the Note is not paid when due; (iii) if Borrower fails to maintain its status as a Single Purpose Entity, after the Guaranty Notice (as defined in the Guaranty) if Borrower fails to permit on-site inspections of the Property, fails to provide financial information, or fails to appoint a new property manager upon the request of Lender as permitted under this Agreement, each as required by, and in accordance with, the terms and provisions of this Agreement or the Mortgage; (iv) if Borrower fails to obtain Lender's prior written consent to any Indebtedness or voluntary Lien encumbering the Property; or (v) if Borrower fails to obtain Lender's prior written consent to any Transfer as required by this Agreement or the Mortgage.

Section 9.4 **Matters Concerning Manager.** If (a) an Event of Default occurs, (b) Manager shall become bankrupt or insolvent or (c) a default occurs under the Management Agreement, Borrower shall, at the request of Lender, terminate the Management Agreement and replace the Manager with a Qualified Manager pursuant to a Replacement Management Agreement, it being understood and agreed that the management fee for such Qualified Manager shall not exceed then prevailing market rates.

Section 9.5 **Servicer.** At the option of Lender, the Loan may be serviced by a servicer/trustee (any such servicer/trustee, together with its agents, nominees or designees, are collectively referred to as "Servicer") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to Servicer pursuant to a servicing agreement (the "Servicing Agreement") between Lender and Servicer. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement or the monthly servicing fee due to Servicer under the Servicing Agreement; provided, however, that Borrower shall be responsible for expenses incurred by Lender or Servicer as set forth in Section 10.13 hereof.

Section 10.8 Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 10.12 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13 Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Property); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Lender; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property (including any fees incurred by Servicer in connection with the transfer of the Loan to a special servicer prior to a Default or Event of Default) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Lockbox Account or Cash Management Account, as applicable.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (i i) the use or intended use of the proceeds of the Loan (collectively, the "Indemnified Liabilities"); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any consent, approval, waiver or confirmation obtained from such Rating Agency pursuant to the terms and conditions of this Agreement or any other Loan Document and Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation.

Section 10.14 Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16 **No Joint Venture or Partnership; No Third Party Beneficiaries.** (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17 **Publicity.** All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, BSCMI, or any of their Affiliates shall be subject to the prior written approval of Lender.

Section 10.18 **Waiver of Marshalling of Assets.** To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 10.19 **Waiver of Counterclaim.** Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20 **Conflict; Construction of Documents; Reliance.** In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21 **Brokers and Financial Advisors.** Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower hereby agrees to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated hereunder. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22 **Prior Agreements.** This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Application Letter dated August 22, 2006 (as amended) between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23 **Joint and Several Liability.** If Borrower consists of more than one (1) Person the obligations and liabilities of each Person shall be joint and several.

Section 10.24 **Certain Additional Rights of Lender (VCOC).** Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances. Consultation meetings should occur on a regular basis (no less frequently than quarterly) with Lender having the right to call special meetings at any reasonable times and upon reasonable advance notice;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to approve any acquisition by Borrower of any other significant property (other than personal property required for the day to day operation of the Property).

The rights described above in this Section 10.24 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

Section 10.25 MERS. Mortgage Electronic Registration Systems, Inc., a Delaware corporation ("MERS"), serves as mortgagee of record and secured party solely as nominee, in an administrative capacity, for Lender and only holds legal title to the interests granted, assigned, and transferred in the Security Instruments and the Assignments of Leases. MERS shall at all times comply with the instructions of Lender. If necessary to comply with law or custom, MERS (for the benefit of Lender) may be directed by Lender to exercise any or all of those interests, including without limitation, the right to foreclose and sell the Property, and take any action required of Lender, including without limitation, a release, discharge or reconveyance of the Mortgage. Subject to the foregoing, all references in the Loan Documents to "Mortgagee" shall include Lender and its successors and assigns. The relationship of Mortgagor and Lender under the Mortgage and the other Loan Documents is, and shall at all times remain, solely that of borrower and lender (the role of MERS thereunder being solely that of nominee as set forth above and not that of a lender); and Mortgagee neither undertakes nor assumes any responsibility or duty to Borrower or to any other Person with respect to the Property.

Preparer affirmation: I affirm, under penalty of perjury, that I have taken reasonable care to redact each Social Security number in this document, unless required by law.

JOINDER

By executing this Joinder (the "Joinder"), the undersigned ("Joinder Parties") hereby covenant, warrant and agree to comply with all of the terms and conditions set forth in Section 9.2 hereof.

1. **Waivers.** With respect to the obligations of the Joinder Parties pursuant to Section 9.2 hereof, to the fullest extent permitted by applicable law, each Joinder Party waives all rights and defenses of sureties, guarantors, accommodation parties and/or co-makers and agrees that its obligations under this Joinder shall be primary, absolute and unconditional, and that its obligations under this Joinder shall be unaffected by any of such rights or defenses, including:

(a) the unenforceability of any Loan Document against Borrower and/or any guarantor or other Joinder Party;

(b) any release or other action or inaction taken by Lender with respect to the collateral, the Loan, Borrower, any guarantor and/or other Joinder Party, whether or not the same may impair or destroy any subrogation rights of any Joinder Party, or constitute a legal or equitable discharge of any surety or indemnitor;

(c) the existence of any collateral or other security for the Loan, and any requirement that Lender pursue any of such collateral or other security, or pursue any remedies it may have against Borrower, any guarantor and/or any other Joinder Party;

(d) any requirement that Lender provide notice to or obtain a Joinder Party's consent to any modification, increase, extension or other amendment of the Loan, including the guaranteed obligations;

(e) any right of subrogation (until payment in full of the Loan, including the guaranteed obligations, and the expiration of any applicable preference period and statute of limitations for fraudulent conveyance claims);

(f) any defense based on any statute of limitations;

(g) any payment by Borrower to Lender if such payment is held to be a preference or fraudulent conveyance under bankruptcy laws or Lender is otherwise required to refund such payment to Borrower or any other party; and

(h) any voluntary or involuntary bankruptcy, receivership, insolvency, reorganization or similar proceeding affecting Borrower or any of its assets.

2. **Agreements.** With respect to the obligations of the Joinder Parties pursuant to Section 9.2 hereof, each Joinder Party further represents, warrants and agrees that:

(a) The obligations under this Joinder are enforceable against each such party and are not subject to any defenses, offsets or counterclaims;

(b) The provisions of this Joinder are for the benefit of Lender and its successors and assigns;

(c) Lender shall have the right to (i) renew, modify, extend or accelerate the Loan, (ii) pursue some or all of its remedies against Borrower, any guarantor or any Joinder Party, (iii) add, release or substitute any collateral for the Loan or party obligated thereunder, and (iv) release Borrower, any guarantor or any Joinder Party from liability, all without notice to or consent of any Joinder Party (or other Joinder Party) and without affecting the obligations of any Joinder Party (or other Joinder Party) hereunder;

(d) To the maximum extent permitted by law, each Joinder Party hereby knowingly, voluntarily and intentionally waives the right to a trial by jury in respect of any litigation based hereon. This waiver is a material inducement to Lender to enter into this Agreement.

This Joinder shall be governed by the laws of the State of New York.

Executed as of July 2, 2007.

Section 2.6 Pro Rata Treatment of Payments; Etc.

(1) **Pro Rata Treatment.** Except as otherwise provided in Section 2.7(4), Loans shall be allocated pro rata among the Lenders according to the amounts of their respective Commitments (in the case of the making of Loans) or their respective Loans (in the case of Conversions or Continuations of Loans); (c) each payment or prepayment of principal of Loans by Borrower shall be made for account of the Lenders pro rata in accordance with the respective unpaid principal amounts of the Loans held by them (subject, while any Event of Default exists, to the terms of any separate agreement among Administrative Agent and the Lenders); and (d) each payment of interest on Loans by Borrower shall be made for account of the Lenders pro rata in accordance with the amounts of interest on such Loans then due and payable to the respective Lenders (subject, while any Event of Default exists, to the terms of any separate agreement among Administrative Agent and the Lenders).

(2) **Computations.** Interest on all Loans shall be computed on the basis of a year of 360 days and actual days elapsed (including the first day but excluding the last day) occurring in the applicable period.

(3) **Minimum Amounts.** Except for (a) mandatory prepayments made pursuant to Section 2.4(5) and (b) Conversions or prepayments made pursuant to Section 2.7(4), and (c) advances pursuant to Section 4.4, Section 4.5, Section 4.6, and Section 4.11, each borrowing, Conversion, Continuation and partial prepayment of principal (collectively, "**Loan Transactions**") of Loans shall be in an aggregate amount of at least \$1,000,000 and in additional increments of \$100,000 (Loan Transactions of or into Loans of different Types or Interest Periods at the same time hereunder shall each be deemed separate Loan Transactions for purposes of the foregoing). Any Loans or borrowings of less than \$1,000,000 shall be made as Base Rate Loans. ~~Notwithstanding the foregoing, the minimum amount of \$1,000,000 shall not apply to Conversions of lesser amounts into a tranche of Loans that has (or will have upon such Conversion) an aggregate principal amount exceeding \$1,000,000.~~

(4) **Certain Notices.** Notices by Lead Borrower to Administrative Agent regarding Loan Transactions and the selection of Types of Loans and/or of the duration of Interest Periods shall be irrevocable and shall be effective only if received by Administrative Agent (and, in the case of a Request for Loan Advance, the Construction Consultant) not later than 3:00 p.m., New York City time, on the number of Business Days prior to the date of the proposed Loan Transaction or the first day of such Interest Period specified below:

Notice	Number of Business Days Prior
Request for Loan Advance	10
Optional Prepayment	3
Conversions into, Continuations as, or borrowings in Base Rate Loans	3
Conversions into, Continuations as, borrowings in or changes in duration of Interest Period for, LIBOR-based Loans (subject to Section 2.4(6))	3

Each Loan Transaction notice shall specify the amount, Type, Interest Period and date of such proposed Loan Transaction, and in the case of a Request for Loan Advance, shall be accompanied by all documentation required by this Agreement as a condition precedent to the applicable Loans. Notices for Conversions and Continuations shall be in the form of Exhibit E. Each such notice specifying the duration of an Interest Period shall specify the portion of the Loans to which such Interest Period is to relate. In the case of a Request for Loan Advance, Administrative Agent shall notify the Lenders of their respective Proportionate Shares of the amount approved by Administrative Agent and the Construction Consultant. If Lead Borrower fails to select (i) the Type of Loan or (ii) the duration of any Interest Period for any LIBOR-based Loan within the required time period and otherwise as provided in this Section 2.6(4), such Loan (if outstanding as a LIBOR-based Loan) will be automatically Continued as an LIBOR-based Loan with an Interest Period of one (1) month (based on a LIBOR-based Rate determined two (2) Business Days prior to the first day of the next Interest Period) or, if outstanding as a Base Rate Loan, will remain as a Base Rate Loan.

(5) **Non Receipt of Funds by Administrative Agent.** Unless Administrative Agent shall have been notified by a Lender or Lead Borrower (in either case, and along with Borrower, the "**Payor**") prior to the date on which the Payor is to make payment to Administrative Agent of (in the case of a Lender) the proceeds of a Loan to be made by such Lender hereunder or (in the case of Borrower) a payment to Administrative Agent for account of any Lender hereunder (in either case, such payment being herein called the "**Required Payment**"); which notice shall be effective upon receipt, that the Payor does not intend to make the Required Payment to Administrative Agent, Administrative Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient(s) on such date; and, if the Payor has not in fact made the Required Payment to Administrative Agent, the recipient(s) of such payment shall, on demand, repay to Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date (the "**Advance Date**") such amount was so made available by Administrative Agent until the date Administrative Agent recovers such amount at a rate per annum equal to (a) the Federal Funds Rate for such day in the case of payments returned to Administrative Agent by any of the Lenders or (b) the applicable interest rate due hereunder with respect to payments returned by Borrower to Administrative Agent and, if such recipient(s) shall fail promptly to make such payment, Administrative Agent shall be entitled to recover such amount, on demand, from the Payor, together with interest as aforesaid; provided that if neither the recipient(s) nor the Payor shall return the Required Payment to Administrative Agent within three (3) Business Days of the Advance Date, then, retroactively to the Advance Date, the Payor and the recipient(s) shall each be obligated to pay interest on the Required Payment as follows:

(a) if the Required Payment shall represent a payment to be made by Borrower to the Lenders, Borrower and the recipient(s) shall each be obligated retroactively to the Advance Date to pay interest in respect of the Required Payment at the Default Rate (without duplication of the obligation of Borrower under Section 2.3 to pay interest on the Required Payment at the Default Rate), it being understood that the return by the recipient(s) of the Required Payment to Administrative Agent shall not limit such obligation of Borrower under Section 2.3 to pay interest at the Default Rate in respect of the Required Payment, and

(b) if the Required Payment shall represent proceeds of a Loan to be made by the Lenders to Borrower, the Payor and Borrower shall each be obligated retroactively to the Advance Date to pay interest in respect of the Required Payment pursuant to whichever of the rates specified in Section 2.3 is applicable to the Type of such Loan, it being understood that the return by Borrower of the Required Payment to Administrative Agent shall not limit any claim Borrower may have against the Payor in respect of such Required Payment.

(6) **Sharing of Payments, Etc.**

(a) **Sharing.** If any Lender shall obtain from Borrower payment of any principal of or interest on any Loan owing to it or payment of any other amount under this Agreement or any other Loan Document through the exercise (subject, as among the Lenders, to Section 12.25) of any right of set off, banker's lien or counterclaim or similar right or otherwise (other than from Administrative Agent as provided herein), and, as a result of such payment, such Lender shall have received a greater percentage of the principal of or interest on the Loans or such other amounts then due hereunder or thereunder by Borrower to such Lender than the percentage received by any other Lender, it shall promptly purchase from such other Lenders participations in (or, if and to the extent specified by such Lender, direct interests in) the Loans or such other amounts, respectively, owing to such other Lenders (or in interest due thereon, as the case may be) in such amounts, and make such other adjustments from time to time as shall be equitable, to the end that all the Lenders shall share the benefit of such excess payment (net of any expenses that may be incurred by such Lender in obtaining or preserving such excess payment) pro rata in accordance with the unpaid principal of and/or interest on the Loans or such other amounts, respectively, owing to each of the Lenders. To such end all the Lenders shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored.

(b) **Consent by Borrower.** Borrower agrees that any Lender so purchasing such a participation (or direct interest) may exercise (subject, as among the Lenders, to Section 12.25) all rights of set off, banker's lien, counterclaim or similar rights with respect to such participation as fully as if such Lender were a direct holder of Loans or other amounts (as the case may be) owing to such Lender in the amount of such participation.

(c) **Rights of Lenders; Bankruptcy.** Nothing contained herein shall require any Lender to exercise any such right or shall affect the right of any Lender to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of Borrower. If, under any applicable bankruptcy, insolvency or other similar law, any Lender receives a secured claim in lieu of a set off to which this Section 2.6(6) applies, such Lender shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 2.6(6) to share in the benefits of any recovery on such secured claim.

Section 2.7 Yield Protection; Etc.

(1) **Increased Costs.**

(a) **Increased Costs Generally with Respect to Making or Maintaining LIBOR-based Loans.** If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Libor Rate);

(B) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any LIBOR-based Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 2.7(6) and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender); or

(C) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender.

and the result of any of the foregoing shall be to increase the cost to such Lenders of making or maintaining any LIBOR-based Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then Borrower will promptly upon demand pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) **Capital Requirements.** If any Lender reasonably determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time Borrower will promptly upon demand pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; provided that such Lender would cause similarly situated Borrowers to compensate them for such an event.

(c) **Certificates for Reimbursement.** A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.7(1) shall be delivered to Lead Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof by Lead Borrower.

(d) **Delays in Requests.** Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that such Lender notifies Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(2) **Limitation on Types of Loans.** Anything herein to the contrary notwithstanding, if, on or prior to the determination of the Libor Rate for any Interest Period:

(a) Administrative Agent reasonably determines that quotations of interest rates for the relevant deposits referred to in the definition of Libor Rate are not being provided in the relevant amounts or for the relevant maturities for purposes of determining rates of interest for LIBOR-based Loans; or

(b) the Majority Lenders reasonably determine, and notify Administrative Agent that the relevant rates of interest referred to in the definition of Libor Rate are not likely adequate to cover the cost to such Lenders of making or maintaining LIBOR-based Loans for such Interest Period;

then Administrative Agent shall give Lead Borrower and each Lender prompt notice thereof and, so long as such condition remains in effect, the Lenders shall be under no obligation to make additional LIBOR-based Loans, to Continue LIBOR-based Loans or to Convert Loans of any other Type into LIBOR-based Loans, and Borrower shall, on the last day(s) of the then current Interest Period(s) for the outstanding LIBOR-based Loans, either prepay such Loans or such Loans shall be automatically Converted into Base Rate Loans.

(3) **Illegality.** Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its Applicable Lending Office to honor its obligation to make or maintain LIBOR-based Loans hereunder (and, in the sole opinion of such Lender, the designation of a different Applicable Lending Office would either not avoid such unlawfulness or would be disadvantageous to such Lender), then such Lender shall promptly notify Lead Borrower thereof (with a copy to Administrative Agent) and such Lender's obligation to make or Continue, or to Convert Loans of any other Type into, LIBOR-based Loans shall be suspended until such time as such Lender may again make and maintain LIBOR-based Loans.

(4) **Treatment of Affected Loans.** If the obligation of any Lender to make LIBOR-based Loans or to Continue, or to Convert Base Rate Loans into, LIBOR-based Loans shall be suspended pursuant to Section 2.7(1) or Section 2.7(3), such Lender's Loans shall be automatically Converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for Loans (or, in the case of a Conversion resulting from a circumstance described in Section 2.7(3), on such earlier date as such Lender may specify to Lead Borrower with a copy to Administrative Agent) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 2.7(1) or Section 2.7(3) that gave rise to such Conversion no longer exist:

(a) to the extent that such Lender's Loans have been so Converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Loans shall be applied instead to its Base Rate Loans; and

(b) all Loans that would otherwise be made or Continued by such Lender as LIBOR-based Loans shall be made or Continued instead as Base Rate Loans, and all Loans of such Lender that would otherwise be Converted into LIBOR-based Loans shall remain as Base Rate Loans.

If such Lender gives notice to Lead Borrower with a copy to Administrative Agent that the circumstances specified in Section 2.7(1) or Section 2.7(3) that gave rise to the Conversion of such Lender's Loans pursuant to this Section 2.7(4) no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when LIBOR-based Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically Converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding LIBOR-based Loans, to the extent necessary so that, after giving effect thereto, all Base Rate Loans and LIBOR-based Loans are allocated among the Lenders ratably (as to principal amounts, Types and Interest Periods) in accordance with their respective Commitments.

(5) **LIBOR Breakage Costs.** Borrower shall upon request pay to Administrative Agent for account of each Lender, such amount or amounts as shall be sufficient (in the reasonable opinion of each Lender) to compensate it for any loss, cost or expense that such Lender determines is attributable to:

(a) any payment, prepayment or Conversion of a LIBOR-based Loan made by such Lender for any reason (including, without limitation, the acceleration of the Loans pursuant to Administrative Agent's or the Lenders' rights referred to in Article 11) on a date other than the last day of the Interest Period for such Loan; or

(b) any failure by Borrower for any reason to borrow a LIBOR-based Loan from such Lender on the date for such borrowing specified in any Request for Loan Advance.

Without limiting the effect of the preceding sentence, such compensation shall include an amount equal to the excess, if any, of (i) the amount of interest that otherwise would have accrued on the principal amount so paid, prepaid, Converted or not borrowed for the period from the date of such payment, prepayment, Conversion or failure to borrow to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, the Interest Period for such Loan that would have commenced on the date specified for such borrowing) at the applicable rate of interest for such Loan provided for herein over (ii) the amount of interest that otherwise would have accrued on such principal amount at a rate per annum equal to the interest component of the amount such Lender would have bid in the London interbank market for Dollar deposits of leading banks in amounts comparable to such principal amount and with maturities comparable to such period (as reasonably determined by such Lender), or if such Lender shall cease to make such bids, the equivalent rate, as reasonably determined by such Lender, derived from Page 3750 of the Telerate Service or other publicly available source as described in the definition of Libor Rate. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this section shall be delivered to Lead Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(6) **Taxes.**

(a) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if Borrower shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section), Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) **Payment of Other Taxes by Borrowers.** Without limiting the provisions of paragraph (a) above, Borrower shall pay any Other Taxes but not Excluded Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) **Indemnification by Borrower.** Borrower shall indemnify Administrative Agent and each Lender, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of Borrower hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Lead Borrower by a Lender, or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) **Evidence of Payments.** As soon as practicable after any payment of Indemnified Taxes or Other Taxes by Borrower to a Governmental Authority, Lead Borrower shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent.

(e) **Foreign Lenders.** Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which a Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the applicable Borrower (with a copy to Administrative Agent), prior to the Initial Advance, Form W-8BEN or Form W-8ECI of the Internal Revenue Service, or such other properly completed and executed forms, certifications, statements or documentation prescribed by applicable law or reasonably requested by such Borrower as will permit such payments to be made without withholding or at a reduced rate. Administrative Agent shall not be obligated to make any payments hereunder to Lenders in respect of the Loan until such Lenders shall have furnished to Administrative Agent the requested form, certification, statement or documentation.

(f) **Refunds.** If Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by Borrower or with respect to which Borrower has paid additional amounts pursuant to this [Section 2.7\(6\)](#), it shall pay over such refund to Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this [Section 2.7\(6\)](#) with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that Borrower, upon the request of Administrative Agent or such Lender, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to Administrative Agent or such Lender in the event Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This section shall not be construed to require Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to Borrower or any other Person..

(7) **Replacement of Lenders.** If any Lender requests compensation pursuant to [Section 2.7\(1\)](#) or [Section 2.7\(6\)](#), or any Lender's obligation to Continue Loans of any Type, or to Convert Loans of any Type into the other Type of Loan, shall be suspended pursuant to [Section 2.7\(2\)](#) or [Section 2.7\(3\)](#) (any such Lender requesting such compensation, or whose obligations are so suspended, being herein called a "**Requesting Lender**"), Lead Borrower, upon three (3) Business Days' notice, may require that such Requesting Lender transfer all of its right, title and interest under this Agreement and such Requesting Lender's Note to any bank or other financial institution (a "**Proposed Lender**") identified by Lead Borrower that is satisfactory to Administrative Agent (i) if such Proposed Lender agrees to assume all of the obligations of such Requesting Lender hereunder, and to purchase all of such Requesting Lender's Loans hereunder for consideration equal to the aggregate outstanding principal amount of such Requesting Lender's Loans, together with accrued interest thereon to the date of such purchase and pay all other amounts accrued and payable hereunder to such Requesting Lender as of the date of such transfer (including any fees accrued hereunder and any amounts that would be payable under [Section 2.7\(1\)](#), [Section 2.7\(5\)](#) or [Section 2.7\(6\)](#)). Subject to the provisions of [Section 12.23\(1\)](#), such Proposed Lender shall be a "Lender" for all purposes hereunder. Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements of Borrower contained in [Section 2.7\(1\)](#) and [Section 2.7\(6\)](#) (without duplication of any payments made to such Requesting Lender by Borrower or the Proposed Lender) shall survive for the benefit of such Requesting Lender under this [Section 2.7\(7\)](#) with respect to the time prior to such replacement.

Section 2.8 Agency Fee. Until payment in full of all obligations under this Agreement and the other Loan Documents, Borrower shall pay to Administrative Agent, for its sole account, the Agency Fee in accordance with the Fee Letter.

Section 2.9 Exit Fee. With respect to any repayment or prepayment of principal under the Loans for any reason whatsoever (whether such repayment or prepayment of the Loans is made voluntarily or involuntarily or as a result of the occurrence of an Event of Default pursuant to which the Administrative Agent has accelerated the obligations of the Borrower under the Loan Documents or otherwise), Borrower shall pay to Administrative Agent, in addition to all other amounts that may be due hereunder, an amount equal to one quarter of one percent (0.25%) of the amount so repaid or prepaid under the Loans (the "Exit Fee"). The Exit Fee will be automatically waived in the event that (1) the Loans are prepaid in connection with a bona-fide arms length sale of the Project to a third party which is not an Affiliate of Borrower, or (2) the Loans are paid in full pursuant to a refinancing arrangement with Administrative Agent.

ARTICLE 3

INSURANCE, CONDEMNATION, AND IMPOUNDS

Section 3.1 Insurance.

(1) Borrower shall obtain and maintain, or cause to be maintained, Policies providing at least the following coverages for Borrower and the Project (at all times through the repayment of the Loans in full):

(a) comprehensive all-risk insurance on the Improvements and the personal property, in each case (i) in an amount equal to 100% of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, (ii) containing an agreed amount endorsement with respect to the improvements and personal property waiving all co insurance provisions; (iii) providing for no deductible in excess of \$50,000; (iv) providing for repairs and alteration coverage; and (v) providing coverage for contingent liability from Operation of Building Laws, Demolition Costs and Increased Cost of Construction Endorsements together with an "Ordinance or Law Coverage" or "Enforcement" endorsement if any of the Improvements or the use of the Project shall at any time constitute legal non-conforming structures or uses. The Full Replacement Cost shall be redetermined from time to time (but not more frequently than once in any twenty-four (24) calendar months) at the request of Administrative Agent by an appraiser or contractor designated by Borrower and reasonably approved by Administrative Agent, or by an engineer or appraiser in the regular employ of the insurer. The cost of such appraisal shall be paid by Administrative Agent unless an Event of Default shall have occurred and be continuing, in which case such cost shall be paid by Borrower. After the first appraisal, additional appraisals may be based on construction cost indices customarily employed in the trade. No omission on the part of Administrative Agent to request any such ascertainment shall relieve Borrower of any of its obligations under this Section 3.1(1)(a);

(b) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage (including liabilities as a result of repairs and alterations) occurring upon, in or about the Project, such insurance (i) to be on the so called "occurrence" form with a combined single limit of not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate; (ii) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (iii) to cover at least the following hazards: (A) premises and operations; (B) products and completed operations on an "if any" basis and for a period of not less than five (5) years after the completion of construction of the applicable Improvements; (C) independent contractors; (D) blanket contractual liability for all "insured contracts" as defined in the standard general liability policy; and (E) contractual liability covering the indemnities contained in Sections 5.4, 11.3 and 14.5 hereof, to the extent the same is available and falls within the definition of "insured contracts";

(c) business income/loss of rents insurance (i) with loss payable to Administrative Agent (for the benefit of the Lenders); (ii) covering all risks required to be covered by the insurance provided for in Section 3.1(1)(g) hereof; (iii) in an amount equal to 100% of the projected gross income from the Project (on an actual loss sustained basis) for a period continuing until the Restoration of the Project is completed; the amount of such business income/loss of rents insurance shall be determined prior to the date hereof and at least once each year thereafter based on the greater of (x) Borrower's reasonable estimate of the gross income from the Project, and (y) the highest gross income received during the term of the Notes for any full calendar year prior to the date the amount of such insurance is being determined (or such lesser period as may have expired from the date of substantial completion of the applicable Improvements to the date the amount of such insurance is being determined), in each case for the succeeding eighteen (18) month period and (D) containing an extended period of indemnity endorsement which provides that after the physical loss to the improvements and the personal property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of twenty-four (24) months from the date that the Project, is repaired or replaced and operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. All insurance proceeds payable to Administrative Agent (for the benefit of the Lenders) pursuant to this Section 3.1(1)(c), shall be held by Administrative Agent and shall be applied to the obligations secured hereunder from time to time due and payable hereunder and under the Notes and this Agreement; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured hereunder on the respective dates of payment provided for in the Notes and this Agreement except to the extent such amounts are actually paid out of the proceeds of such business income/loss of rents insurance;

(d) when required by Administrative Agent or at the discretion of Borrower, at all times prior to the completion of construction of the Improvements, the insurance provided for in Section 3.1(1)(a), shall be written in a so called builder's risk completed value form (i) on a non reporting basis, (ii) against all risks insured against pursuant to Section 3.1(1)(a), (iii) shall include permission to occupy the Project, and (4) shall contain an agreed amount endorsement waiving co-insurance provisions, and shall also include coverage for:

(A) loss suffered with respect to materials, equipment, machinery, and supplies whether on-site, in transit, or stored off-site and with respect to temporary structures, hoists, sidewalks, retaining walls, and underground property;

(B) Soft Costs, plans, specifications, blueprints and models in connection with any restoration following a casualty;

(C) demolition and increased cost of construction, including, without limitation, increased costs arising out of changes in Applicable Law and codes;

(D) operation of building laws;

(E) collapse, transit and testing; and

(F) delayed opening coverage on an actual loss sustained basis with extended period of indemnity endorsement consistent with Section 3.1(1)(c).

(e) workers' compensation insurance, as required by any Governmental Authority or legal requirement, subject to the statutory limits of the state of New York;

(f) comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Administrative Agent on terms consistent with the commercial property insurance policy required under Section 3.1(1)(a);

(g) if any portion of the Improvements is at any time located in an area identified by the Secretary of Housing and Urban Development or any successor thereto as an area having special flood hazards pursuant to the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended, or any successor law (the "**Flood Insurance Acts**"), flood hazard insurance in an amount not less than the greater of (A) the maximum limit of coverage available with respect to the Project, under Policies issued pursuant to the Flood Insurance Acts, subject only to customary deductibles under such Policies, and (B) the maximum limit of coverage available with respect to the Project, under Policies issued by private insurance carriers;

(h) earthquake insurance (based on probable maximum loss) in amounts and in form and substance satisfactory to Administrative Agent, provided that the insurance pursuant to this Section 3.1(1)(h) hereof shall be on terms consistent with the all risk insurance policy required under Section 3.1(1)(a), hereof;

(i) umbrella liability insurance in an amount not less than \$100,000,000 per occurrence on terms consistent with the commercial general liability insurance policy required under Section 3.1(1)(b), hereof;

(j) insurance with respect to the Construction Manager, the Major Contractors, Borrower's Architect and other Design Professionals as specified in Schedule 3.1(1)(j) attached hereto;

(k) secured creditor's environmental insurance, insuring against unknown environmental hazards and conditions in amounts and in form and substance satisfactory to Administrative Agent, which shall name the Administrative Agent as a loss payee or additional insured, as applicable; and

(l) such other insurance and in such amounts as Administrative Agent from time to time may request against such other insurable hazards which at the time are available on commercially reasonable terms for properties located in or around the region where the Project is located and are customarily required by institutional lenders with respect to projects similar to the Project.

(2) All insurance provided in compliance with Section 3.1(1)(a) hereof shall be obtained under valid and enforceable policies (the "**Policies**" or in the singular, the "**Policy**"), in such forms and, from time to time after the date hereof, in such amounts as may be satisfactory to Administrative Agent, issued by financially sound and responsible insurance companies permitted to do business in the state of New York and reasonably approved by Administrative Agent. The insurance companies must have a claims paying ability/financial strength rating of "AX" (or its equivalent) or better by A.M. Best. No Policy shall contain an exclusion from coverage under such Policy for loss or damage incurred as a result of an act of terrorism or similar acts of sabotage, provided that Borrower may obtain separate Terrorism Insurance coverage subject to and in accordance with the terms of this Section 3.1(2). Borrower will be required to maintain insurance against terrorism, terrorist acts or similar acts of sabotage ("**Terrorism Insurance**") with coverage amounts of not less than an amount equal to the full replacement cost of the improvements and the personal property (the "**Terrorism Insurance Required Amount**"). Notwithstanding the foregoing sentence, Borrower shall not be obligated to expend in any fiscal year on Insurance Premiums for Terrorism Insurance more than two (2.0) times the then-current annual premium paid by Borrower for the comprehensive all-risk insurance required under subsection 3.1(1)(a) hereof (the "**Terrorism Insurance Cap**") and if the cost of the Terrorism Insurance Required Amount exceeds the Terrorism Insurance Cap, Borrower shall purchase the maximum amount of Terrorism Insurance available with funds equal to the Terrorism Insurance Cap; provided, however, the Terrorism Insurance Cap shall not apply or restrict the amount of terrorism coverage required to be obtained and maintained by this subsection (x) with respect to the Project if (a) owners and/or operators of mixed-use retail/office buildings in the same class as the Project in Bronx, New York are generally obtaining terrorism insurance, (b) lenders financing such mixed-use retail/office properties in the same class as the Project in Bronx, New York are generally requiring terrorism insurance as a condition of financing, or (c) Borrower or Sponsor or any Affiliate of Borrower or Sponsor, is obtaining terrorism insurance on any other properties in Bronx, New York of which any of the foregoing Persons own or operate. Not less than fifteen (15) days prior to the expiration dates of the Policies theretofore furnished to Lender pursuant to Section 3.1(1) hereof, Lead Borrower shall deliver to Administrative Agent insurance certificates showing payment of all premiums (the "**Insurance Premiums**") for such Policies, which certificates shall be in form and substance reasonably satisfactory to Administrative Agent. Within sixty (60) days following the expiration dates of the Policies, Lead Borrower shall deliver to Administrative Agent certified copies of such Policies marked "premium paid" or accompanied by evidence satisfactory to Administrative Agent of payment of the Insurance Premiums.

(3) Borrower shall not obtain (a) any umbrella or blanket liability or casualty Policy unless, in each case, such Policy is approved in advance in writing by Administrative Agent and Lenders' interest is included therein as provided in this Agreement, or (b) separate insurance concurrent in form or contributing in the event of loss with that required in Section 3.1(1) to be furnished by, or which may be required to be furnished by, Borrower. In the event Borrower obtains separate insurance or an umbrella or a blanket policy, Lead Borrower shall notify Administrative Agent of the same and shall cause certified copies of each Policy to be delivered as required in Section 3.1(1).

(4) All Policies provided for or contemplated by Section 3.1(1) hereof, except for the Policy referenced in Section 3.1(1)(e), shall name Administrative Agent (for the benefit of the Lenders) as additional insured under liability policies and as mortgagee/loss payee under property policies, as their respective interests may appear, and in the case of property, boiler and machinery, and flood insurance, shall contain a so called New York standard non-contributing mortgagee clause in favor of Administrative Agent providing that the loss thereunder shall be payable to Administrative Agent in accordance with the terms of this Agreement.

(5) All Policies provided for in Section 3.1(1)(a) hereof shall contain clauses or endorsements to the effect that:

- (a) no willful act or negligence of Borrower, or anyone acting for Borrower, or failure to comply with the provisions of any Policy which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Administrative Agent is concerned;
- (b) the Policy shall not be materially changed (other than to increase the coverage provided thereby) or cancelled without at least thirty (30) days' written notice (or ten (10) days' written notice, in the case of non payment of premium) to Administrative Agent and any other party named therein as an insured;
- (c) each Policy shall provide that the issuers thereof shall give written notice to Administrative Agent if the Policy has not been renewed fifteen (15) days prior to its expiration; and
- (d) Administrative Agent shall not be liable for any insurance premiums thereon or subject to any assessments thereunder.

(6) If at any time Administrative Agent is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Administrative Agent shall have the right, on five (5) Business Days' notice to Lead Borrower to take such action as Administrative Agent deems necessary to protect its interest in the Project, including, without limitation, the obtaining of such insurance coverage as Administrative Agent in its sole and absolute discretion deems appropriate, and all expenses incurred by Administrative Agent in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Administrative Agent upon demand and until paid shall be secured by the Security Documents and shall bear interest at the Default Rate.

(7) In the event of a foreclosure of the Mortgages, or other transfer of title to Project in extinguishment in whole or in part of the Loans, all right, title and interest of Borrower in and to the Policies then in force and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lenders or other transferee in the event of such other transfer of title.

(8) Lead Borrower shall give immediate written notice of any loss in excess of \$100,000 to the insurance carrier and to Administrative Agent. In connection with losses in excess of \$100,000, but less than or equal to \$2,000,000, Borrower and Administrative Agent shall cooperate in all matters related to the loss including, without limitation, making proof of loss, adjusting and compromising any claim under the insurance policies, appearing in and prosecuting any action arising from such insurance policies, and collecting and receiving insurance proceeds. In connection with losses in excess of \$2,000,000, Borrower hereby irrevocably authorizes and empowers Administrative Agent, as attorney in fact for Borrower coupled with an interest, to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Administrative Agent's expenses incurred in the collection of such proceeds. Nothing contained in this Section 3.1(8), however, shall require Administrative Agent or any Lender to incur any expense or take any action hereunder.

Section 3.2 Condemnation Awards. Lead Borrower shall immediately notify Administrative Agent of the institution of any proceeding for the condemnation or other taking of the Project or any portion thereof. Administrative Agent may participate in any such proceeding and Lead Borrower will deliver to Administrative Agent all instruments necessary or required by Administrative Agent to permit such participation. Without Administrative Agent's prior consent (subject to the approval of the Majority Lenders), Borrower (1) shall not agree to any compensation or award, and (2) shall not take any action or fail to take any action which would cause the compensation to be determined. All awards and compensation for the taking or purchase in lieu of condemnation of the Project or any part thereof are hereby assigned to and shall be paid to Administrative Agent. Borrower authorizes Administrative Agent to collect and receive such awards and compensation, to give proper receipts and acquittances therefor, and in Administrative Agent's sole discretion (which Administrative Agent shall exercise at the direction of the Majority Lenders) to apply the same toward the payment of the Loans, notwithstanding that the Loans may not then be due and payable, or to the restoration of the Project; provided, however, if the award is less than or equal to the Threshold Amount and Borrower requests that such proceeds be used for non structural site improvements (such as landscape, driveway, walkway and parking area repairs) required to be made as a result of such condemnation, Administrative Agent will apply the award to such restoration in accordance with the terms applicable to insurance proceeds set forth in Section 3.3. Borrower, upon request by Administrative Agent, shall execute all instruments requested to confirm the assignment of the awards and compensation to Administrative Agent, free and clear of all liens, charges or encumbrances.

Section 3.3 Use and Application of Insurance Proceeds. Administrative Agent shall apply insurance proceeds to costs of restoring the Project or the Loans as follows:

(1) if the loss is less than or equal to the Threshold Amount, Administrative Agent shall promptly apply the insurance proceeds to restoration provided (a) no Event of Default exists, and (b) Borrower promptly commences and is diligently pursuing restoration of the Project;

(2) if the loss exceeds the Threshold Amount but is not more than ten percent (10%) of the replacement value of the Improvements (for projects containing multiple phases or stand alone structures, such calculation to be based on the damaged phase or structure, not the project as a whole), Administrative Agent shall apply the insurance proceeds to restoration provided that at all times during such restoration (a) no Event of Default exists; (b) Administrative Agent determines that there are sufficient funds including Borrower's equity available to restore and repair the Project to a condition reasonably approved by Administrative Agent; (c) Administrative Agent reasonably determines that any operating deficits, including all debt service, which will be incurred with respect to the Project following any such loss and until the restoration has been completed, will be covered out of (A) the insurance proceeds, (B) the proceeds of business interruption insurance, if applicable, (C) Net Operating Income of the Project or (D) by other funds of Borrower; (d) Administrative Agent reasonably determines that all Major Leases will remain in effect after restoration is complete; (e) Administrative Agent determines that restoration and repair of the Project to a condition reasonably approved by Administrative Agent will be completed prior to the Completion Date; (f) Borrower promptly commences and is diligently pursuing restoration of the Project; and (g) if still applicable, Administrative Agent shall have unilaterally determined that the Guaranty of Completion shall remain in full force and effect during the period of restoration, or Guarantor shall have executed and delivered to Administrative Agent a guaranty of completion with respect to all restoration in substantially the same form as the Guaranty of Completion and otherwise reasonably satisfactory to Administrative Agent;

(3) if the conditions set forth above are not satisfied or the loss exceeds the maximum amount specified in **Section 3.3(2)** above, Administrative Agent may in its sole discretion (subject to the approval of the Majority Lenders) apply any insurance proceeds it may receive to the payment of the Loans or allow all or a portion of such proceeds to be used for the restoration of the Project.

Section 3.4 Disbursement of Proceeds.

(1) The insurance proceeds shall be held by Administrative Agent in a Controlled Account and shall constitute additional security for the Loans. Upon receipt of evidence reasonably satisfactory to Administrative Agent that all the conditions precedent, including those set forth in **Section 3.3(2)** above, have been satisfied, the insurance proceeds shall be disbursed by Administrative Agent to, or as directed by, Lead Borrower from time to time during the course of the restoration in accordance with the applicable provisions of Article 4 and Schedule 4 of this Agreement and (to the extent such disbursements are related to construction costs) the Building Loan Agreement.

(2) All plans and specifications required in connection with the restoration shall be subject to prior review and reasonable approval by Administrative Agent and by an independent consulting engineer selected by Administrative Agent (the "**Restoration Consultant**"); provided, however, that if the plans and specifications are consistent with those attached to the Building Loan Agreement, Administrative Agent shall be deemed to have approved such plans and specifications. Administrative Agent shall have the non-exclusive use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the restoration. The identity of the contractors, subcontractors and materialmen engaged in the restoration, as well as all Major Contracts, shall be subject to prior review and reasonable approval by Administrative Agent and the Restoration Consultant. All reasonable costs and expenses incurred by Administrative Agent in connection with making the insurance proceeds available for the restoration including reasonable counsel fees and disbursements and the Restoration Consultant's fees, shall be paid by Borrower. Borrower shall also obtain, at its sole cost and expense, all necessary government approvals as and when required in connection with such restoration and provide copies thereof to Administrative Agent and Restoration Consultant.

(3) In no event shall Administrative Agent be obligated to make disbursements of the insurance proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the restoration, as certified by the Restoration Consultant, minus the Retainage. Administrative Agent shall establish, maintain and release any Retainage in accordance with the terms of the Building Loan Agreement.

(4) Administrative Agent shall not be obligated to make disbursements of the insurance proceeds more frequently than once per month.

(5) If at any time the insurance proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Administrative Agent in consultation with the Restoration Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Restoration Consultant to be incurred in connection with the completion of the restoration, Borrower shall deposit the deficiency (the "**Insurance Proceeds Deficiency**") with, or deliver a Collateral Letter of Credit in the amount of such deficiency to, Administrative Agent within ten (10) Business Days of Administrative Agent's request and before any further disbursement of the insurance proceeds shall be made. The Insurance Proceeds Deficiency shall be held in a Controlled Account and shall be disbursed for costs actually incurred in connection with the restoration on the same conditions applicable to the disbursement of the insurance proceeds, and, until so disbursed, shall constitute additional security for the Loans.

(6) After the Restoration Consultant certifies to Administrative Agent that a restoration has been substantially completed in accordance with the provisions of this Section 3.4, and the receipt by Administrative Agent of evidence satisfactory to Administrative Agent that all costs incurred in connection with the restoration have been paid in full, the excess, if any, of the insurance proceeds and the remaining balance, if any, of the Insurance Proceeds Deficiency deposited with Administrative Agent shall, so long as no Potential Default or Event of Default has occurred, be paid to Lead Borrower. If a Potential Default or Event of Default has occurred, the remaining balance of the Insurance Proceeds Deficiency shall be applied to repayment of the Loans.

(7) All insurance proceeds not required (i) to be made available for the restoration or (ii) to be returned to Lead Borrower as excess insurance proceeds pursuant to subsection (G) above may (A) be retained and applied by Administrative Agent toward the payment of the Loans, whether or not then due and payable, in such order, priority and proportions as Administrative Agent in its sole discretion shall deem proper, or, (B) at the sole discretion of Administrative Agent, the same may be paid, either in whole or in part, to Lead Borrower for such purposes and upon such conditions as Administrative Agent shall designate.

(8) Notwithstanding any casualty, Borrower shall continue to make payments with respect to the outstanding principal amount in the manner provided in the Notes, this Agreement and the other Loan Documents and the outstanding principal amount shall not be reduced unless and until (i) any insurance proceeds or condemnation award shall have been actually received by Administrative Agent, (ii) Administrative Agent shall have deducted its reasonable expenses of collecting such proceeds and (iii) Administrative Agent shall have applied any portion of the balance thereof to the repayment of the outstanding principal amount in accordance with Section 4.3. The Lenders shall not be limited to the interest paid on any condemnation award but shall continue to be entitled to receive interest as provided in Article 2.

ARTICLE 4

DISBURSEMENTS OF THE LOANS

Section 4.1 General Conditions.

(1) Subject to (a) Borrower's satisfaction of the applicable conditions precedent set forth in Schedule 4 and (b) Borrower's compliance with the applicable provisions of this Article 4, the Lenders shall disburse the proceeds of the Acquisition Loan on the Closing Date and the proceeds of each other Loan within ten (10) Business Days after Administrative Agent's receipt of all of the documents and items to be delivered or received pursuant to Schedule 4 and this Article 4; provided, however, that at no time shall the Lenders be obligated to:

- (i) advance to Lead Borrower more than the amount that Borrower has funded from its own monies or an existing loan or is then required to fund to the party seeking payment or, in the case of reimbursement, to the party seeking reimbursement (subject to Retainage, if applicable),
- (ii) make an advance if the Loans are not In Balance in accordance with Section 4.3,
- (iii) subject to possible reallocation in accordance with Section 4.5, advance proceeds of a Loan in an amount in excess of the Budget Line Items set forth in the Budget, as the same may be adjusted in accordance with the terms of this Agreement, or
- (iv) make any Loans to the extent any Operating Revenues have not been applied in accordance with Section 4.6(1).

(2) Notwithstanding anything to the contrary contained in this Agreement, the Lenders shall have no obligation to advance any Loan unless Administrative Agent is, at all times, satisfied that the Improvements can be constructed Lien free, substantially in accordance with the Plans and Specifications (or the Tenant Improvement Plans in the case of Tenant Improvement Work) for the sums set forth in the Budget (or, if more, Borrower has furnished the difference in cash or cash equivalents, subject to the provisions of [Section 4.3](#), [Section 4.4](#) and [Section 4.5](#)), by the Completion Date or, with respect to Tenant Improvement Work, such date as shall be required for the completion of the applicable Tenant Improvement Work under an Approved Lease. Administrative Agent will endeavor to give notice to Lead Borrower of its intention not to authorize disbursement of any Loan proceeds based on the foregoing, but neither the Lenders nor Administrative Agent shall have any liability hereunder should Administrative Agent fail to do so, and no failure by Administrative Agent to give such notice shall affect Administrative Agent's or any Lender's rights under this [subsection \(2\)](#). ; Notwithstanding anything herein to the contrary, if such applicable conditions precedent are not satisfied for the full required disbursement, then, to the extent that the amounts in any Request for Loan Advance are broken down such that Administrative Agent is satisfied that all of the above conditions are met with respect to a portion of any Loan advance, the Lenders shall advance such portion of the requested Loan advance.

Section 4.2 Procedure for Making Disbursements of Loan Proceeds.

(1) After the Closing Date, disbursements shall be made from time to time as construction progresses pursuant to a request for advance in the applicable form attached hereto as Exhibit F (each, a "[Request for Loan Advance](#)"), but no more frequently than once in each calendar month.

(2) Each Request for Loan Advance with respect to Loans shall (a) be duly executed by an Authorized Officer on behalf of Lead Borrower, (b) be submitted to Administrative Agent and the Construction Consultant not less than ten (10) Business Days prior to the proposed disbursement date for such Loans, (c) specify the items to be paid or reimbursed with the proceeds of the requested Loans, (d) include the documentation required to be included therewith under [Schedule 4](#) and (e) be in the minimum amounts required under [Section 2.6\(3\)](#).

(3) All advances of the Loans shall be made for the payment of Project Costs in accordance with the Budget upon Borrower's satisfaction of the applicable conditions set forth in this [Article 4](#) and [Schedule 4 – Parts A and B](#), as applicable.

(4) In the event Lead Borrower does not request a disbursement within thirty (30) days after the previous disbursement of a Loan, Borrower shall nonetheless within such thirty (30) day period and during each subsequent thirty (30) day period in which Lead Borrower does not request a disbursement of the Loan, satisfy the conditions precedent to disbursements set forth in this Agreement.

Section 4.3 Loan Balancing.

(1) Borrower represents that the Budget sets forth all anticipated costs to be incurred by Borrower in connection with the ownership, development, construction, financing, marketing, maintenance and leasing of the Improvements, from time to time through the Maturity Date as extended pursuant to [Section 2.5](#) hereof. Borrower further agrees as follows:

(a) Subject to reallocations pursuant to Section 4.4 and Section 4.5, if at any time, the projected costs anticipated to be incurred for any item of Construction Work or for the ownership, development, financing, marketing, maintenance or leasing of the Improvements through the Maturity Date exceed the amount set forth in the Budget for such item (as the same may be adjusted in accordance with the terms of this Agreement), as determined by Administrative Agent and the Construction Consultant in their reasonable discretion (including any such determination that the undisbursed Loan proceeds allocated for the payment of future interest (the "Interest Reserve") is insufficient) based on factors, including, but not limited to, (1) Administrative Agent's projections of interest rates for period(s) up to and including the full remaining term of the Loan (and permitted extensions); (2) the effect of any Hedge Agreement; (3) cost overruns or Change Orders; or (4) failure of the Improvements to lease at the rate of absorption or otherwise at rates and terms projected by Borrower, then the Loans shall be deemed not "In Balance."

(b) If the Loans are deemed not "In Balance," then Borrower shall, at Administrative Agent's option, within ten (10) Business Days after written notice from Administrative Agent either (a) deposit with Administrative Agent an amount sufficient to cover such deficiency (a "Deficiency Deposit"), which Deficiency Deposit shall be deposited with Administrative Agent in the Controlled Account (the "Deficiency Deposit Account"), (b) make one or more equity contributions to be used by Borrower to pay costs that will bring the Loans In Balance (an "Equity Balancing Contribution"), or (c) deliver a Collateral Letter of Credit in an amount such that the available proceeds thereunder would be sufficient to bring the Loans In Balance and upon which Administrative Agent shall be entitled to draw in compliance with the provisions set forth below in this Section 4.3. Administrative Agent shall not be required to authorize any disbursement of any Loans before receiving (i) payment of any such Deficiency Deposit into the Deficiency Deposit Account and the prior application of such Deficiency Deposit to the payment of Project Costs so as to bring the Loans In Balance, (ii) verification that an Equity Balancing Contribution has been made and the proceeds thereof used for the payment of Project Costs on account of the Improvements, so as to bring the Loans In Balance or (iii) a Collateral Letter of Credit as set forth above. Failure of Borrower to provide satisfactory verification of an Equity Balancing Contribution or deliver a Deficiency Letter of Credit as required above shall be deemed Borrower's election to make a Deficiency Deposit. The Deficiency Deposit shall be allocated to the Project Loan Budget and the Budget, as applicable, and shall be applied to the payment of Project Costs on account of the Improvements prior to any further disbursement of the Loans.

(c) The balances of the applicable Contingency Fund from time to time shall not be considered for purposes of determining whether the Loans are In Balance.

(2) If an Event of Default shall occur and be continuing, Administrative Agent (subject to the provisions of Section 14.3) may, at its option, in addition to exercising any other rights or remedies available under the Loan Documents, (A) apply any unexpended Deficiency Deposit to (or draw on any Collateral Letter of Credit to pay) the costs of completion of the Improvements and/or (B) apply any unexpended Deficiency Deposit to (or draw on any Collateral Letter of Credit for application of the sums drawn thereunder to) the immediate reduction of any amounts due under the Notes and the other Loan Documents. With respect to any Collateral Letter of Credit that Borrower may furnish or cause to be furnished to Administrative Agent in accordance with the terms of this Section 4.3:

(a) Administrative Agent will be entitled, among other things, to make one or more draws pursuant to and in accordance with this Agreement or the Building Loan Agreement, as applicable, by presentment thereof to the issuing bank accompanied only by Administrative Agent's clean sight-draft, it being intended that the issuing bank shall have no right to inquire as to Administrative Agent's right to draw upon such Collateral Letter of Credit;

(b) Administrative Agent shall be entitled, among other things, to draw upon each Collateral Letter of Credit pursuant to this Agreement or the Building Loan Agreement, as applicable, in whole, or in part from time to time, to the extent (without taking into account the Collateral Letter of Credit) the Loan is not In Balance, (i) in order to pay any costs not covered by Loan proceeds, Equity Balancing Contributions or Deficiency Deposits or (ii) upon any Event of Default; and

(c) Administrative Agent shall have the right to draw upon any Collateral Letter of Credit within ten (10) Business Days prior to the expiration date of such Collateral Letter of Credit and each renewal and extension thereof unless, prior to such expiration date of such Collateral Letter of Credit and each renewal and extension thereof, Borrower shall have furnished a replacement, extension or renewal Collateral Letter of Credit, acceptable to Administrative Agent, it being the intent hereof that at no time shall the unexpired term of any Collateral Letter of Credit be less than ten (10) Business Days. If Administrative Agent draws upon a Collateral Letter of Credit pursuant to the terms hereof, then Administrative Agent shall hold the proceeds thereof in a Controlled Account as a Deficiency Deposit. Administrative Agent shall also be entitled to draw upon a Collateral Letter of Credit if the credit rating of the issuing bank no longer meets the standard required of a Collateral Letter of Credit and Borrower does not deliver to Administrative Agent a replacement letter of credit that otherwise conforms to the requirements for Deficiency Letters of Credit within ten (10) days following notice of the same from Administrative Agent, or if Administrative Agent reasonably believes that its rights to draw on such Collateral Letter of Credit are in imminent jeopardy of not being honored.

Section 4.4 Budget Contingencies. The Budget contains line items designated for contingency for Hard Costs and Soft Costs (collectively, the "**Contingency Fund**") which represent amounts necessary to provide reasonable assurances to Administrative Agent and the Lenders that funds are available within the Budget if additional costs, expenses and/or delays are incurred or additional interest accrues on the Loans, or other unanticipated events or problems occur. Upon request of Lead Borrower, Administrative Agent may, in its reasonable discretion, re-allocate a portion of the Contingency Fund to cover cost overruns, cost of change orders, additional interests and other anticipated costs based upon the percentage of completion of the Construction Work (e.g. (and as an example only) fifty percent (50%) of the Contingency Fund may be allocated when the project is fifty percent (50%) complete). Any such re-allocation shall reduce, by the amount of such re-allocation, the amount of the Contingency Fund available to be allocated thereafter. Subject to the foregoing, Borrower agrees that the decisions with respect to utilizing any portion of the Contingency Fund shall be made by Administrative Agent in its reasonable discretion and that the Loans may not be In Balance, and Borrower may be required to make a Deficiency Deposit or Equity Balancing Contribution, even if funds remain in the Contingency Fund.

Section 4.5 Budget Line Items. The Budget includes as line items (collectively, "**Budget Line Items**") the cost of all labor, materials, equipment, fixtures and furnishings needed for the completion of all Construction Work, and all other costs, fees and expenses relating in any way whatsoever to the Construction Work and the operation of the Project. Borrower agrees that all Loans shall be used only for the Budget Line Items for which such Loans are made (as re-allocated from time to time in accordance with the terms of this Agreement). Borrower agrees that, while an Event of Default exists, Administrative Agent may, at any time and from time to time without prior written notice to Lead Borrower or Borrower, authorize the disbursement of the Budget Line Items for the purposes for which they have been set aside, or for any other purposes related to the Construction Work or otherwise provided for in the Budget as Administrative Agent may determine, either by payment of such items or by reimbursement to Borrower for payments actually made by Borrower for such items. Administrative Agent shall not be obligated to authorize the disbursement of any amount for any category of costs set forth as a Budget Line Item which is greater than the amount set forth for such category in the applicable Budget Line Item; provided, however, that subject to Administrative Agent's prior reasonable consent, Borrower may apply savings from one Budget Line Item to cost overruns in another Budget Line Item or to the Contingency Fund, or to any other unbudgeted Project Cost provided (a) there are no Potential Defaults or Events of Defaults existing, (b) all costs to be paid out of the Budget Line Item from which funds are being re-allocated have been paid or sufficient sums remain in said line item to pay such costs when the same become due, (c) said savings are actual savings and are documented or otherwise established to the satisfaction of Administrative Agent and the Construction Consultant in their reasonable discretion, (d) such reallocation will not violate the provisions of the Lien Law or affect the priority of the Mortgages on the Project and (e) Administrative Agent, at Borrower's sole cost and expense, obtains endorsements to the Title Policies insuring against "any statutory lien for services, labor or materials furnished or contracted for prior to the date hereof *i.e.*, the date of such endorsement (or any statutory lien for services, labor or materials furnished after the date hereof, the priority of which lien relates back to services, labor or materials furnished or contracted for prior to the date hereof), and which has now gained or which may hereafter gain priority over the estate or interest of the insured as shown in Schedule A of this policy," as a result of the reallocation of such Budget Line Item; provided, however, the Borrower shall not reallocate any portion of the Soft Costs Budget Line Items which have been allocated to the payment of real estate taxes and the interest reserve.

Section 4.6 Interest; Fees; and Expenses.

(1) Included in the Budget are projected amounts for (a) interest on the Loans, (b) the Agency Fee, (c) the fees and expenses of the Construction Consultant, Administrative Agent's counsel and the Title Company and (d) the fees and expenses related to the recording of the Mortgages. Subject to Borrower's compliance with all of the conditions set forth in Schedule 4 and this Article 4, Lead Borrower may in any Request for Loan Advance request advances for the purpose of paying the aforesaid items due at such time, in which event Administrative Agent shall be authorized and is hereby directed to disburse the amount thereof to the Persons entitled to such payments. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, Lead Borrower shall not have the right to request the advance of any Loans for any items covered by clauses (a) through (d) above to the extent Operating Revenues are available to pay such items.

(2) Borrower hereby authorizes Administrative Agent to disburse the proceeds of any Loan to pay (a) interest accrued on the Notes, (b) the Agency Fees, (c) the fees and expenses of the Construction Consultant, Administrative Agent's counsel and the Title Company, (d) any expenses payable in accordance with Section 9.28, and (e) any Date Down Endorsements, notwithstanding that Lead Borrower may not have requested a disbursement of such amounts.

(3) Subject to the provisions of Section 14.3, Administrative Agent in its sole and absolute discretion may (but shall not be obligated to do so) direct the Lenders to make such Loans for disbursements authorized under this Section 4.6 notwithstanding that the Loans are not In Balance or that a Potential Default or Event of Default exists under the terms of this Agreement or any other Loan Document. Such disbursements shall constitute a Loan and be added to the principal balance of the Notes, and the Lenders shall make the applicable Loans to fund any such disbursements. The authorization hereby granted is irrevocable, and no further direction, authorization or Request for Loan Advance from Lead Borrower is necessary for the Lenders to make such disbursements. Nothing contained in this Section 4.6 shall require Administrative Agent to direct the Lenders to make Loans for payment of any of the items set forth in subsection (2) above if the other conditions set forth in this Agreement for Loans are not satisfied.

Section 4.7 Reserved.

Section 4.8 Tenant Improvement Allowances.

(1) Loans shall be made to Borrower in connection with Tenant Improvement Allowances as the same shall be payable pursuant to Approved Leases.

(2) The first request for disbursement for any Tenant Improvement Allowance shall be accompanied by the following, all of which shall be subject to the reasonable approval of the Administrative Agent to the extent Borrower has any outstanding (i.e. unexpired) approval rights with respect thereto pursuant to the terms of the applicable Approved Lease (any such approval or disapproval to be made by the Administrative Agent within a reasonably sufficient time for Borrower to comply with any time limits set forth in the applicable Approved Lease for Borrower's response):

- (a) documentation required to be delivered by the applicable tenant pursuant to its respective Approved Lease;
- (b) if not already delivered to the Administrative Agent, a fully executed lease (already approved by the Administrative Agent) covering such leased space; and
- (c) all matters set forth in subsection (3) below.

(3) The Administrative Agent's obligation to make disbursements of any Loans for Tenant Improvement Allowances shall be subject to the further condition precedent that all of the following requirements shall have been completed to the reasonable satisfaction of the Administrative Agent to the extent Borrower has any outstanding (i.e. unexpired) approval rights with respect thereto pursuant to the terms of the applicable Approved Lease (any such approval or disapproval to be made by the Administrative Agent within a reasonably sufficient time for Borrower to comply with any time limits set forth in the applicable Approved Lease for Borrower's response):

- (a) Borrower shall have promptly furnished to the Administrative Agent and the Construction Consultant all documents and other information relating to such Tenant Improvement Allowance which Borrower is entitled to receive pursuant to and in accordance with the applicable Approved Lease;
- (b) Loans shall be made for Tenant Improvement Allowances only to the extent the applicable tenant is then entitled to receive payments related to such Tenant Improvement Allowance pursuant to the terms of its applicable Approved Lease;
- (c) no mechanic's liens shall have been filed against the Project in connection with the work being performed under the applicable Approved Lease; and
- (d) Borrower shall have complied with all the other applicable conditions precedent to a disbursement of a Loan contained in Section 2.1.

(4) The obligation of the Lenders to make the final Loan to Borrower for a Tenant Improvement Allowance for any Approved Lease is subject to the further condition precedent that all of the following requirements shall have been completed to the reasonable satisfaction of the Administrative Agent (in the case of clause (b) below, to the extent Borrower has any approval rights with respect thereto pursuant to the terms of the applicable Approved Lease, any such approval or disapproval to be made by the Administrative Agent within a reasonably sufficient time (but in no event less than ten (10) Business Days) to enable Borrower to comply with applicable time limits set forth in the applicable Approved Lease for Borrower's response):

- (a) The applicable work covered by a Tenant Improvement Allowance has been substantially completed, subject to Punch List Items, free of mechanics' liens unless such liens shall be bonded or otherwise removed of record or the Title Company shall have provided affirmative coverage in accordance with Schedule 4 – Part A, paragraph 10;
- (b) Borrower shall have promptly furnished to the Administrative Agent and the Construction Consultant all documents and other information relating to the final advance of the applicable Tenant Improvement Allowance which Borrower is entitled to receive in accordance with the applicable Lease; and
- (c) All of the applicable conditions precedent to any Loan contained in Section 2.1 shall have been satisfied.

Section 4.9 Direct Loan Advances by Administrative Agent. The Lenders shall, at the option of Administrative Agent, advance all or any part of any particular Loan either (1) to Lead Borrower for disbursement in accordance with a Request for Loan Advance, (2) while any Event of Default exists, directly to the Construction Manager, a Major Contractor, other contractor, subcontractor, material supplier or other party any costs payable to such party, (3) after an Event of Default, at Borrower's expense, to the Title Company which shall pay said monies to the parties as so instructed by Administrative Agent or (4) as contemplated by Section 1.01(d) of the Completion Guaranty (whether the applicable work is being performed by Guarantor or Administrative Agent). The execution of this Agreement by Borrower shall, and hereby does, constitute an irrevocable authorization to the Lenders to make such direct advances provided for in ~~clauses (2), (3) and (4)~~ above and no further authorization from Borrower shall be necessary to warrant such direct advances, and all such direct advances shall be secured by the Security Documents as fully as if made directly to Borrower, regardless of the disposition thereof by any party so paid. After an Event of Default, at Administrative Agent's request, any advance of Loan proceeds made by and through the Title Company may be made pursuant to a construction escrow agreement reasonably approved by Administrative Agent. Borrower agrees to join as a party to such escrow agreement and to comply with the requirements set forth therein (which shall be in addition to and not in substitution for the requirements contained in this Agreement) and to pay the fees and expenses of the Title Company charged in connection with the performance of its duties under such construction escrow agreement.

Section 4.10 No Waiver or Approval by Reason of Loan Advances. The making of any Loans by the Lenders shall not be deemed an acceptance or approval by Administrative Agent or the Lenders (for the benefit of Borrower or any third party) of the Construction Work or other work theretofore done or constructed or to the Lenders' obligations to make further Loans, nor, in the event Borrower is unable to satisfy any condition, shall any such failure to insist upon strict compliance have the effect of precluding Administrative Agent or the Lenders from thereafter declaring such inability to be an Event of Default as herein provided. Administrative Agent's and/or the Lenders' waiver of, or failure to enforce, any conditions to or requirements associated with any Loans in any one or more circumstances shall not constitute or imply a waiver of such conditions or requirements in any other circumstances.

Section 4.11 Authorization to Make Loan Advances to Cure Borrower's Defaults. If an Event of Default shall occur, Administrative Agent (subject to the provisions of ~~Section 14.3~~) may (but shall not be required to) perform any of such covenants and agreements with respect to which Borrower is in Event of Default. Any amounts expended by Administrative Agent in so doing and any amounts expended by Administrative Agent in connection therewith shall constitute a Loan and be added to the outstanding principal balance of the Loans, and the Lenders shall make the applicable Loans to fund any such disbursements. The authorization hereby granted is irrevocable, and no prior notice to or further direction or authorization from Borrower is necessary for Administrative Agent to make such disbursements.

Section 4.12 Designation of Lead Borrower as Agent for Borrower.

(1) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as that Borrower's agent to obtain loans and advances under the Loan, the proceeds of which shall be available to each Borrower as set forth herein. As the disclosed principal for its agent, each Borrower shall be obligated to the Agent and the Lenders on account of loans and advances so made under the Loan as if made directly by the Lenders to that Borrower, notwithstanding the manner by which such loans and advances are recorded on the books and records of the Lead Borrower and/or of any Borrower (including, without limitation, on account of any such treatment of said loan or advance as an equity investment in a Borrower by Lead Borrower).

(2) Each Borrower recognizes that credit available to it under the Loan is in excess of and on better terms than it otherwise could obtain on and for its own account and that one of the reasons therefor is its joining in the credit facility contemplated herein with all other Borrowers. Consequently, each Borrower, jointly and severally, hereby assumes and agrees fully, faithfully, and punctually to discharge all obligations of all of the Borrowers under the Loan Documents.

(3) The Lead Borrower shall act as a conduit for each Borrower (including itself, as a "Borrower") on whose behalf the Lead Borrower has requested a loan or other advance under the Loan.

(4) The proceeds of each loan and advance provided under the Loan which is requested by the Lead Borrower shall be deposited into an account in the name of the Lead Borrower or as otherwise indicated by the Lead Borrower. The Lead Borrower shall cause the transfer of the proceeds thereof to the Borrower(s) on whose behalf such loan and advance was obtained. Neither the Agent nor any Lender shall have any obligation to see to the application of such proceeds.

(5) Each Borrower hereby irrevocably designates and appoints the Lead Borrower as that Borrower's attorney-in-fact to act in the Borrower's name and stead and to do and perform all matters, to grant to the Agent for the benefit of the Lenders a security interest in the Collateral, transact all business, and make, execute and acknowledge all Loan Documents and other instruments relating to this Agreement including but not limited to, this Agreement, the Note, and the Security Documents. The Borrowers hereby acknowledge and agree that the power of attorney created hereby is coupled with an interest.

Section 4.13 Administrative Agent's Right to Make Loan Advances in Compliance with the Guaranty of Completion. Any Loan proceeds disbursed by Administrative Agent as contemplated by Section 1.01(b) of the Guaranty of Completion (whether the applicable work is being performed by Guarantor or Administrative Agent) shall constitute a Loan and be added to the outstanding principal balance of the Loans, and the Lenders shall make the applicable Loans to fund any such disbursements. The authorization hereby granted is irrevocable and no prior notice to or further direction or authorization from Borrower is necessary for Administrative Agent to make such disbursements.

Section 4.14 No Third-Party Benefit. This Agreement is solely for the benefit of the Lenders, Administrative Agent, Lead Borrower and Borrower. All conditions of the obligations of the Lenders to make advances hereunder are imposed solely and exclusively for the benefit of the Lenders and may be freely waived or modified in whole or in part by the Lenders at any time if in their sole discretion they deem it advisable to do so, and no Person other than Lead Borrower or Borrower (provided, however, that all conditions have been satisfied) shall have standing to require the Lenders to make any Loan advances or shall be a beneficiary of this Agreement or any advances to be made hereunder.

ENVIRONMENTAL MATTERS

Section 5.1 Certain Definitions. As used herein, the following terms have the meanings indicated:

(1) **“Environmental Claim”** means, with respect to any Person, any written request for information by a governmental authority, or any written notice, notification, claim, administrative, regulatory or judicial action, suit, judgment, demand or other written communication by any Person or governmental authority alleging or asserting liability with respect to Borrower or the Project, whether for damages, contribution, indemnification, cost recovery, compensation, injunctive relief, investigatory, response, remediation, damages to natural resources, personal injuries, fines or penalties arising out of, based on or resulting from (i) the presence, use or release into the environment of any Hazardous Materials originating at or from, or otherwise affecting, the Project, (ii) any fact, circumstance, condition or occurrence forming the basis of any violation, or alleged violation, of any Environmental Law by Borrower or otherwise affecting the health, safety or environmental condition of the Project or (iii) any alleged injury or threat of injury to the environment by Borrower or otherwise affecting the Project.

(2) **“Environmental Laws”** means any federal, state or local law (whether imposed by statute, or administrative or judicial order, or common law), now or hereafter enacted and applicable to the Project, governing health, safety, industrial hygiene, the environment or natural resources, or Hazardous Materials, including, such laws governing or regulating the use, generation, storage, removal, recovery, treatment, handling, transport, disposal, control, discharge of, or exposure to, Hazardous Materials.

(3) **“Environmental Liens”** has the meaning assigned to such term in Section 5.3(4).

(4) **“Environmental Losses”** means any losses, damages, costs, fees, expenses, claims, suits, judgments, awards, liabilities (including, but not limited to, strict liabilities), obligations, debts, diminutions in value, fines, penalties, charges, costs of remediation (whether or not performed voluntarily), amounts paid in settlement, foreseeable and unforeseeable consequential damages, litigation costs, reasonable attorneys’ fees and expenses, engineers’ fees, environmental consultants’ fees, and investigation costs (including, but not limited to, costs for sampling, testing and analysis of soil, water, air, building materials, and other materials and substances whether solid, liquid or gas), of whatever kind or nature, and whether or not incurred in connection with any judicial or administrative proceedings, actions, claims, suits, judgments or awards relating to Hazardous Materials, Environmental Claims, Environmental Liens and violation of Environmental Laws.

(5) **“Hazardous Materials”** means (a) petroleum or chemical products, whether in liquid, solid, or gaseous form, or any fraction or by product thereof, (b) asbestos or asbestos containing materials, (c) polychlorinated biphenyls (PCBs), (d) radon gas, (e) underground storage tanks, (f) any explosive or radioactive substances, (g) lead or lead-based paint, (h) Mold, or (i) any other substance, material, waste or mixture which is or shall be listed, defined, or otherwise determined by any governmental authority to be hazardous, toxic, dangerous or otherwise regulated, controlled or giving rise to liability under any Environmental Laws.

(6) **“Mold”** means any microbial or fungus contamination or infestation in any Project of a type that could reasonably be anticipated (after due inquiry and investigation) to pose a risk to human health or the environment or could reasonably be anticipated (after due inquiry and investigation) to negatively impact the value of the affected Property in any material respect.

Section 5.2 Representations and Warranties on Environmental Matters. Borrower represents and warrants to Administrative Agent and the Lenders that, to Borrower’s knowledge, except as set forth in the Site Assessment, (1) no Hazardous Material is now or was formerly used, stored, generated, manufactured, installed, treated, discharged, disposed of or otherwise present at or about the Project or any property adjacent to the Project (except for cleaning and other products currently used in connection with the routine maintenance or repair of the Project and de minimus quantities used by tenants in the normal course of business in full compliance with Environmental Laws), (2) all permits, licenses, approvals and filings required by Environmental Laws have been obtained, and the use, operation and condition of the Project do not, and did not previously, violate any Environmental Laws, (3) no civil, criminal or administrative action, suit, claim, hearing, investigation or proceeding has been brought or been threatened, nor have any settlements been reached by or with any parties or any Liens imposed in connection with the Project concerning Hazardous Materials or Environmental Laws and (4) no underground storage tanks exist at the Project.

Section 5.3 Covenants on Environmental Matters.

(1) Borrower shall (a) comply strictly and in all respects with applicable Environmental Laws; (b) notify Administrative Agent immediately upon Borrower’s discovery of any spill, discharge, release or presence of any Hazardous Material at, upon, under, within, contiguous to or otherwise affecting the Project; (c) promptly remove such Hazardous Materials and remediate the Project in full compliance with Environmental Laws and as reasonably recommended to preserve the value and/or use of the Project, in accordance with the reasonable recommendations and specifications of an independent environmental consultant approved by Administrative Agent; and (d) promptly forward to Administrative Agent copies of all orders, notices, permits, applications or other communications and reports in connection with any spill, discharge, release or the presence of any Hazardous Material or any other matters relating to the Environmental Laws or any similar laws or regulations, as they may affect the Project or Borrower.

(2) Borrower shall not cause, shall prohibit any other Person within the control of Borrower from causing, and shall use prudent, commercially reasonable efforts to prohibit other Persons (including tenants) from causing (a) any spill, discharge or release, or the use, storage, generation, manufacture, installation, or disposal, of any Hazardous Materials at, upon, under, within or about the Project or the transportation of any Hazardous Materials to or from the Project (except for cleaning and other products used in connection with the routine maintenance or repair of the Project in full compliance with Environmental Laws), (b) any underground storage tanks to be installed at the Project, or (c) any activity that requires a permit or other authorization under Environmental Laws to be conducted at the Project.

(3) Lead Borrower shall provide to Administrative Agent, at Borrower's expense promptly upon the written request of Administrative Agent from time to time, a Site Assessment or, if required by Administrative Agent, an update to any existing Site Assessment, to assess the presence or absence of any Hazardous Materials and the potential costs in connection with abatement, cleanup or removal of any Hazardous Materials found on, under, at or within the Project. Borrower shall pay the cost of no more than one such Site Assessment or update in any twelve (12) month period, unless Administrative Agent's request for a Site Assessment is based on a reasonable suspicion of Hazardous Materials at or near the Project, a breach of representations under Section 5.2, or an Event of Default, in which case any such Site Assessment or update shall be at Borrower's expense.

(4) **Environmental Notices.** Lead Borrower shall promptly provide notice to Administrative Agent of:

- Borrower;
- (a) all Environmental Claims asserted or threatened against Borrower or any other party occupying the Project or any portion thereof or against the Project which become known to Borrower;
 - (b) the discovery by Borrower of any occurrence or condition on the Project or on any real property adjoining or in the vicinity of the Project which could reasonably be expected to lead to an Environmental Claim against Borrower, Administrative Agent or any of the Lenders;
 - (c) the commencement or completion of any environmental remediation at the Project; and
 - (d) any Lien or other encumbrance imposed pursuant to any Environmental Law ("**Environmental Liens**").

In connection therewith, Lead Borrower shall transmit to Administrative Agent copies of any citations, orders, notices or other written communications received from any Person and any notices, reports or other written communications submitted to any governmental authority with respect to the matters described above.

Section 5.4 Allocation of Risks and Indemnity. As between Borrower, Administrative Agent and the Lenders, all risk of loss associated with non-compliance with Environmental Laws, or with the presence of any Hazardous Material at, upon, within, contiguous to or otherwise affecting the Project, shall lie solely with Borrower. Accordingly, Borrower shall bear all risks and costs associated with any Environmental Loss, damage or liability therefrom, including all costs of removal of Hazardous Materials or other remediation required hereunder or by law. Borrower shall indemnify, defend and hold Administrative Agent and the Lenders harmless from and against all loss, liabilities, damages, claims, costs and expenses (including reasonable costs of defense) arising out of or associated, in any way, with the non-compliance with Environmental Laws, or the existence of Hazardous Materials in, on, or about the Project, or a breach of any representation, warranty or covenant contained in this Article 5, whether based in contract, tort, implied or express warranty, strict liability, criminal or civil statute or common law, including those arising from the joint, concurrent, or comparative negligence of Administrative Agent and the Lenders; provided, however, Borrower shall not be liable under such indemnification to the extent such loss, liability, damage, claim, cost or expense results solely from Administrative Agent's or any Lender's gross negligence or willful misconduct. Borrower's obligations under this Section 5.4 shall arise upon the discovery of the presence of any Hazardous Material, whether or not any governmental authority has taken or threatened any action in connection with the presence of any Hazardous Material, and whether or not the existence of any such Hazardous Material or potential liability on account thereof is disclosed in the Site Assessment and shall continue notwithstanding the repayment of the Loans or any transfer or sale of any right, title and interest in the Project (by foreclosure, deed in lieu of foreclosure or otherwise).

Section 5.5 No Waiver. Notwithstanding any provision in this Article 5 or elsewhere in the Loan Documents, or any rights or remedies granted by the Loan Documents, Administrative Agent and the Lenders do not waive and expressly reserve all rights and benefits now or hereafter accruing to Administrative Agent and/or any Lenders under the "security interest" or "secured creditor" exception under applicable Environmental Laws, as the same may be amended. No action taken by Administrative Agent and/or any Lender pursuant to the Loan Documents shall be deemed or construed to be a waiver or relinquishment of any such rights or benefits under the "security interest exception."

ARTICLE 6

LEASING MATTERS

Section 6.1 Representations and Warranties on Leases. Borrower represents and warrants to Administrative Agent and the Lenders with respect to leases of the Project that: (1) to Borrower's knowledge, the rent roll delivered to Administrative Agent is true and correct, and the leases are valid and in full force and effect; (2) the leases (including amendments) are in writing, and there are no oral agreements with respect thereto; (3) the copies of the leases delivered to Administrative Agent are true and complete; (4) to Borrower's knowledge, neither the landlord nor any tenant is in default under any of the leases; (5) Borrower has no knowledge of any notice of termination or default with respect to any lease; (6) Borrower has not assigned or pledged any of the leases, the rents or any interests therein except to Administrative Agent (on behalf of the Lenders); (7) no tenant or other party has an option to purchase all or any portion of the Project; (8) no tenant has the right to terminate its lease prior to expiration of the stated term of such lease except in the case of a casualty or condemnation of the Project to the extent permitted pursuant to the terms and conditions of such lease; and (9) no tenant has prepaid more than one month's rent in advance (except for bona fide security deposits not in excess of an amount equal to two month's rent). To the extent that any part of the Land is located in the State of New York, reference is hereby made to Section 291-f of the Real Property Law of the State of New York for purposes of obtaining for Administrative Agent and the Lender the benefits of said Section in connection herewith.

Section 6.2 Standard Lease Form; Approval Rights. All leases and other rental arrangements shall in all respects be approved by Administrative Agent and shall be on a standard lease form for the Office Component, approved by Administrative Agent with no material modifications (except as approved by Administrative Agent in writing). Such lease form shall provide (a) that the lease is subordinate to the Mortgages, (b) that the tenant shall attorn to Administrative Agent (on behalf of the Lenders) following an Event of Default and (c) that any cancellation, surrender, or amendment of such lease without the prior written consent of Administrative Agent shall be voidable by Administrative Agent. Borrower shall hold, in trust, all tenant security deposits in a segregated account, and, to the extent required by Applicable Law, shall not commingle any such funds with any other funds of Borrower. Within ten (10) days after Administrative Agent's request, Borrower shall furnish to Administrative Agent a statement of all tenant security deposits, and copies of all leases not previously delivered to Administrative Agent, certified by Borrower as being true and correct. Notwithstanding anything contained in the Loan Documents, Administrative Agent's approval shall not be required for future leases or lease extensions if the following conditions are satisfied: (1) there exists no Potential Default or Event of Default; (2) the lease is on the standard lease form approved by Administrative Agent with no modifications except for commercially reasonable changes agreed to in the ordinary course of Borrower's business, but in any event there shall be no modifications to the subordination, attornment, estoppel and landlord liability clause without the prior written consent of Administrative Agent; (3) the lease does not conflict with any restrictive covenant affecting the Project or any other lease for space in the Project; (4) the lease is not a Major Lease; (5) the lease shall provide for rental rates and landlord concessions comparable to existing local market rates as shall be established pursuant to the Leasing Guidelines; (6) the lease is with a third party not an Affiliate of Borrower, Sponsor or Guarantor; (7) the lease shall not contain any options for renewal or expansion by the tenant at rental rates which are below reasonable comparable market levels at the time the lease is executed; (8) the lease shall be to a tenant which Borrower, in its professional and commercially reasonable judgment, has determined is creditworthy and (9) the lease is for a term of not more than ten (10) years (exclusive of renewal options which, together with the initial lease term shall not exceed fifteen (15) years).

Section 6.3 Covenants. Borrower (1) shall perform the obligations which Borrower is required to perform under the leases, including the performance of any Tenant Improvement Work with respect thereto; (2) shall enforce the obligations to be performed by the tenants; (3) shall promptly furnish to Administrative Agent any notice of default or termination received by Borrower from any tenant, and any notice of default or termination given by Borrower to any tenant; (4) shall not collect any rents for more than thirty (30) days in advance of the time when the same shall become due, except for bona fide security deposits not in excess of an amount equal to two month's rent; (5) shall not enter into any ground lease or master lease of any part of the Project; (6) shall not further assign or encumber any lease; (7) shall not, except with Administrative Agent's prior written consent, cancel or accept surrender or termination of any Major Lease; (8) shall not, except with Administrative Agent's prior written consent, modify or amend any Major Lease (except for minor modifications and amendments entered into in the ordinary course of business, consistent with prudent property management practices, not affecting the economic terms of the lease); (9) shall use its best efforts to lease the Improvements; and (10) shall not, with respect to the Best Buy Lease, select or change the "Outside Delivery Date" (as defined in such lease) without the prior written consent of Administrative Agent, and any action in violation of clauses (5), (6), (7), and (8) of this Section 6.3 shall be void at the election of Administrative Agent.

Section 6.4 Tenant Estoppels. At Administrative Agent's request, Borrower shall, within thirty (30) days, obtain and furnish to Administrative Agent, (1) written estoppels in form and substance reasonably satisfactory to Administrative Agent, executed by tenants under leases in the Project and confirming the term, rent, and other provisions and matters relating to the leases and (2) written subordination and attornment agreements, in form and substance satisfactory to Administrative Agent, executed by tenants under leases in the Project, whereby, among other things, such tenants subordinate their interest in the Project to the Loan Documents and agree to attorn to Administrative Agent (on behalf of the Lenders) and its successors and assigns upon foreclosure or other transfer of the Project after an Event of Default.

ARTICLE 7

REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants to Administrative Agent and the Lenders that:

Section 7.1 Organization and Power. Borrower and each Borrower Party is duly organized, validly existing and in good standing under the laws of the state of its formation or existence, and is in compliance with legal requirements applicable to doing business in the State. Borrower is not a "foreign person" within the meaning of § 1445(f)(3) of the Internal Revenue Code. Lead Borrower's U.S. taxpayer identification number is 20-1577239 and Fordham Office's U.S. taxpayer identification number is 26-1094416.

Section 7.2 Validity of Loan Documents. The execution, delivery and performance by Borrower and each Borrower Party of the Loan Documents: (1) are duly authorized and do not require the consent or approval of any other party or governmental authority which has not been obtained; and (2) will not violate any law or result in the imposition of any Lien upon the assets of any such party, except as contemplated by the Loan Documents. The Loan Documents constitute the legal, valid and binding obligations of Borrower and each Borrower Party, enforceable in accordance with their respective terms, subject to applicable bankruptcy, insolvency, or similar laws generally affecting the enforcement of creditors' rights.

Section 7.3 Liabilities; Litigation.

(1) The financial statements delivered by Borrower and each Borrower Party are true and correct with no material change since the date of preparation. Except as disclosed in such financial statements, there are no liabilities (fixed or contingent) affecting the Project, Borrower or any Borrower Party. Except as disclosed in such financial statements, there is no litigation, administrative proceeding, investigation or other legal action (including any proceeding under any state or federal bankruptcy or insolvency law) pending or, to the knowledge of Borrower, threatened, against the Project, Borrower or any Borrower Party which if adversely determined could have a Material Adverse Effect.

(2) Neither Borrower nor any Borrower Party is contemplating either the filing of a petition by it under state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of its assets or property, and neither Borrower nor any Borrower Party has knowledge of any Person contemplating the filing of any such petition against it.

Section 7.4 Taxes and Assessments. The Project is comprised of one or more parcels, each of which constitutes a separate tax lot and none of which constitutes a portion of any other tax lot. There are no pending or, to Borrower's best knowledge, proposed, special or other assessments for public improvements or otherwise affecting the Project, nor are there any contemplated improvements to the Project (other than the Construction Work) that may result in such special or other assessments.

Section 7.5 Other Agreements; Defaults. Neither Borrower nor any Borrower Party is a party to or in violation of any agreement or instrument or subject to any court order, injunction, permit, or restriction which might have a Material Adverse Effect.

Section 7.6 Compliance with Law; Government Approvals.

(1) Borrower and the Project, as applicable, and the contemplated use thereof and operations thereat, comply, and upon completion of construction of the Construction Work shall comply, with all Applicable Law, except where the failure so to comply could not reasonably be expected to have a Material Adverse Effect.

(2) All Government Approvals necessary in connection with the construction and operation of the Project as contemplated by the Loan Documents and the Project Documents, are set forth in Schedule 7.6 attached hereto (the "**Permitting Schedule**") and, other than those Government Approvals to be obtained after the date hereof as expressly identified in the Permitting Schedule, have been duly obtained, were validly issued, are in full force and effect, are not subject to appeal, are held in the name of Borrower (in the case of the Project, are held in the name of Borrower (in the case of the Project)), are free from conditions or requirements, the compliance with which could reasonably be expected to have a Material Adverse Effect or which Borrower does not reasonably expect will be able to be satisfied in the ordinary course of business, and are assignable to and assumable by the successors in interest and transferees of Borrower and run with the land.

(3) There is no proceeding pending or, to Borrower's Knowledge, threatened that seeks, or may reasonably be expected, to rescind, terminate, modify or suspend any such Government Approval.

(4) The information set forth in each application and other written material submitted by Borrower and, to Borrower's Knowledge, to the applicable Governmental Authority in connection with each such Government Approval is accurate and complete in all material respects.

(5) The Government Approvals expressly described on the Permitting Schedule as those to be obtained after the date hereof are required solely in connection with later stages of development, construction or operation of the Improvements. Borrower has no reason to believe that any Government Approval that has not yet been obtained by Borrower, but which will be required in the future, will not be granted in due course, on or prior to the date when required and free from any condition or requirement which Borrower does not reasonably expect will be able to be satisfied in the ordinary course of business.

(6) The Project (if constructed in accordance with the Plans and Specifications and the Project Documents) will conform to and comply with all covenants, conditions, restrictions and reservations in the Government Approvals and all Applicable Law, except where the failure so to comply could not reasonably be expected to have a Material Adverse Effect.

(7) Borrower has no reason to believe that Administrative Agent, acting for the benefit of the Lenders, will not be entitled, to the benefit of each Government Approval set forth on the Permitting Schedule hereto with respect to the Project upon the exercise of remedies under the Security Documents.

(8) Borrower has delivered to Administrative Agent a true and complete copy of each Government Approval heretofore obtained with respect to the Project as indicated on the Permitting Schedule, as the same shall be supplemented during the course of obtaining additional Government Approvals as the Construction Work proceeds.

Section 7.7 Location of Borrower. Borrower's principal place of business and chief executive offices are located at the address stated in [Section 12.1](#).

Section 7.8 ERISA. Borrower has no employees and has not established any pension plan for employees which would cause Borrower to be subject to the Employee Retirement Income Security Act of 1974, as amended.

Section 7.9 Margin Stock. No part of proceeds of the Loans will be used for purchasing or acquiring any "margin stock" within the meaning of Regulations T, U or X of the Board of Governors of the Federal Reserve System.

Section 7.10 Tax Filings. Borrower and each Borrower Party have filed (or have obtained effective extensions for filing) all federal, state and local tax returns required to be filed and have paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments payable by Borrower and each Borrower Party, respectively.

Section 7.11 Solvency. Giving effect to the Loans, the fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loans, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loans, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its Debts as such Debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loans will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur Debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such Debts as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower).

Section 7.12 Full and Accurate Disclosure. No statement of fact made by or on behalf of Borrower or any Borrower Party in this Agreement or in any of the other Loan Documents or in any certificate, statement or questionnaire delivered by Borrower or any Borrower Party in connection with the Loans contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no fact presently known to Borrower or any Borrower Party which has not been disclosed to Administrative Agent which might have a Material Adverse Effect.

(2) The Construction Management Agreement is the only Construction Management Agreement in existence with respect to the construction management of the Project. The copy of the Construction Management Agreement delivered to Administrative Agent is a true and correct copy, and such agreement has not been modified. (3) There is no development agreement with respect to the Project.

Section 7.15 No Conflicts.

(1) The execution, delivery and performance of the Loan Documents, and the Project Documents by Borrower do not and will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, operating agreement or other agreement or instrument to which Borrower is a party or by which any of Borrower's property or assets is subject, nor will such action result in any violation of the provisions of any Applicable Law or Government Approval applicable to Borrower or the Project.

(2) Each Government Approval required for and each consent or approval required to be obtained from, and notice required to be delivered to, any other Person in connection with the execution, delivery and performance by Borrower of this Agreement, the other Loan Documents, and the Project Documents has been obtained or delivered and is in full force and effect.

There are no claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Loan Documents.

Section 7.17 Use of Project. The Project, upon completion of the construction of the Improvements, will be used exclusively for retail, office and other ancillary uses permitted by applicable zoning law, and for no other purpose or purposes.

Section 7.18 Flood Zone. Section 7.19 Insurance. Borrower has obtained and has delivered to Administrative Agent certified copies of all of the insurance policies for the Project reflecting the insurance coverages, amounts and other insurance requirements set forth in this Agreement. Section 7.21 Utilities; Access. All public utilities necessary to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting such project, there exists sufficient capacity to support the Project and all such utilities are or will, following the completion of the Improvements, be connected so as to serve such project without passing over other property, except to the extent such other property is subject to a perpetual easement for such utility benefiting such project. All roads necessary for the full utilization of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for on-site and off-site infrastructure improvements to be developed pursuant to the Government Approvals by Borrower for the Project, there are no amenities, services or facilities (including those for access, parking, recreational activities and otherwise) not located or to be constructed upon the Project, pursuant to the applicable Project Documents, which are necessary to the use or enjoyment, or intended to benefit the owner or occupants, thereof.

Section 7.22 Boundaries. Except as shown on the Survey all of the improvements to be developed in connection with the Project lie wholly within the boundaries and building restriction lines of such project, and no improvements on adjoining properties encroach upon the Project.

Section 7.23 Separate Lots. The Project is comprised of one (1) or more parcels which constitutes one (1) or more separate tax lots and does not constitute a portion of any other tax lot not a part of the Project.

No Borrower Party nor any of their respective subsidiaries or Affiliates is a Prohibited Person.

Section 7.27 Organizational Structure.

(1) Borrower has heretofore delivered to Administrative Agent a true and complete copy of the Organizational Documents of each Borrower Party.

(2) Schedule 7.27 contains a true and accurate chart reflecting the ownership of all of the direct and indirect equity interests in Borrower and each Borrower Party, including the percentage of ownership interest of the Persons shown thereon.

ARTICLE 9

COVENANTS

Borrower covenants and agrees with Administrative Agent and the Lenders as follows:

Section 9.1 Due on Sale and Encumbrance; Transfers of Interests. Without the prior written consent of Administrative Agent and the Lenders (to the extent required under Section 12.2),

(1) Borrower shall not allow any Change of Control to occur;

(2) neither Borrower nor any other Person having an ownership or beneficial interest in Borrower shall (a) allow, directly or indirectly, any Transfer (other than a Permitted Transfer), to occur; or (b) further encumber, alienate, grant a Lien or grant any other interest in the Project or any part thereof (including any partnership, membership or other ownership interest in Borrower), whether voluntarily or involuntarily; and

(3) Borrower shall not assign any of its rights or obligations hereunder or under the Loan Documents.

As used in this Section 9.1, "Transfer" shall include the sale, transfer, conveyance, mortgage, pledge, or assignment of the legal or beneficial ownership of (a) the Project (including, following the establishment of a condominium regime with respect to the Project, any Unit), (b) any partnership interest in any general partner in Borrower that is a partnership, (c) any membership interest in any member in Borrower that is a limited liability company and (d) any voting stock in any managing member in Borrower that is a corporation; "Transfer" shall not include (i) the leasing of any space within the Project so long as Borrower complies with the provisions of the Loan Documents relating to such leasing activity; or (ii) the transfers of non-managing membership interests in Borrower so long as no Change of Control results therefrom.

Section 9.2 Maintenance of the Project; Alterations.

(1) Upon the completion of construction of the Project, Borrower shall:

(a) maintain or cause to be maintained the Improvements with the facilities and amenities as described in the definition of "Improvements," in good condition and repair, in a manner consistent with a class "A" mixed-use commercial property located in Bronx, New York, and make or cause to be made all reasonably necessary repairs or replacements thereto;

(b) not remove, demolish or structurally alter, or permit or suffer the removal, demolition or structural alteration of, any of the Improvements without the prior written consent of Administrative Agent except to the extent required pursuant to the development of the Project and in connection with the Construction Work or as permitted by this Agreement or required by Applicable Law;

(c) subject to the terms of the Loan Documents (and the Condominium Declaration, if applicable), promptly restore or cause to be restored in like manner any portion of the Improvements which may be damaged or destroyed from any cause whatsoever;

(d) not commit, or permit, any waste of the Project; and

(e) subject to the terms of the Loan Documents (and the Condominium Declaration, if applicable), not remove or permit the removal of any item constituting part of the Project without replacing it with a comparable item of equal quality, value and usefulness; except that the foregoing provisions shall not prohibit the sale or disposition, in the ordinary course of business, of any property which is obsolete or such replacement is impracticable and not within the sound business judgment of Borrower, all as subject to the consent of Administrative Agent, which consent shall not be unreasonably withheld, delayed or conditioned.

(2) Upon the completion of construction of the Project, Borrower shall obtain Administrative Agent's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed, to any alterations to the Improvements, other than alterations performed in connection with the restoration of the Project after the occurrence of a casualty in accordance with the terms and provisions of this Agreement (and the Condominium Declaration, if applicable).

Section 9.3 Real Estate Taxes; Charges. Borrower shall pay before any fine, penalty, interest or cost may be added thereto, and shall not enter into any agreement to defer, any real estate taxes and assessments, franchise taxes and charges, and other governmental charges that may become a Lien upon the Project or become payable during the term of the Loans (collectively, the "**Real Estate Taxes**"), and will promptly furnish Administrative Agent with evidence of such payment; however, Borrower's compliance with Section 9.16 of this Agreement relating to impounds for taxes and assessments shall, with respect to payment of such taxes and assessments, be deemed compliance with this Section 9.3. Borrower shall not suffer or permit the joint assessment of the Project with any other real property constituting a separate tax lot or with any other real or personal property. Borrower shall pay when due all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in a Lien on the Project; however, Borrower may contest the validity of such claims and demands or taxes so long as (1) Lead Borrower notifies Administrative Agent that Borrower intends to contest such claim or demand, (2) Borrower provides Administrative Agent with an indemnity, bond or other security satisfactory to Administrative Agent (including an endorsement to Administrative Agent's title insurance policy insuring against such claim or demand) assuring the discharge of Borrower's obligations for such claims and demands, including interest and penalties, (3) Borrower is diligently contesting the same by appropriate legal proceedings in good faith and at its own expense and concludes such contest prior to the tenth (10th) day preceding the earlier to occur of the Maturity Date or the date on which the Project is scheduled to be sold, forfeited, terminated, cancelled or lost for non payment, (4) such proceedings shall not subject Borrower, the Administrative Agent or any Lender to criminal or civil liability (other than civil liability as to which adequate security has been provided pursuant to clause (2) above), and (5) Borrower shall promptly upon final determination thereof pay the amount of such items, together with all costs, interests and penalties.

If there shall be enacted any law (1) deducting the Loans from the value of the Project for the purpose of taxation, (2) affecting any Lien on the Project, or (3) changing existing laws of taxation of mortgages, deeds of trust, security deeds, or debts secured by real property, or changing the manner of collecting any such taxes, Borrower shall promptly pay to Administrative Agent, on demand, all taxes, costs and charges for which Administrative Agent or any Lender is or may be liable as a result thereof; however, if such payment would be prohibited by law or would render the Loans usurious, then instead of collecting such payment, Administrative Agent may (and on the request of the Majority Lenders shall) declare all amounts owing under the Loan Documents to be immediately due and payable.

Section 9.4 Development; Management.

(1) Borrower shall not terminate, replace or appoint any property manager or terminate or amend the Property Management Agreement for the Project without Administrative Agent's prior written approval. Any change in majority ownership or control of the Property Manager shall be cause for Administrative Agent to reasonably re-approve such Property Manager and Property Management Agreement. Borrower shall replace the Property Manager as the request of the Administrative Agent (i) upon the occurrence of an Event of Default, (ii) if the Property Manager is in default of its obligations under the Property Management Agreement, or (iii) if the Property Manager is insolvent or is the subject of an involuntary or voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its Debts or other liabilities under any bankruptcy, insolvency or other similar law.

(2) If at any time Administrative Agent consents to the appointment of a new property manager, such new property manager and Borrower shall, as a condition of Administrative Agent's consent, execute a Property Manager's Consent and Subordination of Property Management Agreement in the form then used by Administrative Agent. Each property manager shall hold and maintain all necessary licenses, certifications and permits required by law. Borrower shall fully perform all of its covenants, agreements and obligations under the Property Management Agreement.

(3) Borrower shall cause the Project to be managed by a Qualified Manager engaged by Borrower and approved by Administrative Agent in its reasonable discretion. Acadia-P/A Management Services, LLC is hereby approved as the initial Property Manager, pursuant to the terms set forth in the Property Management Agreement.

(4) Subject to the terms of the Subordination of Property Management Agreement, the Property Manager shall be entitled to receive a management fee of not more than four percent (4%) of total operating revenues as defined in the applicable Property Management Agreement approved by the Administrative Agent.

(5) The Property Manager shall, prior to the Closing Date, deliver an executed Subordination of Property Management Agreement.

(6) Lead Borrower shall deliver to Administrative Agent, as and when executed, certified copies of all maintenance, management, service, leasing and sales contracts entered into with respect to the Project, each of which shall provide that Administrative Agent shall have the right, upon foreclosure, to terminate such contract on thirty (30) days notice, or, if such right is not provided in such contract, such contract shall be entered into with a party, and on terms and conditions reasonably acceptable to Administrative Agent, and contemporaneously with entering into each such contract, at Administrative Agent's option, cause the service provider under each such contract to deliver to Administrative Agent a Consent and Agreement, pursuant to which such service provider shall undertake, inter alia, to continue performance on behalf of the Lenders following any Event of Default without additional cost (other than sums owed pursuant to such contract for services thereafter rendered to or for Administrative Agent).

(7) Borrower will not enter into a development agreement with respect to the Project unless: (a) Administrative Agent has approved the developer in writing; (b) the form and substance of the development agreement is acceptable to Administrative Agent and (c) the development agreement has been collaterally assigned to the Administrative Agent, in accordance with a form reasonably acceptable to the Administrative Agent, and consented to by the developer.

Section 9.5 Compliance with Laws; Inspection.

(1) Borrower shall:

(a) comply in all material respects (subject to such more stringent requirements as may be set forth elsewhere herein) with all Applicable Laws;

(b) obtain, comply with and maintain in full force and effect all Government Approvals and shall from time to time obtain all Government Approvals as shall now or hereafter be necessary under Applicable Law in connection with the ownership, construction, operation or maintenance of the Project or the execution, delivery and performance by Borrower of any of the Project Documents to which it is a party and shall comply with all such Government Approvals and keep them in full force and effect;

(c) promptly furnish a true and complete copy of each such Government Approval to Administrative Agent;

(d) unless otherwise approved by the Administrative Agent, use its reasonable efforts to contest any proceedings before any Governmental Authority and to resist any proposed adverse changes in Applicable Law to the extent that such proceedings or changes are directed specifically toward the Project or could reasonably be expected to have a Material Adverse Effect; and

(e) permit Administrative Agent and the Lenders and their agents, representatives and employees, upon reasonable prior notice to Borrower, to inspect the Project and conduct such environmental and engineering studies and inspections of the Project as Administrative Agent may require, provided such inspections and studies are conducted during normal business hours and do not materially interfere with the use and operation of the Project.

(2) After prior notice by Lead Borrower to Administrative Agent, Borrower, at its own expense, may contest by appropriate legal proceedings promptly initiated and conducted in good faith and with due diligence, the validity or application of any Applicable Law; provided that:

(a) no Event of Default exists;

(b) Borrower shall pay any outstanding fines, penalties or other payments under protest unless such proceeding shall suspend the collection of such items;

(c) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower or the Project is subject and shall not constitute a default thereunder;

(d) no part of or interest in the Project will be in danger of being sold, forfeited, terminated, canceled or lost during the pendency of the proceeding;

(e) such proceeding shall not subject Borrower, Administrative Agent or any Lender to criminal or civil liability (other than civil liability as to which adequate security has been provided pursuant to clause (f) below);

(f) unless paid under protest, Borrower shall have furnished such security as may be required in the proceeding, or as may be reasonably requested by Administrative Agent, to insure the payment of any such items, together with all interest and penalties thereon, which shall not be less than 110% of the maximum liability of Borrower as reasonably determined by Administrative Agent; and

(g) Borrower shall promptly upon final determination thereof pay the amount of such items, together with all costs, interest and penalties.

(3) Administrative Agent will engage an inspecting architect at Borrower's reasonable expense, in accordance with Administrative Agent's standard engagement procedures, to review plans, specifications and budgets of the Project on a monthly basis, inspect the Project and provide reports on such inspections to the Administrative Agent for the benefit of the Lenders.

Section 9.6 Legal Existence; Name, Etc.

(1) Borrower and each Managing Member in Borrower shall preserve and keep in full force and effect their respective existence as a Single Purpose Entity, entity status, franchises, rights and privileges under the laws of the state of its formation, and all qualifications, licenses and permits applicable to the ownership, use and operation of the Project. Neither Borrower nor any Managing Member of Borrower shall wind up, liquidate, dissolve, reorganize, merge, or consolidate with or into, or convey, sell, assign, transfer, lease, or otherwise dispose of all or substantially all of their respective assets, or acquire all or substantially all of the assets of the business of any Person, or permit any subsidiary or Affiliate of Borrower to do so. Borrower and each Managing Member in Borrower shall conduct business only in its own respective name and shall not change its respective name, identity, or organizational structure, or the location of its chief executive office or principal place of business unless Borrower or such Managing Member (a) shall have obtained the prior written consent of Administrative Agent to such change, and (b) shall have taken all actions necessary or requested by Administrative Agent to file or amend any financing statement or continuation statement to assure perfection and continuation of perfection of security interests under the Loan Documents.

(2) Borrower shall at all times cause there to be at least one (1) duly appointed member of the board of managers or other governing board or body of the managing member of the Managing Member, who is an Independent Manager. Borrower shall not take any action or permit any action to be taken which, under the terms of this Agreement, or the limited partnership agreement or limited liability company operating agreement of Borrower, the Managing Member, or the managing member of the Managing Member, requires the consent of such Independent Manager(s), unless such Independent Manager(s) shall have consented in writing to such action.

(3) Neither Borrower nor Borrower's Managing Member shall cause or permit any modification to be made in its organizational documents that would be inconsistent with the provisions of Section 7.27 or this Section 9.6, that would interfere with its ability to comply with its status as a Single Purpose Entity, as applicable, or that otherwise in any other respect would violate this Agreement or could reasonably be expected to have a Material Adverse Effect.

Section 9.7 Affiliate Transactions

(1) Without the prior written consent of Administrative Agent, Borrower shall not engage in any transaction affecting the Project with an Affiliate of Borrower.

Section 9.8 Limitation on Other Debt.

(1) Borrower and Managing Member shall not, without the prior written consent of Administrative Agent and the Majority Lenders, incur any Debt other than, in the case of Borrower, the Debt permitted by the definition of Single Purpose Entity.

(2) Borrower shall not make any loans, and no direct or indirect interest in Borrower may be pledged as collateral for any financing or otherwise, except for the Approved Mezzanine Loan and as otherwise may be permitted under this Agreement or expressly approved by Administrative Agent and Majority Lenders in their discretion.

Section 9.9 Further Assurances. Borrower shall promptly (1) cure any defects in the execution and delivery of the Loan Documents, and (2) execute and deliver, or cause to be executed and delivered, all such other documents, agreements and instruments as Administrative Agent may reasonably request to further evidence and more fully describe the collateral for the Loans, to correct any omissions in the Loan Documents, to perfect, protect or preserve any Liens created under any of the Loan Documents, or to make any recordings, file any notices, or obtain any consents, as may be necessary or appropriate in connection therewith.

Section 9.10 Loan Certificates. Borrower or Administrative Agent, within ten (10) days after request from the other party, shall furnish to the requesting party a written statement, duly acknowledged, setting forth the amount due on the Loans, the terms of payment of the Loans, the date to which interest has been paid, whether any offsets or defenses exist against the Loans and, if any are alleged to exist, the nature thereof in detail, and such other matters as the requesting party reasonably may request.

Section 9.11 Notice of Certain Events. Lead Borrower shall promptly notify Administrative Agent of (1) any Potential Default or Event of Default, together with a detailed statement of the steps being taken to cure such Potential Default or Event of Default; (2) any notice of default received by Borrower or any Borrower Party under other obligations relating to the Project or otherwise material to Borrower's business; and (3) any threatened or pending legal, judicial or regulatory proceedings, including any dispute between Borrower and any governmental authority, affecting Borrower or the Project.

Section 9.12 Indemnification. Borrower shall indemnify, defend and hold Administrative Agent and each Lender harmless from and against any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever, including the reasonable fees and actual expenses of their counsel, which may be imposed upon, asserted against or incurred by any of them relating to or arising out of (1) the Project or (2) any of the Loan Documents or the transactions contemplated thereby, including, without limitation, (a) any accident, injury to or death of persons or loss of or damage to property occurring in, on or about any of the Project or any part thereof or on the adjoining sidewalks, curbs, adjacent property or adjacent parking areas, streets or ways, (b) any inspection, review or testing of or with respect to the Project, (c) any investigative, administrative, mediation, arbitration, or judicial proceeding, whether or not Administrative Agent or any Lender is designated a party thereto, commenced or threatened at any time (including after the repayment of the Loans) in any way related to the execution, delivery or performance of any Loan Document or to the Project, (d) any proceeding instituted by any Person claiming a Lien, and (e) any brokerage commissions or finder's fees claimed by any broker or other party claiming to have dealt with the Borrower in connection with the Loans, the Project, or any of the transactions contemplated in the Loan Documents, including those arising from the joint, concurrent, or comparative negligence of Administrative Agent or any Lender, except to the extent any of the foregoing is caused by Administrative Agent's or any Lender's gross negligence or willful misconduct, in which case the party to whom the gross negligence or willful misconduct is attributable (but not any other party) shall not be entitled to the indemnification provided for hereunder to the extent of such gross negligence or willful misconduct, to the extent determined by a court of competent jurisdiction.

Section 9.13 Covenants Regarding the Condominium Declaration. Borrower covenants and agrees that, from and after the establishment of any condominium regime with respect to the Project:

- (1) Borrower shall pay when due and before any fine, penalty, interest or cost may be added thereto for the late payment or non-payment thereof, all Unit Annual Assessments imposed on Borrower's Project Interest and all other charges mentioned in and payable by Borrower under the Condominium Declaration (including, without limitation, all insurance and taxes applicable to Borrower's Project Interest), and shall comply with all of its other obligations under the Condominium Declaration, and shall do all things necessary to preserve and to keep unimpaired Borrower's rights, powers and privileges (whether as the owner of the Units, as the Declarant, as the holder of any special class of voting rights, or otherwise) thereunder. If Borrower shall fail to do so, the Lenders shall, if required by Administrative Agent, pay such Unit Annual Assessments or other charges. Lead Borrower shall deliver to Administrative Agent, upon request, copies of receipts or other proof satisfactory to Administrative Agent evidencing the timely payment of such Unit Annual Assessments and other charges.
- (2) Borrower shall comply with the covenants, agreements and provisions of the Condominium Documents, and Lead Borrower shall promptly notify Administrative Agent of (a) any failure by Borrower to comply with the Condominium Declaration and (b) the receipt by Borrower of any notice asserting or claiming a default by Borrower under the Condominium Declaration, and shall promptly cause a copy of such notice to be delivered to Administrative Agent.
- (3) Borrower shall not vote in favor of or otherwise approve any amendment of the Condominium Declaration without the prior written consent of Administrative Agent, which consent shall not be unreasonably withheld.
- (4) Borrower shall not waive any material right of the Borrower (whether as the owner of the Units, as the Declarant, as the holder of any special class of voting rights, or otherwise) under the Condominium Declaration without the prior written consent of Administrative Agent which shall not be unreasonably withheld.
- (5) The Lien of the Mortgages shall encumber all of Borrower's Project Interest, including all of Borrower's rights to vote on or approve any matter with respect to Borrower's Project Interest. Without the prior written consent of Administrative Agent, Borrower shall not exercise such voting or approval rights with respect to any of the following:
 - (a) any partition of all or a part of the Project subject to the Condominium Declaration;
 - (b) the nature and amount of any insurance covering all or a part of the Project and the disposition of any proceeds thereof;

- connection therewith;
- (c) the manner in which any condemnation or threat of condemnation of all or a part of the Project shall be defended or settled and the disposition of any award or settlement in connection therewith;
 - (d) the construction of any additions or improvements to, or any repair, rebuilding or restoration of all or a portion of any Improvements to, the Project (to the extent that the same would require the approval of Administrative Agent under this Agreement);
 - (e) the distribution of any insurance or condemnation proceeds (other than in compliance with this Agreement); and
 - (f) any other material action or decision provided for in the Condominium Declaration.
- (6) If required by the Administrative Agent, Lead Borrower will take all action to obtain as promptly as possible, and forthwith upon receipt furnish to the Administrative Agent, a true and correct copy of: (a) any statement showing the allocation of expenses and other assessments against the Units and (b) any statements issued to Borrower calling for payment of expenses.
- (7) Lead Borrower shall be, and remain through the repayment of the Loans in full, the Declarant under the Condominium Declaration.
- (8) Borrower shall at all times comply with the provisions of Section 17.2(5), hereof.
- (9) Borrower shall at all times comply with the covenants contained in Section 17.1(2).
- (10) Borrower acknowledges and agrees that nothing set forth in this Section or in any of the other provisions of the Loan Documents shall impose upon Administrative Agent or any Lender any obligation or responsibility to Borrower under the Condominium Declaration.

Section 9.14 Collateral Letters of Credit. With respect to any Collateral Letter of Credit that Borrower may furnish or cause to be furnished to Administrative Agent in accordance with the terms of this Agreement or any of the other Loan Documents:

- (1) Administrative Agent will be entitled, among other things, to make one or more draws by presentment thereof to the issuing bank accompanied only by Administrative Agent's clean sight-draft, it being intended that the issuing bank shall have no right to inquire as to Administrative Agent's right to draw upon such Collateral Letter of Credit;
- (2) Administrative Agent shall be entitled, among other things, to draw upon each Collateral Letter of Credit, in whole, or in part from time to time, upon the occurrence and during the continuance of any Event of Default or under the other circumstances under which a draw shall be permitted under the Loan Documents or the Collateral Letter of Credit;

(3) Administrative Agent shall have the right to draw upon any Collateral Letter of Credit within thirty (30) days prior to the expiration date of such Collateral Letter of Credit and each renewal and extension thereof unless, prior to such expiration date of such Collateral Letter of Credit and each renewal and extension thereof, the Borrower shall have furnished a replacement, extension or renewal Collateral Letter of Credit, acceptable to Administrative Agent, it being the intent hereof that at no time shall the unexpired term of any Collateral Letter of Credit be less than thirty (30) days. If Administrative Agent draws upon a Collateral Letter of Credit pursuant to the terms of this subsection (3), then Administrative Agent shall hold the proceeds thereof in a Controlled Account as additional collateral for the Obligations, to be applied in accordance with subsection (5) below;

(4) Administrative Agent shall also be entitled to draw upon a Collateral Letter of Credit if Administrative Agent believes that its rights to draw on such Collateral Letter of Credit could be in jeopardy. Without limiting the foregoing, Administrative Agent shall also be entitled to draw on a Collateral Letter of Credit if the credit rating or financial condition of the issuing bank is no longer meets the minimum rating contained in the definition of Collateral Letter of Credit. Following a draw by Administrative Agent on a Collateral Letter of Credit solely because of the deterioration of the creditworthiness of the issuing bank, Administrative Agent will deposit such proceeds in a Controlled Account as security for the purposes for which such Letter of Credit was delivered and Administrative Agent shall be entitled to draw upon such proceeds to the same extent it would have been entitled to make a draw under the applicable Letter of Credit. Administrative Agent shall disburse such proceeds to Lead Borrower provided (i) Borrower delivers to Administrative Agent a replacement Collateral Letter of Credit within ten (10) days of Administrative Agent's draw, (ii) there exists no Event of Default or Potential Default and (iii) Borrower pays all of Administrative Agent's fees and expenses in connection with such draw and disbursement;

(5) No draw by Administrative Agent on any Collateral Letter of Credit shall cure or be deemed to cure any Event of Default or limit in any respect any of Administrative Agent's or the Lenders' remedies under the Loan Documents, it being understood that Administrative Agent's and the Lenders' rights and remedies hereunder shall be cumulative and Administrative Agent and the Lenders shall have no obligations to apply the proceeds of any draw to missed installments or other amounts then due and unpaid under the Loans. Proceeds of any draw upon a Collateral Letter of Credit (after reimbursement of any costs and expenses, including attorneys' fees and reimbursements, incurred by Administrative Agent in connection with such draw), other than a draw made in accordance with Section 9.14(4), may be applied by Administrative Agent to the payment of the Obligations in such manner as Administrative Agent may determine. No delay or omission of Administrative Agent or the Lenders in exercising any right to draw on a Collateral Letter of Credit shall impair any such right, or shall be construed as a waiver of, or acquiescence in, any Event of Default; and

(6) Administrative Agent shall, upon request, release its rights in any Collateral Letters of Credit and surrender such Collateral Letters of Credit to the issuing bank upon the payment in full of all obligations under the Loan Documents.

Section 9.15 Hedge Agreements.

- (1) At Borrower's option, the Borrower may enter into one or more Hedge Agreements. Each Hedge Agreement shall, at Borrower's option, be based on Interest Periods (each, an "**Interest Rate Hedge Period**") of one, two, three months or such other Interest Periods satisfactory to Administrative Agent in its sole discretion. The economic and other benefits of the Hedge Agreements and all of the other rights thereunder shall be collaterally assigned to Administrative Agent as additional security for the Loans, pursuant to a Hedge Pledge. All Hedge Pledges shall be accompanied by (i) Uniform Commercial Code financing statements, in duplicate, with respect to such pledges and (ii) the consent and agreement of the counterparty thereunder that it will pay all amounts due thereunder to an account designated by Administrative Agent and will continue to perform its obligations under such Hedge Agreement for the benefit of Administrative Agent and the Lenders after enforcement of and/or realization on such Hedge Pledge and an acknowledgement that Administrative Agent shall not be deemed to have assumed any of the obligations or duties of Borrower under any such Hedge Agreement.
- (2) All of Borrower's obligations under any Hedge Agreement provided by a Eurohypo Counterparty shall be secured by the lien of the Mortgages on a pari passu basis with the Loans and other sums evidenced or secured by the Loan Documents.
- (3) Any Hedge Agreement entered into with one or more banks or insurance companies (each a "**Third-Party Counterparty**") other than a Eurohypo Counterparty (a "**Third-Party Hedge Agreement**") shall not be secured by the Mortgage or a Lien on any portion of the collateral under the Security Documents or on or in any direct or indirect interest in Borrower.
- (4) Borrower shall cause all payments payable by a Third-Party Counterparty under the Hedge Agreement to be deposited into an account designated by Administrative Agent. On the due date for interest on the Loans each month, the amounts so deposited in such account shall be debited, and applied to pay the accrued but unpaid interest on the Loans due on such date, before applying any portion of the Loan proceeds which is allocated to the Interest Reserve for such purpose, and before applying any Operating Revenues for such purpose.
- (5) Any payment due from the counterparty under any Hedge Agreement upon a termination thereof, shall be delivered to Administrative Agent and applied by Administrative Agent to any amounts due under the Loan Documents.
- (6) In connection with a Third-Party Hedge Agreement, Lead Borrower shall obtain and deliver to Administrative Agent an opinion from counsel (which counsel may be in-house counsel for the Third-Party Counterparty) for the Third-Party Counterparty (in form reasonably satisfactory to Administrative Agent and upon which Administrative Agent, the Lenders and their respective successors and assigns may rely) which shall provide, in relevant part, that:
 - (a) the Third-Party Counterparty is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation or organization and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Third-Party Hedge Agreement;

(b) the execution and delivery of the Third-Party Hedge Agreement by the Third-Party Counterparty, and any other agreement which the Third-Party Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property;

(c) all consents, authorizations and approvals required for the execution and delivery by the Third-Party Counterparty of the Third-Party Hedge Agreement, and any other agreement which the Third-Party Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and

(d) the Third-Party Hedge Agreement, and any other agreement which the Third-Party Counterparty has executed and delivered pursuant thereto, has been duly executed and delivered by the Third-Party Counterparty and constitutes the legal, valid and binding obligation of the Third-Party Counterparty, enforceable against the Third-Party Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(7) For so long as a Hedge Agreement is in effect, Administrative Agent may elect to cause advances of the Loan proceeds available for interest payments to be used to make "regular" payments due under the Hedge Agreement (i.e., other than those payments which are due upon the termination of such Hedge Agreement), in addition to interest payments on the Loans.

Section 9.16 Reserves. Administrative Agent may at any time after the occurrence of an Event of Default, at its option (or at the direction of the Majority Lenders), to be exercised by written notice to Lead Borrower, require the deposit by Borrower, on each Payment Date, of additional amounts sufficient to discharge when due the obligations of Borrower under Section 9.3 and Section 3.1 (if applicable, and excluding all income, franchise, single business or other taxes imposed on Borrower unless the same is in lieu of real estate taxes) when they become due. Simultaneously with the initial deposit under this Section 9.16, Borrower shall deposit with Administrative Agent an amount determined by Administrative Agent to be necessary to ensure that there will be on deposit with Administrative Agent an amount which, when added to the monthly payments subsequently required to be deposited with Administrative Agent hereunder on account of Real Estate Taxes, insurance premiums, will result in there being on deposit with Administrative Agent an amount sufficient to pay the next due periodic installment of Real Estate Taxes, insurance premiums one (1) month prior to the delinquency date thereof and the next periodic payments of insurance premiums one (1) month prior to the due date thereof. Commencing on the first Business Day of the first calendar month after the occurrence of an Event of Default and continuing thereafter on the first Business Day of each month thereafter, Borrower shall pay to Administrative Agent deposits in an amount equal to one-twelfth (1/12) of the yearly amount of Real Estate Taxes, insurance premiums that will next become due and payable on the Project. The determination of the amount to be deposited with Administrative Agent with each installment shall be made by Administrative Agent in its reasonable discretion. Such amounts shall be held by Administrative Agent in an account under the sole dominion and control of Administrative Agent and applied (together with any interest earned thereon) to the payment of the obligations in respect to which such amounts were deposited or, at the option of the Administrative Agent, to the payment of said obligations in such order of priority as Administrative Agent shall determine, on or before the respective dates on which the same or any of them would become delinquent. If one (1) month prior to the due date of any of the aforementioned obligations the amounts then on deposit therefor shall be insufficient for the payment of such obligations in full, Borrower, within five (5) days after demand, shall deposit the amount of the deficiency with Administrative Agent. Nothing herein contained shall be deemed to affect any right or remedy of Administrative Agent and/or the Lenders under the provisions of this Agreement or the other Loans Documents or of any statute or rule of law to pay any such amount and to add the amount so paid together with interest at the Default Rate to the indebtedness secured by the Mortgages. Borrower hereby pledges to Administrative Agent (on behalf of the Lenders) and grants to Administrative Agent (on behalf of the Lenders) a security interest in any and all monies now or hereafter deposited in such reserves and the account established by Administrative Agent as additional security for the payment of the Loans and agrees to enter into an agreement with Administrative Agent and the bank where such account is established in order to perfect Administrative Agent's security interest therein. In making any payment from such reserves, Administrative Agent may do so according to any bill, statement or estimate or procured from the appropriate public office (with respect to Real Estate Taxes), insurer or agent (with respect to insurance premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any such charge.

Section 9.17 Handicapped Access.

(1) Borrower (a) agrees that it shall use commercially reasonable efforts to ensure that the Project shall at all times comply with the applicable requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act of 1988, all state and local laws and ordinances related to handicapped access and all rules, regulations, and orders issued pursuant thereto including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities (collectively, "Access Laws") and (b) has no actual knowledge as to the Project's non-compliance with any Access Laws where the failure to so comply could have a material adverse effect on the Project or on Borrower's ability to repay the Loans in accordance with the terms hereof.

(2) Notwithstanding any provisions set forth herein or in any other document regarding Administrative Agent's approval of alterations of the Project, Borrower shall not alter the Project in any manner which would materially increase Borrower's responsibilities for compliance with the applicable Access Laws without the prior written approval of Administrative Agent. The foregoing shall apply to tenant improvements constructed by Borrower or by any of its tenants. Administrative Agent may condition any such approval upon receipt of a certificate of Access Law compliance from an architect, engineer, or other person reasonably acceptable to Administrative Agent.

(3) Lead Borrower agrees to give prompt notice to Administrative Agent of the receipt by Borrower of any written complaints related to violation of any Access Laws with respect to the Project and of the commencement of any proceedings or investigations which relate to compliance with applicable Access Laws.

Section 9.18 Zoning. Borrower shall not, without Administrative Agent's prior consent, such consent not to be unreasonably withheld, seek, make, suffer, consent to or acquiesce in any change or variance in any zoning or land use laws or other conditions of use of the Project or any portion thereof. Borrower shall not use or permit the use of any portion of the Project in any manner that could result in such use becoming a non-conforming use under any zoning or land use law or any other applicable law or modify any agreements relating to zoning or land use matters or with the joinder or merger of lots for zoning, land use or other purposes, without the prior written consent of Administrative Agent. Without limiting the foregoing, in no event shall Borrower take any action that would reduce or impair either (a) the number of parking spaces at the Improvements or (b) access to the Project from adjacent public roads. Further, without Administrative Agent's prior written consent, such consent not to be unreasonably withheld, Borrower shall not file or subject any part of the Project to any declaration of condominium or co-operative or convert any part of the Project to a condominium, co-operative or other direct or indirect form of multiple ownership and governance.

Section 9.19 ERISA. Borrower shall not hire any employees, and shall obtain all workforce services required for the ownership, operation, construction or development of the Project by contracting therefor pursuant to the Construction Management Agreement and the Project Documents. Borrower shall not take any action, or omit to take any action, which would (a) cause Borrower's assets to constitute "plan assets" for purposes of ERISA or the Internal Revenue Code or (b) cause the transactions contemplated by this Agreement and the other Loan Documents to be nonexempt prohibited transactions (as such term is defined in Section 4975 of the Internal Revenue Code or Section 406 of ERISA) that could subject Administrative Agent and/or the Lenders, on account of any Loan or execution of the Loan Documents hereunder, to any tax or penalty on prohibited transactions imposed under Section 4975 of the Internal Revenue Code or Section 502(i) of ERISA.

Section 9.20 Books and Records. Borrower will, and will cause each of the other Borrower Parties to, keep proper books of record and account in which full, true and correct entries are made of all dealings and transactions in relation to its business and activities. Borrower will, and will cause each of the other Borrower Parties to, permit any representatives designated by Administrative Agent or any Lender, upon reasonable prior notice, to visit and inspect its properties, to examine and make extracts from its books and records, and to discuss its affairs, finances and condition with its officers and independent accountants, all at such reasonable times and as often as reasonably requested.

Section 9.21 Foreign Assets Control Regulations.

(1) Neither Borrower nor any Borrower Party shall use the proceeds of the Loan in any manner that will violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended), Executive Order No. 13,224,66 Fed. Reg. 49,079 (2001), issued by the President of the United States of America (Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or any enabling legislation or executive order relating to any of the same. Without limiting the foregoing, neither Borrower, nor any Borrower Party, nor any partner or member (or other direct or indirect principal) in a Borrower Party will permit itself nor any of its Subsidiaries to (a) become a blocked person described in Section 1 of the above referenced Executive Order or (b) knowingly engage in any dealings or transactions or be otherwise associated with any person who is known by such Borrower Party or who (after such inquiry as may be required by Applicable Law) should be known by such Borrower Party to be a blocked person.

(2) Each partner or member (or other direct or indirect principal) in Borrower shall be at all times during the term of the Loans an entity or person which is (and whose principals shall be) a reputable entity or person of good character and in good standing as reasonably determined by the Lenders, and is not adverse to any of the Lenders in any pending material litigation or arbitration in which any Lender is also a party.

Section 9.22 Performance of Project Documents and Easements.

(1) Borrower shall (a) perform and observe in all material respects all of its covenants and agreements contained in each of the Project Documents to which it is a party, (b) take all reasonable and necessary action to prevent the termination of any such Project Document in accordance with the terms thereof or otherwise, (c) enforce each material covenant or obligation of each such Project Document in accordance with its terms, (d) cause Lead Borrower to promptly give Administrative Agent copies of any material default or other material notices given by or on behalf of Borrower received by or on behalf of Borrower from any other Person under the Project Documents and (e) take all such action to achieve the purposes described in clauses (a), (b) and (c) of this Section 9.22 as may from time to time be reasonably requested by Administrative Agent; provided, however, that Borrower shall be permitted, upon Administrative Agent's reasonable approval, to contest the validity or applicability of any requirement under the Project Documents.

(2) Borrower will comply in all material respects with all restrictive covenants and easements affecting the Project (unless the Title Company has insured against the enforcement of same in the Title Policy). All covenants, easements, cross easements or operating agreements which may hereafter be acquired, entered into or amended by Borrower affecting the Project shall be submitted to Administrative Agent for reasonable approval prior to the execution thereof by Borrower, accompanied by a drawing or survey showing the location thereof.

Section 9.23 Operating Plan and Budget.

(1) Lead Borrower shall, no less than sixty (60) days after the satisfaction of the Project Work Substantial Completion Conditions, and then annually thereafter not later than November 15th of the previous calendar year, submit to Administrative Agent for Administrative Agent's written approval an annual operating and capital budget (each an "**Annual Budget**"), in form reasonably satisfactory to Administrative Agent setting forth in detail budgeted monthly Operating Revenues and monthly Operating Expenses and projected capital expenditures for the Project. Administrative Agent shall have the right to reasonably approve such Annual Budget (such approval to be in the Administrative Agent's sole discretion during an Event of Default and any period where Administrative Agent is taking action to remove the Property Manager). If Administrative Agent objects to the proposed Annual Budget, Administrative Agent shall advise Lead Borrower of such objections within fifteen (15) days after receipt thereof (and deliver to Lead Borrower a reasonably detailed description of such objections) and Lead Borrower shall within five (5) days after receipt of notice of any such objections revise such Annual Budget and resubmit the same to Administrative Agent such procedure to be repeated until such time as Administrative Agent shall approve such Annual Budget. Each such Annual Budget approved by Administrative Agent in accordance with terms hereof is referred to herein as an "**Approved Annual Budget**." Until such time that Administrative Agent has approved a proposed Annual Budget, the most recently Approved Annual Budget shall apply, provided that such Approved Annual Budget shall be adjusted to reflect actual increases in real estate taxes, insurance premiums and utilities expenses and shall otherwise be adjusted to reflect any change during the preceding year in the Consumer Price Index.

(2) Lead Borrower may at any time propose an amendment to an Approved Annual Budget for the remainder of the then current calendar year, and, when approved as provided below, such amended Approved Annual Budget shall be deemed to be and shall be effective as the Approved Annual Budget for such calendar year. Prior to making any expenditures not reflected in the then current Approved Annual Budget in excess of an aggregate amount of \$150,000 per annum, Lead Borrower shall propose an amendment to the Approved Annual Budget to Administrative Agent for its reasonable approval; provided, however, that Administrative Agent shall have no approval rights with respect to increases in non-discretionary items (e.g. real estate taxes and insurance premiums). Copies of any such proposed amended Approved Annual Budget shall be furnished at least fifteen (15) days before final adoption thereof to Administrative Agent for its approval. Administrative Agent shall have fifteen (15) days after receipt of any proposed amendment to the Approved Annual Budget to approve or disapprove such proposed amendment.

Section 9.24 Proceedings to Enjoin or Prevent Construction. If any proceedings are filed seeking to enjoin or otherwise prevent or declare invalid or unlawful all or any part of the Construction Work, Borrower, at its sole cost and expense, will cause such proceedings to be contested in a commercially reasonable manner, and in the event of an adverse ruling or decision, if commercially reasonable, prosecute all allowable appeals therefrom, and will, without limiting the generality of the foregoing, resist the entry or seek the stay of any temporary or permanent injunction that may be entered, and use its best efforts to bring about a favorable and speedy disposition of all such proceedings.

Section 9.25 Industrial and Commercial Incentive Program

- (1) On or before the Closing Date, Borrower shall deliver to Administrative Agent the preliminary application submitted to the New York City Department of Finance (“Department of Finance”) evidencing the Project’s eligibility for the partial tax exemption in accordance with paragraph 24 of Schedule 4-Part A.
- (2) Pursuant to Title 11, Chapter 2, Part 4 of the Administrative Code of the City of New York City and the regulations promulgated thereunder, as amended from time to time (“Code”), Borrower shall make a thorough and complete final application to the Department of Finance for a certificate of eligibility for a partial exemption of real property taxes for the Improvements for a twenty-five (25) year period (“ICIP Tax Exemption”) subsequent to commencing construction on the Project. Borrower shall provide a copy of the said application to Administrative Agent evidencing that same was received by the Department of Finance.
- (3) Pursuant to the Code, Borrower shall submit a thorough and complete final construction report within sixty (60) days of completing construction on the Project to the Department of Finance for a certificate of eligibility for the ICIP Tax Exemption. Borrower shall provide a copy of the certificate of eligibility, or if unavailable, a letter from the Department of Finance evidencing same, to Administrative Agent promptly upon Borrower’s receipt thereof and in any event no later than sixty (60) days after the submission of such application, or such later date to the extent that the Borrower’s failure to receive such certificate is due to Unavoidable Delay.
- (4) Before, during and after the construction of the Improvements, Borrower shall do all things necessary and required by statute, rule and regulation to maintain the availability of the ICIP Tax Exemption, including, but not limited to the following: (i) notify the ICIP unit of the Department of Finance (“ICIP Unit”) and the New York City Department of Small Business Services/Division of Labor Services (“Division of Labor Services”) in writing fifteen (15) business days prior to commencing construction on the Project; (ii) submit construction employment reports for the Project to the Division of Labor Services; and, if requested by the Department of Finance, file a certificate of continuing use with the ICIP Unit annually in each year of benefit period.
- (5) Notwithstanding anything to the contrary in this Agreement, Borrower’s failure to obtain a certificate of eligibility for a ICIP Tax Exemption pursuant to clauses (2) and (3) above shall not constitute a default provided that (a) Borrower has otherwise complied with the provisions of this Section 9.25, (b) is diligently proceeding to obtain such certificate and (iii) the only cause for Borrower’s inability to obtain the applicable certificate is the Department of Finance’s bureaucratic delay in issuing the applicable certificate and not for reasons related to Borrower’s actions or eligibility.

ARTICLE 11

REMEDIES

Section 11.1 Remedies – Insolvency Events. Upon the occurrence of any Event of Default described in Section 10.11 or Section 10.12, the obligations of the Lenders to advance amounts hereunder shall immediately terminate, and all amounts due under the Loan Documents immediately shall become due and payable, all without written notice and without presentment, demand, protest, notice of protest or dishonor, notice of intent to accelerate the maturity thereof, notice of acceleration of the maturity thereof, or any other notice of default of any kind, all of which are hereby expressly waived by Borrower; provided, however, if Borrower Party under Section 10.11 or Section 10.12 is other than Borrower, then all amounts due under the Loan Documents shall become immediately due and payable at Administrative Agent's election.

Section 11.2 Remedies – Other Events. Except as set forth in Section 11.1 above, while any Event of Default exists, Administrative Agent may (1) by written notice to Lead Borrower, declare the entire amount of the Loans to be immediately due and payable without presentment, demand, protest, notice of protest or dishonor, notice of intent to accelerate the maturity thereof, notice of acceleration of the maturity thereof, or other notice of default of any kind, all of which are hereby expressly waived by Borrower, (2) terminate the obligation, if any, of the Lenders to advance amounts hereunder, and (3) exercise all rights and remedies therefor under the Loan Documents and at law or in equity.

Section 11.3 Administrative Agent's Right to Perform the Obligations. Without limiting the provisions of Section 11.4 below, if Borrower shall fail, refuse or neglect to make any payment or perform any act required by the Loan Documents, then while any Event of Default exists, and without notice to or demand upon Borrower and without waiving or releasing any other right, remedy or recourse Administrative Agent or any Lender may have because of such Event of Default, Administrative Agent may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of Borrower, and shall have the right to enter upon the Project for such purpose and to take all such action thereon and with respect to the Project and the other collateral for the Loans as it may deem necessary or appropriate. If Administrative Agent shall elect to pay any sum due with reference to the Project, Administrative Agent may do so in reliance on any bill, statement or assessment procured from the appropriate Governmental Authority or other issuer thereof without inquiring into the accuracy or validity thereof. Similarly, in making any payments to protect the security intended to be created by the Loan Documents, Administrative Agent shall not be bound to inquire into the validity of any apparent or threatened adverse title, Lien, encumbrance, claim or charge before making an advance for the purpose of preventing or removing the same. Additionally, if any Hazardous Materials affect or threaten to affect the Project, Administrative Agent may (but shall not be obligated to) give such notices and take such actions as it deems necessary or advisable in order to abate the discharge of any Hazardous Materials or remove the Hazardous Materials. Borrower shall indemnify, defend and hold Administrative Agent and the Lenders harmless from and against any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever, including reasonable attorneys' fees and disbursements, incurred or accruing by reason of any acts performed by Administrative Agent or any Lender pursuant to the provisions of this Section 11.3, including those arising from the joint, concurrent, or comparative negligence of Administrative Agent and any Lender, except as a result of Administrative Agent's or any Lender's gross negligence or willful misconduct. All sums paid by Administrative Agent pursuant to this Section 11.3, and all other sums expended by Administrative Agent or any Lender to which it shall be entitled to be indemnified, together with interest thereon at the Default Rate from the date of such payment or expenditure until paid, shall constitute additions to the Loans, shall be secured by the Loan Documents and shall be paid by Borrower to Administrative Agent upon demand.

Section 11.4 Administrative Agent's Right to Complete Construction. Administrative Agent may take possession of the Project and complete the construction and equipping of the Improvements and do anything in its sole judgment to fulfill the obligations of Borrower hereunder, including either the right to avail itself of and procure performance of existing contracts or enter into any contracts with the same contractors or others and to employ watchmen to protect the Project from injury. Without restricting the generality of the foregoing and for the purposes aforesaid, Borrower hereby appoints and constitutes Administrative Agent its lawful attorney-in-fact with full power of substitution in the Project to complete construction of the Improvements in the name of Borrower; to use unadvanced funds remaining under the Commitments or which may be reserved, or escrowed or set aside for any purposes hereunder at any time, or to advance funds in excess of the face amount of the Notes (and all such amounts shall be payable by Borrower together with interest at the Default Rate), to complete the Improvements; to make changes in the Plans and Specifications which shall be necessary or desirable to complete the Improvements in substantially the manner contemplated by the Plans and Specifications; to retain or employ new construction managers, subcontractors, architects, engineers and inspectors as shall be required for said purposes; to pay, settle, or compromise all existing bills and claims and Liens against the Project and take any other steps relating to clearing title to the Project from any Liens that are not Permitted Encumbrances, or to avoid such bills and claims becoming Liens against the Project or security interest against fixtures or equipment, or as may be necessary or desirable for the completion of the construction and equipping of the Improvements or for the clearance of title; to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; to do any and every act which Borrower might do in its own behalf; and to prosecute and defend all actions and proceedings in connection with the Project or fixtures or equipment; to take action and require such performance as it deems necessary under any bonds furnished in connection with the construction of the Improvements and to make settlements and compromises with surety or sureties thereunder, and in connection therewith, to execute instruments of release and satisfaction; it being understood and agreed that this power of attorney shall be a power coupled with an interest and cannot be revoked.

Section 11.5 Administrative Agent's Rights under the Guaranty of Completion. Exercise the Lenders' rights under the Guaranty of Completion to require Guarantor to perform thereunder, in which case Borrower hereby (1) authorizes Administrative Agent and the Lenders to make advances of the Loans directly to Guarantor in accordance with the terms of the Guaranty of Completion and this Agreement and (2) agrees that Borrower shall be liable to the Lenders for all such advances to Guarantor and such advances shall be deemed Loans under this Agreement and be evidenced by the Notes and secured by the Mortgages and the other Security Documents.

Section 11.6 NO OBLIGATION WITH RESPECT TO COMPLETION OF THE IMPROVEMENTS. WHETHER OR NOT ADMINISTRATIVE AGENT OR THE LENDERS ELECT TO EMPLOY ANY OR ALL OF THE REMEDIES AVAILABLE UPON THE OCCURRENCE OF AN EVENT OF DEFAULT, NEITHER ADMINISTRATIVE AGENT NOR ANY OF THE LENDERS SHALL BE LIABLE FOR THE CONSTRUCTION OF OR FAILURE TO CONSTRUCT, COMPLETE OR PROTECT THE IMPROVEMENTS OR FOR PAYMENT OF ANY EXPENSES INCURRED IN CONNECTION WITH THE EXERCISE OF ANY REMEDY AVAILABLE TO ADMINISTRATIVE AGENT OR THE LENDERS OR FOR THE PERFORMANCE OR NON-PERFORMANCE OF ANY OTHER OBLIGATION OF BORROWER.

MISCELLANEOUS

Section 12.1 Notices. Any notice required or permitted to be given under this Agreement shall be in writing and either shall be (a) mailed by certified mail, postage prepaid, return receipt requested, (b) sent by overnight air courier service, (c) personally delivered to a representative of the receiving party, or (d) sent by telecopy (provided an identical notice is also sent simultaneously by mail, overnight courier, or personal delivery as otherwise provided in this Section 12.1) to the intended recipient at the "Address for Notices" specified below its name on the signature pages hereof. Any communication so addressed and mailed shall be deemed to be given on the earliest of (1) when actually delivered, (2) on the first Business Day after deposit with an overnight air courier service, or (3) on the third Business Day after deposit in the United States mail, postage prepaid, in each case to the address of the intended addressee, and any communication so delivered in person shall be deemed to be given when receipted for by, or actually received by Administrative Agent, a Lender, Lead Borrower or Borrower, as the case may be. If given by telecopy, a notice shall be deemed given and received when the telecopy is transmitted to the party's telecopy number specified above, and confirmation of complete receipt is received by the transmitting party during normal business hours or on the next Business Day if not confirmed during normal business hours, and an identical notice is also sent simultaneously by mail, overnight courier, or personal delivery as otherwise provided in this Section 12.1. Any party may designate a change of address by written notice to each other party by giving at least ten (10) days' prior written notice of such change of address.

Section 12.2 Amendments, Waivers, Etc. This Agreement and any other Loan Document may be modified only by an instrument in writing signed by Borrower and Administrative Agent, subject to Section 14.9.

Section 12.3 Compliance with Usury Laws. It is the intention of the parties hereto to conform strictly to applicable usury laws. Accordingly, all agreements between Borrower, Administrative Agent and the Lenders with respect to the Loans are hereby expressly limited so that in no event, whether by reason of acceleration of maturity or otherwise, shall the amount paid or agreed to be paid to Administrative Agent or any Lender or charged by any Lender for the use, forbearance or detention of the money to be lent hereunder or otherwise, exceed the maximum amount allowed by law. If the Loans would be usurious under Applicable Law (including the laws of the State and the laws of the United States of America), then, notwithstanding anything to the contrary in the Loan Documents: (1) the aggregate of all consideration which constitutes interest under Applicable Law that is contracted for, taken, reserved, charged or received under the Loan Documents shall under no circumstances exceed the maximum amount of interest allowed by Applicable Law, and any excess shall be credited on the Notes by the holders thereof (or, if the Notes have been paid in full, refunded to Borrower); and (2) if maturity is accelerated by reason of an election by Administrative Agent in accordance with the terms hereof, or in the event of any prepayment, then any consideration which constitutes interest may never include more than the maximum amount allowed by Applicable Law. In such case, excess interest, if any, provided for in the Loan Documents or otherwise, to the extent permitted by Applicable Law, shall be amortized, prorated, allocated and spread from the date of advance until payment in full so that the actual rate of interest is uniform through the term hereof. If such amortization, proration, allocation and spreading is not permitted under Applicable Law, then such excess interest shall be cancelled automatically as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited on the Notes (or, if the Notes have been paid in full, refunded to Borrower). The terms and provisions of this Section 12.3 shall control and supersede every other provision of the Loan Documents. Except as otherwise expressly provided therein, the Loan Documents are contracts made under and shall be construed in accordance with and governed by the laws of the State of New York, except that if at any time the laws of the United States of America permit the Lenders to contract for, take, reserve, charge or receive a higher rate of interest than is allowed by the laws of the State of New York (whether such federal laws directly so provide or refer to the law of any state), then such federal laws shall to such extent govern as to the rate of interest which the Lenders may contract for, take, reserve, charge or receive under the Loan Documents.

Section 12.4 Invalid Provisions. If any provision of any Loan Document is held to be illegal, invalid or unenforceable, such provision shall be fully severable; the Loan Documents shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part thereof; the remaining provisions thereof shall remain in full effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance therefrom; and in lieu of such illegal, invalid or unenforceable provision there shall be added automatically as a part of such Loan Document a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible to be legal, valid and enforceable.

Section 12.5 Approvals; Third Parties; Conditions. All approval rights retained or exercised by Administrative Agent and the Lenders with respect to leases, contracts, plans, studies and other matters are solely to facilitate the Lenders' credit underwriting, and shall not be deemed or construed as a determination that the Lenders have passed on the adequacy thereof for any other purpose and may not be relied upon by Borrower or any other Person. This Agreement is for the sole and exclusive use of Administrative Agent, the Lenders, the Lead Borrower and Borrower and may not be enforced, nor relied upon, by any Person other than Administrative Agent, the Lenders, the Lead Borrower and Borrower. All conditions of the obligations of Administrative Agent and the Lenders hereunder, including the obligation to make advances, are imposed solely and exclusively for the benefit of Administrative Agent and the Lenders, their successors and assigns, and no other Person shall have standing to require satisfaction of such conditions or be entitled to assume that the Lenders will refuse to make advances in the absence of strict compliance with any or all of such conditions, and no other Person shall, under any circumstances, be deemed to be a beneficiary of such conditions, any and all of which may be freely waived in whole or in part by Administrative Agent and the Lenders at any time in their sole discretion.

Section 12.6 Lenders and Administrative Agent Not in Control; No Partnership. None of the covenants or other provisions contained in this Agreement shall, or shall be deemed to, give Administrative Agent or any Lender the right or power to exercise control over the affairs or management of Borrower, the powers of Administrative Agent and the Lenders being limited to the rights to exercise the remedies referred to in the Loan Documents. The relationship between Borrower and the Lenders is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between Administrative Agent, the Lenders, Lead Borrower and Borrower. Administrative Agent and the Lenders neither undertake nor assume any responsibility or duty to Borrower or to any other person with respect to the Loans, the Project or the other collateral for the Loans, except as expressly provided in the Loan Documents. Notwithstanding any other provision of the Loan Documents: (1) neither Administrative Agent nor any Lender is, nor shall be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of Borrower or any Borrower Party or any of their respective stockholders, members, or partners, and neither Administrative Agent nor any Lender intends to ever assume such status; (2) no Lender or Administrative Agent shall in any event be liable for any Debts, expenses or losses incurred or sustained by Borrower or any Borrower Party; and (3) no Lender or Administrative Agent shall be deemed responsible for or a participant in any acts, omissions or decisions of Borrower or any Borrower Party or any of their respective stockholders, members, or partners. Administrative Agent, the Lenders and Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between Administrative Agent, the Lenders and Borrower, or to create an equity in the Project or any other collateral for the Loan in Administrative Agent or any Lender, or any sharing of liabilities, losses, costs or expenses.

Section 12.7 Time of the Essence. Time is of the essence with respect to this Agreement.

Section 12.8 Successors and Assigns. Subject to the provisions of Section 12.23, this Agreement shall be binding upon and inure to the benefit of Administrative Agent, the Lenders and Borrower and the respective successors and permitted assigns.

Section 12.9 Renewal, Extension or Rearrangement. All provisions of the Loan Documents shall apply with equal effect to each and all promissory notes and amendments thereof hereinafter executed which in whole or in part represent a renewal, extension, increase or rearrangement of the Loans.

Section 12.10 Waivers. No course of dealing on the part of Administrative Agent or any Lender, their officers, employees, consultants or agents, nor any failure or delay by Administrative Agent or any Lender with respect to exercising any right, power or privilege of Administrative Agent or any Lender under any of the Loan Documents, shall operate as a waiver thereof.

Section 12.11 Cumulative Rights. Rights and remedies of Administrative Agent and the Lenders under the Loan Documents shall be cumulative, and the exercise or partial exercise of any such right or remedy shall not preclude the exercise of any other right or remedy.

Section 12.12 Singular and Plural. Words used in this Agreement and the other Loan Documents in the singular, where the context so permits, shall be deemed to include the plural and vice versa. The definitions of words in the singular in this Agreement and the other Loan Documents shall apply to such words when used in the plural where the context so permits and vice versa.

Section 12.13 Phrases. When used in this Agreement and the other Loan Documents, the phrase “including” shall mean “including, but not limited to,” the phrases “satisfactory to any Lender” or “satisfactory to Administrative Agent” shall mean in form and substance satisfactory to such Lender or Administrative Agent, as the case may be, in all respects, the phrases “with Lender’s consent,” “with Lender’s approval,” “with Administrative Agent’s consent” or “with Administrative Agent’s approval” shall mean such consent or approval at Lender’s or Administrative Agent’s, as the case may be, discretion, and the phrases “acceptable to Lender” or “acceptable to Administrative Agent” shall mean acceptable to Lender or Administrative Agent, as the case may be, at such party’s sole discretion.”

Section 12.14 Exhibits and Schedules. The exhibits and schedules attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein.

Section 12.15 Titles of Articles, Sections and Subsections. All titles or headings to articles, sections, subsections or other divisions of this Agreement and the other Loan Documents or the exhibits hereto and thereto are only for the convenience of the parties and shall not be construed to have any effect or meaning with respect to the other content of such articles, sections, subsections or other divisions, such other content being controlling as to the agreement between the parties hereto.

Section 12.16 Promotional Material. Borrower authorizes Administrative Agent and each of the Lenders to issue press releases, advertisements and other promotional materials in connection with Administrative Agent’s or such Lender’s own promotional and marketing activities, and describing the Loans in general terms or in detail and Administrative Agent’s or such Lender’s participation in the Loans. All references to Administrative Agent or any Lender contained in any press release, advertisement or promotional material issued by Borrower shall be approved in writing by Administrative Agent and such Lender in advance of issuance.

Section 12.17 Survival. All of the representations, warranties, covenants, and indemnities of Borrower hereunder (including environmental matters under Article 5, the obligations under Sections 2.7(1), 2.7(5) 2.7(6)), and under the indemnification provisions of the other Loan Documents shall survive (a) the repayment in full of the Loans and the release of the Liens evidencing or securing the Loans, (b) the transfer (by sale, foreclosure, conveyance in lieu of foreclosure or otherwise) of any or all right, title and interest in and to the Project to any party, whether or not an Affiliate of Borrower and (c) in the case of any Lender that may assign any interest in its Commitment or Loans hereunder in accordance with the terms of this Agreement, the making of such assignment, notwithstanding that such assigning Lender may cease to be a "Lender" hereunder.

Section 12.18 WAIVER OF JURY TRIAL. BORROWER, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENT (WHETHER VERBAL OR WRITTEN) OR ACTION OF EITHER PARTY OR ANY EXERCISE BY ANY PARTY OF THEIR RESPECTIVE RIGHTS UNDER THE LOAN DOCUMENTS OR IN ANY WAY RELATING TO THE LOANS OR THE PROJECT (INCLUDING, WITHOUT LIMITATION, ANY ACTION TO RESCIND OR CANCEL THIS AGREEMENT, AND ANY CLAIM OR DEFENSE ASSERTING THAT THIS AGREEMENT WAS FRAUDULENTLY INDUCED OR IS OTHERWISE VOID OR VOIDABLE). THIS WAIVER IS A MATERIAL INDUCEMENT FOR ADMINISTRATIVE AGENT AND EACH LENDER TO ENTER THIS AGREEMENT.

Section 12.19 Remedies of Borrower. It is expressly understood and agreed that, notwithstanding any Applicable Law or any provision of this Agreement or the other Loan Documents to the contrary, the liability of Administrative Agent and each Lender (including their respective successors and assigns) and any recourse of Borrower against Administrative Agent and each Lender shall be limited solely and exclusively to their respective interests in the Loans and/or Commitments or the Project. Without limiting the foregoing, in the event that a claim or adjudication is made that Administrative Agent, any of the Lenders, or their agents, acted unreasonably or unreasonably delayed acting in any case where by Applicable Law or under this Agreement or the other Loan Documents, Administrative Agent, any Lender or any such agent, as the case may be, has an obligation to act reasonably or promptly, or otherwise violated this Agreement or the Loan Documents, Borrower agrees that none of Administrative Agent, the Lenders or their agents shall be liable for any incidental, indirect, special, punitive, consequential or speculative damages or losses resulting from such failure to act reasonably or promptly in accordance with this Agreement or the other Loan Documents.

Section 12.20 Governing Law. This Agreement, the notes and the other Loan Documents shall be governed by, and construed in accordance with the law of the State of New York, except to the extent otherwise specified in any of the Loan Documents.

Section 12.21 Entire Agreement. This Agreement and the other Loan Documents embody the entire agreement and understanding between Administrative Agent, the Lenders and Borrower and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Loan Documents may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. If any conflict or inconsistency exists between any term sheet, application or commitment letter and this Agreement or any of the other Loan Documents, the terms of this Agreement shall control.

Section 12.22 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

Section 12.23 Assignments and Participations.

(1) **Assignments by the Lenders.** Each Lender may assign any of its Loans, its Note and its Commitment (but only with the consent of Administrative Agent); provided that:

(a) no such consent by Administrative Agent shall be required in the case of any assignment by any Lender to another Lender or an Affiliate of such Lender or such other Lender (provided that in the case of an assignment to any such Affiliate, the assigning Lender will not be released from its obligations under the Loan Documents and the Administrative Agent may continue to deal only with such assigning Lender);

(b) except to the extent Administrative Agent shall otherwise consent, any such partial assignment (other than to another Lender or an Affiliate of a Lender) shall be in an amount at least equal to \$10,000,000;

(c) each such assignment (including an assignment to another Lender or an Affiliate of a Lender) by a Lender of its Loans or Commitment shall be made in such manner so that the same portion of its Loans and Commitment is assigned to the respective assignee;

(d) subject to the applicable Lender's compliance with the provisions of clauses (b) and (c) above, no consent by Borrower shall be required and Administrative Agent's consent shall not be unreasonably withheld, delayed or conditioned if such assignment is made to an Eligible Assignee, and the provisions of clause (e) have been satisfied; and

(e) upon execution and delivery by the assignee (even if already a Lender) to Borrower and Administrative Agent of an Assignment and Assumption pursuant to which such assignee agrees to become a "Lender" hereunder (if not already a Lender) having the Commitment and Loans specified in such instrument, and upon consent thereto by Administrative Agent to the extent required above, the assignee shall have, to the extent of such assignment (unless otherwise consented to by Administrative Agent), the obligations, rights and benefits of a Lender hereunder holding the Commitment and Loans (or portions thereof) assigned to it (in addition to the Commitment and Loans, if any, theretofore held by such assignee) and the assigning Lender shall, to the extent of such assignment, be released from the Commitment (or portion thereof) so assigned. Upon each such assignment the assigning Lender shall pay Administrative Agent a processing and recording fee of \$3,500 and the reasonable fees and disbursements of Administrative Agent's counsel incurred in connection therewith.

(2) **Approval by Borrower.** In the event Borrower's consent to an assignment is required under Section 12.23(1), such consent shall not be unreasonably withheld, and shall be granted or denied in writing delivered to Administrative Agent within five (5) Business Days from the date of Administrative Agent's or a Lender's request therefor. If Administrative Agent does not receive such consent or a denial of such consent in writing within said five (5) Business Days following delivery of a request for such consent, Borrower's consent shall be deemed to have been granted. In the event Borrower withholds its consent, Lead Borrower shall, concurrently with Borrower's written disapproval, provide written notice to Administrative Agent and such Lender of the reasons for Borrower's disapproval.

(3) **Participations.**

(a) A Lender may sell to one or more other Persons (each a "Participant") a participation in all or any part of any Loans held by it, or in its Commitment, provided (A) such Lender's obligations under this Agreement and the other Loan Documents shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Borrower, Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall a Lender that sells a participation agree with the Participant to take or refrain from taking any action hereunder or under any other Loan Document except that such Lender may agree with the Participant that it will not, without the consent of the Participant, agree to (i) increase or extend the term of such Lender's Commitment, (ii) extend the date fixed for the payment of principal of or interest on the related Loan or Loans or any portion of any fee hereunder payable to the Participant, (iii) reduce the amount of any such payment of principal, (iv) reduce the rate at which interest is payable thereon, or any fee hereunder payable to the Participant, to a level below the rate at which the Participant is entitled to receive such interest or fee or (v) consent to any modification, amendment or waiver hereof or of any of the other Loan Documents to the extent that the same, under Section 12.2, requires the consent of each Lender. Borrower agrees that each Participant shall be entitled to the benefits of Section 2.7(1), Section 2.7(5), and Section 2.7(6) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.23; provided, however, that a Participant that is a non-U.S. Person that would become a Lender shall not be entitled to the benefits of Section 2.7(6) unless Lead Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of Borrower, to comply with Section 2.7(6) as though it were a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.23 as though it were a Lender; provided that such Participant agrees to be subject to Section 12.23 as though it were a Lender.

(4) **Certain Pledges.** In addition to the assignments and participations permitted under the foregoing provisions of this Section 12.23 (but without being subject thereto), any Lender may (without notice to Borrower, Administrative Agent or any other Lender and without payment of any fee) assign and pledge all or any portion of its Loans and its Note to any Federal Reserve Bank as collateral security pursuant to Regulation A and any operating circular issued by such Federal Reserve Bank, and such Loans and Note shall be fully transferable as provided therein.[] 0; No such assignment shall release the assigning Lender from its obligations hereunder.

(5) **Provision of Information to Assignees and Participants.** A Lender may furnish any information concerning Borrower, any Borrower Party or any of their respective Affiliates or the Project in the possession of such Lender from time to time to assignees and participants (including prospective assignees and participants); provided that such assignee and participant agree to be bound by the terms of Section 12.29.

(6) **No Assignments to Borrower or Affiliates.** Anything in this Section 12.23 to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan held by it hereunder to Borrower or any of its Affiliates without the prior consent of each Lender.

Section 12.24 Brokers. Borrower hereby represents to Administrative Agent and each Lender that Borrower has not dealt with any broker, underwriters, placement agent, or finder in connection with the transactions contemplated by this Agreement and the other Loan Documents. Borrower hereby agrees to indemnify and hold Administrative Agent and each Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower in connection with the transactions contemplated herein.

Section 12.25 Right of Set-off.

(1) Upon the occurrence and during the continuance of any Event of Default, each of the Lenders is, subject (as between the Lenders) to the provisions of subsection (3) of this Section 12.25, hereby authorized at any time and from time to time, without notice to Borrower (any such notice being expressly waived by Borrower) and to the fullest extent permitted by law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final) at any time he ld, and other indebtedness at any time owing, by such Lender in any of its offices, in Dollars or in any other currency, to or for the credit or the account of Borrower against any and all of the respective obligations of Borrower now or hereafter existing under the Loan Documents, irrespective of whether or not such Lender or any other Lender shall have made any demand hereunder and although such obligations may be contingent or unmatured and such deposits or indebtedness may be unmatured. Each Lender hereby acknowledges that the exercise by any Lender of offset, set-off, banker's lien, or similar rights against any deposit or other indebtedness of Borrower whether or not located in New York or any other state with certain laws restricting lenders from pursuing multiple collection methods, could result under such laws in significant impairment of the ability of all the Lenders to recover any further amounts in respect of the Loan. **Therefore, each Lender agrees that no Lender shall exercise any such right of set-off, banker's lien, or otherwise, against any assets of Borrower (including all general or special, time or demand, provisional or other deposits and other indebtedness owing by such Lender to or for the credit or the account of Borrower) without the prior written consent of Administrative Agent.**

(2) Each Lender shall promptly notify Lead Borrower and Administrative Agent after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Lenders under this [Section 12.25](#) are in addition to other rights and remedies (including other rights of set-off) which the Lenders may have.

(3) Each Lender agrees that it shall turn over to Administrative Agent any payment (whether voluntary or involuntary, through the exercise of any right of setoff or otherwise) on account of the Loans held by it in excess of its ratable portion (in accordance with this agreement and any separate agreement among Administrative Agent and the Lenders) of payments on account of the Loans obtained by all the Lenders.

Section 12.26 Limitation on Liability of Administrative Agent's and the Lenders' Officers, Employees, etc. Any obligation or liability whatsoever of Administrative Agent or any Lender which may arise at any time under this Agreement or any other Loan Document shall be satisfied, if at all, out of Administrative Agent's or such Lender's respective assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the property of any of Administrative Agent's or any Lender's shareholders, directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 12.27 Cooperation with Syndication. Borrower acknowledges that Administrative Agent intends to syndicate a portion of the Commitments to one or more Lenders (the "**Syndication**") and in connection therewith, Borrower shall take all actions as Administrative Agent may reasonably request to assist Administrative Agent in its Syndication effort. Without limiting the generality of the foregoing, Borrower shall, at the request of Administrative Agent (i) facilitate the review of the Loans, the Project and the other collateral for the Loans by any prospective Lender; (ii) assist Administrative Agent and otherwise cooperate with Administrative Agent in the preparation of information offering materials (which assistance may include reviewing and commenting on drafts of such information materials and drafting portions thereof); (iii) deliver updated information on Borrower Parties, the Project and the other collateral for the Loans; (iv) make representatives of Borrower available to meet with prospective Lenders at tours of the Project and bank meetings; (v) facilitate direct contact between the senior management and advisors of Borrower and any prospective Lender; and (vi) provide Administrative Agent with all information reasonably deemed necessary by it to complete the Syndication successfully. Subject to the provisions of [Section 9.28](#), Borrower agrees to take such further reasonable action, in connection with documents and amendments to the Loan Documents, as may reasonably be required to effect such Syndication; provided, however, that notwithstanding any other provision of this [Section 12.27](#) or [Section 12.28](#) to the contrary, Borrower shall not be required to enter into any such documents and amendments which would alter any of the material economic terms of the Loan Documents or which would create new or greater obligations or liabilities on Borrower Parties under the Loan Documents.

(1) **Loan Components.** The Administrative Agent shall have the right, at any time, with respect to all or any portion of the Loan, to (a) cause the Notes, the Mortgages and the other Security Documents to be severed and/or split into two or more separate notes, mortgages and other security agreements, so as to evidence and secure one or more senior and subordinate mortgage loans, (b) create one more senior and subordinate notes (i.e., an A/B or A/B/C structure) secured by the Mortgages and the other Security Documents, (c) create multiple components of the Notes (and allocate or re-allocate the outstanding principal amount of the Loan among such components) or (d) otherwise sever the Loan into two or more loans secured by the Mortgages and the other Security Documents (each of clauses (a) through (d), together with the Mezzanine Option described below, a "**Bifurcation**"); in each such case, in whatever proportions and priorities as Administrative Agent may so direct in its discretion to Administrative Agent; provided, however, that in each such instance (i) the outstanding principal amount of all the Notes evidencing the Loan (or components of such Notes) immediately following such Bifurcation shall be equal to the outstanding principal amount of the Loan immediately prior to such Bifurcation, and (ii) the weighted average Applicable Margin and/or Base Rate, as applicable, with respect to the new notes immediately after such Bifurcation and at all times prior to the occurrence of any Event of Default shall not exceed the weighted average Applicable Margin and/or Base Rate, as applicable, with respect to the initial Notes delivered hereunder (as such interest rates are subject to being adjusted from time to time in accordance herewith, including as a result of the accrual of interest at the Default Rate). If requested by Administrative Agent in writing, Borrower shall execute within ten (10) days after such request, a severance agreement, amendments to or amendments and restatements of any one or more Loan Documents, and such documentation as Administrative Agent may reasonably request to evidence and/or effectuate any such Bifurcation, all in form and substance reasonably satisfactory to Administrative Agent.

(2) **Mezzanine Financing.** Administrative Agent shall have the right, at any time, to divide the Loan into two or more parts (the "**Mezzanine Option**"): a mortgage loan (the "**Mortgage Loan**") and one or more Approved Mezzanine Loans. The principal amount of the Mortgage Loan plus the principal amount of the Approved Mezzanine Loan(s) shall equal the outstanding principal balance of the Loan immediately prior to the creation of the Mortgage Loan and the Approved Mezzanine Loan(s). In effectuating the foregoing, the Approved Mezzanine Lender will make a loan to a borrower (the "**Mezzanine Borrower(s)**"); Mezzanine Borrower(s) will contribute the amount of the Approved Mezzanine Loan(s) to Borrower (in its capacity as Borrower under the Mortgage Loan, "**Mortgage Borrower**") and Mortgage Borrower will apply the contribution to pay down the Loan to its Mortgage Loan amount (without prepayment premium). The Mortgage Loan and the Approved Mezzanine Loan(s) shall be on the same terms and subject to the same conditions set forth in this Agreement, the Notes, the Mortgages and the other Loan Documents except as follows:

(a) The Administrative Agent shall have the right, at any time, to establish different interest rates and debt service payments for the Mortgage Loan(s) and the Approved Mezzanine Loan and to require the payment of the Mortgage Loan and the Approved Mezzanine Loan(s) in such order of priority as may be designated by Administrative Agent; provided that (i) the total of the loan amounts for the Mortgage Loan and the Approved Mezzanine Loan(s) immediately following the creation of such Approved Mezzanine Loan(s) shall equal the amount of the Loan immediately prior to the creation of the Mortgage Loan and the Approved Mezzanine Loan(s), (ii) the weighted average Applicable Margin and/or Base Rate, as applicable, with respect to the Mortgage Loans and the Approved Mezzanine Loan immediately after such bifurcation and at all times prior to the occurrence of any Event of Default shall not exceed the weighted average prior to such bifurcation, and (iii) there shall be no acceleration of amortization and the initial debt service payments on the Mortgage Loan note and the Approved Mezzanine Loan note(s) shall initially on the date created equal the debt service payment which was due under the Loan immediately prior to such bifurcation. The Approved Mezzanine Loan(s) shall be subordinate to the Mortgage Loan and shall be governed by the terms of an intercreditor agreement between the holders of the Mortgage Loan and the Approved Mezzanine Loan(s).

(b) Mezzanine Borrower(s) shall be a newly-formed special purpose, bankruptcy remote entity satisfactory to Administrative Agent, and shall own directly or indirectly one hundred percent (100%) of Mortgage Borrower. The security for the Approved Mezzanine Loan shall be a pledge of one hundred percent (100%) of the direct and indirect ownership interests in Mortgage Borrower.

(c) Mezzanine Borrower and Mortgage Borrower shall cooperate with all reasonable requests of Administrative Agent in order to convert the Loan into a Mortgage Loan and one or more Approved Mezzanine Loan(s) and shall execute and deliver such documents as shall reasonably be required by Administrative Agent in connection therewith, including, without limitation, (i) the modification of organizational documents and loan documents, (ii) documents authorizing Administrative Agent to file any UCC 1 Financing Statements reasonably required by Administrative Agent to perfect the security interest in the collateral for the Approved Mezzanine Loan(s), (iii) execution of such other documents reasonably required by Administrative Agent in connection with the creation of the Approved Mezzanine Loan(s), including, without limitation, an environmental indemnity substantially similar in form and substance to the Environmental Indemnity Agreement delivered on the date hereof in connection with the Loan, (iv) delivery of appropriate authorization and enforceability opinions with respect to the Approved Mezzanine Loan(s), and (v) delivery of an "Eagle 9" or equivalent UCC title insurance policy, satisfactory to Administrative Agent, insuring the perfection and priority of the lien on the Approved Mezzanine Loan collateral; provided, however, that notwithstanding any other provision of [Section 12.27](#) or this [Section 12.28\(2\)](#) to the contrary, Borrower shall not be required to enter into any such documents and amendments which would alter any of the material economic terms of the Loan Documents or which would create new or greater obligations or liabilities Borrower or Borrower Parties under the Loan Documents

Section 12.29 Confidentiality. Each of Administrative Agent and the Lenders and Borrower Parties and Sponsor agrees to maintain the confidentiality of the Confidential Information, except that Confidential Information may be disclosed (a) to it and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made shall be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority, (c) to the extent required by Applicable Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) to any assignee or pledgee of or Participant in, or any prospective assignee or pledgee of or Participant in, any of its rights or obligations under this Agreement or any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to Borrower and its obligations, (g) with the consent of Borrower or Administrative Agent, as applicable, or (h) to the extent such Confidential Information (i) becomes publicly available other than as a result of a breach of this Section 12.29 or of arrangements entered into pursuant hereto or (ii) becomes available to such party from a source other than Borrower or its Affiliates or the Administrative Agent or the Lender or their Affiliates, as applicable; provided, however, the obligation to maintain the confidentiality of the Confidential Information provided hereunder shall expire twelve (12) months after the date upon which the Loans hereunder are indefeasibly paid in full. Administrative Agent and each Lender, to the extent required to maintain the confidentiality of Information as provided in this Section 12.29, shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Confidential Information as a commercial banker exercising reasonable and customary business practices would accord to its own confidential information. Notwithstanding anything herein to the contrary, the information subject to this Section 12.29 shall not include, and Administrative Agent and each Lender may disclose without limitation of any kind, any information with respect to the "tax treatment" and "tax structure" (in each case, within the meaning of Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to Administrative Agent or such Lender relating to such tax treatment and tax structure. For purposes of this Section 12.29, the information that shall be treated as Confidential Information shall mean, in the case of Administrative Agent and the Lenders, written non-public information concerning the Project and, in the case of Borrower, information concerning the terms and conditions set forth in the Loan Documents.

RECOURSE LIABILITY

Section 13.1 Recourse Liability. No past, present or future member, or any past, present or future shareholder, partner, member, officer, employee, servant, executive, director, agent, authorized representative or Affiliate of Borrower or any member of Borrower, (each such Person, an “**Exculpated Party**”) shall be personally liable for payments due hereunder or under any other Loan Document or for the performance of any obligation, or breach of any representation or warranty made by Borrower hereunder or thereunder. The sole recourse of the Lenders and Administrative Agent for satisfaction of the obligations of Borrower hereunder and under any other Loan Document shall be against Borrower and its assets and not against any assets or property of any such Exculpated Party other than the direct or indirect ownership interest of such Exculpated Party in Borrower. In the event that a Potential Default or Event of Default occurs in connection with such obligations, no action shall be brought against any such Exculpated Party by virtue of its direct or indirect ownership interest in Borrower. In the event of foreclosure or other sale or disposition of the Project, no judgment for any deficiency upon the obligations hereunder or under any other Loan Document shall be obtainable by the Lenders or Administrative Agent against any such Exculpated Party. Notwithstanding the foregoing, nothing in this Section 13.1 shall affect or diminish the obligations of Borrower or Guarantors under or in respect of each Loan Document to which it is a party, including Guarantor Documents (including the right to name any Guarantor in any foreclosure action in connection with its obligations under the Guarantor Documents) and the Co-Borrower Documents. Notwithstanding the foregoing provisions of this Section 13.1, each Exculpated Party shall be personally (and on a full recourse basis) liable for and shall indemnify and defend Administrative Agent and the Lenders from and against, and shall hold Administrative Agent and the Lenders harmless of, from and against any deficiency, liability, loss, damage, costs, and expenses (including legal fees and disbursements) suffered by Administrative Agent and/or the Lenders and caused by, or arising out of or as a result of any of the following: (i) such Person’s commission of a criminal act, (ii) such Person’s failure to comply with the provisions of the Loan Documents prohibiting a transfer or Change of Control; (iii) such Person’s misappropriation of any cash flow or other revenue derived from or in respect of the Project, including security deposits, insurance proceeds, condemnation awards, or any rental, sales or other income derived directly or indirectly from the Project, or the misapplication of any of the foregoing sums, in either event, in contravention of any provision of this Agreement or the other Loan Documents; (iv) such Person’s fraud or misrepresentation or inaccurate certification made at any time in connection with the Loan Documents or the Loans; (v) such Person’s intentional interference with Administrative Agent’s (or the Lenders’) exercise of its rights under any of the Loan Documents; (vi) such Person’s intentional destruction or removal of fixtures or personal property securing the Loans unless replaced by items of equal value and utility; (vii) such Person’s misapplication or misappropriation of funds disbursed from the Security Accounts or the Controlled Accounts; (viii) such Person’s commissions of intentional waste to or of the Project or any portion thereof or failure to maintain the Project in the manner required by the Loan Documents; (ix) failure to maintain the insurance coverage required by the Loan Documents; (x) failure to pay taxes, assessments and any other charges, including, without limitation, charges for labor or materials, which could result in prior liens against any portion of the Project; (xi) willful misconduct; (xii) Borrower files a voluntary petition under the Federal Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (xiii) such Person files or joins in the filing of, or solicits or acts in concert with, or colludes or conspires with petitioning creditors with respect to, an involuntary petition against Borrower under the Federal Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (xiv) Borrower files an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Federal Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (xv) such Person consents to or acquiesces in or joins in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower or any portion of the Project; (xvi) Borrower makes an assignment for the benefit of creditors, or admits, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due; or (xvii) Borrower violates any of provisions set forth in the definition of Single Purpose Entity and such violation results in a substantive consolidation of the Borrower or its assets in the bankruptcy of an Affiliate.

Section 13.2 No Waiver of Certain Rights. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, (A) neither of Administrative Agent nor the Lenders shall be deemed to have waived any right which Administrative Agent or any Lender may have under Sections 506(a), 506(b), 1111(b) or any other provision of the Federal Bankruptcy Code, as such sections may be amended, to file a claim for the full amount due to Administrative Agent or such Lender under the Loan Documents or to require that all collateral shall continue to secure the amounts due under the Loan Documents and (B) Administrative Agent may pursue any power of sale, bring any foreclosure action, any action for specific performance, or any other appropriate action or proceedings against Borrower or any other Person for the purpose of enabling the Administrative Agent and the Lenders to realize upon the collateral for the Loans (including, without limitation, any Net Operating Income to the extent provided for in the Loan Documents) or to obtain the appointment of a receiver.

ARTICLE 14

ADMINISTRATIVE AGENT

Section 14.1 Appointment, Powers and Immunities. Each Lender hereby appoints and authorizes Administrative Agent to act as its agent hereunder and under the other Loan Documents with such powers as are specifically delegated to Administrative Agent by the terms of this Agreement and of the other Loan Documents, together with such other powers as are reasonably incidental thereto. Administrative Agent (which term as used in this sentence and in Section 14.5 and the first sentence of Section 14.6 shall include reference to its Affiliates and its own and its Affiliates' officers, directors, employees and agents):

(a) shall have no duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents, and shall not by reason of this Agreement or any other Loan Document be a trustee for any Lender except to the extent that Administrative Agent acts as an agent with respect to the receipt or payment of funds, nor shall Administrative Agent have any fiduciary duty to Borrower nor shall any Lender have any fiduciary duty to Borrower or any other Lender;

(b) shall not be responsible to the Lenders for any recitals, statements, representations or warranties contained in this Agreement or in any other Loan Document, or in any certificate or other document referred to or provided for in, or received by any of them under, this Agreement or any other Loan Document, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of the Loan Documents or any other document referred to or provided for therein or for any failure by Borrower or any other Person to perform any of its obligations thereunder; and

(c) shall not be responsible for any action taken or omitted to be taken by it under any Loan Document or under any other document or instrument referred to or provided for therein or in connection therewith, except to the extent any such action taken or omitted violates Administrative Agent's standard of care set forth in the first sentence of Section 14.5.

(d) shall not, except to the extent expressly instructed by the Majority Lenders with respect to collateral security under the Security Documents, be required to initiate or conduct any litigation or collection proceedings hereunder or under any other Loan Document; and

(e) shall not be required to take any action which is contrary to the Loan Documents or Applicable Law.

The relationship between Administrative Agent and each Lender is a contractual relationship only, and nothing herein shall be deemed to impose on Administrative Agent any obligations other than those for which express provision is made herein or in the other Loan Documents. Administrative Agent may employ agents and attorneys, and may delegate all or any part of its obligations hereunder, to third parties and shall not be responsible for the negligence or misconduct of any such agents, attorneys in fact or third parties selected by it in good faith. Administrative Agent may deem and treat the payee of a Note as the holder thereof for all purposes hereof unless and until a notice of the assignment or transfer thereof shall have been filed with Administrative Agent, any such assignment or transfer to be subject to the provisions of Section 12.23. Except to the extent expressly provided in Section 14.8, the provisions of this Article 14 are solely for the benefit of Administrative Agent and the Lenders, and Borrower shall not have any rights as a third-party beneficiary of any of the provisions hereof and the Lenders may modify or waive such provisions of this Article 14 in their sole and absolute discretion.

Section 14.2 Reliance by Administrative Agent. Administrative Agent shall be entitled to rely upon any certification, notice or other communication (including, without limitation, any thereof by telephone, telecopy, telegram or cable) reasonably believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by Administrative Agent. As to any matters not expressly provided for by this Agreement or any other Loan Document, Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder or thereunder in accordance with instructions given by the Majority Lenders, and such instructions of the Majority Lenders and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders.

Section 14.3 Defaults.

(1) Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of a Potential Default or Event of Default unless Administrative Agent has received notice from a Lender or Lead Borrower specifying such Potential Default or Event of Default and stating that such notice is a "Notice of Default." In the event that Administrative Agent receives such a notice of the occurrence of a Potential Default or Event of Default, Administrative Agent shall give prompt notice thereof to the Lenders. Within ten (10) days of delivery of such notice of Potential Default or Event of Default from Administrative Agent to the Lenders (or such shorter period of time as Administrative Agent determines is necessary), Administrative Agent and the Lenders shall consult with each other to determine a proposed course of action. Administrative Agent shall (subject to Section 14.7) take such action with respect to such Potential Default or Event of Default as shall be directed by the Majority Lenders, provided that, (A) unless and until Administrative Agent shall have received such directions, Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, including decisions (1) to make protective advances that Administrative Agent determines are necessary to protect or maintain the Project and (2) to foreclose on any of the Project or exercise any other remedy, with respect to such Potential Default or Event of Default as it shall deem advisable in the interest of the Lenders except to the extent that this Agreement expressly requires that such action be taken, or not be taken, only with the consent or upon the authorization of all of the Lenders and (B) no actions approved by the Majority Lenders shall violate the Loan Documents or Applicable Law. Each of the Lenders acknowledges and agrees that no individual Lender may separately enforce or exercise any of the provisions of any of the Loan Documents (including the Notes) other than through Administrative Agent. Administrative Agent shall advise the Lenders of all material actions which Administrative Agent takes in accordance with the provisions of this Section 14.3(1) and shall continue to consult with the Lenders with respect to all of such actions. Notwithstanding the foregoing, if the Majority Lenders shall at any time direct that a different or additional remedial action be taken from that already undertaken by Administrative Agent, including the commencement of foreclosure proceedings, such different or additional remedial action shall be taken in lieu of or in addition to, the prosecution of such action taken by Administrative Agent; provided that all actions already taken by Administrative Agent pursuant to this Section 14.3(1) shall be valid and binding on each Lender. All money (other than money subject to the provisions of Section 14.7) received from any enforcement actions, including the proceeds of a foreclosure sale of the Project, shall be applied, first, to the payment or reimbursement of Administrative Agent for expenses incurred in accordance with the provisions of Sections 14.3(2), (3) and (4) and 14.5 and to the payment of the Agency Fee to the extent not paid by Borrower pursuant to Section 14.11, second, to the payment or reimbursement of the Lenders for expenses incurred in accordance with the provisions of Section 14.3(2), (3) and (4) and 14.5; third, to the payment or reimbursement of the Lenders for any advances made pursuant to Section 14.3(2); and fourth, to the Lenders in accordance with their respective Proportionate Shares (and, if applicable, to Eurohypo Counterparty under any Hedge Agreement for its Additional Interest in accordance with Section 9.15), unless an Unpaid Amount is owed pursuant to Section 14.12, in which event such Unpaid Amount shall be deducted from the portion of such proceeds of the Defaulting Lender and be applied to payment of such Unpaid Amount to the Special Advance Lender.

(2) All losses with respect to interest (including interest at the Default Rate) and other sums payable pursuant to the Notes or incurred in connection with the Loans shall be borne by the Lenders in accordance with their respective proportionate shares of the Loans. All losses incurred in connection with the Loans, the enforcement thereof or the realization of the security therefor, shall be borne by the Lenders in accordance with their respective proportionate shares of the Loan, and the Lenders shall promptly, upon request, remit to Administrative Agent their respective proportionate shares of (i) any expenses incurred by Administrative Agent in connection with any Default to the extent any expenses have not been paid by Borrower, (ii) any advances made to pay taxes or insurance or otherwise to preserve the Lien of the Security Documents or to preserve and protect the Project, whether or not the amount necessary to be advanced for such purposes exceeds the amount of the Mortgages, (iii) any other expenses incurred in connection with the enforcement of the Mortgages or other Loan Documents, and (iv) any expenses incurred in connection with the consummation of the Loans not paid or provided for by Borrower. To the extent any such advances are recovered in connection with the enforcement of the Mortgages or the other Loan Documents, each Lender shall be paid its proportionate share of such recovery after deduction of the expenses of Administrative Agent and the Lenders.

(3) If, at the direction of the Majority Lenders or otherwise as provided in Section 14.3(1), any action(s) is brought to collect on the Notes or enforce the Security Documents or any other Loan Document, such action shall (to the extent permitted under Applicable Law and the decisions of the court in which such action is brought) be an action brought by Administrative Agent and the Lenders, collectively, to collect on all or a portion of the Notes or enforce the Security Documents or any other Loan Document and counsel selected by Administrative Agent shall prosecute any such action on behalf of Administrative Agent and the Lenders, and Administrative Agent and the Lenders shall consult and cooperate with each other in the prosecution thereof. All decisions concerning the appointment of a receiver while such action is pending, the conduct of such receivership, the conduct of such action, the collection of any judgment entered in such action and the settlement of such action shall be made by Administrative Agent. The costs and expenses of any such action shall be borne by the Lenders in accordance with each of their respective proportionate shares.

(4) If, at the direction of the Majority Lenders or otherwise as provided in Section 14.3(1), any action(s) is brought to foreclose the Mortgages, such action shall (to the extent permitted under Applicable Law and the decisions of the court in which such action is brought) be an action brought by Administrative Agent and the Lenders, collectively, to foreclose all or a portion of the Mortgages and collect on the Notes. Counsel selected by Administrative Agent shall prosecute any such foreclosure on behalf of Administrative Agent and the Lenders and Administrative Agent and the Lenders shall consult and cooperate with each other in the prosecution thereof. All decisions concerning the appointment of a receiver, the conduct of such foreclosure, the acceptance of a deed in lieu of foreclosure, the bid on behalf of Administrative Agent and the Lenders at the foreclosure sale of the Project, the manner of taking and holding title to the Project (other than as set forth in subsection (5) below), the sale of the Project after foreclosure, and the commencement and conduct of any deficiency judgment proceeding shall be made by Administrative Agent. The costs and expenses of foreclosure will be borne by the Lenders in accordance with their respective proportionate shares.

(5) If title is acquired to the Project after a foreclosure sale or by a deed in lieu of foreclosure, title shall be held by Administrative Agent in its own name in trust for the Lenders or, at Administrative Agent's election, in the name of a wholly owned subsidiary of Administrative Agent, on behalf of the Lenders, or a subsidiary wholly owned by the Lenders and managed by the Administrative Agent.

(6) If Administrative Agent (or its subsidiary) acquires title to the Project or is entitled to possession of the Project during or after the foreclosure, all material decisions with respect to the possession, ownership, development, construction, control, operation, leasing, management and sale of the Project shall be made by Administrative Agent. All income or other money received after so acquiring title to or taking possession of the Project with respect to the Project, including income from the operation and management of the Project and the proceeds of a sale of the Project, shall be applied (subject to the terms of any separate agreement among Administrative Agent and the Lenders), first, to the payment or reimbursement of Administrative Agent and the expenses incurred in accordance with the provisions of this Article 14 and to the payment of the Agency Fee to the extent not paid by Borrower pursuant to Section 14.11, second, to the payment of operating expenses with respect to the Project; third, to the establishment of reasonable reserves for the operation of the Project; fourth, to the payment or reimbursement of the Lenders for any advances made pursuant to Section 14.3(2); fifth, to fund any capital improvement, leasing and other reserves; and sixth, to the Lenders in accordance with their respective Proportionate Shares (and, if applicable, to Eurohypo Counterparty under any Hedge Agreement for its Additional Interest in accordance with Section 9.15), unless an Unpaid Amount is owed pursuant to Section 14.12, in which event such Unpaid Amount shall be deducted from the portion of such proceeds of the Defaulting Lender and be applied to payment of such Unpaid Amount to the Special Advance Lender.

Section 14.4 Rights as a Lender. With respect to its Commitment and the Loans made by it Eurohypo (and any successor acting as Administrative Agent) in its capacity as a Lender hereunder shall have the same rights and powers hereunder as any other Lender and may exercise the same as though it were not acting as Administrative Agent, and the term "Lender" or "Lenders" shall, unless the context otherwise indicates, include Administrative Agent in its individual capacity. Eurohypo (and any successor acting as Administrative Agent) and its Affiliates may (without having to account therefor to any Lender) lend money to, make investments in and generally engage in any kind of lending, trust or other business with Borrower (and any of its Affiliates) as if it were not acting as Administrative Agent, and Eurohypo and its Affiliates may accept fees and other consideration from Borrower for services in connection with this Agreement or otherwise without having to account for the same to the Lenders.

Section 14.5 Standard of Care; Indemnification. In performing its duties under the Loan Documents, Administrative Agent will exercise the same degree of care as it normally exercises in connection with real estate loans that it syndicates and administers, but Administrative Agent shall have no further responsibility to any Lender except as expressly provided herein and except for its own gross negligence or willful misconduct which resulted in actual loss to such Lender, and, except to such extent, Administrative Agent shall have no responsibility to any Lender for the failure by Administrative Agent to comply with any of Administrative Agent's obligations to Borrower under the Loan Documents or otherwise. Subject to the terms of any separate agreement among Administrative Agent and the Lenders, the Lenders agree to indemnify Administrative Agent (to the extent not reimbursed under Section 9.28, but without limiting the obligations of Borrower under Section 9.28) ratably in accordance with the aggregate principal amount of the Loans held by the Lenders (or, if no Loans are at the time outstanding, ratably in accordance with their respective Commitments), for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever that may be imposed on, incurred by or asserted against Administrative Agent (including by any Lender) arising out of or by reason of any investigation in or in any way relating to or arising out of this Agreement or any other Loan Document or any other documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses that Borrower is obligated to pay under Section 9.28, but excluding, unless an Event of Default has occurred and is continuing, normal administrative costs and expenses incident to the performance of its agency duties hereunder) or the enforcement of any of the terms hereof or thereof or of any such other documents, provided that no Lender shall be liable for any of the foregoing to the extent they arise from Administrative Agent's breach of its standard of care set forth in the first sentence of this Section.

Section 14.6 Non Reliance on Administrative Agent and Other Lenders. Each Lender agrees that it has, independently and without reliance on Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis of Borrower and its Affiliates and decision to enter into this Agreement and that it will, independently and without reliance upon Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or under any other Loan Document. Subject to the provisions of the first sentence of Section 14.5, Administrative Agent shall not be required to keep itself informed as to the performance or observance by Borrower of this Agreement or any of the other Loan Documents or any other document referred to or provided for herein or therein or to inspect the Project or the books of Borrower or any of its Affiliates. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by Administrative Agent hereunder or as otherwise agreed by Administrative Agent and the Lenders, Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of Borrower or any of its Affiliates that may come into the possession of Administrative Agent or any of its Affiliates.

Section 14.7 Failure to Act. Except for action expressly required of Administrative Agent hereunder, and under the other Loan Documents, Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under Section 14.5 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Section 14.8 Resignation of Administrative Agent. Administrative Agent may resign at any time by giving notice thereof to the Lenders and Lead Borrower. Upon any such resignation, the Majority Lenders shall have the right to appoint a successor Administrative Agent that shall be a Person that meets the qualifications of an Eligible Assignee. If no successor Administrative Agent shall have been so appointed by the Majority Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, that shall be an institutional lender that meets the requirements of the immediately preceding sentence. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this Section 14.8). The fees payable by Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provision of this Article 14 and Section 9.28 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

Section 14.9 Consents under Loan Documents. Administrative Agent may (without any Lender's consent), give or withhold its agreement to any amendments of the Loan Documents or any waivers or consents in respect thereof or exercise or refrain from exercising any other rights or remedies which Administrative Agent may have under the Loan Documents or otherwise provided that such actions do not, in Administrative Agent's reasonable judgment, materially adversely affect the value of any collateral, taken as a whole, or represent a departure from Administrative Agent's standard of care described in Section 14.5, except that, except as otherwise provided in any separate agreement entered into among Administrative Agent and the Lenders, Administrative Agent shall not agree to the following (provided that no Lender's consent shall be required for any of the following which are otherwise required or contemplated under the Loan Documents):

(a) increase the Commitment of any Lender without the consent of such Lender;

(b) reduce the principal amount of the Loans or reduce the interest rate thereon without the consent of each Lender affected thereby;

(c) extend any stated payment date for principal of or interest on the Loans payable to any Lender without the consent of each Lender affected thereby;

(d) release Borrower, any Guarantor or any other party from liability under the Loan Documents (except for any assigning Lender pursuant to Section 12.23 and any resigning Administrative Agent pursuant to Section 14.8) without the consent of each Lender (except that no such consent shall be required, and Administrative Agent is hereby authorized, to release Borrower and Guarantors (A) as expressly provided in the Loan Documents and (B) upon payment of the Obligations in full in accordance with the terms of the Loan Documents);

(e) release or subordinate in whole or in part any material portion of the collateral given as security for the Loans without the consent of each Lender (except that no such consent shall be required, and Administrative Agent is hereby authorized, to release any Lien covering the collateral under the Security Documents (A) as expressly provided in the Loan Documents and (B) upon payment of the Obligations in full in accordance with the terms of the Loan Documents);

(f) modify any of the provisions of this Section 14.9, the definition of "Majority Lenders" or any other provision in the Loan Documents specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder without the consent of each Lender;

(g) _____ modify the terms of any Event of Default without the consent of each Lender; or

(h) _____ consent to (i) the sale, transfer or encumbrance of any portion of the Project (or any interest therein) or any direct or indirect ownership interest therein and (ii) the incurrence by Borrower of any additional indebtedness secured by the Project, in each case to the extent such consent is required under the Loan Documents (and subject to any standard of reasonability set forth therein) without the consent of each Lender.

Notwithstanding anything to the contrary contained in this Agreement, (a) any modification or supplement of Article 14, or of any of the rights or duties of Administrative Agent hereunder, shall require the consent of Administrative Agent and (b) in the case of Change Orders, the Lenders hereby authorize Administrative Agent (on behalf of the Lenders) to modify the Loan Documents to the extent reasonably necessary to comply with the requirements of the Lien Law in connection therewith and (y) Administrative Agent is hereby authorized to enter into modifications or amendments to the Loan Documents which are ministerial in nature, including the preparation and execution of Uniform Commercial Code forms, Assignments and Assumptions and subordination and non-disturbance agreements with tenants at the Project. If Administrative Agent solicits any consents or approvals from the Lenders under any of the Loan Documents, each Lender shall within ten (10) Business Days of receiving such request, give Administrative Agent written notice of its consent or approval or denial thereof, provided that, if any Lender does not respond within such ten (10) Business Days, such Lender shall be deemed to have authorized Administrative Agent to vote such Lender's interest with respect to the matter which was the subject of Administrative Agent's solicitation as Administrative Agent elects. Any such solicitation by Administrative Agent for a consent or approval shall be in writing and shall include a description of the matter or thing as to which such consent or approval is requested and shall include Administrative Agent's recommended course of action or determination in respect thereof.

Section 14.10 Authorization. Administrative Agent is hereby authorized by the Lenders to execute, deliver and perform in accordance with the terms of each of the Loan Documents to which Administrative Agent is or is intended to be a party and each Lender agrees to be bound by all of the agreements of Administrative Agent contained in such Loan Documents. Borrower shall be entitled to rely on all written agreements, approvals and consents received from Administrative Agent as being that also of the Lenders, without obtaining separate acknowledgment or proof of authorization of same.

Section 14.11 Agency Fee. So long as the Commitments are in effect and until payment in full of all obligations under this Agreement, the Notes and the other Loan Documents, Borrower shall pay to Administrative Agent, for its sole account, the Agency Fee. The Agency Fee shall be payable annually in advance commencing on the Closing Date pursuant to the Fee Letter.

Section 14.12 Defaulting Lenders.

(1) _____ If any Lender (a "Defaulting Lender") shall for any reason fail to (i) make any respective Loan required pursuant to the terms of this Agreement or (ii) pay its proportionate share of an advance or disbursement to protect the Project or the Lien of the Security Documents, any of the other Lenders may, but shall not be obligated to, make all or a portion of the Defaulting Lender's Loan or proportionate share of such advance, provided that such Lender gives the Defaulting Lender and Administrative Agent prior notice of its intention to do so. The right to make such advances in respect of the Defaulting Lender shall be exercisable first by the Lender holding the greatest proportionate share and thereafter to each of the Lenders in descending order of their respective proportionate shares of the Loans or in such other manner as the Majority Lenders (excluding the Defaulting Lender) may agree on. Any Lender making all or any portion of the Defaulting Lender's proportionate share of the applicable Loan or advance in accordance with the foregoing terms and conditions shall be referred to as a "Special Advance Lender."

(2) In any case where a Lender becomes a Special Advance Lender (i) the Special Advance Lender shall be deemed to have purchased, and the Defaulting Lender shall be deemed to have sold, a senior participation in the Defaulting Lender's respective Loan to the extent of the amount so advanced or disbursed (the "**Advanced Amount**") bearing interest (including interest at the Default Rate, if applicable) and (ii) the Defaulting Lender shall have no voting rights under this Agreement or any other Loan Documents so long as it is a Defaulting Lender. It is expressly understood and agreed that each of the respective obligations under this Agreement and the other Loan Documents, including advancing Loans, losses incurred in connection with the Loan, costs and expenses of enforcement, advancing to preserve the Lien of the Mortgages or to preserve and protect the Project, shall be without regard to any adjustment in the proportionate shares occasioned by the acts of a Defaulting Lender. The Special Advance Lender shall be entitled to an amount (the "**Unpaid Amount**") equal to the applicable Advanced Amount, plus any unpaid interest due and owing with respect thereto, less any repayments thereof made by the Defaulting Lender immediately upon demand. The Defaulting Lender shall have the right to repurchase the senior participation in its Loan from the Special Advance Lender at any time by the payment of the Unpaid Amount.

(3) A Special Advance Lender shall (i) give notice to the Defaulting Lender, Administrative Agent and each of the other Lenders (provided that failure to deliver said notice to any party other than the Defaulting Lender shall not constitute a default under this Agreement) of the Advance Amount and the percentage of the Special Advance Lender's senior participation in the Defaulting Lender's Loan and (ii) in the event of the repayment of any of the Unpaid Amount by the Defaulting Lender, give notice to the Defaulting Lender and Administrative Agent of the fact that the Unpaid Amount has been repaid (in whole or in part), the amount of such repayment and, if applicable, the revised percentage of the Special Advance Lender's senior participation. Provided that Administrative Agent has received notice of such participation, Administrative Agent shall have the same obligations to distribute interest, principal and other sums received by Administrative Agent with respect to a Special Advance Lender's senior participation as Administrative Agent has with respect to the distribution of interest, principal and other sums under this Agreement; and at the time of making any distributions to the Lenders, shall make payments to the Special Advance Lender with respect to a Special Advance Lender's senior participation in the Defaulting Lender's Loan out of the Defaulting Lender's share of any such distributions.

(4) A Defaulting Lender shall immediately pay to a Special Advance Lender all sums of any kind paid to or received by the Defaulting Lender from Borrower, whether pursuant to the terms of this Agreement or the other Loan Documents or in connection with the realization of the security therefor until the Unpaid Amount is fully repaid. Notwithstanding the fact that the Defaulting Lender may temporarily hold such sums, the Defaulting Lender shall be deemed to hold same as a trustee for the benefit of the Special Advance Lender, it being the express intention of the Lenders that the Special Advance Lender shall have an ownership interest in such sums to the extent of the Unpaid Amount.

(5) Each Defaulting Lender shall indemnify, defend and hold Administrative Agent and each of the other Lenders harmless from and against any and all losses, damages, liabilities or expenses (including reasonable attorneys' fees and expenses and interest at the Default Rate) which they may sustain or incur by reason of the Defaulting Lender's failure or refusal to abide by its obligations under this Agreement or the other Loan Documents, except to the extent a Defaulting Lender became a Defaulting Lender due to the gross negligence or willful misconduct of Administrative Agent and/or any Lender. Administrative Agent shall, after payment of any amounts due to any Special Advance Lender pursuant to the terms of subsection (3) above, set-off against any payments due to such Defaulting Lender for the claims of Administrative Agent and the other Lenders pursuant to this indemnity.

(6) In the event any Lender becomes a Defaulting Lender and none of the other Lenders elects to be a Special Advance Lender pursuant to subsection (1) above, Borrower shall have the right, at any time prior to the Completion Date, provided that no Potential Default or Event of Default exists, to cause another financial institution, reasonably acceptable to (x) the Majority Lenders if such institution is not an Eligible Assignee or (y) Administrative Agent if such institution is an Eligible Assignee, to assume Defaulting Lender's obligations with respect to the Advance Amount on the then-existing terms and conditions of the Loan Documents (such replacement institution, a "Replacement Lender"). Such assumption shall be pursuant to a written instrument reasonably satisfactory to Administrative Agent. Upon such assumption, the Replacement Lender shall become a "Lender" for all purposes hereunder, with a Commitment in an amount equal to the Advance Amount, and the Defaulting Lender's Commitment shall automatically be reduced by the Advance Amount. In connection with the foregoing, Borrower shall execute and deliver to the Replacement Lender and the Defaulting Lender substitute notes substantially in the form of Exhibit C and stating: "This Note is a substitute note as contemplated by Section 14.12 of the Agreement; it replaces and is in lieu of that certain note made by Maker dated [date of Note] to the order of [Defaulting Lender] in the principal sum of [Defaulting Lender's original Commitment]." Such substitute notes shall be in amounts equal to, in the case of the Replacement Lender's note, the Advance Amount and, in the case of the Defaulting Lender's note, its Commitment as reduced aforesaid. Such substitute notes shall constitute "Notes" and the obligations evidenced by such substitute notes shall be secured by the Mortgages. In connection with Borrower's execution of substitute notes as aforesaid, Borrower shall deliver to Administrative Agent evidence, satisfactory to Administrative Agent, of all requisite partnership/limited liability company/corporate action to authorize Borrower's execution and delivery of the substitute notes and any related documents. Upon delivery of the foregoing substitute notes, each Defaulting Lender shall return to Borrower its note which was replaced, provided that the delivery of a substitute note to the Defaulting Lender pursuant to this Section 14.12 shall operate to void and replace the note previously held by the Defaulting Lender regardless of whether Defaulting Lender returns the same as required hereby. Borrower, Administrative Agent and Lenders shall execute such modifications to the Loan Documents as shall, in the reasonable judgment of Administrative Agent, be necessary or desirable in connection with the substitution of Lenders in accordance with the foregoing provisions of this Section. Lenders shall reasonably cooperate with Borrower's attempts to obtain a Replacement Lender, but they shall not be obligated to modify the Loan Documents in connection therewith, other than modifications pursuant to the immediately preceding sentence.

Section 14.13 Liability of Administrative Agent. Administrative Agent shall not have any liabilities or responsibilities to Borrower on account of the failure of any Lender (other than Administrative Agent in its capacity as a Lender) to perform its obligations hereunder or to any Lender on account of the failure of Borrower to perform its obligations hereunder or under any other Loan Document.

Section 14.14 Transfer of Agency Function. Without the consent of Borrower or any Lender, Administrative Agent may at any time or from time to time transfer its functions as Administrative Agent hereunder to any of its offices wherever located in the United States; provided that Administrative Agent shall promptly notify Lead Borrower and the Lenders thereof.

ARTICLE 15

CASH MANAGEMENT

Section 15.1 Cash Management.

(1) Upon the occurrence of an Event of Default and continuing until the Maturity Date, Borrower and Borrower's Managing Member shall (a) enter into and thereafter comply with the Cash Management Agreement and (b) continuing until ninety (90) days after the date that such Event of Default has been cured, cause all tenants in the Improvements to remit all rental and other payments due under their respective leases into a sweep account established in accordance with the Cash Management Agreement (the "**Sweep Account**"). The insufficiency of funds on deposit in any account established pursuant to the Cash Management Agreement shall not absolve Borrower of the obligation to make any payments as and when due pursuant to this Agreement or the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(2) Administrative Agent, in its sole discretion, may, on a monthly basis, release from the Sweep Account an amount equal to the monthly Operating Expenses pursuant to an Approved Annual Budget. After such release of funds described in the preceding sentence, Administrative Agent, may, in its sole discretion, release any remaining funds to pay for interest on the Loans and for Project Costs.

Section 15.2 Security Accounts Generally.

(1) **Grant of Security Interest.** Borrower hereby grants a perfected first priority security interest in favor of Administrative Agent for the ratable benefit of the Lenders in each Security Account established by or for it hereunder and all financial assets and other property and sums at any time held, deposited or invested therein, and all security entitlements and investment property relating thereto, together with any interest or other earnings thereon, and all proceeds thereof, whether accounts, general intangibles, chattel paper, deposit accounts, instruments, documents or securities (collectively, "**Security Account Collateral**"), together with all rights of a secured party with respect thereto (even if no further documentation is requested by Administrative Agent or the Lenders or executed by Borrower).

(2) **Borrower Covenants.** Borrower covenants and agrees:

(a) to do all acts that may be reasonably necessary to maintain, preserve and protect Security Account Collateral;

(b) to pay promptly when due all material taxes, assessments, charges, encumbrances and liens now or hereafter imposed upon or affecting any Security Account Collateral;

(c) to appear in and defend any action or proceeding which may materially and adversely affect Borrower's title to or Administrative Agent's interest in the Security Account Collateral;

(d) following the creation of each Security Account established by or for Borrower and the initial funding thereof, other than to Administrative Agent pursuant to the Cash Management Agreement or this Agreement, not to transfer, assign, sell, surrender, encumber, mortgage, hypothecate, or otherwise dispose of any of the Security Account Collateral or rights or interests therein, and to keep the Security Account Collateral free of all levies and security interests or other liens or charges except the security interest in favor of Administrative Agent granted hereunder;

(e) to account fully for and promptly deliver to Administrative Agent, in the form received, all documents, chattel paper, instruments and agreements constituting the Security Account Collateral hereunder, endorsed to Administrative Agent or in blank, as requested by Administrative Agent, and accompanied by such powers as appropriate and until so delivered all such documents, instruments, agreements and proceeds shall be held by Borrower in trust for Administrative Agent, separate from all other property of Borrower; and

(f) from time to time upon request by Administrative Agent, to furnish such further assurances of Borrower's title with respect to the Security Account Collateral, execute such written agreements, or do such other acts, all as may be reasonably necessary to effectuate the purposes of this agreement or as may be required by law, or in order to perfect or continue the first-priority lien and security interest of Administrative Agent in the Security Account Collateral.

(3) **Rights on Event of Default.** Upon the occurrence and during the continuance of an Event of Default, Administrative Agent, at its option, may withdraw the funds in any Security Account and apply such funds to the items for which the Security Accounts were established or to payment of the Loans in such order, proportion and priority as Administrative Agent may determine in its discretion. Administrative Agent's right to withdraw and apply such funds shall be in addition to all other rights and remedies provided to Administrative Agent on behalf of the Lenders under the Cash Management Agreement and the other Loan Documents.

(4) **Prohibition Against Further Encumbrance.** Borrower shall not, without the prior written consent of Administrative Agent, further pledge, assign or grant any security interest in the Security Account Collateral or permit any Lien to attach thereto, or any levy to be made thereon, or any Uniform Commercial Code financing statements, except those naming Administrative Agent on behalf of the Lenders as the secured party, to be filed with respect thereto.

(5) **Release of Funds in Security Accounts.** Any amount remaining in the Security Accounts after the Loans have been paid in full shall promptly be returned to the Lead Borrower.

ARTICLE 16

CONTROLLED ACCOUNTS

Section 16.1 Controlled Accounts. Borrower hereby agrees with Administrative Agent, as to any Controlled Account into which this Agreement requires Borrower to deposit funds, as follows:

(1) **Establishment and Maintenance of the Controlled Account.**

(a) Each Controlled Account (i) shall be established at, and a separate and identifiable account from all other funds held by, a Depository Bank and (ii) shall contain only funds required to be deposited pursuant to this Agreement or any other Loan Document. Any interest which may accrue on the amounts on deposit in a Controlled Account shall be added to and shall become part of the balance of such Controlled Account. Borrower, Administrative Agent and the applicable Depository Bank shall enter into an agreement (a "Controlled Account Agreement"), substantially in the form of Exhibit G attached hereto (with such changes thereto as may be required by such Depository Bank and satisfactory to Administrative Agent) which shall govern such Controlled Account and the rights, duties and obligations of each party to such Controlled Account Agreement.

(b) Each Controlled Account shall be established in the name of Administrative Agent, as agent for the Lenders and shall be subject to the sole dominion, control and discretion of Administrative Agent, provided, however that Administrative Agent shall act in accordance with the provisions of this Agreement. Neither Borrower nor any other Person, including, without limitation, any Person claiming on behalf of or through Borrower, shall have any right or authority, whether express or implied, to make use of or withdraw, or cause the use or withdrawal of, any proceeds from any Controlled Account or any of the other proceeds deposited therein, except as expressly provided in this Agreement or in the applicable Controlled Account Agreement.

(2) **Deposits to and Disbursements from the Controlled Account.** All deposits to and disbursements of all or any portion of the deposits to any Controlled Account shall be in accordance with this Agreement and the applicable Controlled Account Agreement. Borrower shall pay any and all fees charged by Depository Bank in connection with the maintenance of each Controlled Account required to be established by or for it hereunder, and the performance of the Depository Bank's duties.

(3) Security Interest.

(a) Borrower hereby grants a perfected first priority security interest in favor of Administrative Agent for the ratable benefit of the Lenders in each Controlled Account established by or for it hereunder and all financial assets and other property and sums at any time held, deposited or invested therein, and all security entitlements and investment property relating thereto, together with any interest or other earnings thereon, and all proceeds thereof, whether accounts, general intangibles, chattel paper, deposit accounts, instruments, documents or securities (collectively, "Controlled Account Collateral"), together with all rights of a secured party with respect thereto under the Uniform Commercial Code, as security for the obligations of Borrower under the Loan Documents.

(b) All interest earned on any Controlled Account shall be retained in such Controlled Account. Borrower shall treat all interest earned on its Controlled Account as its income for federal income tax purposes.

(c) While any Event of Default exists, Administrative Agent shall be entitled to exercise all rights of a secured party under the Uniform Commercial Code with respect to each Controlled Account, and (without limiting the foregoing) may apply the Controlled Account Collateral to the unpaid obligations of Borrower under the Loan Documents in such order as Administrative Agent may elect in its sole discretion, without liability for any loss, and Borrower hereby consents to any such withdrawal and application as a commercially reasonable disposition of such funds and agrees that such withdrawal shall not result in satisfaction of such obligations except to the extent the proceeds are applied to such sums.

ARTICLE 17

CONDOMINIUM PROVISIONS

Section 17.1 Establishment; Covenants

(1) Subject to the terms and conditions hereof, including without limitation, Section 17.2, Lead Borrower shall have the right, with the prior written approval of the Administrative Agent, to establish a condominium regime with respect to its ownership of the Project.

(2) Lead Borrower covenants and agrees with the Lenders and Administrative Agent that, in the event that it establishes a condominium regime pursuant to Section 17.1, Lead Borrower shall:

(a) Submit the Project, together with all of the Improvements constructed or to be constructed thereon, to the provisions of the Condominium Act and satisfy all of the requirements thereof and of any other Applicable Law necessary to create a valid condominium regime inclusive of all of the Units; and obtain any required approval of the Condominium Documents from the Attorney General of the State of New York. Section 3.2 Financing Statement; Further Assurances. The Borrower authorizes the Administrative Agent to execute and deliver such financing statements and other documents as the Administrative Agent may reasonably require to perfect the security interests granted by this Agreement. The Borrower agrees that at any time and from time to time, at the expense of the Borrower, the Borrower will promptly execute and deliver all further instruments and documents, and take all further action that the Depository Bank or the Administrative Agent may reasonably request in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Depository Bank or the Administrative Agent to exercise and enforce their respective rights and remedies hereunder with respect to any Collateral.

Section 3.3 Termination of Agreement. This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until payment in full of the Obligations and termination of the Commitments. Upon payment and performance in full of the Obligations and termination of the Commitments, this Agreement shall terminate and the Borrower shall be entitled to the return, upon its request and at its expense, of such of the Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof, and the Administrative Agent shall execute such instructions to the Depository Bank as may be reasonably requested by the Borrower to evidence such termination and the release of the lien hereof.

IV. RIGHTS AND DUTIES OF LENDER AND ADMINISTRATIVE AGENT

Section 4.1 Reasonable Care. Beyond the exercise of reasonable care in the custody thereof or as otherwise expressly provided herein, neither the Depository Bank nor the Administrative Agent shall have any duty as to any Collateral in its possession or control as agent therefor or bailee thereof or any income thereon or the preservation of rights against any Person or otherwise with respect thereto. The Depository Bank and the Administrative Agent each shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Depository Bank or the Administrative Agent, acting prudently, accords its own property, it being understood that the Administrative Agent shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in value thereof, by reason of the act or omission of the Administrative Agent, its Affiliates, agents, employees or bailees, except to the extent that such loss or damage results from the Administrative Agent's gross negligence or willful misconduct; provided that nothing in this Article IV shall be deemed to relieve the Depository Bank from the duties and standard of care which, as a commercial bank, it generally owes to depositors.

Section 4.2 Indemnity. The Depository Bank, in the discharge of its duties and responsibilities hereunder, shall be responsible for the performance only of such duties as are specifically set forth herein, and no duty shall be implied from any provision hereof. The Depository Bank shall not be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. The Borrower shall indemnify and hold the Depository Bank and the Administrative Agent harmless from and against any loss, cost or damage (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the Depository Bank or the Administrative Agent in connection with the transactions contemplated hereby, except to the extent that such loss or damage results from the Depository Bank's or the Administrative Agent's gross negligence or willful misconduct.

Section 4.3 Reliance. The Depository Bank shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper, document or signature reasonably believed by it to be genuine, and it may be assumed that any person purporting to act on behalf of any Person giving any of the foregoing in connection with the provisions hereof has been duly authorized to do so. The Depository Bank may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder and in good faith in accordance therewith. The Depository Bank shall not be liable for any act or omission done or omitted to be done by the Depository Bank in reliance upon any instruction, direction or certification received by the Depository Bank and done or omitted to be done without gross negligence or willful or reckless misconduct.

Section 4.4 Resignation of the Depository Bank. (a) The Depository Bank shall have the right to resign as the Depository Bank hereunder upon thirty (30) days' prior written notice to the Borrower and the Administrative Agent, and in the event of such resignation, the Borrower shall appoint a successor Depository Bank reasonably acceptable to the Administrative Agent which must be an Eligible Institution. No such resignation by the Depository Bank shall become effective until a successor Depository Bank shall have accepted such appointment and executed an instrument by which it shall have assumed all of the rights and obligations of the Depository Bank hereunder. If no such successor Depository Bank is appointed within sixty (60) days after receipt of the resigning Depository Bank's notice of resignation, the resigning Depository Bank may petition a court for the appointment of a successor Depository Bank. Notwithstanding the foregoing, if an Event of Default exists, any successor Depository Bank may be selected by the Administrative Agent in its sole and absolute discretion, without the approval or consent of Borrower.

(b) In connection with any resignation by the Depository Bank, (i) the resigning Depository Bank shall, at the sole and reasonable cost of the Borrower, (A) duly assign, transfer and deliver to the successor Depository Bank this Agreement and all sums held by it hereunder, (B) execute such financing statements and other instruments as may be necessary to assign to the successor Depository Bank the security interest in the Collateral existing in favor of the resigning Depository Bank hereunder and to otherwise give effect to such succession and (C) take such other actions as may be reasonably required by the Borrower, the Administrative Agent or the successor Depository Bank in connection with the foregoing and (ii) the successor Depository Bank shall establish in its name, as secured party, cash collateral accounts, which shall become the Controlled Account for purposes of this Agreement upon the succession of such Depository Bank.

(c) If at any time the Depository Bank ceases to be an Eligible Institution, the Administrative Agent at its sole discretion and sole cost shall have the right, upon thirty (30) days' notice to the Depository Bank and the Borrower, to substitute the Depository Bank with a successor Depository Bank that satisfies the requirements of an Eligible Institution; provided that such successor Depository Bank shall perform the duties of the Depository Bank pursuant to the terms of this Agreement. So long as no Event of Default exists, such successor Depository Bank shall be subject to Borrower's approval, not to be unreasonably withheld.

Section 4.5 Administrative Agent Appointed Attorney-In-Fact. The Borrower hereby irrevocably constitutes and appoints the Administrative Agent as the Borrower's true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any reasonably necessary instruments and to exercise and enforce every right, power, remedy, option and privilege of the Borrower with respect to the Collateral in accordance with the Loan Agreement, and do in the name, place and stead of the Borrower, all such acts, things and deeds for and on behalf of and in the name of the Borrower, which the Borrower could or might do or which the Depository Bank or the Administrative Agent may deem necessary or desirable to more fully vest in the Administrative Agent the rights and remedies provided for herein and to accomplish the purposes of this Agreement. The foregoing powers of attorney are irrevocable and coupled with an interest.

Section 4.6 Acknowledgment of Lien/Offset Rights. Prior to payment in full of the Obligations and termination of the Commitments, (a) the Controlled Account shall be held by the Depository Bank in the name of the Administrative Agent, (b) all funds held in the Controlled Account shall be held for the benefit of the Administrative Agent, (c) the Borrower has granted to the Administrative Agent (on behalf of the Lenders) a first priority security interest in the Collateral, and (d) the Depository Bank shall not disburse any funds from the Controlled Account except as provided herein. The Depository Bank hereby waives any right of offset, banker's lien or similar rights against, or any assignment, security interest or other interest in, the Collateral.

V. REMEDIES

Section 5.1 Remedies. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, in addition to any rights and remedies the Administrative Agent has under the Loan Agreement:

(a) without notice to the Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Collateral against the Obligations or any part thereof;

(b) exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC and/or under any other applicable law; and

(c) demand, collect, take possession of, receive, instruct the Depository Bank to release, withdraw, settle, compromise, adjust, sue for, foreclose or realize upon the Collateral (or any portion thereof) as the Administrative Agent may determine in its sole discretion.

Section 5.2 Waiver. Except to the extent otherwise provided in this Agreement or in the Loan Agreement, the Borrower hereby expressly waives, to the fullest extent permitted by law, presentment, demand, protest or any notice of any kind in connection with this Agreement or the Collateral. The Borrower acknowledges and agrees that ten (10) days' prior written notice of the time and place of any public sale of the Collateral or any other intended disposition thereof shall be reasonable and sufficient notice to the Borrower within the meaning of the UCC.

VI. MISCELLANEOUS

Section 6.1 Transfers and Other Liens. Except as permitted by the Loan Agreement, the Borrower agrees that it will not (i) sell or otherwise dispose of any of the Collateral or (ii) create or permit to exist any Lien upon or with respect to all or any of the Collateral, except for the Lien granted under this Agreement.

Section 6.2 Administrative Agent's Right to Perform Borrower's Obligations; No Liability of Administrative Agent. If the Borrower fails to perform any of the covenants or obligations contained herein, and such failure shall continue for a period ten (10) Business Days after the Borrower's receipt of written notice thereof from the Administrative Agent, the Administrative Agent may itself perform, or cause performance of, such covenants or obligations, and the reasonable expenses of the Administrative Agent incurred in connection therewith shall be payable by the Borrower to the Administrative Agent. Notwithstanding anything contained herein or the Administrative Agent's exercise of any of its rights or remedies hereunder, under the Loan Documents or otherwise at law or in equity, neither the Administrative Agent nor any Lender shall be deemed to be a mortgagee-in-possession nor shall the Administrative Agent or any Lender be subject to any liability with respect to the Collateral or otherwise based upon any claim of lender liability except to the extent that such loss or damage results from the Depository Bank's, the Administrative Agent's or any Lender's gross negligence or willful misconduct.

Section 6.3 No Waiver. Subject to Section 5.3, the rights and remedies provided in this Agreement and the other Loan Documents are cumulative and may be exercised independently or concurrently, and are not exclusive of any other right or remedy provided at law or in equity. No failure to exercise or delay by the Administrative Agent or the Lenders in exercising any right or remedy hereunder or under the Loan Documents shall impair or prohibit the exercise of any such rights or remedies in the future or be deemed to constitute a waiver or limitation of any such right or remedy or acquiescence therein. Every right and remedy granted to the Administrative Agent hereunder or by law may be exercised by the Administrative Agent at any time and from time to time, and as often as the Administrative Agent may deem it expedient. Any and all of the Administrative Agent's rights with respect to the lien and security interest granted hereunder shall continue unimpaired, and the Borrower shall be and remain obligated in accordance with the terms hereof, notwithstanding (a) any proceeding of the Borrower under the United States Bankruptcy Code or any bankruptcy, insolvency or reorganization laws or statutes of any state, (b) the release or substitution of Collateral at any time, or of any rights or interests therein (unless Borrower has paid in full all of the Obligations) or (c) any delay, extension of time, renewal, compromise or other indulgence granted by the Administrative Agent in the event of any default, with respect to the Collateral or otherwise hereunder. No delay or extension of time by the Administrative Agent in exercising any power of sale, option or other right or remedy hereunder, and no notice or demand which may be given to or made upon the Borrower by the Administrative Agent, shall constitute a waiver of such power of sale, option or other right or remedy, or limit, impair or prejudice the Administrative Agent's right, without notice or demand, to take any action against the Borrower or to exercise any other power of sale, option or any other right or remedy.

Section 6.4 Expenses. The Borrower shall pay to the Administrative Agent and/or the Administrative Agent's counsel within ten (10) Business Days of demand, from time to

time, all reasonable costs and expenses (including, but not limited to, reasonable attorneys' fees and disbursements, and transfer, recording and filing fees, taxes and other charges) actually incurred by the Administrative Agent in connection with the creation or perfection of any lien or security interest granted hereby or in connection with the performance by the Depository Bank of its obligations under this Agreement. Standard and customary fees and charges associated with the Controlled Account shall be included on a monthly account analysis statement which the Depository Bank shall submit to the Borrower for the Borrower's payment, which account analysis statements shall show all credits and debits to the Controlled Account for the reporting period covered by such statements. This statement shall set forth the fees and charges payable for such month for which the Depository Bank is entitled to reimbursement and shall be accompanied by reasonably detailed supporting documentation. If the Borrower fails to pay the fees and charges payable by the Borrower pursuant hereto the Depository Bank shall be entitled to charge the Controlled Account for such fees and expenses as indicated by the analysis statement.

Section 6.5 Entire Agreement. This Agreement constitutes the entire and final agreement between Depository Bank, on one hand, and Borrower and the Administrative Agent, on the other hand, with respect to the subject matter hereof, Borrower and the Administrative Agent will continue to be bound by the other Loan Documents as well. This Agreement may not be changed, terminated or otherwise varied, except by a writing duly executed by the parties.

Section 6.6 No Waiver. No waiver of any term or condition of this Agreement, whether by delay, omission or otherwise, shall be effective unless in writing and signed by the party sought to be charged, and then such waiver shall be effective only in the specific instance and for the purpose for which given.

Section 6.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 6.8 Notices. All notices, requests, demands, statements, authorizations, approvals, directions, consents and other communications provided for herein shall be given or made in writing and shall be deemed sufficiently given or served for all purposes as of the date (a) when hand delivered (provided that delivery shall be evidenced by a receipt executed by or on behalf of the addressee), (b) three (3) days after being sent by postage pre-paid registered or certified mail, return receipt requested, (c) one (1) Business Day after being sent by reputable overnight courier service (with delivery evidenced by written receipt), or (d) when sent by facsimile, with confirmation and a copy sent by first class mail, in each case addressed to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. The Borrower and the Depository Bank shall only be required to send notices, requests, demands, statements, authorizations, approvals, directions, consents and other communications to the Administrative Agent on behalf of all of the Lenders.

The Administrative Agent, the Borrower or the Depository Bank may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

2. LOANS AND LETTERS OF CREDIT

2.1. The Commitment.

(a) **Committed Amount.** Subject to the terms and conditions herein set forth, including **Sections 8.1, 8.2** (if applicable) and **8.3**, Lenders having Commitments agree severally, during the Availability Period: (i) to extend to Borrower or any Qualified Borrower a revolving line of credit; and (ii) to participate in Letters of Credit issued by the Letter of Credit Issuer for the account of Borrower or any Qualified Borrower.

(b) **Limitation on Borrowings.** Notwithstanding anything to the contrary herein contained, Lenders shall not be required to advance any Borrowing or cause the issuance of any Letter of Credit hereunder if:

(i) after giving effect to such Borrowing or issuance of such Letter of Credit: (A) the Principal Obligation would exceed the Available Loan Amount; (B) the Letter of Credit Liability would exceed the Letter of Credit Sublimit; or (C) any Implicit Borrowing Base Deficit would exist; or

(ii) an Event of Default or a Potential Default exists.

(c) **Exclusion Events.** If any of the following events (each, an "Exclusion Event") shall occur with respect to any Designated Investor or any Included Investor or, if applicable, the Sponsor, Responsible Party, or Credit Provider of such Investor (such Investor hereinafter referred to as a "Defaulting Investor"):

(i) it shall: (A) apply for or consent to the appointment of a receiver, trustee, custodian, intervenor, or liquidator of itself or of all or a substantial part of its assets; (B) file a voluntary petition as debtor in bankruptcy or admit in writing that it is unable to pay its debts as they become due; (C) make a general assignment for the benefit of creditors; (D) file a petition or answer seeking reorganization or an arrangement with creditors or take advantage of any Debtor Relief Laws; (E) file an answer admitting the material allegations of, or consent to, or default in answering, a petition filed against it in any bankruptcy, reorganization, or insolvency proceeding; or (F) take any personal, partnership, limited liability company, corporate or trust action, as applicable, for the purpose of effecting any of the foregoing;

(ii) an order, order for relief, judgment, or decree shall be entered by any court of competent jurisdiction or other competent authority approving a petition seeking such Person's reorganization or appointing a receiver, custodian, trustee, intervenor, or liquidator of such Person or of all or substantially all of its assets, and such order, judgment, or decree shall continue unstayed and in effect for a period of sixty (60) days;

(iii) any final judgment(s) for the payment of money which in the aggregate exceed fifteen percent (15%) of its net worth shall be rendered against such Person, and such judgment or judgments shall not be satisfied or discharged at least ten (10) days prior to the date on which any of its assets could be lawfully sold to satisfy such judgment;

(iv) such Investor shall repudiate, challenge, or declare unenforceable its obligation to make contributions to the capital of the applicable Credit Party pursuant to its Capital Commitment or a Call Notice; shall otherwise disaffirm any material provision of the Operating Agreement, the Stockholders Agreement or the Partnership Agreement, as applicable; or shall otherwise disaffirm any material provision of its Investor Letter; or a court of competent jurisdiction finds such Capital Commitment or the obligations under its Investor Letter unenforceable;

(v) such Investor shall fail to make a contribution to the capital of the applicable Credit Party when required pursuant to a Call Notice, subject to any applicable notice or cure periods, or shall otherwise be in material default under the Operating Agreement, the Stockholders Agreement, its Investor Letter or any Loan Document, following any applicable notice requirements or cure periods;

(vi) any representation or warranty made under its Investor Letter or any Loan Documents executed by such Person shall prove to be untrue or inaccurate in any material respect, as of the date on which such representation or warranty is made, and such Person shall fail to cure the adverse effect of the failure of such representation or warranty within thirty (30) days after written notice thereof is delivered by Administrative Agent to Borrower and to such Person;

(vii) such Investor shall transfer its Equity Interest in Borrower or Pledgor, as applicable, in violation of this Credit Agreement;

(viii) default shall occur in the performance by it of any of the covenants or agreements contained in its Investor Letter, the Operating Agreement, the Stockholders Agreement or the Partnership Agreement (except, in each case, as otherwise specifically addressed in this Section 2.1(c), in which case no grace period beyond any provided for herein shall apply) and such default shall continue uncured to the satisfaction of Administrative Agent for a period of thirty (30) days after written notice thereof has been given by Administrative Agent to Borrower and to such Investor;

(ix) in the case of each Included Investor that is a Rated Investor, it shall fail to maintain the Applicable Requirement for such Investor required in the definition of Applicable Requirement in Section 1 hereof;

(x) in the case of any Non-Rated Included Investor, such Investor shall fail to maintain a net worth (determined in accordance with Generally Accepted Accounting Principles), measured at the end of each fiscal year of such Person, of at least seventy-five percent (75%) of the initial net worth of such Investor, Sponsor, Responsible Party, or Credit Provider measured at the end of the fiscal year preceding the designation of such Investor as an Included Investor hereunder; or

(xi) in the case of each Designated Investor and Non-Rated Included Investor, following the occurrence of an event which materially adversely affects the ability of such Investor to fulfill its obligations under the Operating Agreement or the Stockholders Agreement, as applicable, and the Required Lenders elect to declare the occurrence of an Exclusion Event with respect to such Investor,

then as of the Effective Removal Date for such Exclusion Event, such Investor shall no longer be a Designated Investor or an Included Investor, as applicable, and Administrative Agent and the Borrower Parties shall treat such Defaulting Investor's Capital Commitment and Unfunded Capital Commitment as zero (0) for purposes of: (A) calculating the aggregate Unfunded Capital Commitment of the Designated Investors or Included Investors, as applicable, with respect to this Credit Agreement; (B) calculating the Available Loan Amount and Borrowing Base; and (C) calculating whether a mandatory prepayment is required to be made by Borrower pursuant to **Section 2.1(d)**.

(d) Mandatory Prepayment.

(i) **Excess Loans Outstanding.** If, on any day, the Principal Obligation exceeds the Available Loan Amount or if an Implicit Borrowing Base Deficit exists (including, without limitation, as a result of an Exclusion Event), then the Credit Parties shall pay on demand such excess or amount of Implicit Borrowing Base Deficit, as applicable, to Administrative Agent, for the benefit of Lenders, in immediately available funds (except to the extent any such excess is otherwise addressed by **Section 2.1(d)(ii)**): (A) promptly on demand (but in no event later than one (1) Business Day), to the extent such funds are available in the Collateral Account or another account maintained by Borrower; and (B) within fifteen (15) Business Days of demand to the extent that it is necessary for a Credit Party to issue Call Notices to fund such required payment (and the Credit Parties shall issue such Call Notices during such time, and shall pay such excess or amount of Implicit Borrowing Base Deficit, as applicable, immediately after the Capital Contributions relating to such Call Notice are received); provided that the amount of such excess shall be paid to Administrative Agent concurrently with the creation of such excess or deficit if it results from any willful act of any Credit Party. The Credit Parties hereby agree that Administrative Agent may withdraw from the Collateral Account any Capital Contributions deposited therein in respect of such Call Notices until the payment obligations required by this **Section 2.1(d)(i)** have been satisfied in full.

(ii) **Excess Letters of Credit Outstanding.** If any excess or amount of Implicit Borrowing Base Deficit, as applicable, calculated pursuant to **Section 2.1(d)(i)** is attributable to undrawn Letters of Credit, the Credit Parties shall Cash Collateralize the Letter of Credit Liability in the amount of such excess or Implicit Borrowing Base Deficit, as applicable, when required pursuant to the terms of **Section 2.1(d)(i)**, as security for such portion of the Obligations. Unless otherwise required by law, upon: (i) a change in circumstances such that the Principal Obligation no longer exceeds the Available Loan Amount; or (ii) the full and final payment of the Obligations, Administrative Agent shall return to the Credit Parties (or the applicable Qualified Borrower) any amounts remaining in said cash collateral account.

(e) **Loans in Dollars.** Each Loan made pursuant to this Credit Agreement shall be both funded and payable in Dollars.

2.2. Revolving Credit Commitment. Subject to the terms and conditions herein set forth, each Alternate Lender severally agrees, on any Business Day during the Availability Period, to make Loans to Borrower or any Qualified Borrower at any time and from time to time in an aggregate principal amount up to such Lender's Commitment at any such time; *provided, however, that, after making such Loans: (a) such Lender's Pro Rata Share of the Principal Obligation would not exceed such Lender's Commitment as of such date; and (b) the Principal Obligation of such Lender's Lender Group would not exceed the aggregate Commitment of the Alternate Lenders in such Lender Group.* Subject to the foregoing limitation, the conditions set forth in **Section 8** and the other terms and conditions hereof, Borrower or any Qualified Borrower may borrow, repay without penalty or premium, and re-borrow hereunder, during the Availability Period. Each Borrowing pursuant to this **Section 2.2** shall be funded ratably by each Lender Group in accordance with its Lender Group Percentage. No Lender shall be obligated to fund any Loan if the interest rate applicable thereto under **Section 2.11** hereof would exceed the Maximum Rate in effect with respect to such Loan.

2.3. Borrowing Procedures.

(a) **Loan Notice.** The applicable Borrower Party may request a Loan hereunder by delivering to Administrative Agent, by electronic mail, facsimile or by telephone notice followed by the written confirmation via electronic mail or other evidence of writing, a Loan Notice, appropriately completed and signed by a Responsible Officer of such Borrower Party (and each Loan Notice submitted by a Qualified Borrower must be countersigned by a Responsible Officer of Borrower), no later than 11:00 a.m. at least two (2) Business Days prior to the proposed date of any Loan (including the initial Loan). Each such Loan Notice shall specify: (i) the desired amount of such Loan, which shall be (a) at least \$500,000 at all times when there is only one Alternate Lender party hereto, and (b) at least \$1,000,000 at all times when there are two or more Alternate Lenders party hereto; (ii) the desired date of such Loan (the "**Loan Date**"), which shall be a Business Day; and (iii) such other information as is required by the form of such Loan Notice. Each Loan Notice submitted by such Borrower Party shall be deemed to constitute a representation and warranty by the applicable Borrower Party that: (i) the representations and warranties set forth in **Section 9** hereof are true and correct in all material respects on and as of the date of such Loan Notice, with the same force and effect as if made on and as of such date (except to the extent of changes in facts or circumstances that have been disclosed to the Administrative Agent and do not constitute an Event of Default or a Potential Default under this Credit Agreement or any other Loan Document); (ii) no Event of Default or, to its knowledge, Potential Default exists and is continuing at such date; (iii) the conditions specified in **Sections 8.1, 8.2** (if applicable) and **8.3**, have been or will be satisfied as of the Loan Date; and (iv) after giving effect to such Borrowing, the Principal Obligation will not exceed the Available Loan Amount as of such date. No Loan Notice shall be valid hereunder for any purpose unless it shall have been accompanied or preceded by the information and other documents required to be delivered in accordance with this **Section 2.3**. ☐ 0: All Loans hereunder shall be made by each Lender Group on a *pro rata* basis based on the Lender Group Percentage of each Lender Group.

(b) **Further Information.** Each Loan Notice shall be accompanied or preceded by: (A) a Borrowing Base Certificate dated the date of such Loan Notice; and (B) such documents as are required to satisfy any applicable conditions precedent as provided in **Section 8.2**.

(c) **Notification of Conduit Lender.** Administrative Agent will promptly notify each Managing Agent of Administrative Agent's receipt of any Loan Notice, and each Managing Agent will promptly notify each of the Lenders in its Lender Group. If the Loan Notice is received prior to the Conduit Investment Termination Date for a Conduit Lender, such Conduit Lender (or its Administrator on its behalf) shall instruct Administrative Agent to accept or reject such Loan Notice by notice given to Administrative Agent and the applicable Borrower Party by telephone or facsimile by no later than the close of its business on the later of the Business Day of its receipt of any such Loan Notice or the Business Day prior to the applicable Loan Date.

(d) **Loan Notice Irrevocable.** Each Loan Notice shall be irrevocable and binding on such Borrower and any applicable Qualified Borrower, and Borrower (and, if applicable, the Qualified Borrower) shall indemnify Lenders against any cost, loss, or expense incurred by Lenders, or any of them, as a result of any failure to fulfill, on or before the date specified in the Loan Notice, the conditions to such Borrowing set forth herein, including, without limitation, any cost, loss, or expense incurred by reason of the liquidation or redeployment of the deposits or other funds acquired by Lenders, or any of them, to fund the Borrowing to be made by Lenders as a part of such Borrowing when such Borrowing, as a result of such failure, is not made on such date (including, in the case of a Conduit Lender, pursuant to a Program Support Agreement), except with respect to a Borrowing for a Loan at the Base Rate, as to which Borrower shall not be required to indemnify Lenders against such costs, losses or expenses incurred by Lenders as a result of such liquidation or redeployment of funds. A certificate of Administrative Agent setting forth the amount of any such cost, loss or expense, and the basis for the determination thereof and the calculation thereof, shall be delivered to Borrower and the applicable Qualified Borrower and shall, in the absence of a manifest error, be conclusive and binding.

(e) **Alternate Lender's Commitment.** At no time will any Conduit Lender have any obligation to fund a Loan or participate in any Letter of Credit. At all times on and after the Conduit Investment Termination Date for a Conduit Lender or if a Conduit Lender has failed for whatever reason to fund its portion of a Borrowing in full, all Loans and participations in Letters of Credit shall be made by the Alternate Lenders of the related Lender Group. At any time when a Conduit Lender has rejected a request for Loan (it being understood that if a Conduit Lender does not fund any Loan in relation to which all of the conditions precedent set forth in **Section 8.2** (if applicable) and **Section 8.3** have been satisfied on the date set forth in the applicable Loan Notice, such Conduit Lender shall be deemed to have rejected the request for Loan), the related Managing Agent shall so notify the related Alternate Lenders and such Alternate Lenders shall make such Loan, on a *pro rata* basis, in accordance with their respective Alternate Lender Pro Rata Shares. Notwithstanding anything contained in this **Section 2.3(e)** or elsewhere in this Credit Agreement to the contrary, no Alternate Lender shall be obligated to provide Administrative Agent or any Borrower Party with funds in connection with a Loan in an amount that would result in the sum of the portion of the Loans then funded by it plus such Alternate Lender's Alternate Lender Pro Rata Share of the applicable Lender Group Percentage of the Letter of Credit Liability exceeding its Commitment then in effect (minus the unrecovered principal amount of such Alternate Lender's investments in the Principal Obligation pursuant to the Program Support Agreement to which it is a party). The obligation of each Alternate Lender to remit its Alternate Lender Pro Rata Share of any such Loan requested of its Lender Group shall be several from that of each other Alternate Lender, and the failure of any Alternate Lender to so make such amount available to Administrative Agent shall not relieve any other Alternate Lender of its obligation hereunder.

(f) Payment of Loan. On any Loan Date, each Conduit Lender or each Alternate Lender, as the case may be, shall remit its share of the aggregate amount of such Loan to Administrative Agent, by wire transfer of immediately available funds to Administrative Agent for the account of the appropriate Borrower Party no later than 12:00 noon. Administrative Agent shall in turn forward the same in immediately available funds to the appropriate Borrower Party's account at Administrative Agent specified in the Loan Notice, or, if requested by the applicable Borrower Party in the Loan Notice, wire transfer such funds as requested.

(g) Managing Agents May Advance Funds. Unless a Managing Agent shall have received notice from any Lender in its Lender Group that such Person will not make its share of any Loan available on the applicable Loan Date therefor (for purposes of this paragraph only, the "Loan Amount"), such Managing Agent may (but shall have no obligation to) make any such Lender's share of any such Loan available to the applicable Borrower Party in anticipation of the receipt by such Managing Agent of such Loan Amount from the applicable Lender. To the extent any such Lender fails to remit such Loan Amount to such Managing Agent after any such advance by such Managing Agent on such Loan Date, such Lender shall be required to pay such Loan Amount for its own account, together with interest thereon at a per annum rate equal to the Federal Funds Rate to such Managing Agent upon its demand therefor. If such Lender does not pay such Loan Amount together with such interest, such Managing Agent will promptly notify the Borrower, and Borrower shall immediately pay such Loan Amount to Administrative Agent (for distribution to the applicable Managing Agent), together with interest thereon from the applicable Loan Date through the date such Loan Amount is repaid to Administrative Agent promptly on demand, to the extent such funds are available in the Collateral Account; and otherwise, to the extent that it is necessary for Borrower to issue Call Notices to fund such required payment, within fifteen (15) Business Days after Administrative Agent's demand (but, in any event, the Credit Parties shall issue such Call Notices and shall make such payment promptly after the related Capital Contributions are received); or (ii) from any Qualified Borrower (as applicable), promptly on demand; in each case, together with interest at a rate per annum equal to the rate applicable to the requested Borrowing for the period commencing on the borrowing date and ending on (but excluding) the date Administrative Agent recovers the amount from Borrower. Until such amount shall be repaid, such amount shall be deemed to be a Loan funded by the applicable Managing Agent and such Managing Agent shall be deemed to be the owner of such Loan. Upon the payment of such amount to Administrative Agent by such Lender, such payment shall constitute such Person's payment of its share of the applicable Loan.

(h) **Defaulting Alternate Lender.** If, by 2:00 p.m. on any Loan Date or Assignment Date, as applicable, whether or not any Managing Agent has advanced the amount of the applicable Loan or paid the applicable Assignment Amount, one or more Alternate Lenders in a Lender Group (each, a “**Defaulting Alternate Lender**”, and each Alternate Lender other than any Defaulting Alternate Lender being referred to as a “**Non-Defaulting Alternate Lender**”) fails to make its share of any Loan available to Administrative Agent pursuant to **Section 2.3(f)** or any Assignment Amount payable by it pursuant to **Section 7.1** (the aggregate amount not so made available to Administrative Agent being herein called in either case the “**Loan Deficit**”), then such Alternate Lender’s Managing Agent shall, by no later than 2:30 p.m. on the applicable Loan Date or the applicable Assignment Date, as the case may be, instruct each Non-Defaulting Alternate Lender in such Lender Group to pay, by no later than 3:00 p.m. on such date, in immediately available funds, to the account designated by Administrative Agent, an amount equal to the lesser of: (i) such Non-Defaulting Alternate Lender’s proportionate share (based upon the relative Commitments of the Non-Defaulting Alternate Lenders) of the Loan Deficit with respect to such Lender Group; and (ii) its unused Commitment. A Defaulting Alternate Lender shall forthwith, upon demand, pay to its related Managing Agent for the ratable benefit of the Non-Defaulting Alternate Lenders all amounts paid by each Non-Defaulting Alternate Lender on behalf of such Defaulting Alternate Lender, together with interest thereon, for each day from the date a payment was made by a Non-Defaulting Alternate Lender until the date such Non-Defaulting Alternate Lender has been paid such amounts in full, at a rate *per annum* equal to the Default Rate. In addition, if, after giving effect to the provisions of the immediately preceding sentence, any Loan Deficit with respect to any Assignment Amount continues to exist, each such Defaulting Alternate Lender shall pay interest to the related Managing Agent, for the account of the related Conduit Lender, on such Defaulting Alternate Lender’s portion of such remaining Loan Deficit, at a rate *per annum*, equal to the Default Rate, for each day from the applicable Assignment Date until the date such Defaulting Alternate Lender shall pay its portion of such remaining Loan Deficit in full to such Conduit Lender.

(i) **Intent to Fund.** Subject to **Section 2.4**, each Conduit Lender confirms with Borrower that it intends to fund all Loans hereunder through the issuance of its Commercial Paper to the extent reasonably available prior to the occurrence of an Event of Default or Potential Default.

2.4. Determination of Yield and Interest Periods. For purposes of determining the Interest Period applicable to each Loan and of calculating Yield with respect thereto, each applicable Managing Agent shall allocate the Loans of the Lenders in its Lender Group to tranches (each a "Portion of Loan"). Any Portion of Loan funded by a Conduit Lender may from time to time be funded through the issuance of Commercial Paper or pursuant to a Program Support Agreement, in the sole discretion of such Conduit Lender. Any Portion of Loan funded by the Alternate Lenders or the applicable Program Support Providers shall accrue Yield at the Alternate Rate or Base Rate, as selected by the Borrower. Any Portion of Loan funded by the Conduit Lenders through the issuance of Commercial Paper shall accrue Yield at the applicable CP Rate. At any time, each Portion of Loan shall have only one Interest Period and one Rate Type. The aggregate Portions of Loans of each Lender Group at all times shall be equal to the Loans of such Lender Group, and at any time when the Loans are not divided into two or more portions, the term "Portion of Loans" shall mean 100% of the Loans of such Lender Group.

2.5. Letters of Credit.

(a) Letter of Credit Commitment.

(i) Subject to the terms and conditions hereof, on any Business Day during the Availability Period: (A) the Letter of Credit Issuer agrees, in reliance upon the agreements of the Lenders set forth in this Section 2.5: (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars for the account of a Borrower Party, in aggregate face amounts that shall be not less than \$500,000 (provided, however, three (3) Letters of Credit for amounts less than \$500,000 may be issued each calendar year), as a Borrower Party may request, and to amend or extend Letters of Credit previously issued by it; and (2) to honor drawings under the Letters of Credit; and (B) the Alternate Lenders severally agree to participate in Letters of Credit issued for the account of a Borrower Party and any drawings thereunder; provided that after giving effect to an issuance of a Letter of Credit: (1) the Principal Obligation will not exceed the Available Loan Amount on such date; (2) no Implicit Borrowing Base Deficit shall exist and (3) the Letter of Credit Liability will not exceed the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, a Borrower Party's ability to obtain Letters of Credit shall be fully revolving, and accordingly a Borrower Party may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. The Letter of Credit Issuer shall have the right to approve the form of Letter of Credit requested.

(ii) The Letter of Credit Issuer shall not issue or extend any Letter of Credit, if: (A) subject to Section 2.5(b)(iii), the expiration date of such Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless the Letter of Credit Issuer has approved such expiry date in its sole discretion; or (B) the expiration date of such Letter of Credit would occur after the date fifteen (15) Business Days prior to the Stated Maturity Date, unless the Borrower or applicable Qualified Borrower shall Cash Collateralize the then-outstanding Letter of Credit Liability in respect of such Letter of Credit fifteen (15) Business Days prior to the then-applicable Stated Maturity Date, and such Letter of Credit has an expiration date that is not later than twelve (12) months following the Stated Maturity Date.

(iii) The Letter of Credit Issuer shall be under no obligation to issue any Letter of Credit if: (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Letter of Credit Issuer from issuing such Letter of Credit, or any Law applicable to the Letter of Credit Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Letter of Credit Issuer shall prohibit, or request that the Letter of Credit Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Letter of Credit Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Letter of Credit Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Letter of Credit Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Letter of Credit Issuer in good faith deems material to it; (B) the issuance of such Letter of Credit would violate any Laws or one or more policies of the Letter of Credit Issuer; (C) such Letter of Credit is to be denominated in a currency other than Dollars; (D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or (E) a default of any Lender's obligations to fund hereunder exists or any Lender is at such time a Defaulting Alternate Lender hereunder, unless the Letter of Credit Issuer has entered into satisfactory arrangements with the Borrower Parties or such Lender to eliminate the Letter of Credit Issuer's risk with respect to such Lender.

(iv) The Letter of Credit Issuer shall be under no obligation to amend any Letter of Credit if: (A) the Letter of Credit Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof; or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of a Borrower Party delivered to the Letter of Credit Issuer (with a copy to Administrative Agent) in the form of a Request for Letter of Credit and an Application and Agreement for Letter of Credit, together with a Borrowing Base Certificate, each appropriately completed and signed by a Responsible Officer of such Borrower Party. Such Request for Letter of Credit must be received by the Letter of Credit Issuer and Administrative Agent not later than 11:00 a.m. at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, of any Letter of Credit (or such later date and time as Administrative Agent and the Letter of Credit Issuer may agree in a particular instance in their sole discretion). In the case of a request for an initial issuance of a Letter of Credit, such Request for Letter of Credit shall specify in form and detail satisfactory to the Letter of Credit Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the Letter of Credit Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, the related Request for Letter of Credit shall specify in form and detail satisfactory to the Letter of Credit Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the Letter of Credit Issuer may reasonably require. Additionally, the applicable Borrower Party shall furnish to the Letter of Credit Issuer and Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the Letter of Credit Issuer or Administrative Agent may reasonably require.

(ii) Promptly after receipt of any Request for Letter of Credit, the Letter of Credit Issuer will confirm with Administrative Agent (by telephone or in writing) that Administrative Agent has received a copy of such Request for Letter of Credit from a Borrower Party and, if not, the Letter of Credit Issuer will provide Administrative Agent with a copy thereof. The Letter of Credit Issuer shall also promptly notify each Managing Agent (which in turn shall promptly notify each Lender in its Lender Group) of the Request for Letter of Credit and the terms thereof. Unless the Letter of Credit Issuer has received written notice from any Lender, Administrative Agent or any Borrower Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in **Section 8** shall not then be satisfied, then, subject to the terms and conditions hereof, the Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit for the account of such Borrower Party or enter into the applicable amendment, as the case may be, in each case in accordance with the Letter of Credit Issuer's usual and customary business practices.

(iii) If a Borrower Party so requests in any applicable Request for Letter of Credit, the Letter of Credit Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit the Letter of Credit Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a Business Day (the **R 20:Non-Extension Notice Date**) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Letter of Credit Issuer, a Borrower Party shall not be required to make a specific request to the Letter of Credit Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Letter of Credit Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the Letter of Credit Issuer shall not permit any such extension if: (A) the Letter of Credit Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of **clause (ii) or (iii) of Section 2.5(a)** or otherwise); or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date: (1) from Administrative Agent that the Required Lenders have elected not to permit such extension; or (2) from Administrative Agent, any Lender or any Borrower Party that one or more of the applicable conditions specified in **Section 8.2** and, if applicable, **Section 8.3**, is not then satisfied, and in each such case directing the Letter of Credit Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Letter of Credit Issuer will also deliver to the applicable Borrower Party and Administrative Agent and each Managing Agent a true and complete copy of such Letter of Credit or amendment.

(v) Whenever the Letter of Credit Issuer issues a Letter of Credit, each Alternate Lender shall, automatically and without further action of any kind upon the effective date of issuance of such Letter of Credit, have irrevocably: (i) agreed to acquire a participation interest therein in an amount equal to its Alternate Lender Pro Rata Share of its Lender Group Percentage of the Letter of Credit Liability attributable to such Letter of Credit and (ii) committed to make a Loan hereunder equal to its Alternate Lender Pro Rata Share of its Lender Group Percentage of the applicable reimbursement amount in the event that such Letter of Credit is subsequently drawn and such drawn amount shall not have been reimbursed by a Borrower Party up on such draw or a Loan with respect to such unreimbursed draw is not made by such Alternate Lender's related Conduit Lender. In the event that any Letter of Credit expires or is surrendered to the Letter of Credit Issuer without being drawn (in whole or in part) then, in such event, the foregoing commitment to make Loans with respect to draws under such Letter of Credit shall expire with respect to such Letter of Credit and the Letter of Credit Liability shall automatically reduce by the amount of the Letter of Credit which is no longer outstanding. Each Lender shall share in all rights and obligations resulting therefrom, in accordance with such participation interest, including, without limitation: (i) the right to receive from Administrative Agent its share of any reimbursement of the amount of each draft drawn under each Letter of Credit, including any interest payable with respect thereto; (ii) the right to receive from the Letter of Credit Issuer its share of the Letter of Credit Fees pursuant to **Section 2.10** hereof; (iii) the right to receive from the Letter of Credit Issuer its additional costs pursuant to **Section 4** hereof; and (iv) the obligation to reimburse Administrative Agent in the form of a Loan to the applicable Borrower Party hereunder upon receipt of notice of any payment by the Letter of Credit Issuer.

(c) Drawings and Reimbursements; Funding of Participation.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the Letter of Credit Issuer shall notify the applicable Borrower Party and Administrative Agent thereof. Not later than 11:00 a.m. on the date of any payment by the Letter of Credit Issuer under a Letter of Credit (each such date, an "**Honor Date**"), the applicable Borrower Party shall reimburse the Letter of Credit Issuer through the Administrative Agent in an amount equal to the amount of such drawing. If a Borrower Party fails to so reimburse the Letter of Credit Issuer by such time, the Administrative Agent shall promptly notify each Managing Agent of the Honor Date, the amount of the unreimbursed drawing (the "**Unreimbursed Amount**"), and the amount of such Lender Group's Lender Group Percentage thereof. Each such notice by the Letter of Credit Issuer shall be treated as a Loan Notice by the applicable Borrower Party. In such event, the applicable Borrower Party shall be deemed to have requested a Borrowing to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in **Section 2.3**, but subject to the amount of the unutilized portion of the Available Loan Amount and the conditions set forth in **Section 8.2**, if applicable, and **Section 8.3** (other than the delivery of a Loan Notice). Any notice given by the Letter of Credit Issuer or Administrative Agent pursuant to this **Section 2.5(c)(i)** may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) If the Letter of Credit Issuer so notifies a Managing Agent prior to 11:00 a.m. on any Business Day, such Managing Agent's related Lender Group shall make available to Administrative Agent, for the account of the Letter of Credit Issuer, its Lender Group Percentage of the Unreimbursed Amount by 4:30 p.m. on such Business Day (or a subsequent day specified by Administrative Agent) in immediately available funds. If the Letter of Credit Issuer so notifies a Managing Agent after 11:00 a.m. on any Business Day, such Managing Agent's related Lender Group shall make available to Administrative Agent for the account of the Letter of Credit Issuer its Lender Group Percentage of the Unreimbursed Amount by 12:00 noon on the next Business Day (or a subsequent day specified by Administrative Agent) in immediately available funds. If any amounts have been deposited into a segregated interest-bearing cash collateral account for the purpose of Cash Collateralizing the Letter of Credit Liability, the Letter of Credit Issuer shall use such funds to satisfy any drawings under the Letters of Credit prior to notifying the Managing Agents of the need for a Loan with respect thereto. Lenders may conclusively rely on the Letter of Credit Issuer as to the amount due Administrative Agent by reason of any draft of a Letter of Credit or due the Letter of Credit Issuer under any Application and Agreement for Letter of Credit. If any payment received by Administrative Agent pursuant to this **Section 2.5(c)** is required to be returned under any of the circumstances described in **Section 14.4**, each Alternate Lender shall pay to Administrative Agent for the account of the Letter of Credit Issuer its Alternate Lender Pro Rata Share of the related Lender Group Percentage thereof on demand of Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing because the conditions set forth in **Section 8.2**, if applicable, and **Section 8.3**, cannot be satisfied or for any other reason, the applicable Borrower Party shall be deemed to have incurred from the Letter of Credit Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Lender Group's payment to Administrative Agent for the account of the Letter of Credit Issuer pursuant to **Section 2.5(c)(i)** shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from the applicable Lenders in such Lender Group in satisfaction of its participation obligation under this **Section 2.5**.

(iv) Until each applicable Lender in each Lender Group funds its Loan or L/C Advance pursuant to this **Section 2.5(c)** to reimburse the Letter of Credit Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender Group's Lender Group Percentage of such amount shall be solely for the account of the Letter of Credit Issuer.

(v) Each Alternate Lender's obligation to make Loans or L/C Advances to reimburse the Letter of Credit Issuer for amounts drawn under Letters of Credit, as contemplated by this **Section 2.5(c)**, shall be absolute and unconditional and shall not be affected by any circumstance, including: (A) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the Letter of Credit Issuer, any Credit Party, or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Potential Default or Event of Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Alternate Lender's obligation to make Loans pursuant to this **Section 2.5(c)** is subject to the conditions set forth in **Section 8.2**, if applicable, and **Section 8.3** (other than delivery of a Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligations of any Credit Party to reimburse the Letter of Credit Issuer for the amount of any payment made by the Letter of Credit Issuer under any Letter of Credit, together with interest as provided herein.
