ANNUAL MEETING OF SHAREHOLDERS TO BE HELD
May 10, 2011

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees ("Board of Trustees," "Trustees" or "Board") of Acadia Realty Trust (the "Company") for use at the annual meeting of shareholders scheduled to be held on Monday, May 10, 2011, at 1:00 p.m., local time, at the offices of Paul, Hastings, Janofsky & Walker, LLP, which are located at Park Avenue Tower, 75 East 55th Street, New York, NY 10022, or any postponement or adjournment thereof (the "Annual Meeting"). This Proxy Statement and accompanying form of proxy were first sent to shareholders on or about April 8, 2011.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on May 10, 2011 – This Proxy Statement and the Company's 2010 Annual Report to shareholders are available at www.acadiarealty.com/proxy.

The Company will bear the costs of the solicitation of its proxies in connection with the Annual Meeting, including the costs of preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In addition to solicitation of proxies by mail, the Company's Board of Trustees, officers and employees may solicit proxies in connection with the Annual Meeting by telephone, telegram, personal interviews or otherwise. Trustees, officers and employees will not be paid any additional compensation for soliciting proxies. Arrangements have been made with brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares of beneficial interest, par value \$.001 of the Company, (the "Common Shares") held of record by such persons or firms with their nominees, and in connection therewith, such firms will be reimbursed for their reasonable out-of-pocket expenses in forwarding such materials.

All properly executed and unrevoked proxies in the accompanying form that are received in time for the Annual Meeting will be voted at the Annual Meeting in accordance with the specification thereon. If no specification is made, signed proxies will be voted "FOR" each of proposals 1-3 set forth in the Notice of Annual Meeting. With respect to proposal 4, signed proxies returned without specific voting directions will be voted for a frequency of "THREE YEARS." Any shareholder executing and delivering a proxy has the right to revoke such proxy at any time prior to the voting thereof by notice to the Company. In addition, although mere attendance at the Annual Meeting will not revoke a proxy, a person present at the Annual Meeting may withdraw his or her proxy and vote in person at that time. Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to the attention of the Secretary, Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, New York 10605.

The Board of Trustees recommends a vote "FOR" proposals 1 through 3 and a vote of "THREE YEARS" for proposal 4.

OUTSTANDING SHARES AND VOTING RIGHTS

The outstanding capital shares of the Company as of March 31, 2011 consisted of 40,321,306 Common Shares. Holders of Common Shares are entitled to one vote for each Common Share registered in their names on the record date. The Board of Trustees has fixed the close of business on March 31, 2011 as the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. The presence, in person or by proxy, of the holders of Common Shares entitled to cast at least a majority of the votes of the outstanding Common Shares on March 31, 2011 will constitute a quorum to transact business at the Annual Meeting.

The approval of a majority of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting in the election of Trustees will be required to elect the nominees for Trustees at the Annual Meeting. There is no cumulative voting in the election of Trustees. The approval of a majority of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting will be required for the ratification of the appointment of BDO USA, LLP as the independent registered public accounting firm.

The approval of a majority of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting will be required for the advisory (non-binding) shareholder approval of the Company's executive compensation program for Named Executive Officers. The approval of a plurality of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting will be required in the advisory (non-binding) shareholder approval of the frequency of future shareholder votes on the Company's executive compensation program for Named Executive Officers.

Proxies marked "Abstain" and which have not voted on a particular proposal are included in determining a quorum for the Annual Meeting. Abstentions are not treated as votes cast in the election of Trustees or in the ratification of the appointment of the independent registered public accounting firm, and thus are not the equivalent of votes against a nominee or against the ratification of the appointment of BDO USA, LLP as the independent registered public accounting firm, as the case may be, and will not affect the vote with respect to these matters. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not

have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions). Broker non-votes, if any, will have no effect and will not be counted towards the vote total for any proposal.

PROPOSAL 1 — ELECTION OF TRUSTEES

There are six nominees for election as Trustees for one-year terms, expiring in 2012 or until their successors are elected. Election of each Trustee requires the approval of the majority of the votes cast by the holders of Common Shares in person or by proxy at the Annual Meeting.

The Company's Declaration of Trust provides that the Board of Trustees may be composed of up to a maximum of 15 members. Pursuant to a resolution of the Board, the Board of Trustees currently consists of six Trustees, each of whom serves until the next annual meeting and until his or her successor is duly elected and qualified. As stated elsewhere herein, the enclosed proxy will be voted for the election as Trustee of each nominee whose name is set forth below unless a contrary instruction is given. All of the nominees currently serve as Trustees of the Company. Management believes that all of its nominees are willing and able to serve the Company as Trustees. If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election, and as a consequence thereof, other nominees are designated, the persons named in the enclosed proxy or their substitutes will have the discretion and authority to vote or refrain from voting for other nominees in accordance with their judgment. The Board of Trustees has a Nominating and Corporate Governance Committee.

Trustee Independence

With five independent Trustees out of six, the Board has satisfied its objective that a majority of the Board should consist of independent Trustees. The Board of Trustees has affirmatively determined that each of Messrs. Crocker, Kellar, Spitz and Wielansky and Ms. Luscombe is independent under the rules of the New York Stock Exchange. In determining this, the Board of Trustees considered transactions and relationships between each Trustee or any member of his or her immediate family and the Company and its subsidiaries and affiliates. In determining Mr. Wielansky's independence, the Board of Trustees considered the fact that Mr. Wielansky is entitled to receive annual fees totaling \$100,000 for providing consulting services to the Company, including assisting with the underwriting and analysis of development and redevelopment opportunities as well as assisting with sourcing of direct acquisitions and identifying potential joint venture partners. The Board of Trustees did not consider this relationship to be material in determining Mr. Wielansky's independence because it believed the amount involved would not interfere with Mr. Wielansky's independent judgment. The Board of Trustees has determined that each member of the Audit, Compensation and Nominating and Corporate Governance Committees is independent under the criteria for independence set forth in the listing standards of the New York Stock Exchange. Upon the election of all nominees, the Company will continue to meet the New York Stock Exchange requirement for a majority of independent Trustees serving on the Board of Trustees.

The following is a brief description of the nominees for election as Trustees of the Company:

Nominees for Election as Trustees

Kenneth F. Bernstein, age 49, has been Chief Executive Officer of the Company since January of 2001. William T. Spitz, age 59, has been a Trustee of the Company since August 2007. Mr. Spitz has served as a Director of Diversified Trust Company, a private wealth management trust company, for 15 years and has served as a Principal since March 2009. Previously, he was Vice Chancellor for Investments and Treasurer of Vanderbilt University, Nashville, Tennessee from 1985 to July 2007. As Vice Chancellor for Investments at Vanderbilt, Mr. Spitz was responsible for managing the University's \$3.5 billion endowment. He was also a member of the Senior Management Group of the University, which is responsible for the day-to-day operations of the institution. During his tenure, the Vanderbilt endowment earned returns in the top 5% of a broad universe of endowments for multiple time frames. While at Vanderbilt, Mr. Spitz conducted asset allocation studies and implemented detailed investment objectives and guidelines, developed a comprehensive risk management plan, invested in approximately two hundred limited partnerships in five illiquid assets classes, selected new custodians for both the endowment fund and the University's charitable remainder trusts and implemented a more aggressive approach to working capital management which increased returns by 2% per annum. In addition, Mr. Spitz was also on the faculty of Vanderbilt University as Clinical Professor of Management-Owen Graduate School of Management. He has also held various high-level positions with successful asset management companies and has served on the board of several companies, including Cambium Global Timber Fund, The Common Fund, MassMutual Financial, and the Bradford Fund. Vote Required; Recommendation

The election to the Board of Trustees of each of the six nominees will require the approval of a majority of the votes cast by the holders of Common Shares in person or by proxy at the Annual Meeting. The Board of Trustees unanimously recommends that the shareholders vote "FOR" the election of each of the six nominees to the Board of Trustees.

PROPOSAL 2 — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Trustees has selected BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011 and has directed that the selection of the independent registered public accounting firm be submitted for ratification by the shareholders at the Annual Meeting.

Shareholder ratification of the selection of BDO USA, LLP as the Company's independent registered public accounting firm is not required by the Company's Declaration of Trust, Bylaws or otherwise. However, the Audit Committee is submitting the selection of BDO USA, LLP to the shareholders for ratification as a matter of what it considers to be good corporate practice. Notwithstanding the ratification of, or failure to ratify, the selection the Audit Committee of the Board of Trustees in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its subsidiaries.

Representatives of BDO USA, LLP are not expected to be present at the Annual Meeting.

Vote Required; Recommendation

The approval of a majority of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting in the ratification of the appointment of the independent registered public accounting firm is required to ratify the appointment of BDO USA, LLP as the independent registered public accounting firm. The Board of Trustees unanimously recommends that the shareholders vote "FOR" the ratification of BDO USA, LLP as the independent registered public accounting firm.

PROPOSAL 3 — ADVISORY APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION

As required under the newly enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Company is seeking a non-binding shareholder vote approving the compensation of Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules and as discussed in "*Compensation Discussion and Analysis*", the compensation tables and any related material. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the policies and practices described in this Proxy Statement.

The Board and management have thoughtfully designed the Company's executive compensation philosophy, policies and programs tailored with the understanding of the Company's business and the strategic mission of the Company.

The Compensation Committee's executive compensation objectives are as follows:

1. Motivating the Company's Named Executive Officers to create maximum shareholder value.
2. Providing incentives to the Company's Named Executive Officers that reward dedication, hard work and success.
3. Providing a compensation program that ensures "pay for performance."
4. Aligning the interests of the Company's Named Executive Officers and shareholders as closely as possible.
5. Aligning the interests of the Company's Named Executive Officers and the Company's external fund investors as closely as possible.
6. Creating the right mix of long-term incentives to motivate and to retain the Company's Named Executive Officers.
7. Creating an incentive compensation program that can go beyond the Company's Named Executive Officers and be utilized throughout the organization.

Vote Required; Recommendation

Because the shareholder vote is advisory, the results will not be binding upon the Board. However, the Compensation Committee will take the outcome of the vote expressed by its shareholders into consideration for future executive compensation arrangements. The Board of Trustees unanimously recommends that the shareholders vote "FOR" the advisory approval of the Company's executive compensation program for Named Executive Officers. Unless otherwise indicated by a shareholder on a proxy, shares will be voted "FOR" the approval of the executive compensation.

PROPOSAL 4 — ADVISORY APPROVAL OF THE FREQUENCY OF FUTURE SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Act, the Company also is required to seek a non-binding advisory shareholder vote regarding the frequency of submission to shareholders of a “Say on Pay” advisory vote such as set forth in Proposal 3 above. The Dodd-Frank Act specifies that shareholders be given the opportunity to vote on executive compensation programs either annually, every two years or every three years. Although this vote is advisory and non-binding, our Board of Trustees will review voting results and give serious consideration to the outcome of such voting.

The Board of Trustees has determined that an advisory shareholder vote on executive compensation every three years is the best approach for the Company and its shareholders for a number of reasons, including the following:

- A three-year cycle will provide shareholders with sufficient time to evaluate the effectiveness of the Company’s short-term and long-term incentive programs, compensation strategies and Company performance;
- A three-year cycle provides the Board of Trustees and the Compensation Committee with sufficient time to thoughtfully evaluate and respond to shareholder input and effectively implement any desired changes to the Company’s executive compensation program; and
- The Company’s executive compensation program is based on the Company’s long-term business strategy, which is more appropriately reflected with a three year timeframe.

Vote Required; Recommendation

The approval of a majority of the votes cast by holders of Common Shares in person or by proxy at the Annual Meeting is required for advisory (non-binding) approval of Proposal 4. If none of the alternatives presented in Proposal 4 (one year, two years or three years) receive a majority vote, the Board of Trustees will consider the highest number of votes cast by shareholders to be the frequency that has been selected by shareholders. In the event that no option receives a majority of votes cast, the Board of Trustees will consider the option that receives the most votes to be the option selected by the shareholders. However, because this vote is advisory and not binding on the Board of Trustees or the Company in any way, the Board may decide that it is in the best interests of the Company to hold an advisory vote on executive compensation more or less frequently than the option that received the most votes by the shareholders.

The Board of Trustees recommends a vote for “THREE YEARS” on Proposal 4 regarding the frequency of the shareholder vote to approve the compensation of the Named Executive Officers in accordance with compensation rules of the Securities and Exchange Commission. Signed proxies returned without specific voting directions will be voted for a frequency of “THREE YEARS.”

MANAGEMENT

Trustee Meetings and Attendance

During 2010, the Board of Trustees held four in-person meetings and two telephonic meetings, the Audit Committee held eight meetings, the Compensation Committee held four meetings and had a number of telephonic discussions, the Nominating and Corporate Governance Committee held three meetings and the Investment/Capital Markets Committee held no formal meetings but had a number of informal telephonic discussions to discuss potential transactions. The Board of Trustees believes consistent attendance with a minimum of missed meetings is important in carrying out the responsibilities of being a Trustee. The average attendance in the aggregate of the total number of Board of Trustees and committee meetings was 95%. No Trustee attended fewer than 85% of the aggregate of all meetings of the Board of Trustees and applicable committee meetings.

The Company does not have a formal policy requiring Trustees to be present at Annual Meetings, although the Company does encourage their attendance. All of the Company’s Trustees attended the 2010 Annual Meeting.

Board Leadership Structure

The Board’s Lead Trustee and Chief Executive Officer generally serve as the leadership of the Board. The Company does not have a chairperson of the Board. Mr. Wielansky, an independent Trustee who serves as a member of the Investment/Capital Markets Committee, has been selected by the Board to serve as the Lead Trustee. The Lead Trustee has final say on the agenda for all Board meetings. The Chief Executive Officer presides over the regular meetings of the Board of Trustees, calling each meeting to order and leading the Trustees through the agenda items. The Lead Trustee presides over all meetings of the non-management Trustees held in executive session. “Non-management” Trustees are all those who are not Company officers and include Trustees, if any, who are not “independent” by virtue of the existence of a material relationship with the Company. An executive session is held in conjunction with each regularly scheduled Board meeting and other executive sessions may be called by the Lead Trustee in his own discretion or at the request of the Board. The Lead Trustee has responsibility for facilitating communication among independent Trustees and between the independent Trustees and management, as well as additional

responsibilities that are more fully described in the Company's Corporate Governance Guidelines, which are available on the Company's website at www.acadiarealty.com in the Investors-Corporate Governance section. Please note that the information on the Company's website is not incorporated by reference in this Proxy Statement.

Because the Chief Executive Officer is the Trustee most familiar with the Company's business and industry and is the most capable of effectively identifying strategic priorities and leading the discussion regarding the execution of the Company's strategy, discussion at Board meetings is usually led by the Chief Executive Officer. Independent Trustees and management have different perspectives and roles in strategy development. The Company's independent Trustees bring experience, oversight and expertise from outside the Company, while the Chief Executive Officer brings company-specific experience and expertise. The Board believes that its leadership structure is appropriate because it combines an appropriate balance between independent leadership through the use of a Lead Trustee and strategy development, which results from the Chief Executive Officer leading the discussions on most Board topics.

Committees of the Board of Trustees

The Board of Trustees has standing Audit, Compensation, Nominating and Corporate Governance and Investment/Capital Markets Committees. The functions of each committee are detailed in its respective committee charter, which are available on the Company's website at www.acadiarealty.com in the "Investors — Corporate Governance" section. Please note that the information on the Company's website is not incorporated by reference in this Proxy Statement.

Audit Committee

The Audit Committee is empowered to engage the Company's independent registered public accounting firm and review the scope and results of the audit. The Audit Committee examines the accounting practices and methods of control and the manner of reporting financial results. These reviews and examinations include meetings with independent auditors, staff accountants and representatives of management. The results of the Audit Committee's examinations and the choice of the Company's independent registered public accounting firm are reported to the full Board of Trustees. The Audit Committee includes no officers or employees of the Company or any of its subsidiaries. The Audit Committee held eight meetings during the last fiscal year. See "Report of the Audit Committee."

The Audit Committee Charter requires that the Audit Committee be comprised of at least three members, each of whom is "independent," as defined by the listing standards of the New York Stock Exchange and at least one of whom is an "audit committee financial expert," as that term is defined by the SEC.

The following Trustees are members of the Audit Committee: Mr. Kellar (Chair), Ms. Luscombe and Mr. Spitz. Mr. Kellar and Ms. Luscombe have served as members of the Audit Committee since the 2004 annual meeting and Mr. Spitz was appointed a member in February 2010. The Board has determined that each of these members meets the independence requirements for members of audit committees prescribed by the listing standards of the New York Stock Exchange. Mr. Kellar serves on the audit committees of three other public companies, Mr. Spitz serves on the audit committee of one other public company and Ms. Luscombe serves on the audit committee of two public companies. The Board has determined that the participation by Messrs. Kellar and Spitz and Ms. Luscombe on these other audit committees does not impair their ability to serve effectively on the Company's Audit Committee. The Board has determined that Mr. Kellar and Ms. Luscombe are each an "audit committee financial expert," as that term is defined by the SEC. See the biographical information in "PROPOSAL 1 — ELECTION OF TRUSTEES" for their relevant experience.

Compensation Committee

The Compensation Committee is responsible for administering the Company's 1999, 2003 and 2006 Share Incentive Plans (the "Share Incentive Plans") and recommending to the full Board the compensation of the executive officers of the Company, including the Chief Executive Officer. In addition, the Compensation Committee evaluates the Chief Executive Officer's performance, coordinates and reviews the

Company's succession plans related to the Chief Executive Officer and other executive officers and reports the status of such plans to the Board annually.

The Compensation Committee held four meetings and had a number of telephonic discussions during the last fiscal year.

The Compensation Committee Charter requires that the Compensation Committee be comprised of at least two members, with all committee members being independent as defined by the listing standards of the New York Stock Exchange.

The members of the Compensation Committee during the last fiscal year were Messrs. Spitz (Chair), Kellar and Crocker. Mr. Spitz and Mr. Crocker have served as members since 2007 and Mr. Kellar has served as a member since 2004. The Board of Trustees has determined that each of these members is independent within the meaning of the listing standards of the New York Stock Exchange. See "Acadia Realty Trust Compensation Committee Report."

For information relating to the compensation consultant hired by the Compensation Committee, please refer to the discussions under the headings "Specific Elements of Acadia Realty Trust's Executive Compensation Program - A. Base Salaries," "V. Benchmarking" and "VIII. Specific 2010 Decisions and 2011 Changes" in "Compensation Discussion and Analysis" below.

- a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as a Trustee of the Company.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for reviewing the qualifications and performance of the Board of Trustees and recommending nominees for Trustees and Board committees to the Board. The Nominating and Corporate Governance Committee is also responsible for recommending to the Board changes in the Company's Corporate Governance Guidelines. The Nominating and Corporate Governance Committee charter requires the Nominating and Corporate Governance Committee to be comprised of at least two members, each of whom is independent as defined by the listing standards of the New York Stock Exchange.

Members of the Nominating and Corporate Governance Committee during the last fiscal year were Ms. Luscombe (Chair), who has served since the 2005 annual meeting and Mr. Crocker, who has served since August 2005. The Board of Trustees has determined that both of these members are independent within the meaning of the listing standards of the New York Stock Exchange. The Nominating and Corporate Governance Committee held three meetings during the last fiscal year.

The Nominating and Corporate Governance Committee will consider all shareholder recommendations for candidates for the Board of Trustees. All shareholder recommendations should be sent to the Committee, c/o Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260 White Plains, NY 10605, Attention: Corporate Secretary, and should include all information relating to such person that is required to be disclosed in a proxy statement for the election of Trustees or is otherwise required pursuant to Regulation 14A under the Exchange Act. Shareholders must also include the nominee's written consent to being named in the Proxy Statement as a nominee and to serving as a Trustee if elected. Furthermore, the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made must include their names and addresses as they appear on the Company's books, as well as the class and number of Common Shares of the Company that they beneficially own. The Committee may identify other candidates, if necessary, through recommendations from directors, management, employees or outside consultants.

The Committee will review candidates in the same manner regardless of the source of the recommendation. Under the Company's Bylaws, a shareholder must deliver notice of nominees for Trustee to the Company's Corporate Secretary not less than 60 days and no more than 90 days prior to the first anniversary date of the preceding year's annual meeting, provided, however, that in the event that the date of the annual meeting is advanced by more than 30 days or delayed by more than 60 days from the anniversary date of the preceding year's annual meeting, notice by the shareholder must be so delivered not earlier than the 90th day prior to such annual meeting and not later than the close of business

on the later of the 60th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such annual meeting is first made.

Trustee Qualifications and Review of Trustee Nominees

The Nominating and Corporate Governance Committee makes recommendations to the Board of Trustees regarding the size and composition of the Board. The Nominating and Corporate Governance Committee annually reviews the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity of backgrounds, experience and competencies required for the Board as a whole and contains at least the minimum number of independent Trustees required by applicable laws and regulations. The Nominating and Corporate Governance Committee is responsible for ensuring that the composition of the Board accurately reflects the needs of the Company to execute its strategic plan and achieve its objectives. In the event the Nominating and Corporate Governance Committee determines that additional expertise is needed on the Board or there is a vacancy, the Nominating and Corporate Governance Committee expects to use its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm.

The Company's strategic plan can be summarized in the following broad categories:

- Maintain a strong balance sheet;
- Maintain a strong core portfolio;
- Enhance the Company's external growth platform; and
- Utilize its experienced management team.

In evaluating a Trustee candidate, the Nominating and Corporate Governance Committee considers factors that are in the best interests of the Company and its shareholders, including the knowledge, experience, integrity and judgment of the candidate; the potential contribution of the candidate to the diversity of backgrounds, experience and competencies required by the Board; the candidate's ability to devote sufficient time and effort to his or her duties as a Trustee; independence and willingness to consider all strategic proposals and oversee the agreed upon strategic direction of the Company; and any other criteria established by the Board, as well as other core competencies or technical expertise necessary to fill all of the Board committees.

Each nominee meets the foregoing criteria and also brings a strong and unique background and set of skills to the Board, giving the Board, as a whole, competence and experience in a wide variety of areas. The skills include:

- General real estate experience;
- Real estate investment;
- Asset management experience;
- REIT experience;
- Financial expertise;
- Real estate development experience;
- Public company board service;
- Corporate governance expertise;
- CEO experience;
- Experience in risk management; and
- Experience in mergers and acquisitions.

Investment/Capital Markets Committee

The Investment/Capital Markets Committee (the "Investment Committee") has been established for the primary purpose of (i) screening all transactions that are within certain defined pre-approval limits to ensure such transactions are within such limits, (ii) acting as the pricing committee for all equity offerings, (iii) for other investments and capital market transactions, the approval of which is not otherwise delegated by the Board of Trustees to management, from time to time, and (iv) exercising such other authority as is given to it from time to time by the Board of Trustees. The Investment Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as deemed appropriate to perform its duties and responsibilities.

The Investment Committee charter requires that it be comprised of at least three members, each of whom is independent as defined by the listing standards of the New York Stock Exchange. The Company's Chief Executive Officer is an *ex-officio* member of the Investment Committee. Messrs. Crocker (Chair) and Wielansky have served as the members of the Investment Committee since the 2004 Annual Meeting and Mr. Spitz has served since 2007. The Board of Trustees has determined that each of these members is independent within the meaning of the listing standards of the New York Stock Exchange. The Investment Committee held no formal meetings, but had a number of informal telephonic discussions to discuss potential transactions, during the last fiscal year.

Other Corporate Governance Initiatives

The Company has adopted a Code of Ethics as defined under the rules of the SEC that applies to all of the Company's officers, trustees and employees. Risk Oversight

The entire Board and each of its committees are involved in overseeing risk associated with the Company. The Board and the Audit Committee monitor the Company's financial and regulatory risk through regular reviews with management and internal and external auditors and other advisors. In its periodic meetings with the internal auditors and the independent accountants, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls and assessment of business risks. The Board and the Nominating and Corporate Governance Committee monitor the Company's corporate governance policies and procedures by regular review with management and outside advisors. The Board and the Compensation Committee monitor CEO succession and the Company's compensation policies and related risks by regular reviews with management and the Committee's outside advisors.

As part of its oversight of the Company's executive compensation program, the Compensation Committee considers the impact of the Company's executive compensation program, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. Based on these reviews, the Company has concluded that its compensation policies and procedures are not reasonably likely to have a material adverse effect on the Company.

COMPENSATION DISCUSSION AND ANALYSIS

Discussed and analyzed below are the Company's compensation programs for its Named Executive Officers who are included in the Summary Compensation Table on page 27 (collectively, the "Named Executive Officers" or "NEOs").

The primary goals of the Company's compensation program involve linking executive pay to Company performance, aligning the interests of management with those of the shareholders and investors and retention. In an environment recovering from 2008-2009's volatile and intense global economic pressure, the Company completed a solid and profitable year, while maintaining its strong financial condition and balance sheet in 2010.

For the reasons explained further below, the Compensation Committee concluded that the 2010 performance based compensation, together with 2010 base salary levels are well aligned with the Company performance for the year and that the linkage between pay and performance is strong.

I. Objectives of Acadia Realty Trust's Executive Compensation Program

The Company's success depends on developing, motivating and retaining executives who have the skills and expertise to lead a fully integrated, self-managed and self-administered equity REIT. In designing its executive compensation program, the Company seeks to give the Board of Trustees, the shareholders, and the management team a clear understanding of how total compensation is determined. The ultimate goals for all parties involved are fairness, transparency, predictability, retention and performance maximization.

The executive compensation program is designed to help the Company achieve the objectives that are reflected in the Compensation Committee's Charter which is available on the Company's website at www.acadiarealty.com in the "Investors — Corporate Governance" section.

The Compensation Committee's executive compensation objectives are as follows:

1. Motivating the Company's Named Executive Officers to create maximum shareholder value.
2. Providing incentives to the Company's Named Executive Officers that reward dedication, hard work and success.
3. Providing a compensation program that ensures "pay for performance."
4. Aligning the interests of the Company's Named Executive Officers and shareholders as closely as possible.
5. Aligning the interests of the Company's Named Executive Officers and the Company's external fund investors as closely as possible.
6. Creating the right mix of long-term incentives to motivate and to retain the Company's Named Executive Officers.
7. Creating an incentive compensation program that can go beyond the Company's Named Executive Officers and be utilized throughout the organization.

The following sections describe the components of the Company's executive compensation program and the process for determining the compensation of the Named Executive Officers. The process includes input from the Chief Executive Officer ("CEO") (except with respect to his own compensation), the Compensation Committee and the Board of Trustees and an objective review of the Company's performance, the individual Named Executive Officer's performance and the individual Named Executive Officer's unit performance. For a discussion of compensation for the members of the Board of Trustees, see "Board of Trustees Compensation."

II. Specific Elements of Acadia Realty Trust's Executive Compensation Program

The Company's executive compensation program reflects the Company's desire to have a compensation structure that has sufficient depth to encourage its management team to meet the short-term and long-term objectives described above (see the discussion under "Objectives of Acadia Realty Trust's Executive Compensation Program"), but also sufficient clarity to ensure that the Board of Trustees, shareholders and the management team have an understanding of how total compensation is determined. The Company's executive compensation program's overall guiding principle of "pay for performance" consists of four main elements:

- A. Base salaries that provide a minimal level of compensation
- B. Discretionary, performance-based incentive compensation
- C. Post-employment severance and change in control payments
- D. Standard employee benefit plans

A. Base Salary

The starting point for the Company's executive compensation program is an annual base salary. The Compensation Committee recommends to the full Board of Trustees the base salaries for the Named Executive Officers as fixed amounts to provide the minimum amount of compensation that a Named Executive Officer will receive in a given year. Base salaries are reviewed annually and adjusted to reflect market data, individual circumstances, such as promotions, as well as the Company's performance and existing economic conditions.

The Compensation Committee's base salary recommendations for the Named Executive Officers are generally made on a discretionary basis from year to year, with the objective of providing a minimal base salary and placing an emphasis on incentive based compensation. Market data provided by FTI Schonbraun McCann Group, a real estate advisory practice of FTI Consulting, Inc. ("SMG" or "Compensation Committee Consultant") related to the base salaries of the Company's peer group discussed below (the "Peer Group") is also used by the Compensation Committee to determine base salary recommendations. The Compensation Committee does not believe narrow quantitative measures or formulas are sufficient for determining the Named Executive Officers' compensation.

The Compensation Committee engaged SMG as its independent third party consultant to obtain executive compensation information for the Peer Group. The Peer Group compensation information provided by SMG, at the direction of the Compensation Committee, for each executive position included, among other things, base salary, annual cash incentive awards, long-term incentive awards and total compensation at the 25th, 50th, and 75th percentiles and the average. SMG serves only as an advisor to the Compensation Committee by providing data relevant to REIT peers and discussing compensation practices as directed by the Compensation Committee. SMG also reviews proposed recommendations made to the Compensation Committee by management and provides commentary regarding the reasonableness of such pay programs and pay level adjustments. SMG and its affiliates have not been retained to provide any other services to the Company.

B. Performance Incentive Compensation

The Compensation Committee and the Board of Trustees continue to emphasize long-term performance in the form of shares of Common Shares subject to vesting and, in some instances, benchmarking ("Restricted Shares"), long-term incentive partnership units ("LTIP Units") that are subject to vesting and, in some instances, benchmarking ("Restricted LTIP Units") and the Long Term Investment Alignment Program (described below). While the Compensation Committee may also use cash to reward performance, it has done so only on a limited basis. Incentive awards reflect the Compensation Committee's recommendations to the full Board of Trustees as they are based on the Committee's discretionary assessment of corporate, business unit and individual performance of each Named Executive Officer (with the assistance of the CEO for Named Executive Officers other than himself). The Compensation Committee makes incentive compensation recommendations at its January meeting for subsequent approval by the Board of Trustees, with incentive awards being made in the first quarter of each year for the prior year's performance.

In keeping with the long-term and highly technical and cyclical nature of the Company's business, the Compensation Committee places significant emphasis on a long-term approach to executive compensation while balancing the short-term needs of its executives. Incentive awards are discretionary and based on corporate, business unit and individual performance. They are intended to: (i) develop and retain strong management through the inclusion of vesting provisions, (ii) emphasize share ownership, and (iii) create direct alignment with shareholder interests. They may also include certain performance criteria the Compensation Committee deems appropriate and relevant to the Company's business plan to ensure that management is motivated to focus on sustained Company performance. The Company has historically used Restricted Shares and options to purchase Common Shares issued under its Share Incentive Plans, principally through its Restricted Share Bonus Program (described below) and Restricted LTIP Units as its primary form of long-term incentive compensation. Because the Company's long-term incentive program is designed to motivate the Company's Named Executive Officers, the Company does not consider prior amounts granted in setting future compensation levels.

(1) Long Term Incentive Program Units

In 2007, the Compensation Committee recommended and the Board of Trustees approved a program to issue Restricted LTIP Units to the Named Executive Officers as part of a Restricted LTIP Unit program that granted a choice between Restricted LTIP Units and Restricted Shares for 2007 and 2008. Restricted LTIP Units are similar to Restricted Shares but unlike Restricted Shares, provide for a quarterly partnership distribution in a like amount as paid to holders of common partnership units in Acadia Realty Limited Partnership, the Company's operating partnership. The Restricted LTIP Units are convertible into common partnership units and, ultimately, Common Shares upon vesting. Vesting, which is partially subject to the recipient's continued employment with the Company through the applicable vesting dates, typically occurs pro rata over five years from the date of grant. In addition, the vesting of a certain portion of the Restricted LTIP Units is contingent upon the Company achieving or exceeding certain thresholds in the year such vesting is scheduled to occur. For vesting of this portion of the Restricted LTIP Units, one of the following must occur: (i) the Company must achieve a 7% or greater increase in funds from operations ("FFO"); (ii) FFO growth must be equal to or greater than the top one-third of the Peer Group, as determined by the Compensation Committee; (iii) the Company must achieve a 10% annual total shareholder return; or (iv) the total annual shareholder return must be equal to or greater than the top one-third of the Peer Group.

(2) Restricted Shares

Restricted Shares generally carry many of the rights of unrestricted Common Shares, including voting rights and deferred dividend rights as described below, but may not be transferred, assigned or pledged until the recipient has a vested, non-forfeitable right to these shares. Vesting, which is partially subject to the recipient's continued employment with the Company through the applicable vesting dates typically occurs pro rata over five years from the date of grant. In addition, the vesting of a certain portion of the Restricted Shares is contingent upon the Company's shareholder return exceeding certain thresholds in the year such vesting is scheduled to occur. For vesting of this portion of the Restricted Shares, one of the following must occur: (i) the Company must achieve a 7% or greater increase in funds from operations ("FFO"); (ii) FFO growth must be equal to or greater than the top one-third of the Peer Group, as determined by the Compensation Committee; (iii) the Company must achieve a 10% annual total shareholder return; or (iv) the total annual shareholder return must be equal to or greater than the top one-third of the Peer Group. Recipients of Restricted Shares do not receive dividends on those shares until they vest, at which time they receive a lump sum cash payment in lieu of all accumulated dividends that were paid to holders of our Common Shares during the period from the date of grant of the Restricted Shares to the date the Restricted Shares vest.

(3) Share Options

Although the Company has the discretion to award options pursuant to the 2006 Share Incentive Plans, it has not done so in the last four years and has no present intention to do so, which is consistent with industry and marketplace practices that are moving toward Restricted Shares, Restricted LTIP Units and other incentive based awards or direct ownership based awards.

(4) Long Term Investment Alignment Program

In reviewing overall compensation for the Named Executive Officers, the Company continually seeks methods to enhance its "pay for performance" philosophy. In an effort to further ensure that management's investment focus remains on the ultimate success of the investment, in 2009, the Compensation Committee recommended, and the full Board approved, the addition of a component of compensation called the Long Term Investment Alignment Program (the "Program"). The Program provides an incentive for high, long-term performance. The Company's current business model aims to create shareholder value by increasing earnings through the profitable management of joint venture investment funds. As described herein, the Board of Trustees believes this form of compensation greatly benefits the Company's shareholders.

The Program is designed to accomplish the following:

- Reward management for true, long-term performance and not simply for making investment decisions without consideration of actual value realized.
- Motivate management to deliver superior returns to opportunity fund investors, as well as to the Company through its direct investment, through strategic investments and successful liquidation of Acadia Strategic Opportunity Fund III LLC ("Fund III") and thereby increasing shareholder value.
- Provide a retention tool for years to come.
- Further align the interests of management and shareholders and external investors.

The Program is directly tied to the actual performance of Fund III and is designed as follows: The Company is entitled to a profit participation (the "Promote") of 20% of all cash distributed from Fund III in excess of (i) the return of all invested capital and (ii) the 6% preferred rate of return (*i.e.*, 6% IRR). Under the Program, after the payment of the preferred return and return of all invested capital, the Company may award up to 25% of its Promote to senior executives, or 5% of each dollar distributed by Fund III after the preferred return has been paid to investors. Each individual's allocation of the 25% of the Promote is subject to time-based, annual vesting over a five year period from the grant date with 10% in years 1 and 2, 20% in years 3 and 4 and 40% in year 5.

If the Fund III investors do not receive a return of all their invested capital and the 6% preferred return, no Promote will be paid to the Company and senior executives will receive no compensation under the Program. There is no interim profit participation on a transaction by

transaction basis and thus a greater emphasis is placed on all investments being carefully selected and managed for the long term. The Program increases the alignment between senior executives and the Fund III investors. Additionally, it should be noted that the Company is a significant Fund III investor, with a 20% investment. The long term success of Fund III benefits the Company, and thus shareholders, through both its capital investment and the Promote.

In 2009, 2010 and 2011, the awards listed below, as a percentage of the potential Promote, were made as a result of the recommendation of the Compensation Committee and approval by the Board of Trustees. In the future, the Compensation Committee and the Board of Trustees may or may not recommend or approve awards to executive officers of additional allocations up to the permitted 25%.

<u>Name</u>	<u>2009 Award Percentage</u>	<u>2010 Award Percentage</u>	<u>2011 Award Percentage</u>	<u>Total Percentage</u>
Kenneth F. Bernstein	6.2500%	0.6250%	0.8350%	7.7100%
Michael Nelsen	0.7500%	0.1250%	0.1300%	1.0050%
Joel Braun	2.5000%	0.3125%	0.4000%	3.2125%
Robert Masters	0.7500%	0.1250%	0.1350%	1.0100%
Christopher Conlon	0.2500%	0.5475%	0.5475%	1.3450%
Total	10.5000%	1.7350%	2.0475%	14.2825%(1)

Notes:

- (1) The total percentage of the Promote allocated may not be directly correlated with the amount of Fund III invested. This provides the Promote recipients with incentive to acquire appropriate assets with the remaining funds in Fund III and to ensure that diligent efforts will be made to achieve stabilization of those assets.

As of March 31, 2011, the Company has determined that the awards currently have no value.

The awards shown in the table above are reflective of each Named Executive Officer's role in connection with investments made in Fund III.

Mr. Bernstein was granted 6.2500% of the Promote in 2009, 0.6250% in 2010 and 0.8350% in 2010. As Chief Executive Officer of the Company, Mr. Bernstein is the ultimate decision maker on what investments, if any, Fund III will make. He also sources many of the transactions that become investments through his many contacts in the real estate business. His acumen in investing is one of the reasons behind the Company's success and the independent members of the Board of Trustees believe it is appropriate that he be given the largest grant.

Mr. Braun was granted 2.500% of the Promote in 2009, 0.3125% in 2010 and 0.4000% in 2011. Mr. Braun is the Chief Investment Officer of the Company, specifically charged with running the acquisitions group at the Company, sourcing investments to be reviewed, heading up the due diligence efforts, coordinating the efforts of the Company's team, investigating the asset, being responsible for the investment book describing the asset for approval by the Fund III investors as well as the Company's Capital Markets and Investments Committee of the Board of Trustees, and negotiating the purchase with the seller. As a result of the critical role Mr. Braun plays in acquiring assets for Fund III, the Board of Trustees granted him an allocation which it believes reflects his contribution to Fund III's success.

Mr. Conlon was granted 0.2500% of the Promote in 2009, 0.5475% in 2010 and 0.5475% in 2011. Mr. Conlon, in addition to holding the title of Senior Vice President, Leasing and Development, supports the acquisition process for Fund III. Part of the acquisition process involves Mr. Conlon using his expertise to evaluate existing tenants of an asset, the store profitability of the tenants and reviewing and determining the likelihood of replacing tenants at lower, the same or higher rents. In addition, Mr. Conlon's contacts and informal discussions with tenants can shed light on the viability of a location. Finally, Mr. Conlon's role as head of Development is a crucial part of Fund III's development strategy. As a result of the critical role Mr. Conlon plays in the long term planning and design of Fund III, the Board of Trustees granted him an allocation which it believes reflects his contribution to Fund III's success.

Messrs. Nelsen and Masters were granted equal allocations of 0.75% in 2009 and 0.125% in 2010. In 2011, Messrs. Nelsen and Masters were granted allocations of 0.1300% and 0.1350%, respectively. These allocations reflect their respective roles in managing both the acquisition process for Fund III, but equally importantly their ongoing role in developing, managing, financing and stabilizing the acquired assets. Although each of them has a role in the all important acquisition process, their roles are subordinate to those of Messrs. Bernstein, Braun and Conlon. Their responsibilities do extend beyond the acquisition phase and continue until the assets are sold. Thus, the Board of Trustees concluded that allocations for Messrs. Nelsen and Masters that were smaller than those given to Messrs. Bernstein, Braun and Conlon were appropriate.

C. Post-employment Severance and Change in Control Payments; Recoupment of Awards

The Company offers post-employment severance and change in control within the meaning of the 1999, 2003 and 2006 Share Incentive Plans (“Change in Control”) payments to its Named Executive Officers based on the circumstances of termination. The Company includes severance and Change in Control payments as an element of its executive compensation structure to support the compensation elements described above. However, the Company’s severance and Change in Control payment structure also serves an important retention function by providing for forfeiture of awards in appropriate circumstances, such as in the event of a voluntary termination.

D. Standard Employee Benefit Plans

The Company provides a variety of medical, dental, life, disability and accidental death and dismemberment insurance policies that are generally available to all of its full-time employees. The Company also provides a contributory 401(k) savings plan to employees of the Company (the “401(k) Plan”), which provides for matching contributions of 50% up to the first 6% of the participant’s base salary contributed to the 401K (k) Plan. The All Other Compensation Table summarizes the matching contributions that the Company made to the Named Executive Officers under the 401(k) Plan for the fiscal years ended December 31, 2010, 2009 and 2008. The costs of these benefits constitute only a small percentage of each of the Company’s Named Executive Officer’s total compensation.

In 2003, the Company instituted the Acadia Realty Trust Employee Share Purchase Plan (the “Share Purchase Plan”). The Share Purchase Plan allows eligible employees of the Company to purchase, through payroll deductions, Common Shares in the Company at a 15% discount to the closing price of the Company’s Common Shares on either the first day or the last day of the quarter, whichever is lower. The Share Purchase Plan is designed to retain and motivate the employees of the Company and its designated affiliates by encouraging them to acquire ownership in the Company. The Company has reserved 100,000 Common Shares for issuance under the Share Purchase Plan. The Share Purchase Plan is intended to be an “employee stock purchase plan” within the meaning of Section 423 of the United States Internal Revenue Code of 1986, as amended, which allows an employee to defer recognition of taxes when purchasing Common Shares under such a plan. During 2010, 2009 and 2008, 6,184, 8,744 and 7,499 Common Shares, respectively, were purchased by employees under the Share Purchase Plan. As of the date hereof, no Named Executive Officer participates in the Share Purchase Plan.

E. Deferred Compensation

Pursuant to the Company’s 2006 Deferred Compensation Plan, as detailed in the section, entitled, “Board of Trustees Compensation” below, the Named Executive Officers may elect to defer receipt of any portion of their annual compensation. To date, no Named Executive Officer has elected to defer his compensation.

III. Method for Determining Executive Compensation

In evaluating executive compensation, the Compensation Committee considers an annual report and recommendations from the Company’s CEO for the Company’s Named Executive Officers and other senior officers (excluding the CEO himself). In addition, the Compensation Committee Consultant advises the Compensation Committee on executive compensation. The Compensation Committee is responsible for recommending the CEO’s compensation to the independent Trustees. The CEO does not participate in approving his own compensation. The Compensation Committee continually focuses on attaining the right balance between company size, complexity of the business model and performance, and considers Peer Group data provided by Compensation Committee Consultant and surveys with respect to other publicly-traded REITs of comparable size to the Company (see below for further information). The Compensation Committee uses the Peer Group data to compare the companies’ executive compensation programs as a whole and the total compensation of individual executives. The Compensation Committee does not identify a particular level of competitiveness with other companies, but tries to attain a range and a target of compensation for each position that is competitive in the marketplace.

The Company’s size can impact management’s scope of responsibility and, thus, should be a component of the compensation analysis, but absolute and relative performance is also a critical component, as well as the sophisticated nature of the Company’s business. The Compensation Committee also takes into account the complicated fund structure and the value-added nature of the Company’s business when comparing executive compensation with companies of similar market capitalization but with less of a growth and redevelopment focus.

IV. How the Elements of Executive Compensation Interact and Affect Each Other

The Company believes the four main elements of its executive compensation structure – base salaries that provide a minimal level of compensation, performance incentive compensation, post-employment severance and Change in Control payments and standard employee benefits – are well aligned with the Company’s seven overall executive compensation objectives listed above under “Objectives of Acadia Realty Trust’s Executive Compensation Program.” The Company believes that a well-proportioned mix of reliable compensation in the form of a base salary with compensation intended to provide incentives and rewards for dedication, hard work, and success in the form of performance incentive compensation will produce a high level of performance for the Company and will promote the Company’s “pay for performance” philosophy.

Overall, the Company’s Compensation Committee has endeavored to structure the total compensation of the Company’s Named Executive Officers in a manner that is competitive in the REIT industry, while emphasizing performance-based compensation more heavily than base

salaries. In this way, the Company's Named Executive Officers receive compensation that is as closely aligned as feasible with the interests of the Company's shareholders. Further, the Company's executive compensation structure advances the Company's overall objectives by (i) maximizing retention, (ii) increasing motivation and (iii) aligning the Named Executive Officer with overall shareholder interests.

V. Benchmarking

In 2010, the Compensation Committee Consultant prepared a Peer Group analysis to determine the range of base salary, annual cash bonus and long-term compensation awards paid to executives in similar positions to the Company. The Peer Group constituents were determined based on several factors, including historical Peer Group companies, equity market capitalization, industry sector, business model and geographic location. The composition of the Peer Group may change from year to year based on market developments and merger and acquisition activity, among other factors, although, in 2010 no adjustments to the Peer Group were made. The Peer Group analysis was based on information disclosed in 2010 proxy statements, which reported fiscal year 2009 compensation and which is the most recent publicly available data. The Peer Group data is used as a tool to ensure that the Company's compensation philosophy is consistent with current market practices and there is an appropriate link between performance and pay. Additionally, the Compensation Committee Consultant reviewed compensation structures and anticipated year over year adjustments in the private real estate environment but did not consider actual compensation levels.

Compensation of the Named Executive Officers was not directly tied into specific levels of compensation of the Company's Peer Group. The Compensation Committee and the Board consider the competitive information provided to it by the Compensation Committee Consultant. Messrs. Nelsen, Braun, Masters and Conlon's annual compensation was below the 50th percentile based on the actual compensation of the Company's Peer Group. Mr. Bernstein's annual compensation was very slightly above that 50th percentile.

2010 Peer Group

Listed below are the 17 publicly-traded REITs in the 2010 Peer Group, with equity market capitalizations ranging from approximately \$51 million to \$8.2 billion with a median equity market capitalization of approximately \$2.4 billion as compared to the Company's equity market capitalization of approximately \$741 million as of December 31, 2010. Additionally, the 2010 Peer Group had median total assets under management of approximately \$3.2 billion, as compared to the Company's total assets of approximately \$1.5 billion. The Peer Group generally includes shopping center REITs but also includes select companies in the multi-family, mortgage, industrial and net-lease REIT sectors that also manage joint venture investment funds.

VI. Timing of Equity Grants and Share Ownership Policy

The Company does not in any way time its share awards to the release of material non-public information. The CEO meets with the Compensation Committee in December or January of each year and recommends the share awards for the Named Executive Officers other than himself to be granted for the current year. The Compensation Committee reviews the recommendations and then recommends the awards to the full Board of Trustees for approval. The awards are granted in the first quarter of the following year. There is no consequence for selling vested shares but the Company does encourage Named Executive Officers and Trustees to hold and has approved guidelines for ownership for Named Executive Officers and Trustees.

The Board of Trustees has instituted a share ownership policy ("SOP"), containing guidelines for Named Executive Officers and Trustees to own at all times a certain level of the Company's Common Shares (which includes LTIP Units as well). This policy further aligns Named Executive Officers and Trustees' interests with those of shareholders. The SOP has the additional purpose of helping the Company's Named Executive Officers build wealth that they may use as a source of supplemental retirement income. Although not mandatory, the recommended targets are as follows:

- Ten times salary plus cash bonus for the Chief Executive Officer

- Four times salary plus cash bonus for the Chief Investment Officer
- Three times salary plus cash bonus for other Named Executive Officers
- Three times total annual fees for non-employee Trustees

As of the date hereof, all Named Executive Officers, including the CEO, met the recommended targets.

The other provisions of the policy are:

- Common Shares, Restricted Shares, LTIP Units, Restricted LTIP Units and OP Units count toward the standard. Options do not count toward the standard.
- Newly Named Executive Officers and Trustees have five years to reach the standard that applies to them.
- Named Executive Officers and Trustees are encouraged to achieve and maintain the target level of ownership until they leave the Company or Board, as applicable.
- The policy constitutes a set of guidelines. As such, it does not set forth any penalties for non-compliance. The treatment of non-compliance is left to the discretion of the Board, in collaboration with the CEO and the Compensation Committee.

VII. Impact of Accounting and Tax Treatment

Accounting Treatment

The Company expenses the cost of share-based compensation, including Restricted Shares and Restricted LTIP Units, in its financial statements in accordance with Statement of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 718, “Compensation – Stock Compensation” (“ASC Topic 718”).

Tax Treatment

The Compensation Committee has reviewed the Company’s compensation policies in light of Section 162(m) of the Internal Revenue Code, as amended, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation is not subject to that limit), and determined that the compensation levels of the Company’s CEO and CIO (but no other Named Executive Officers) could be affected by such provisions. The Compensation Committee intends to continue to review the application of Section 162(m) to the Company with respect to any future compensation programs considered by the Company. In view of its overall executive compensation structure, the Compensation Committee has determined that it is appropriate for the CEO and CIO to have the potential to receive compensation that is not deductible under Section 162(m).

VIII. Relationship of Compensation Policies and Practices to Risk Management.

The Compensation Committee has considered the risks arising from the Company’s compensation policies and practices for its employees, and does not believe those risks are reasonably likely to have a material adverse effect on the Company.

IX. Specific 2010 Decisions and 2011 Changes

Salary

Working with market data supplied by SMG, the Compensation Committee reviewed the base salaries of the Named Executive Officers for 2010 and 2011. Consistent with the Company’s philosophy to offer competitive salaries to its key executives and Mr. Bernstein’s solid performance in 2010, the Compensation Committee recommended and the Board of Trustees determined that Mr. Bernstein’s annual salary will increase to \$476,100 for 2011. In addition, in order to keep base salaries competitive with those of its competitors, the Compensation Committee recommended and the Board of Trustees determined that the 2011 base salaries of the Named Executive Officers will increase as follows:

Name	Base Salary		Percentage Increase Over 2010
	2010 Base Salary	2011 Base Salary	
Kenneth F. Bernstein	\$ 460,000	\$ 476,100	3.5%
Michael Nelsen	235,000	243,200	3.5%
Joel Braun	307,500	318,300	3.5%
Robert Masters	240,875	249,300	3.5%
Christopher Conlon	225,000	275,000	22.2%

Performance and Time-Based Incentive Awards

The compensation process began with the creation of a bonus pool for Named Executive Officers (and other Senior Vice Presidents). The Board of Trustees, after consultation with the Compensation Committee, SMG and management, determined that the pool for 2010 would be \$4.1 million for target performance. If the performance exceeded the target, the pool would increase to \$4.9 million for outperformance and if the performance did not meet the target, the pool would decrease to \$3.3 million for minimal performance.

Bonus allocations for individual Named Executive Officers are based upon two separate categories of metrics: Company performance (70% of the overall determination) and individual/business unit performance (30% of the overall determination). The Board of Trustees, after consultation with the Compensation Committee, SMG and management, established the 2010 Company performance hurdles presented below. The percentages appearing in the bonus allocation column below represent the percentage of total bonus allocated to that particular Company performance category.

Company Performance Metrics

Objective Metrics

The objective metrics chosen for determining Company performance and the actual Company results are as follows:

Objective Measurement	Bonus Allocation	Minimal	Target	Outperform	Actual 2010 Results	Bonus Level Achieved
Funds From Operations (“FFO”) Growth (1):	10%					
Absolute \$0.95 - \$1.00		Bottom 25%	25% - 74%	75% +	\$1.23 (AKR)	Outperform
Relative vs. peer group		25% - 49%	50% - 74%	75% - 100%	N/A(3)	
Net Operating Income (“NOI”) Growth (Same Store) (2):	10%					
Absolute -2% to -4%		Bottom 25%	25% - 74%	75% +	-0.9% (AKR)	Outperform
Relative vs. peer group		25% - 49%	50% - 74%	75% - 100%	N/A(3)	
Total Shareholder Return:	20%					
Absolute		1.5% - 2.5%	2.6% - 7.5%	7.5% +	12.4% (AKR)	Outperform
Relative vs. peer group		Bottom 25%	25% - 74%	75% +	N/A(3)	

(1) See table below for a reconciliation of Net Income (GAAP) to FFO.

(2) NOI excludes various items included in operating income (GAAP) that are not indicative of the operating performance of a store. NOI is calculated by starting with operating income and (i) adding back general and administrative, depreciation and amortization, abandonment of project costs, reserve for notes receivable; and (ii) deducting management fee income; interest income; other income; lease termination income; and straight line rent and other adjustments.

(3) Criteria are met if one of the two performance standards for each measurement is achieved. “Relative” performance of peers was not applicable as the Company met the “Absolute” standards.

Based on the results noted in the table above, the Company achieved the upper end (“Outperform”) of the three objective metrics.

Subjective Metrics

The other measure of Company performance is subjective and includes the following aspects of executing the Company's strategic plan (represents 30% of bonus allocation):

- Maintain a high-quality core portfolio of retail assets
- Maintain a healthy balance sheet with strong liquidity
- Maintain a disciplined growth strategy that enables opportunistic investing

With regard to the subjective Company metrics, the Compensation Committee and the full Board of Trustees evaluated the Company's performance with respect thereto to determine if it performed at a minimal, target or outperform level. The Compensation Committee and the full Board of Trustees agreed that the Company's performance met the "Target" level based on the following:

- Same store net operating income decline of 0.9% at the favorable end of expectation
- Solid occupancy of the core portfolio of 91.5%
- Balance sheet liquidity of \$145 million including cash of \$86 million and availability under lines of credit of \$59 million
- No debt maturities at the core until December, 2011 including extension options
- Fixed-charge coverage of 3.2:1
- 100% fixed rate debt at the core at an average rate of 6.2%
- Including the Company's share of Fund debt 86% is fixed at average rate of 5.4%
- \$250 million of available investor capital, of which the Company's share is \$50 million, to fund future opportunistic investments
- The Company acquired only one new property in 2010

Individual/Business Unit Performance Metrics

With regard to the individual/business unit performance metrics, each Named Executive Officer had four goals which were established at the beginning of the year. These goals were different for each Named Executive Officer based on the different Company disciplines for which each of the Named Executive Officers was responsible and, while some could be objectively measured, overall they were more subjective in nature than the Company performance metrics. For example, some of the objective measures were as follows:

- Chief Financial Officer – maintain floating rate to fixed rate debt ratio of no more than 10%
- Chief Investment Officer – invest opportunity fund (the "Funds") dollars within the Funds' investment period
- General Counsel - achieve reimbursement of \$1.5 million for the legal department's work for the Funds and joint ventures
- Senior Vice President, Leasing and Development - maintain rental rates within 5% of budget

With respect to the subjective measures, each of the Named Executive Officers (other than the CEO) was judged on whether there was strong leadership of their departments. Other examples of the more subjective measures were as follows:

- Chief Executive Officer – ensuring the Company's long-term financial stability by raising new sources of capital and by preserving and expanding the Company's liquidity position
- Chief Executive Officer – stewardship at the top of the organization and success in interfacing with major institutional investors and joint venture partners
- Chief Financial Officer – maximize operating cash flow to maintain cash balances sufficient to fund growth opportunities as they arise
- Chief Investment Officer – manage acquisition deal flow and dispositions, as well as other investments
- General Counsel – interface with joint venture partners; provide support in structuring investments; and maintain law firm quality work
- Senior Vice President, Leasing and Development – restructure the leasing department to more efficiently manage the Company's leasing objectives

With regard to the subjective individual/business unit metrics, the Compensation Committee and the full Board of Trustees evaluated the Named Executive Officer's performance with respect thereto to determine if they performed at a minimal, target or outperform level. The Compensation Committee and the full Board of Trustees agreed that the majority of the Named Executive Officer's performance met the "Target" level for the four individual measures.

Overall Allocation

Based on the results of the above, the 2010 bonus pool was set at \$4.6 million (not including rounding and the effect of using ASC Topic 718 as disclosed in Footnote 2 of the following table). The Compensation Committee, in consultation with SMG, recommended and the full Board of Trustees concurred that, based on its evaluation of each of the Named Executive Officer's contribution to attaining the corporate goals and to the performance of the Company, assigned the following allocation of the pool:

- Chief Executive Officer – 41.55%
- Chief Financial Officer – 6.58%
- Chief Investment Officer – 14.87%
- General Counsel – 6.59%
- Senior Vice President, Leasing and Development – 7.69%

On March 3, 2011, the Board of Trustees approved a cash bonus, 2010 long-term incentive awards, elective LTIP Unit awards and additional retention awards as follows:

(1) NEO converted cash bonus to elective LTIP Units. Reference is made to Footnote (3) below.

(2) Calculated in accordance with ASC Topic 718. The valuation of the awards detailed above is based on the Company's closing Common Share price of \$19.08 on the day preceding the Grant Date. Reference is made to Footnote 1 of the Summary Compensation Table for a discussion of ASC Topic 718.

(3) The number of LTIP Units granted in connection with this portion of the elective LTIP Unit award were at a 25% discount as discussed below.

In recommending these awards to the Board, the Compensation Committee considered all the factors detailed above. The Compensation Committee also considered compensation studies provided by SMG and surveys with respect to other comparable publicly-traded real estate investment trusts regarding executive compensation and performance benchmarks.

2010 long-term incentive awards and elective LTIP Unit awards to executives other than Mr. Bernstein

The total 2010 long-term incentive awards and elective LTIP Unit awards approved by the Board to certain executive officers were allocated 83% as time-based awards and 17% as performance-based awards. These time-based and performance-based awards consist of non-vested Restricted LTIP Units for which the number was determined based on the trailing 20-day average price of the Company's Common Shares from the date of grant of \$19.05. The Restricted LTIP Units will vest in five equal annual installments commencing on January 6, 2012 provided that the executive continues to be employed by the Company through the applicable vesting date. The performance-based portion of the Restricted LTIP Unit awards will also be subject to the Company achieving certain annual and cumulative benchmarks established by the Board. Long-term incentive awards are intended to develop and retain strong management through share ownership and incentive awards that recognize future performance. These ownership opportunities and awards also provide a retention benefit by vesting over future periods.

In addition to their base salaries and long-term incentive awards, certain executive officers of the Company received elective LTIP Unit awards in place of annual cash bonuses that were determined based upon the Compensation Committee's evaluation of both the overall performance of the Company and their individual performance as detailed above. These elective LTIP Units are time-based and vest in the same manner as described above. The number of Restricted LTIP Units granted in connection with this elective LTIP Unit award were at a 25% discount to the trailing 20-day average price of the Company's Common Shares.

2010 long-term incentive award, elective LTIP award and additional retention award to Mr. Bernstein

The 2010 long-term incentive award, elective LTIP Unit award and the additional retention award approved by the Board to Mr. Bernstein amounted to 230,971 non-vested Restricted LTIP Units. The additional retention award was granted to both retain Mr. Bernstein's services with the Company and to partially compensate him for the removal of the excise tax gross-up clause from his employment contract. These Restricted LTIP Units shall vest as follows:

- (i) 104,987 Restricted LTIP Units will vest in five equal annual installments commencing on January 6, 2012, (the "First Vesting Date") provided that Mr. Bernstein continues to be employed by the Company through the applicable vesting date,
- (ii) 20,997 Restricted LTIP Units will also vest subject to the same schedule and Mr. Bernstein's continued employment, however the vesting of these LTIP Units will also be subject to the Company achieving certain annual and cumulative benchmarks established by the Board, and
- (iii) 104,987 Restricted LTIP Units will vest as follows: 5,250 on the First Vesting Date and on the 1st, 2nd and 3rd anniversaries of the First Vesting Date and 83,987 on the 4th anniversary of the First Vesting Date.

Additional retention award to Mr. Conlon

The additional retention award granted to Mr. Conlon, to retain his services with the Company, consist of time-based non-vested Restricted LTIP Units and vest as follows:

- 52,494 non-vested Restricted LTIP Units will vest as follows: (i) 5,249 on September 1, 2011; (ii) 5,249 on January 6, 2012; (iii) 23,623 on the date of Mr. Conlon's relocation of his primary residence to Westchester County, NY or Fairfield County, CT or, if Mr. Conlon does not relocate on or before January 6, 2013, in equal amounts on January 6, 2013, 2014 and 2015, respectively, until such time as he does relocate; and (iv) the remaining 18,373 on January 6, 2016.

The following table lists the annual compensation for the fiscal years 2010, 2009, and 2008 awarded to the Named Executive Officers.

- Represents contributions made by the Company to the account of the Named Executive Officer under a 401 (k) Plan.
- In August of 2004, the Company allowed the conversion of certain outstanding share awards into deferred share units. The amounts included above reflect dividends paid by the Company on such units in 2008 to Mr. Bernstein, Mr. Braun and Mr. Masters. In 2008, the participants elected to end the deferral and received the deferred units. During January 2009, these units were consequently converted to 190,487 Common Shares and were issued to the participants and 83,433 of these Common Shares were cancelled to pay for the participants income taxes. In addition, the amounts include cumulative dividends on unvested Restricted Shares which were paid to all Named Executive Officer's upon the vesting of those Restricted Shares in January 2010, 2009 and 2008, respectively.

GRANTS OF PLAN-BASED AWARDS

EMPLOYMENT AND SEVERANCE AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

The Company has entered into an employment agreement with Mr. Bernstein and severance agreements with each of the other Named Executive Officers.

Kenneth Bernstein Employment Agreement

In August of 1998, the Company entered into an employment agreement with Kenneth F. Bernstein, which has been amended from time to time (most recently by an amendment dated March 7, 2011), pursuant to which Mr. Bernstein serves as President and Chief Executive Officer. The employment agreement was extended for three years to March 6, 2014 with a base salary of \$476,100 and after expiration is renewable for successive daily periods, and is subject to termination in accordance with the terms and conditions of such agreement. Under the terms of the employment agreement, Mr. Bernstein's base salary is subject to an annual review and adjustment by the Compensation Committee.

Each year during the term of Mr. Bernstein's employment, the Compensation Committee considers Mr. Bernstein for an incentive bonus (to be determined by the Compensation Committee and recommended for approval to the full Board of Trustees) and discretionary bonuses payable in cash, Restricted Shares, options, Restricted LTIP Units and participation in the Program, or any combination thereof, as the Board of Trustees and the Compensation Committee may approve. The employment agreement also provides for an annual car allowance plus insurance costs for Mr. Bernstein to be maintained by the Company. Mr. Bernstein is also entitled to participate in all benefit plans, health insurance, disability, retirement and incentive compensation plans generally available to the Company's executives, and is subject to certain non-competition and confidentiality requirements.

Mr. Bernstein's employment agreement provides for certain termination or severance payments to be made by the Company to Mr. Bernstein in the event of his termination of employment as the result of his Death, Disability, discharge without Cause, his resignation or a termination by Mr. Bernstein for Good Reason (the terms, "Death", "Disability", "Cause" and "Good Reason" each defined below). If Mr. Bernstein's employment is terminated either because he is discharged without cause or due to a termination by Mr. Bernstein for Good Reason, the Company will be required to make a lump sum payment equal to among other things, unpaid salary and bonus, and severance salary and bonus, each paid in accordance with the terms and conditions of such agreement. In the recent amendment, Mr. Bernstein agreed to the removal of his right to receive an excise tax gross up.

Severance Agreements for Named Executive Officers Other than Mr. Bernstein

The Company has entered into severance agreements with each of the Named Executive Officers other than Mr. Bernstein. These agreements provide for certain termination or severance payments to be made by the Company to a Named Executive Officer in the event of his termination of employment as the result of his death, Disability (as defined below), discharge for Cause or without Cause, his resignation or a termination by the Named Executive Officer for Good Reason. If the Named Executive Officer's employment is terminated either because he is discharged without Cause (as defined below) or due to a termination by the Named Executive Officer for Good Reason, the Company will be required to make a lump sum payment equal to among other things, unpaid salary and bonus, and unpaid severance salary and severance bonus, each paid in accordance with the terms and conditions of such agreements. These payments will be reduced to the extent that they would otherwise be considered parachute payments within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended.

Termination and Definitions For Cause

The Company has the right to terminate a Named Executive Officer's employment for "Cause" upon the Named Executive Officer's: (A) deliberate misrepresentation in connection with, or willful failure to cooperate with, a bona fide internal investigation or an investigation by regulatory or law enforcement authorities, after being instructed by the Company to cooperate, or the willful destruction or failure to preserve documents or other materials known to be relevant to such investigation or the willful inducement of others to fail to cooperate or to produce documents or other materials; (B) failure to perform his duties hereunder (other than any such failure resulting from Named Executive Officer's incapacity due to physical or mental illness) which failure continues for a period of three business days after written demand for corrective action is delivered by the Company specifically identifying the manner in which the Company believes the Named Executive Officer has not performed his duties; (C) conduct by the Named Executive Officer constituting a material act of willful misconduct in connection with the performance of his duties, including, without limitation, misappropriation of funds or property of the Company other than the occasional, customary and de minimis use of the Company's property for personal purposes; (D) disparagement of the Company, its officers, Trustees, employees or partners; (E) soliciting any existing employee of the Company above the level of an administrative assistant to work at another company; or (F) the commission by the Named Executive Officer of a felony or misdemeanor involving moral turpitude, deceit, dishonesty or fraud.

Death

A Named Executive Officer's employment will terminate upon his death.

Disability

The Company has the right to terminate a Named Executive Officer's employment due to "Disability" in the event that there is a determination by the Company that the Named Executive Officer has become physically or mentally incapable of performing his duties under the agreement and such Disability has disabled the Named Executive Officer for a cumulative period of 180 days within a twelve month period.

Good Reason

A Named Executive Officer has the right to terminate his employment for "Good Reason": (A) upon the occurrence of any material breach of the agreement by the Company which includes but not be limited to: a material, adverse alteration in the nature of Named Executive Officer's duties, responsibilities or authority; (B) upon a reduction in Named Executive Officers annual base salary or a material reduction in other benefits (except for bonuses or similar discretionary payments) as in effect at the time in question, or a failure to pay such amounts when due which is not cured by the Company within ten days after written notice of such default by the Named Executive Officer, (C) if the Company relocates the Named Executive Officers' office requiring the Named Executive Officer to increase his commuting time by more than one hour, or (D) the Company's failure to provide benefits comparable to those provided the Named Executive Officer as of the effective date, other than any such failure which affects all comparably situated officers, then the Named Executive Officer will have the right to terminate his employment, which termination will be deemed for Good Reason.

Without Cause

The Company has the right to terminate a Named Executive Officer's employment without Cause.

Upon a Change in Control and Termination

The Named Executive Officers may be entitled to benefits upon a Change of Control and termination of their employment as discussed below.

"Change in Control" means that any of the following events has occurred: (A) any "person" or "group" of persons, as such terms are used in Sections 13 and 14 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), other than any employee benefit plan sponsored by the Company, becomes the "beneficial owner", as such term is used in Section 13 of the Exchange Act (irrespective of any vesting or waiting periods) of (i) Common Shares in an amount equal to 30% or more of the sum total of the Common Shares issued and outstanding immediately prior to such acquisition as if they were a single class and disregarding any equity raise in connection with the financing of such transaction; provided, however, that in determining whether a Change of Control has occurred, outstanding shares or voting securities which are acquired in an acquisition by (i) the Company or any of its subsidiaries or (ii) an employee benefit plan (or a trust forming a part thereof) maintained by the Company or any of its subsidiaries do not constitute an acquisition which can cause a Change of Control; or (B) the approval of the dissolution or liquidation of the Company; or (C) the approval of the sale or other disposition of all or substantially all of its assets in one (1) or more transactions; or (D) a turnover, during any two year period, of the majority of the members of the Board, without the consent of the majority of the members of the Board as to the appointment of the new Board members.

SPECIFIC CIRCUMSTANCES THAT WOULD TRIGGER PAYMENTS UNDER THE EMPLOYEE AND SEVERANCE AGREEMENTS AND POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The specific circumstances that would trigger payments and amount of compensation that would be paid by the Company under Mr. Bernstein's employment agreement and the other Named Executive Officers' severance agreements are as follows:

Compensation upon Termination of Employment by the Company for Cause or Voluntarily By the Named Executive Officer

In the event the Company terminates a Named Executive Officer's employment for Cause, or a Named Executive Officer voluntarily terminates his employment, the Company will pay that Named Executive Officer any unpaid annual base salary at the rate then in effect accrued through and including the date of termination and any accrued vacation pay. In addition, in such event, the Named Executive Officer will be entitled to exercise any options which, as of the date of termination, have vested and are exercisable in accordance with the terms of the applicable option grant agreement or plan. All options and all restricted shares granted to the executive which have not vested on the date of termination will automatically terminate.

Compensation under Mr. Bernstein's Employment Agreement upon Termination of Employment upon Death, Disability, Without Cause or for Good Reason or Change in Control and Termination of Employment

In the event of termination by the Company of Mr. Bernstein's employment as a result of his Death, Disability, Without Cause or by Mr. Bernstein for Good Reason, the Company is obligated to pay or provide to Mr. Bernstein, his estate or personal representative, the following: (i) any unpaid accrued salary through and including the date of termination; plus (ii) an amount equal to three times his current salary; (iii) an additional amount equal to three times the average of the cash value of the bonuses (whether awarded as cash incentive bonuses or in Restricted Shares or Restricted LTIP Units, the value of the latter to be calculated as of the date of the award) awarded to Mr. Bernstein for each of the last two years immediately preceding the year in which Mr. Bernstein's employment is terminated; (iv) a further amount computed at an annualized rate equal to the average of the cash incentive bonuses awarded to Mr. Bernstein for each of the last two years; (v) reimbursement of expenses incurred prior to date of termination; (vi) all incentive compensation payments whether share based or otherwise that are subject to

a vesting schedule including Restricted Shares, Restricted LTIP Units and options shall immediately vest as of the date of the termination; and (vii) continuation of health coverage through the unexpired employment period with the exception of termination upon Death. Following a Change of Control together with either a Termination Without Cause or by Mr. Bernstein for Good Reason, the Company will be obligated to make the payments described above.

Compensation upon Termination of Employment upon Death, Disability, Without Cause or By Other Named Executive Officers for Good Reason or Change in Control and Termination of Employment

In the event of termination by the Company of the employment of a Named Executive Officer as a result of the Named Executive Officer's Death, Disability, termination Without Cause or by such Named Executive Officer for Good Reason, the Company is obligated to pay or to provide such Named Executive Officer, the following: (i) any unpaid accrued salary through and including the date of termination; (ii) an amount equal to one year's salary at the then current annual base; (iii) reimbursement of expenses incurred prior to date of termination; (iv) such Named Executive Officer's car allowance, if any, for one year; and (v) a pro rata portion of such Named Executive Officer's bonus (based upon the average of the last two years' bonuses); and (vi) all incentive compensation payments whether share based or otherwise that are subject to a vesting schedule including Restricted Shares, Restricted LTIP Units and options will immediately vest as of the date of the termination.

Following a Change of Control together with either Termination Without Cause or for Good Reason, the Company is obligated to pay or provide to the Named Executive Officer the full benefits described above. In addition, Messrs. Braun, Masters and Nelsen will be entitled to receive an amount equal to six months' base salary and the Company will continue the base salary and medical benefits of said Named Executive Officer for a period not to exceed the earlier of (a) six months from the date of such termination or (b) the date when such Named Executive Officer becomes reemployed. Mr. Conlon's Severance Agreement does not provide for the additional amounts payable to Messrs. Braun, Masters and Nelsen following a Change of Control together with either Termination Without Cause or for Good Reason described in this paragraph.

Acceleration of Vesting and Forfeiture of Awards under Share Incentive Plans

In addition to the termination payments discussed above, the Share Incentive Plans provide for accelerated vesting of awards in certain circumstances involving a Change in Control of the Company. These plans also provide for forfeiture of awards in certain circumstances, such as in the event of a termination for cause.

POTENTIAL PAYMENTS TO NAMED EXECUTIVE OFFICERS UPON TERMINATION

The following table estimates the potential payments and benefits to the Named Executive Officers upon termination of employment and Change in Control, assuming the event occurred on December 31, 2010. These estimates do not reflect the actual amounts that would be paid to such persons, which would only be known at the time they become eligible for payment and would only be payable if the specified event occurs.

Board of Trustees Compensation

Each Trustee who is not also an officer and full-time employee of the Company or the Operating Partnership receives an annual Trustee fee in the amount of \$30,000, comprised of \$15,000 cash and \$15,000 of unrestricted Common Shares, plus a fee of \$1,750 for each meeting of the Board attended, \$1,500 for each committee meeting attended and \$750 for each Board or committee meeting attended telephonically. Committee chairs also receive an annual fee of \$5,000 with the exception of the Audit Committee chair who receives an annual fee of \$7,500. The Lead Trustee receives an annual Lead Trustee fee of \$35,000, comprised of \$17,500 cash and \$17,500 of unrestricted Common Shares in addition to the other Trustee fees.

Trustees who are officers and full-time employees of the Company or its subsidiaries receive no separate compensation for service as a Trustee or committee member. Additionally, members of the Board of Trustees are reimbursed for travel and lodging expenses associated with attending meetings of the Board and committees of the Board. Each Non-management Trustee is also entitled to grants of 2,000 Restricted Shares following the annual meeting held during each year during which they serve as Trustees, to the extent he or she will continue to serve as Trustee after the annual meeting. No dividends are paid on Restricted Shares until they vest. These Restricted Shares vest over three years with 33% vesting on each of the next three anniversaries of the issuance date. On May 10, 2010, the Company issued 4,180 unrestricted Common Shares and 8,000 Restricted Shares to Trustees of the Company in connection with Trustee fees. In addition, on May 10, 2010, the Company issued an additional 944 unrestricted Common Shares to the Lead Trustee of the Company in connection the Lead Trustee fee.

During 2010, Mr. Wielansky also received \$100,000 in fees for providing consulting services to the Company.

Pursuant to the Company's 2006 Deferred Compensation Plan (the "Deferred Compensation Plan"), Trustees may elect to defer receipt of their annual trustee fees and Common Share Awards. Each Trustee participating in the Deferred Compensation Plan has an account, which the administrator credits with a number of Common Shares having a fair market value (as of the date of the credit) equal to the amount of the participant's compensation that the Trustee has elected to defer and would otherwise have been paid in cash or other property to the Trustee during the preceding month. The Deferred Compensation Plan generally allows the Trustees to defer receipt of their compensation and, therefore, defer paying tax on that compensation. To defer eligible compensation for any given calendar year, a Trustee must make a written election at least 30 days before the calendar year begins. The Company will credit each Trustee's deferred compensation account with additional Common Shares that (i) have a fair market value, when credited, equal to the product of any per Common Share cash dividend paid during the prior quarter and the number of Common Shares credited to the Trustee's account and (ii) equitably adjust the Trustee's account for any share dividends that would have been paid during the prior month with respect to the Common Shares credited to the Trustee's account on the last day of the prior quarter. Generally, a Trustee's account will be paid to the Trustee upon his or her separation of service from the Company and will be paid to his or her beneficiaries in the event of his or her death, in each case based on the timeframe for distributions specified in the Trustee's deferral election form. Under certain circumstances, the Board may permit a Trustee to withdraw a limited number of Common Shares from his or her account if the Trustee suffers a Hardship (as defined in the Deferred Compensation Plan).

For 2011, Ms. Luscombe has elected to defer payment of her Trustee fees that are payable in Common Shares. No other Trustee has elected to defer compensation for 2011.

See the Board of Trustees Compensation Table below for a summary of the compensation paid to the members of the Board of Trustees during 2010.

Review and Approval of Related Person Transactions.

We review all relationships and transactions in which the Company and the Company's Trustees and Named Executive Officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. The Company's legal staff is primarily responsible for the development and implementation of processes and controls to obtain information from the Trustees and Named Executive Officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. In addition, pursuant to its charter, the Audit Committee reviews and approves all related party transactions, which we interpret to include any transaction that is required to be disclosed under SEC rules. The Company does not have any written standards for approving related party transactions. However, the Audit Committee only approves a related party transaction if it believes the transaction is in the best interest of the Company and its shareholders. While the Company has disclosed the transactions with Klaff in this section for the sake of full disclosure, since Klaff does not own more than 5% of any class of the Company's voting securities, disclosure of this related party transaction is not required under SEC rules. The transactions between the Company and Klaff noted above were approved by the Company's Board of Trustees, which consists of five Trustees who are considered independent under the rules of the New York Stock Exchange and the Company's Chief Executive Officer.

SUBMISSION OF SHAREHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, some shareholder proposals may be eligible for inclusion in the Company's 2012 proxy statement and form of proxy. In accordance with Rule 14a-8, these proposals must be received by the Company no later than 5:00 PM EST on December 9, 2011. You are also advised to review the Company's Bylaws, which contain additional requirements about advance notice of shareholder proposals and Trustee nominations.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS SHARING AN ADDRESS

The Company has adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission. Under this procedure, the Company is delivering only one copy of its Annual Report and Proxy Statement to multiple shareholders who share the same mailing address and have the same last name, unless the Company has received contrary instructions from an affected shareholder. This procedure reduces the Company's printing costs, mailing costs and fees. Shareholders who participate in householding will continue to receive separate proxy cards.

The Company will deliver promptly, upon written or oral request, a separate copy of the Annual Report and Proxy Statement to any shareholder at a shared address to which a single copy of the Annual Report or the Proxy Statement was delivered. A shareholder who wishes to receive a separate copy of the Proxy Statement and Annual Report, now or in the future, should submit a request in writing to Acadia Realty Trust, 1311 Mamaroneck Avenue, Suite 260, White Plains, NY 10605, Attention: Robert Masters. You may also call (914) 288-8100 to request a copy of the Proxy Statement and Annual Report. You may also access the Company's Annual Report and Proxy statement at www.acadiarealty.com/proxy.

If you are a shareholder of record and would like to revoke your householding consent and receive multiple copies of the Annual Report or Proxy Statement in the future, or if you currently receive multiple copies of these documents and would like only to receive a single copy, please contact the Company at the address listed in the preceding paragraph.

A number of brokerage firms have instituted householding. If you hold your shares in "street name," please contact your bank, broker or other holder of record to request information about householding.

By order of the Board of Trustees,

Robert Masters, Secretary
